

of expertise, knowledge, and experience necessary for performing supervisory functions and providing advice. By considering composition diversity, a Public Company has indicated a positive signal, especially for decision making in its supervisory functions that involves more various aspects to consider.

The company Article of Association has accommodated the composition diversity of the Board of Commissioner in accordance with the provision regulated in Appendix of Financial Services Authority Circular Letter No. 32/SEOJK.04/2015 regarding the Corporate Governance Guidelines for Public Companies. The appointment of the Board of Commissioner is conducted by considering integrity, dedication, understanding of the company's management problem related to one of management functions, knowledge and/or expertise in the field needed by the Company, time availability to perform duties and other requirements as set by the regulations. Current policy of diversity, however, regulates only elements including knowledge and/or expertise pursuant to the Board of Commissioner's job description. Bank Mandiri has not regulated any policy of diversity regarding age and gender since the Bank still prioritizes the nomination according to the need of the Company.

In 2017, some elements of diversity including education, work experience, age, and gender indicated composition diversity of the Board of Commissioner as illustrated in the following table:
