As a result of recent claims studies, RiverSource Life Insurance Company (“the Company” or “RiverSource Life”) decreased disability income claim reserves \$8.4 million to reflect a better estimate. The claim reserve estimate was refined in three areas. First, the claim continuance and termination rates were updated to ensure reserve sufficiency based on company experience. Second, the pending disability claims better reflect the anticipated rate of approved claims. Lastly, partial benefit payments are appropriately recognized in the claim reserve computation.

10. Information Concerning Parent, Subsidiaries and Affiliates

- A. RiverSource Life is a wholly-owned subsidiary of Ameriprise Financial, Inc. (“Ameriprise Financial”). Ameriprise Financial was formerly a wholly-owned subsidiary of American Express Company (“American Express”). On February 1, 2005, the American Express Board of Directors announced its intention to pursue the disposition of 100% of its shareholdings in Ameriprise Financial (the “Separation”) through a tax-free distribution to American Express shareholders. Effective as of the close of business on September 30, 2005, American Express completed the Separation and the distribution of the Ameriprise Financial common shares to American Express (the “Distribution”) shareholders.
- B. In connection with the Distribution, Ameriprise Financial entered into certain agreements with American Express to effect the Separation and to define the responsibility for obligations arising before and after the date of the Distribution, including, among others, obligations relating to transition services, taxes, and employees. Ameriprise Financial has incurred \$739 million of pretax non-recurring separation costs since the Separation announcement through March 31, 2007 and expects to incur a total of approximately \$875 million. These costs are primarily related to technology costs and marketing and rebranding. The majority of the technology related costs are expected to be incurred by June 30, 2007. RiverSource Life was allocated certain expenses incurred as a result of Ameriprise Financial becoming an independent company (as discussed below).

Separation Costs

RiverSource Life has been allocated \$165.2 million in total pretax non-recurring separation costs since the Separation announcement through March 31, 2007 and expects to be allocated a significant portion of the remaining separation costs in 2007. These costs are reported in “General Insurance Expenses” in the Summary of Operations. RiverSource Life received a capital contribution of \$650 million from Ameriprise Financial during the third quarter of 2005 to support its financial strength ratings and to cover separation costs.

Dividends

On March 20, 2007, RiverSource Life paid cash dividends of \$150 million to Ameriprise Financial.
