About TransMontaigne Partners L.P.

TransMontaigne Partners L.P. is a terminaling and transportation company based in Denver, Colorado with operations along the Gulf Coast, in the Midwest, in Brownsville, Texas, along the Mississippi and Ohio Rivers, and in the Southeastern United States. We provide integrated terminaling, storage, transportation and related services for customers engaged in the distribution and marketing of light refined petroleum products, heavy refined petroleum products, crude oil, chemicals, fertilizers and other liquid products. Light refined products include gasolines, diesel fuels, heating oil and jet fuels; heavy refined products include residual fuel oils and asphalt. We do not purchase or market products that we handle or transport. News and additional information about TransMontaigne Partners L.P. is available on our website: [www.transmontaignepartners.com](http://www.transmontaignepartners.com).

Forward-Looking Statements

*This press release includes statements that may constitute forward-looking statements made pursuant to the safe harbor provision of the Private Securities Litigation Reform Act of 1995. This information may involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are based on reasonable assumptions, such statements are subject to risks and uncertainties that could cause actual results to differ materially from those projected. Important factors that could cause actual results to differ materially from the company's expectations and may adversely affect its business and results of operations are disclosed in "Item 1A. Risk Factors" in the company's Annual Report on Form 10-K for the year ended December 31, 2007, filed with the Securities and Exchange Commission on March 10, 2008.*
