GTECH S.p.A. SUBSIDIARY GTECH GLOBAL SERVICES CORPORATION SIGNS FIVE-YEAR SUPPLY AGREEMENT WITH ENTRETENIMIENTOS GENERALES, THE NEWLY-AWARDED OPERATOR OF LOTTERY GAMES IN ASUNCIÓN, PARAGUAY

ROME (ITALY) – PROVIDENCE, RHODE ISLAND (US), September 4, 2013 – GTECH S.p.A. announced that its subsidiary GTECH Global Services Corporation Limited has signed a five-year supply agreement as the exclusive supplier of lottery technology and support services to Entretenimientos Generales, S.A., the newly awarded private operator of lottery games in Asunción, Paraguay. Comisión Nacional de Juegos de Azar (CONAJZAR), the government body that provides regulatory oversight of the lottery in Paraguay, awarded the concession to Entretenimientos Generales, which shall undertake all aspects of operating the new lottery games under a concession contract between the CONAJZAR and Entretenimientos Generales, which was entered into contemporaneously with GTECH's entering into the supply agreement with Entretenimientos Generales. As the exclusive technology partner to Entretenimientos Generales over the term of the concession contract, GTECH will supply the hardware and software needed to operate the lottery central system, as well as online lottery terminals. GTECH will also provide system implementation consultation and training to Entretenimientos Generales, as well as marketing support to ensure the expectations of the Paraguayan government are realized throughout the term of the concession contract with Entretenimientos Generales. The concession contract entered into between the CONAJZAR and Entretenimientos Generales, which will run for 60 months from the projected "start-up" date of early 2014, was the result of a competitive procurement.

"Our experience working with lotteries throughout Latin America will be beneficial as we implement the private operator model in Paraguay," **said Christopher Caldwell, GTECH Senior Vice President of Latin America and Caribbean**. *"Working in partnership with Entretenimientos Generales, we hope to strengthen the Paraguayan lottery business through new game offerings, utilizing advanced technology and flexible retail solutions."*

"A great opportunity for Entretenimientos Generales is the implementation of a fully-automated lottery system. Our partnership with GTECH enables us to plan, establish, and control this lottery enterprise so that significant benefits can be derived for the gaming industry of Paraguay," **said Carlos Ramirez, Entretenimientos Generales General Director**.

Under the terms of GTECH's supply agreement with Entretenimientos Generales, GTECH will provide its Enterprise Series central system solution and 350 Imagine™ GT1100 terminals. The Imagine GT1100 is a full-function lottery terminal that accommodates retail locations with space limitations.

GTECH has established itself as a leading provider of lottery technology and services for several customers in Latin America located in Argentina, Colombia, Chile, Costa Rica, and Mexico.
