

# RELAX, RECHARGE & FLY!

The only hotel with direct airport access, the Radisson Blu Hotel Zurich Airport skillfully balances comfort, style and convenience

Zurich is the ideal destination to live it up. Packed with culture and offering easy access to ski resorts, Zurich has something for everyone. And, if you're looking for a great base from where to explore this vibrant city, look no further than the sleek Radisson Blu Hotel, Zurich Airport, where you can refresh, relax and recharge while you wait for your flight. The only hotel located within Zurich Airport, the Radisson Blu is easily accessible via an underground shopping centre connected to the airport, so you don't even have to step outside to reach the hotel. Moreover, the hotel's proximity to the railway station makes it easy to explore Switzerland by train.

A testament to cutting-edge design, Radisson Blu Hotel, Zurich Airport showcases an impressive steel and glass facade and stylish interiors and offers business and leisure travellers a cosmopolitan atmosphere. The *piece de resistance* of the spacious Atrium Lobby is the world's tallest Wine Tower at 16m, which houses exclusive wine and champagne, and performing 'Wine Angels' who scale the structure as they retrieve bottles of wine.

## ELEGANT ROOMS

Balancing comfort, style and convenience, Radisson Blu Hotel, Zurich Airport provides premium accommodation in its 330 rooms and suites, that showcase sophisticated decor by some of the world's most elite designers, including sleek furnishings and artful accents by the international design house, Designers Guild, and architect Matteo Thun. Amenities include flat-panel LCD

televisions, soundproof panoramic windows and free high-speed, wireless Internet access.

The Standard Rooms feature three different styles: At Home, Chic and Fresh. Each decor theme exudes clean lines, rich colour palettes and artful accents. The Business Class Rooms also present three different styles and include additional amenities to ensure reduced stress and relaxation. The Family Rooms offer extra space and amenities for guests with kids, including a sofa bed. The One Bedroom Suites, housed on the top two floors, are well appointed, chic, with separate living and sleeping areas, and boast splendid views. The ultimate accommodation choice in the city, the Presidential Suite displays exquisite works of art, besides offering supreme comfort. Designed by Philippe Stark, the extravagant bathtub is surrounded by an open bath area. For an even more spacious suite, the living room, sleeping area and fully-equipped kitchenette can be expanded with an adjacent double room.

## LIP-SMACKING CUISINE

The hotel's Fellini Restaurant offers a fresh take on traditional Italian cuisine. Featuring a different lunch each week, Fellini offers the special *piatto del giorno* menu with the option of a two-course meal Monday through Friday.

Located on Fellini's beautiful terrace, Giardino Blu proffers alfresco dining. Choose from Fellini's classic Italian menu, or opt for a snack from the Angels' Wine tower bar. Angels' Wine tower grill serves delectable cuisine prepared in an impressive open

kitchen. Catch the famous Wine Angels' show as you dine amidst rich wood panelling and grandiose oak columns. For events with up to 12 guests, this venue offers a secluded private dining room with gold French wallpaper, cowhide carpet and other design touches, evoking the Swiss Alps. The Angels' Wine tower bar houses over 4,000 bottles of wine and champagne, and at dinnertime, the angels perform an impressive artistic show for patrons.

#### STELLAR SERVICES

Enjoy your pick of relaxation facilities between the hotel's own PACE Fitness Club and the Airport Fitness & Wellness Club. Zurich travellers can maintain workout regimens with the extensive equipment and rejuvenate with the premier spa facilities.

The hotel's PACE Fitness Club overlooks the atrium lobby and wine tower, allowing for interesting views while you work out. Bikes, crosstrainers and treadmills are available, along with a sauna with a shower area, Kneipp basin, steam bath and relaxation room.

#### BUSINESS BUZZ

The largest conference hotel in Switzerland, Radisson Blu has a total of 52 stylish meeting rooms with natural daylight, spanning 4,232sq.m. over three floors, which facilitate a range of events from galas and conferences to boardroom meetings and small private affairs. Delegates appreciate the hotel's proximity to the airport and to other transport options that can take them into

Zurich city centre. Avant garde amenities like DigiChart Innovative Technology will enable delegates to digitise flipchart notes with a single click. The Multipad Innovative Technology, which is on offer, is an interactive mega tablet that works as a boon for video conferencing, documentation, formatting and imaging.

The 27 boardrooms on the eighth floor can accommodate party sizes from 2 to 80 people. The rooms contain modern fixtures like video technology and Free high-speed, wireless Internet. A separate video conference room is also available. Delegates enjoy guest offices, business lounges, guest showers and Executive Day Rooms. KFP, the Radisson Blu's in-house, tech support partner, offers an AV media specialist to assist with technical setups and any other media needs. The friendly assistance ensures that meetings and events run efficiently.

#### WEDDING BELLS

For that special day, Radisson Blu can host up to 260 guests in a chic, elegant space, and treat you and family and friends to an unforgettable celebration. Additionally, the hotel will gift the newlywed couple a complimentary night in one of their suites (subject to availability). The next morning, the bride and groom will be treated to a delicious in-room breakfast.

Finally, the icing on the cake is that the Zurich International Airport shopping area is a haven for shoppers, with shops and boutiques only minutes from the hotel, where you can pick up designer watches and scrumptious Swiss chocolate.
