

**Zix Corporation CEO to Present at 2006 C.E. Unterberg, Towbin
“Emerging Growth Opportunities” Conference on July 11**

DALLAS — July 7, 2006 — Zix Corporation (ZixCorp[®]), (Nasdaq: ZIXI), the leader in hosted services for email encryption and e-prescribing, today announced the company's chief executive officer, Rick Spurr, along with a select group of emerging companies representing digital media, software, communications equipment, modern defense and healthcare sectors, will present at the “Emerging Growth Opportunities” Conference.

The conference will take place at the Mandarin Oriental Hotel in New York City on July 11-12. Spurr will be speaking on the morning of Tuesday, July 11, and meeting with investment professionals at the conference in one-on-one sessions throughout the day. Spurr's presentation will be webcast and available on July 11, 2006 and thereafter on the ZixCorp website at www.zixcorp.com. For conference information and registration, visit www.unterberg.com.

About Zix Corporation

ZixCorp is the leading provider of hosted email encryption and e-prescribing services. ZixCorp's email encryption services provide an easy and cost-effective way to ensure customer privacy and regulatory compliance for corporate email. Its PocketScript[®] e-prescribing service reduces costs and improves patient care by automating the prescription process between payers, doctors, and pharmacies. For more information, visit www.zixcorp.com.
