

Amy A. Wendell

Senior Vice President, Strategy & Business Development

Covidien is a \$10 billion global health care products leader dedicated to innovation and long-term growth.

Covidien's vision is to deliver unmatched value to our customers by providing innovative solutions that improve patient outcomes, lower the cost of health care delivery and expand global access to care.

Amy A. Wendell is Senior Vice President of Strategy and Business Development of Covidien plc, a position she has held since December 2006.

In this position, Ms. Wendell manages all business development, including acquisitions, equity investments, divestitures and licensing/distribution, and leads the company's strategy and portfolio management initiatives.

Since joining Covidien predecessor company Kendall Healthcare Products in 1986 as a development engineer, Ms. Wendell has held various roles of increasing responsibility in engineering, product management and business development.

Ms. Wendell received a Bachelor of Science degree in Mechanical Engineering from Lawrence Institute of Technology, currently known as Lawrence Technological University. She also holds a Master of Science degree in Biomedical Engineering from the University of Illinois.
