The Launch of the Global Family Plan

On May 15th, the International Day of Families, Fosun launched the Global Family Plan ("F-Plan") jointly with Suning, CITIC Group, Bank of Communications and other internationally well-known enterprises.

Mr. Guo Guangchang, founder of the alliance and Chairman of Fosun International, said in his speech that *Family* is the strategic key word of Fosun. Fosun would focus on household consumption demand for industrial layout and keep adhering to health, happiness and wealth. Fosun initiated the F-Plan with the hope of bringing together top-level family-related industries and companies worldwide. Meanwhile, Fosun aims to establish long-term mechanisms with its partners, and to strengthen the horizontal and vertical integrations. Through cross-border innovation, Fosun is dedicated to creating supreme product and service experience for global family clients.

**The Wolves is Mighty!
Fosun Ranked First for the Premier League
Team Management by the British Media**

TalkSPORT, the famous British media and world's biggest sports radio station has recently released rankings of team management performance for 20 Premier League teams. Fosun International, the owner of Wolverhampton Wanderers Football Club, won the first place!

According to talkSPORT, "Fosun International, owned by Mr. Guo Guangchang, bought out the Wolves in the summer of 2016. In its first year back to the Premier League, the Wolves exhibits high probability to enter next season's UEFA Champions League."

"In view of its recent outstanding performance, the Wolves is on its way to ride into one of the best teams in England under Fosun's consistent investment. In addition, the management attaches great importance to youth nurturing. It has trained and integrated Gibbs-White, born in 2000, into the team."

**Fosun and Kyoto Reached Strategic
Cooperation
The World's First Kyoto House Will Open in the
BFC Bund Finance Center**

(May 17th, Tokyo) The 2019 China-Japan Business Forum and Fosun Tokyo Night Event were successfully held in Tokyo. Guo Guangchang, Chairman of Fosun International, and Nishiwaki Takatoshi, Governor of Kyoto Prefecture attended the event. Fosun and Kyoto have established strategic cooperation in the development of culture, tourism, technological innovation, and pharmaceutical industries. Their first cooperation project is to launch the world's first *Kyoto House* in the BFC Bund Finance Center of Shanghai by the end of this year.

The *Kyoto House* is based on Kyoto's specialties, representing the inheritance and innovation of traditional hand-made art. It will present exquisite cultural and creative products to the public through fields of fashion, beauty, and lifestyle.
