Unusual Price Movements

This announcement is made at the request of The Stock Exchange of Hong Kong Limited.

We have noted the decrease in the price of the shares of Sands China Ltd. (the “**Company**”) on August 10, 2012 and wish to state that we are not aware of any reasons for such decrease.

The Company notes the article headed “Sands China Deals Scrutinized” published by the Wall Street Journal on August 9, 2012 (the “**Article**”). The Company wishes to clarify that the investigations referred to in the Article were filed against Las Vegas Sands Corp. (“**LVSC**”), the indirect majority shareholder of the Company (and the Company, being a subsidiary of LVSC, has been cited in those investigations). In addition, references in the Article to investigations by the “audit committee” are references to the audit committee of LVSC and not the audit committee of the Company.

We also confirm that there are no negotiations or agreements relating to intended acquisitions or realisations which are discloseable under Rule 13.23 of The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”), neither is the Board of Directors of the Company aware of any matter discloseable under the general obligation imposed by Rule 13.09 of the Listing Rules, which is or may be of a price sensitive nature.

Made by the order of the Company, the Board of Directors of which individually and jointly accept responsibility for the accuracy of this statement.

By Order of the Board
