The agreements contain covenants restricting Mr. Hinrich's ability to compete with us during his term of employment and preventing him from disclosing any confidential information during the term of his employment agreement and for a further period of three years after the termination of his employment agreement. In addition, we retain the rights to all trademarks and copyrights acquired and any inventions or discoveries made or discovered by Mr. Hinrich in the course of his employment. Upon a change of control, if Mr. Hinrich is placed in a position of lesser stature than that of a senior executive officer, a significant change in the nature or scope of his duties is effected, Mr. Hinrich ceases to be a member of the Board or if there is a breach of those sections of his employment agreements relating to compensation, reimbursement, title and duties or termination, we are liable to pay Mr. Hinrich a lump sum cash payment equal to five times the sum of his base salary prior to the change of control and the bonus paid to him in the year preceding the change of control. The agreements may be terminated by either party by giving six months' notice.

We have employment agreements with each of our other executive officers. Each employment agreement contains a non-competition provision preventing the employee from undertaking or becoming involved in any business activity or venture during the term of employment without notice to us and our approval. The employee must keep all of our proprietary and private information confidential during the term of employment and for a period of three years after the termination of the agreement. We can assign the employee to work for another company if the employee's duties remain similar. In addition, we retain the rights to all trademarks and copyrights acquired and any inventions or discoveries made or discovered by the employee during the employee's term of employment. Each employment agreement contains a three- or six-months' notice provision for termination, and does not have a set term of employment. Bonus provisions are determined on an individual basis.

PROPOSAL NO. 3

FIXING BOARD SIZE AND TREATMENT OF VACANCIES

Pursuant to Bye-Law 89 of the Company's Bye-Laws, the Company shall determine the minimum and maximum number of directors at the Annual General Meeting.

Change of Size of the Board

The Company's Bye-Laws currently provide for a minimum of two (2) directors on the Board. In October 2000, the Company's shareholders established the maximum size of the Board at nine (9) members. In each of the last fourteen years, the shareholders voted to maintain the number of directors constituting the Board at nine (9) directors. This proposal would continue to maintain the maximum number of directors constituting the entire Board of the Company at nine (9) directors.

The Company believes that having the ability to appoint nine (9) directors is necessary to ensure that the Company is able to comply with the Nasdaq listing standards that generally require a listed company to maintain a majority of independent directors on its Board and certain of its committees, while retaining as directors officers and members of the Company's management who are familiar with the Company. Since the annual general meeting of the Company in October 2000, where the shareholders agreed to permit the Board to fill casual vacancies, the shareholders have continued to give the Board the authority to appoint additional directors without a vote of shareholders.

Authorization of Directors to Fill Casual Vacancies

At the annual general meeting of the Company in October 2000, the shareholders approved a proposal to allow casual vacancies on the Board to be filled by the Board. This proposal was again approved in each of the last sixteen years. This proposal would allow the remaining vacant directorships to be casual vacancies and would authorize the Board to fill those vacancies as and when it deems fit. A casual director so appointed shall hold office only until the next following annual general meeting and shall not be taken into account in determining the directors who are to retire by rotation at the meeting.

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE TO FIX THE MAXIMUM NUMBER OF DIRECTORS THAT COMPRISE THE WHOLE BOARD AT NINE (9) PERSONS, TO DECLARE THAT ANY VACANCIES ON THE BOARD BE CASUAL VACANCIES AND TO AUTHORIZE THE BOARD TO FILL THESE VACANCIES ON THE BOARD AS AND WHEN IT DEEMS FIT.

PROPOSAL NO. 4

EXTENSION OF THE GLOBAL SOURCES EQUITY COMPENSATION (2007) MASTER PLAN

Extension of Plan Term

The Board has unanimously approved for submission to a vote of the shareholders a proposal to extend the Master Plan by five (5) years from its current expiration date of 31 December 2017, and to accordingly amend Section 10.1 of the Master Plan by replacing the words “31 December 2017” appearing therein (in relation to the “Expiration Date” of the Master Plan) with the words “31 December 2022” instead (the “Amendment”). The text of the Master Plan, as proposed to be amended, is set forth in Annex A to this Proxy Statement. All discussion of the Master Plan in this Proxy Statement is qualified in its entirety by reference to Annex A. The Board believes that the extension of the Master Plan is necessary to continue providing an incentive for employees, directors and consultants of the Company and its subsidiaries, and of independent contractors of the Company and its subsidiaries, to remain in the employ of or to continue being engaged in the provision of services to the Company and to attract new relevant personnel whose services are considered valuable to the Company. The Board believes that the sense of proprietorship and the stimulation of the active interest of such persons in the development and financial success of the Company and its subsidiaries created by the Master Plan has benefitted the Company since the Master Plan was implemented; and that the Master Plan should continue in its current form into the future.

Remainder of Plan Unchanged

The Amendment would not increase the number of Common Shares of the Company currently available for distribution under the Master Plan, nor would it amend any other provision of the Master Plan as currently in effect.

Description of the Master Plan

The Master Plan was implemented pursuant to an affirmative vote of the shareholders at the 2006 Annual General Meeting and commenced on January 1, 2007. The Master Plan, by its terms, is set to expire on 31 December 2017, having been previously extended by a vote of the shareholders from its original expiration date of 31 December 2012. Under the Master Plan, a plan committee consisting of not less than three and not more than five individuals are appointed by the Board (the “Plan Committee”) and may make grants (each a “Grant”) of Common Shares of the Company to eligible Global Sources Team Members (as such term is defined in the Master Plan). The total number of all Common Shares awarded pursuant to such Grants cannot exceed six million (6,000,000) in the aggregate. The Master Plan further provides that, in the event of one or more reorganizations, recapitalizations, stock splits, reverse stock splits, stock dividends or the like, appropriate adjustments shall be made in the number and/or type of shares or securities for which Common Shares pursuant to Grants then outstanding under the Master Plan may thereafter be vested. Common Shares that are not awarded under the Master Plan are available for future Grants under the Master Plan or any subsequent equity compensation plans.

All Common Shares under a Grant, which have been awarded in accordance with the provisions of the Master Plan, are either (i) issued and allotted by the Company to Estera Services (Bermuda) Limited (previously known as Appleby Services (Bermuda) Ltd.) (the “Trustee”) to be held by it as trustee of a trust known as “The Global Sources Equity Compensation Trust 2007” (the “Trust”), at any time following the award of such Grant, and are eligible for transfer (and shall be subsequently transferred) by the Trustee to the respective Global Sources Team Members who have received Grants pursuant to the Master Plan (the “Grantees”), subject to and in accordance with the applicable vesting rules and other applicable provisions of the Master Plan; or (ii) issued and allotted by the Company directly to the Grantees, subject to and in accordance with the applicable vesting rules and other applicable provisions of the Master Plan.

The Board is authorized to alter, amend, suspend or terminate the Master Plan; provided however that (except as otherwise provided in the Master Plan) it may not deprive any Grantee, without his or her consent, of any of his or her rights under a Grant already awarded pursuant to the Master Plan. However,

the Board may not without shareholder approval (except as otherwise provided in the Master Plan) (i) extend the expiration date of the Master Plan; or (ii) alter the class of persons eligible to receive Grants under the Master Plan.

Vesting of Common Shares Under the Master Plan

The Plan Committee is entitled to determine the periods, schedules, installments, rules, regulations, terms and conditions for the vesting of Common Shares awarded to Grantees under a Grant (the “Vesting Rules”); and such other related benefits, matters, rules and regulations, as may be deemed fit or appropriate by the Plan Committee. Common Shares under a Grant awarded pursuant to the Master Plan shall vest in the Grantee in accordance with the applicable Vesting Rules; provided however that (a) if a Grantee ceases to be eligibly employed by the Company or any subsidiary of the Company or by a relevant independent contractor of the Company or any subsidiary of the Company, for any reason whatsoever, other than because of normal retirement (as such term is defined in the Master Plan), or death or disability, all rights and entitlement of the Grantee to the vesting of Common Shares that have been awarded pursuant to a Grant, but that have not yet vested at the date of the Grantee ceasing to be eligibly employed, automatically terminate and are forfeited, concurrently with such cessation of eligible employment; or (b) if the Grantee dies, becomes disabled, or takes normal retirement while eligibly employed by the Company or any subsidiary of the Company or by a relevant independent contractor of the Company or any subsidiary of the Company, the Grantee (or, in the case of death, the person or persons to whom the Grantee’s rights under the Grant shall have lawfully passed (whether by will, or by the applicable laws of succession or otherwise)) retains the same rights of vesting, with respect to Common Shares already awarded pursuant to the Grant but not yet vested at the time of death, disablement or normal retirement (as the case may be), as would have been available if the Grantee had continued to be eligibly employed.

Transferability

Upon the award of a Grant, the Common Shares awarded to each Grantee under such Grant do not vest in the Grantee, but (subject to the applicable provisions of the Master Plan) (i) will be issued and allotted by the Company to the Trustee and held by the Trustee (as trustee of the Trust) and will only be transferred by the Trustee to the Grantee in accordance with the Vesting Rules prescribed by the Plan Committee; or (ii) will only be issued and allotted by the Company directly to the Grantee in accordance with the Vesting Rules prescribed by the Plan Committee, subject to the provisions of the Master Plan.

Registration of Common Shares

The Company filed with the SEC registration statements on Form S-8 under the U.S. Securities Act of 1933, as amended, with respect to the Common Shares issuable pursuant to the Master Plan on November 7, 2006 and March 5, 2015. Such registration statements remain effective as of the date of this Proxy Statement.

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE FOR EXTENDING THE DURATION OF THE MASTER PLAN BY ANOTHER FIVE YEARS, AND TO ACCORDINGLY AMEND SECTION 10.1 OF THE MASTER PLAN BY REPLACING THE WORDS “31 DECEMBER 2017” APPEARING THEREIN (IN RELATION TO THE “EXPIRATION DATE” OF THE MASTER PLAN) WITH THE WORDS “31 DECEMBER 2022” INSTEAD.

 - (b) if the Grantee shall die, become disabled, or take normal retirement while eligibly employed by a Global Sources Group entity or Other Relevant Entity, or, in the case of death, the person or persons to whom the Grantee’s rights under the Grant shall have lawfully passed (whether by will, or by the applicable laws of succession or otherwise), shall retain the same rights of vesting, with respect to Shares already awarded pursuant to the Grant but not yet vested at the time of death, disablement or normal retirement (as the

case may be), as would have been available if the Grantee had continued to be eligibly employed.

- 8.3 For the purposes hereof, “**normal retirement**” shall mean retirement (from active employment or engagement) by the person eligibly employed:
- (a) on or after the normal retirement date specified in the applicable pension plan or other applicable retirement policy; or
 - (b) if there is no such applicable pension plan or other applicable retirement policy, on or after such normal retirement age as may be prescribed by the Plan Committee (if and to the extent not in contravention of any minimum retirement age prescribed by the applicable law, if any, otherwise the minimum retirement age for the purposes of this subsection (b) shall be that prescribed by the applicable law instead); or
 - (c) where, notwithstanding that such retirement occurred before the relevant date referred to in subsection (a) or (b) above, the Plan Committee considers (in its sole and absolute discretion) that such retirement shall be treated as a “normal retirement” for the purposes of this Section 8.

9. Transfer of Shares

- 9.1 Upon award of a Grant, the Shares awarded to each Grantee under such Grant shall not vest in the Grantee, but:
- (a) shall be issued and allotted by the Company to the Trustee and held by the Trustee (as trustee of the Trust) and shall only be transferred by the Trustee to the Grantee in accordance with the Vesting Rules prescribed by the Plan Committee; or
 - (b) shall only be issued and allotted by the Company directly to the Grantee in accordance with the Vesting Rules prescribed by the Plan Committee, subject however to the provisions of this Section 9 and any other applicable provisions of this Plan.
- 9.2 At the time when Shares (awarded pursuant to a Grant) are to vest in a Grantee pursuant to the Vesting Rules, the Grantee may direct the Trustee to transfer or the Company to issue and allot (as the case may be) such Shares to such person as the Grantee directs; provided that, in the event of the Grantee directing the Trustee to transfer or the Company to issue and allot (as the case may be) the Shares to someone other than the Grantee, the Grantee shall be responsible for (i) any and all compliance with applicable laws and regulations pertaining to such transfer or such issue and allotment (as the case may be) and the eligibility of such other person to accept such transfer or such issue and allotment (as the case may be) and to receive and hold the Shares; and (ii) any and all obligations, liabilities or taxes incurred as a consequence of, or arising from or in connection with, such direction and transfer or issue and allotment (as the case may be).
- 9.3 If a Grantee ceases to be eligibly employed by reason of death, disability or normal retirement, before Shares (awarded pursuant to a Grant) have vested in the Grantee pursuant to the Vesting Rules, then the Grantee (or the personal representative of the Grantee as the case may be) may direct the Trustee to transfer or the Company to issue and allot (as the case may be) to the Grantee (or the personal representative, as the case may be), or to such person as the Grantee (or the personal representative of the Grantee, as the case may be) directs, such Shares, at the time when such Shares are to vest pursuant to the Vesting Rules; provided that, in the event of the Grantee (or the personal representative of the Grantee, as the case may be) directing the Trustee to transfer or the Company to issue and allot (as the case may be) the Shares to someone other than the Grantee, the Grantee (or the personal representative of the Grantee, as the case may be) shall be responsible for (i) any and all compliance with applicable laws and regulations pertaining to such transfer or

such issue and allotment (as the case may be) and the eligibility of such other person to accept such transfer or such issue and allotment (as the case may be) and to receive and hold the Shares; and (ii) any and all obligations, liabilities or taxes incurred as a consequence of, or arising from or in connection with, such direction and transfer or issue and allotment (as the case may be).

10. Plan Duration

10.1 This Plan shall commence on 1 January 2007 (“**Commencement Date**”) and shall expire on 31 December ~~2017~~ 2022 (“**Expiration Date**”), unless terminated earlier in accordance with the provisions of this Plan.

10.2 No Grants may be awarded after the expiration or termination of this Plan.

11. Administration

11.1 This Plan shall be managed and administered by the Trustee, subject always to the directions of the Plan Committee as provided under the Trust Document.

11.3 The Trustee, the Plan Committee, the Company’s board of directors and the Company shall not be liable for any action taken, or determination made, in good faith, in connection with this Plan.

11.4 The Plan Committee may, subject to the provisions of this Plan, issue a certificate or other form or forms of instruments (including but not limited to any addendum, supplementary, ancillary, secondary or subsidiary document(s) to this Plan) as the Plan Committee may (in its sole and absolute discretion) determine, for the purposes of documenting and/or evidencing Grants awarded under this Plan, and the Vesting Rules and any Other Rules/Matters pertaining thereto.

11.5 The Company or its board of directors may delegate any of its powers, rights, duties and/or responsibilities under this Plan to the Plan Committee, who may discharge the same with the authority and in the place and stead of the Company or its board of directors (as the case may be).

12. Government Regulations

12.1 The Trustee shall not transfer or the Company shall not issue and allot (as the case may be) any Shares under any Grant upon the vesting thereof, unless and until all applicable licences, permissions and authorisations required to be granted by the Government of Bermuda, or by any authority or agency thereof, if any, shall have been duly received.

13. Costs and Expenses

13.1 All costs and expenses with respect to the adoption of this Plan and in connection with the registration of Shares shall be borne by the Company; provided, however, that (except as otherwise specifically provided in this Plan or in any agreement between the Company and a Grantee), the Company shall not be obliged to pay any costs or expenses (including but not limited to any legal fees) incurred by any Grantee in connection with any Grant or Shares held or transferred by any Grantee.

14. Amendment or Termination of the Plan

14.1 Subject to the provisions of Section 14.2 below, this Plan may be altered, amended, suspended or terminated by resolution of the Company's board of directors (acting in their sole and absolute discretion); provided however that, except as otherwise provided in this Plan, no such action shall deprive any Grantee, without his or her consent, of any of his/her rights under a Grant already awarded pursuant to this Plan.

14.2 Save as herein provided, the Company's board of directors shall not be entitled to take any action with respect to any of the following matters, except with the approval of a resolution of a majority of the shareholders of the Company in general meeting:

(a) any extension of the Expiration Date of this Plan; or

(b) any alteration of the class of persons eligible to be Grantees under this Plan.

14.3 For the avoidance of doubt, no amendment of this Plan shall increase the duties and/or responsibilities of the Trustee without its consent.

15. Limitation of Liability

15.1 No member of the Company's board of directors or the Plan Committee, or any person authorised to act on their behalf, shall be personally liable for any action, determination or interpretation taken or made in good faith with respect to this Plan, and all members of the Company's board of directors or the Plan Committee, and each and any person authorised to act on their behalf, shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination or interpretation.

16. Governing Law and Jurisdiction

16.1 This Plan shall be governed by and interpreted and construed in accordance with the laws of Bermuda; and the Company, the Trustee, the Plan Committee (and its members), and each Grantee, hereby irrevocably submits to the jurisdiction of the courts of Bermuda.
