## Scheme Implementation Agreement: Update

On Tuesday 11 March 2008, Dyno Nobel (ASX: DXL) announced that it had entered into a Scheme Implementation Agreement ("**SIA**") with Incitec Pivot Limited ("**IPL**") under which IPL proposes to acquire all of the shares in Dyno Nobel which IPL does not already own ("**IPL Scheme**").

Dyno Nobel notes the announcement released earlier today by IPL that it has completed its high level confirmatory due diligence on Dyno Nobel in accordance with the SIA and does not intend to exercise its termination right under clause 11.2 of the SIA.

The Board of Dyno Nobel continues to unanimously recommend the IPL Scheme in the absence of a superior proposal and pending confirmation from an Independent Expert that the transaction is in the best interests of Dyno Nobel shareholders.

For further details regarding the IPL Scheme, investors are referred to Dyno Nobel's ASX announcement released on 11 March 2008.
