About Philip Morris International Inc. ("PMI")

PMI is the world's leading international tobacco company, with six of the
world's top 15 international brands and products sold in more than 180
markets. In addition to the manufacture and sale of cigarettes, including
Marlboro, the number one global cigarette brand, and other tobacco
products, PMI is engaged in the development and commercialization of
Reduced-Risk Products ("RRPs"). RRP is the term PMI uses to refer to
products that present, are likely to present, or have the potential to present
less risk of harm to smokers who switch to these products versus continued
smoking. Through multidisciplinary capabilities in product development,
state-of-the-art facilities, and industry-leading scientific substantiation,
PMI aims to provide an RRP portfolio that meets a broad spectrum of
adult smoker preferences and rigorous regulatory requirements. For more
information, see www.pmi.com and www.pmisience.com.
