The distribution will be payable on April 21, 2017 to common stockholders of record on April 13, 2017, with an ex-dividend date of April 11, 2017. The Fund's estimate does not include a projection of gains or losses on the sale of securities for the remainder of fiscal 2017. The final determination of the tax character of the distribution will be made in early 2018 when the Fund can determine its actual earnings and profits for the full year (including gains and losses on the sale of securities for the remainder of fiscal 2017) and may differ substantially from this preliminary information.
