**Global Sources announces intended cash tender offer for up to approximately
\$50 million of its outstanding common shares**

NEW YORK, June 11, 2015 – [Global Sources Ltd.](http://www.globalsources.com) (NASDAQ: GSOL) intends to commence an issuer tender offer by the end of June 2015, with expected completion before the end of July 2015, for up to 6,666,666 shares, or approximately 22.05% of its outstanding common shares as of April 30, 2015, at a purchase price of \$7.50 per share in cash. Global Sources expects to fund the tender offer with cash on hand. As of March 31, 2015, Global Sources had total cash, cash equivalents and available-for-sale securities of approximately \$103.6 million.

The offer will afford tendering shareholders liquidity for some or all of their shares and will permit them to have their shares repurchased at a 16.82% premium over the closing price per share of \$6.42 on June 10, 2015, the last full trading day before the date of this announcement. Shareholders who elect not to tender their shares in the offer will increase their relative percentage ownership in Global Sources following completion of the offer.

Global Sources' executive chairman, Merle A. Hinrich, said: "I am pleased to announce that after carefully considering all of the options to return capital to the shareholders, the Board of Directors has approved a tender offer as the most efficient alternative at this time. We believe this measure reflects our continued commitment to enhancing shareholder value and enables all

shareholders to participate equally in a return of investment, if so chosen. At the close of the transaction, Global Sources will still have a strong balance sheet, giving us the financial strength to pursue our growth initiatives and other options to invest in the business.”

Global Sources has been informed that its Directors and Officers who own shares can be expected to tender all or a portion of their shares in the offer. Such Directors and Officers beneficially owned approximately 47.80% of Global Sources’ outstanding common shares as of Feb.28, 2015.

THIS PRESS RELEASE CONSTITUTES NEITHER AN OFFER TO BUY NOR THE SOLICITATION OF AN OFFER TO SELL SHARES. THE SOLICITATION AND THE OFFER TO BUY GLOBAL SOURCES' COMMON SHARES WILL ONLY BE MADE PURSUANT TO AN OFFER TO PURCHASE AND RELATED MATERIALS THAT GLOBAL SOURCES EXPECTS TO BEGIN DISTRIBUTING TO ITS SHAREHOLDERS BY THE END OF JUNE 2015. SHAREHOLDERS SHOULD READ THESE MATERIALS CAREFULLY BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION, INCLUDING VARIOUS TERMS AND CONDITIONS OF THE OFFER. SHAREHOLDERS WILL BE ABLE TO OBTAIN FOR FREE THE OFFER TO PURCHASE AND OTHER FILED DOCUMENTS AT THE SEC'S WEBSITE AT [HTTP://WWW.SEC.GOV](http://www.sec.gov). ONCE AVAILABLE, THESE DOCUMENTS MAY ALSO BE OBTAINED FOR FREE IN THE INVESTOR RELATIONS SECTION OF GLOBAL SOURCES' WEBSITE AT [GLOBALESOURCES.COM](http://globalsources.com).

About Global Sources

Global Sources is a leading business-to-business media company and a primary facilitator of trade with Greater China.

The core business facilitates trade between Asia and the world using English-language media such as online marketplaces (GlobalSources.com), print and digital magazines, sourcing research reports, private sourcing events, and trade shows.

More than 1 million international buyers, including 95 of the world’s top 100 retailers, use these services to obtain product and company information to help them source more profitably from overseas supply

markets. These services also provide suppliers with integrated marketing solutions to build corporate image, generate sales leads and win orders from buyers in more than 240 countries and territories.

Global Sources' other businesses provide Chinese-language media to companies selling to and within Greater China. These services include online web sites, print and digital magazines, seminars and trade shows. In mainland China, Global Sources has a network of more than 30 office locations and a community of more than 5 million registered online users and magazine readers of its Chinese-language media.

Now in its fifth decade, Global Sources has been publicly listed on the NASDAQ since 2000.
