## Sky City profit up

Sky City Entertainment Group today reported a 12 per cent rise in underlying net profit to \$129.1 million, despite a 1 per cent fall in revenue to \$837.9 million. Net profit, before a tax adjustment for the Government's tax change to building depreciation, for the year to the end of June, rose 22.9 per cent to \$141.7m, while bottom line net profit was down 11.5 per cent to \$102m.
