VOLUNTARY ANNOUNCEMENT

This is a voluntary announcement made by Fosun International Limited (the “**Company**”, together with its subsidiaries, the “**Group**”).

As at the date of this announcement, the Group and a fund managed by the Group (the “**Fund**”) hold a total of 16.37% equity interest in Folli Follie Group (“**Folli Follie**”, a company listed on the Athens Stock Exchange with stock code FFGRP).

On 4 May 2018, the board of directors of the Company (the “**Board**”) noted the report issued by Quintessential Capital Management (the “**Report**”) which questioned the financial statements of Folli Follie (the “**Financial Report**”), the enquiries by Hellenic Capital Market Commission on the Financial Report and certain statements in the Report (the “**HCMC Enquiries**”) and the clarification announcements issued by Folli Follie (together, the “**Incident**”).

The Board noted that certain statements in the Report are mere conjectures. After considering Folli Follie’s publicly disclosed information, its audit reports, its more than 20 years track record as a publicly listed company and the Company’s trust in its major shareholder and management, the Company increased its shareholding interest during the period from 8 May 2018 to 11 May 2018, thereafter, the equity interest in Folli Follie held by the Group and the Fund increased from 13.89% to 16.37%.

Recently, the Board also noted continued market and media enquiries regarding the Incident and that responses in relation to the HCMC Enquires have not been released. In order to protect the interests of the minority shareholders of Folli Follie, including the Group, the Company has delivered an enquiry letter to Folli Follie through our designated non-executive director of Folli Follie requesting the relevant parties for explanations and prompt

clarifications. The Company will continue to follow closely on the development of the Incident and will keep its shareholders, investors and the public informed of any significant updates and will make further announcement as and when necessary and appropriate.

Shareholders of the Company and potential investors are advised to exercise caution in dealing in the securities of the Company.
