

CHARTER OF THE AUDIT COMMITTEE OF LDK SOLAR CO., LTD.

Purpose

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of LDK Solar Co., Ltd. (the “Company”) is to assist the Board in overseeing the Company’s accounting and financial reporting processes, system of internal controls, accounting practices and the audits of the financial statements of the Company.

The Board recognizes that while the Committee has been given certain duties and responsibilities pursuant to this Charter, the Committee is not responsible for guaranteeing the accuracy of the Company’s financial statements or the quality of the Company’s accounting practices. The fundamental responsibility for the Company’s financial statements and disclosures rests with management and the Company’s external auditor (the “Independent Auditor”). To the extent that procedures included in this Charter go beyond what is required of an Audit Committee by existing law and regulation, such procedures are meant to serve as guidelines rather than inflexible rules and the Audit Committee may adopt such different or additional procedures as it deems necessary from time to time.

Composition of the Committee

The Committee shall be comprised of three or more directors one of whom meets the independence and other requirements of the New York Stock Exchange, Inc. (“NYSE”) and the Securities and Exchange Commission (the “SEC”), provided that the Board may elect to take advantage of any exemption from such requirements provided in the SEC or NYSE rules. Determinations as to whether a particular director satisfies the requirements for membership of the Committee shall be made by the Board. Each Committee member must be able to read and understand fundamental financial statements. At least one member of the Committee shall be an “audit committee financial expert” meeting the requirements of the Securities and Exchange Commission and the NYSE Listing Standards. Determinations as to whether a particular director satisfies the requirements for membership on the Committee shall be made by the Board.

The members of the Committee shall be appointed annually by the Board on the recommendation of the Corporate Governance and Nominating Committee and shall serve a one-year term or until their earlier resignation, death or removal by the Board before the end of their term, and shall be eligible for re-election by the Board annually.

Meetings

The Committee shall meet with such frequency and at such intervals as it shall determine necessary to carry out its duties and responsibilities, but in any case, not less than four times a year or more frequently as necessary or appropriate. The Board shall designate one member of the Committee to serve as its chairperson. The Committee will meet at such times as determined by its chairperson or as requested by any two of its members. Notice of all meetings shall be given, and waiver thereof determined, pursuant to the provisions contained in the Company’s Articles of Association. The chairperson will preside, when present, at all meetings of the Committee. The Committee may meet by telephone or video conference and may take action by written consent.

Each member of the Committee shall have one vote. One-third of the members, but not less than two, shall constitute a quorum. The Committee shall be authorized to take any permitted action only by the affirmative vote of a majority of the Committee members present at any meeting at which a quorum is present, or by the unanimous written consent of all of the Committee members.

The Committee shall maintain copies of minutes of each meeting of the Committee, and each written consent to action taken without a meeting, reflecting the actions so authorized or taken by the Committee. A copy of the minutes of each meeting and all consents shall be placed in the Company's minute book.

External Advisors

The Committee shall have sole authority to obtain, at the Company's expense, but at funding levels determined by the Committee, advice and assistance from independent counsel and other advisors, as it deems necessary to carry out its duties. The Committee shall also have authority to obtain advice and assistance from any officer or employee of the Company.
