InvenSense, Inc.

Dear Stockholder:

We cordially invite you to attend a special meeting of stockholders of InvenSense, Inc., which will be held at our corporate headquarters, 1745 Technology Drive, San Jose, California 95110, on Wednesday, May 17, 2017 at 10:00 a.m. local time.

At the special meeting, you will be asked to consider and vote upon a proposal to adopt the Agreement and Plan of Merger, dated as of December 21, 2016, entered into by and among InvenSense, TDK Corporation and TDK Sensor Solutions Corporation, an indirect wholly-owned subsidiary of TDK Corporation, (such agreement, as it may be amended from time to time, the "Merger Agreement"), pursuant to which InvenSense would be acquired by TDK Corporation through a merger of InvenSense with TDK Sensor Solutions Corporation (the "Merger"). At the special meeting, you will also be asked to consider and vote upon a proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to our named executive officers in connection with the Merger, and a proposal to postpone or adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to adopt the Merger Agreement if there are insufficient votes at the time of such adjournment to approve the Merger Agreement.

If the Merger is completed, each share of InvenSense common stock issued and outstanding immediately prior to the completion of the Merger, other than certain shares owned by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled) and shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest.

The merger consideration represents a 74% premium over the closing price of our common stock on the New York Stock Exchange ("NYSE") on October 27, 2016, the last trading day prior to our announcement that our Board of Directors was exploring strategic alternatives for our business, a 57% premium over the closing price of our common stock on the NYSE on December 8, 2016, the last trading day prior to the announcement of market rumors that we were in discussions to be acquired by TDK Corporation, and a 20% premium over the closing price of our common stock on the NYSE on December 20, 2016, the last trading day prior to our announcement that we had entered into the Merger Agreement.

After carefully considering the factors more fully described in the accompanying proxy statement, our Board of Directors has unanimously determined that the Merger and Merger Agreement, and the transactions contemplated by the Merger Agreement, are fair to and in the best interests of InvenSense and its stockholders and approved and declared advisable the Merger Agreement and the transactions contemplated thereby. Our Board of Directors recommends that you vote (i) "FOR" the proposal to adopt the Merger Agreement and thereby approve the transactions contemplated by the Merger Agreement, including the Merger, (ii) "FOR" the proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable by InvenSense to our named executive officers in connection with the Merger, and (iii) "FOR" the proposal to approve one or more postponements or adjournments of the special meeting to a later date or dates if necessary or appropriate to solicit additional proxies if there are insufficient votes to adopt the Merger Agreement at the time of the special meeting.

The enclosed proxy statement provides detailed information about the special meeting, the Merger Agreement and the Merger. A copy of the Merger Agreement is attached as [Appendix A](#) to the proxy statement. The proxy statement also describes the actions and determinations of our Board of Directors in connection with its evaluation of the Merger Agreement and the Merger. We encourage you to read the proxy statement and its annexes, including the Merger Agreement, carefully and in their entirety.

Your vote is very important, regardless of the number of shares that you own. The Merger cannot be completed unless the Merger Agreement is adopted by the affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the special meeting. Whether or not you plan to attend the special meeting in person, please sign and return the enclosed proxy card, or vote electronically over the Internet or by telephone as instructed in the proxy materials. If you attend the special meeting and wish to vote in person, you may do so even though you have previously voted by proxy. The failure to vote will have the same effect as voting "AGAINST" the adoption of the Merger Agreement.

If your shares are held in "street name," you should instruct your bank, broker or other nominee to vote your shares in accordance with the voting instruction form that you will receive from your bank, broker or other nominee. Your bank, broker or other nominee cannot vote on any of the proposals without your instructions, and the failure to instruct your bank, broker or other nominee how to vote will have the same effect as voting "AGAINST" the adoption of the Merger Agreement.

If you have any questions or need assistance voting your shares, please contact our proxy solicitor:

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
To be held May 17, 2017

A special meeting of stockholders of InvenSense, Inc., a Delaware corporation ("InvenSense" or the "Company"), will be held at the Company's corporate headquarters, 1745 Technology Drive, San Jose, California 95110, on Wednesday, May 17, 2017 at 10:00 a.m. local time, for the following purposes:

1. To consider and vote upon a proposal to adopt the Agreement and Plan of Merger, dated as of December 21, 2016, entered into by and among InvenSense, TDK Corporation and TDK Sensor Solutions Corporation, an indirect wholly-owned subsidiary of TDK Corporation, (as such agreement may be amended from time to time, the "Merger Agreement"), pursuant to which InvenSense would be acquired by TDK Corporation through a merger of InvenSense with TDK Sensor Solutions Corporation (the "Merger"), and each share of InvenSense common stock issued and outstanding immediately prior to the completion of the Merger, other than shares owned by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled) and shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest (the "Merger Proposal");
2. To consider and vote upon a proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to InvenSense's named executive officers in connection with the Merger (the "Merger-related Compensation Proposal"); and
3. To consider and vote on a proposal to approve the postponement or adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Merger Proposal if there are insufficient votes at the time of the special meeting to approve the Merger Proposal (the "Adjournment Proposal").

The accompanying proxy statement describes the proposals listed above in more detail. Please refer to the accompanying proxy statement, including the Merger Agreement attached as [Appendix A](#) to the proxy statement and the other annexes and documents included in, or incorporated by reference into, the proxy statement, for further information with respect to the business to be transacted at the special meeting. You are encouraged to read the entire proxy statement carefully before voting.

The affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote at the special meeting is required to approve the Merger Proposal. The affirmative vote of a majority of the outstanding shares of common stock represented at the special meeting, either in person or by proxy, and entitled to vote thereon, is required to approve each of the Merger-related Compensation Proposal and the Adjournment Proposal.

The failure of any stockholder of record to submit a signed proxy card, vote electronically over the Internet or by telephone or vote in person by ballot at the special meeting will have the same effect as a vote "AGAINST" the Merger Proposal. The failure of any stockholder of record to submit a signed proxy card, vote electronically over the Internet or by telephone or attend the special meeting in person will not have any effect on the Merger-related Compensation Proposal or the Adjournment Proposal, however, if a stockholder of record attends the special meeting in person but has not submitted a proxy and fails to vote in person by ballot, that will be treated as an abstention. Abstentions will have the same effect as a vote "AGAINST" the Merger Proposal, the Merger-related Compensation Proposal and the Adjournment Proposal. If you hold your shares in "street name" and fail to instruct your bank, broker or other nominee on how to vote, your shares will not be voted, which will have the same effect as a vote "AGAINST" the Merger Proposal, but will have no effect on the Merger-related Compensation Proposal or the Adjournment Proposal assuming a quorum is present at the special meeting.

Only stockholders of record as of the close of business on March 23, 2017 are entitled to notice of and to vote at the special meeting or any postponement or adjournment thereof.

Stockholders who do not vote in favor of the proposal to adopt the Merger Agreement will have the right to seek appraisal of the fair value of their shares of common stock if they deliver a demand for appraisal before the vote is taken on the Merger Proposal and comply with all of the requirements of Delaware law, which are summarized in the accompanying proxy statement and reproduced in their entirety in [Appendix C](#) to the proxy statement.

Our Board of Directors unanimously recommends that you vote (i) "FOR" the Merger Proposal, (ii) "FOR" the Merger-related Compensation Proposal and (iii) "FOR" the Adjournment Proposal.

By Order of the Board of Directors,

/s/ Mark Dentinger

SUMMARY

This summary highlights selected information from this proxy statement with respect to the special meeting and the Merger, and it may not contain all of the information that is important to you. - **The Special Meeting (see page 25)**

Date, Time and Place of Special Meeting. A special meeting of our stockholders will be held at our corporate headquarters, 1745 Technology Drive, San Jose, California 95110, on Wednesday, May 17, 2017, at 10:00 a.m. local time.

Purpose of Special Meeting. The purpose of the special meeting is for our stockholders to consider and vote on the following proposals:

- To adopt the Agreement and Plan of Merger, dated as of December 21, 2016, entered into by and among InvenSense, TDK Corporation and TDK Sensor Solutions Corporation, a wholly-owned subsidiary of TDK Corporation, (such agreement, as it may be amended from time to time, the “Merger Agreement”), pursuant to which InvenSense would be acquired by TDK Corporation through a merger of InvenSense with Merger Subsidiary (the “Merger”) and each share of InvenSense common stock issued and outstanding immediately prior to the completion of the Merger, other than shares owned by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled) and

[Table of Contents](#)

shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest (the “Merger Proposal”);

- To approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to our named executive officers in connection with the Merger (the “Merger-related Compensation Proposal”); and
- To approve the postponement or adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Merger Proposal if there are insufficient votes at the time of the special meeting to approve the Merger Proposal (the “Adjournment Proposal”).

Record date of Special Meeting. Our Board of Directors has established the close of business on March 23, 2017 as the record date for the special meeting (the “Record Date”). Only stockholders who held shares of record as of the Record Date are entitled to receive notice of and vote at the special meeting and any postponement or adjournment of the special meeting.

Shares Outstanding and Quorum. As of the Record Date, there were 95,577,295 shares of our common stock outstanding and entitled to vote at the special meeting. A quorum is required for stockholders to conduct business at the special meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock as of the Record Date is necessary to establish a quorum at the special meeting.

Vote Required. The affirmative vote, either in person or by proxy, of a majority of our outstanding common stock as of the Record Date is required to approve the Merger Proposal. The affirmative vote of a majority of our outstanding common stock represented at the special meeting, either in person or by proxy, and entitled to vote thereon, is required to approve the Merger-related Compensation Proposal and the Adjournment Proposal.

Concurrently with the execution of the Merger Agreement, our directors, executive officers and certain stockholders, in their capacities as holders of common stock or other equity interests of InvenSense, each entered into a voting agreement with TDK Corporation (each, a “Voting Agreement”) pursuant to which each agreed, among other things, to vote their common stock for the approval of the Merger Proposal and against any alternative proposal, and to comply with certain restrictions on the disposition of their common stock. As of the Record Date, the persons who have executed Voting Agreements collectively beneficially owned approximately 14.3% of the outstanding shares of our common stock on an as-converted basis. For more information, see the section of this proxy statement captioned “*The Voting Agreements.*”

- **How Proxies are Counted; Failure to Vote; Abstentions and Broker Non-Votes (see page 26)**

The Merger Proposal. Failures to vote (whether by proxy or in person at the special meeting) and broker non-votes will have the same effect as a vote “AGAINST” the Merger Proposal.

The term “broker non-vote” refers to shares held by a bank, broker or other nominee (for the benefit of its client) that are represented at the special meeting, but with respect to which such bank, broker or other nominee is not instructed to vote on a particular proposal and does not have discretionary authority to vote on that proposal. Banks, brokers and other nominees do not have discretionary authority to vote on the Merger Proposal, the Merger-related Compensation Proposal or the Adjournment Proposal, and accordingly may not vote on such matters absent instructions from the beneficial holder. As a result, such shares will not be represented at the special meeting. If you hold your shares in “street name” or through a bank, broker or other nominee, it is important that you give your bank, broker or nominee your voting instructions.

The Merger-related Compensation Proposal. If you are a stockholder of record and attend the special meeting in person but fail to vote, or mark your proxy “ABSTAIN,” it will have the same effect as a vote “AGAINST” the Merger-related Compensation Proposal. If your shares are held in street name and you fail

[Table of Contents](#)

to instruct your bank, broker or other nominee to vote, it will have no effect on the Merger-related Compensation Proposal (assuming a quorum is present).

The Adjournment Proposal. If you are a stockholder of record and attend the special meeting in person but fail to vote, or you mark your proxy “ABSTAIN,” it will have the same effect as a vote “AGAINST” the Adjournment Proposal. If your shares are held in street name and you fail to instruct your bank, broker or other nominee to vote, it will have no effect on the Adjournment Proposal (assuming a quorum is present).

Voting. You will have one vote for each share of our common stock you owned on the Record Date.

For Stockholders of Record:

In addition to voting in person at the special meeting, if you are the record holder of your shares of common stock, you may submit a proxy as follows:

- *By Internet.* The web address and instructions for Internet proxy submission can be found on the enclosed proxy card. Internet proxy submission via the web address indicated on the enclosed proxy card is available 24 hours a day. If you choose to submit your proxy by Internet, then you do not need to return the proxy card. To be valid, your Internet proxy must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.
- *By Telephone.* The toll-free number for telephone proxy submission can be found on the enclosed proxy card. Telephone proxy submission is available 24 hours a day. If you choose to submit your proxy by telephone, then you do not need to return the proxy card. To be valid, your telephone proxy must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.
- *By Mail.* Mark the enclosed proxy card, sign and date it, and return it in the postage-paid envelope we have provided. To be valid, your proxy by mail must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.

We request that stockholders submit their proxies over the Internet, by telephone or by completing and signing the accompanying proxy and returning it as soon as possible in the enclosed postage-paid envelope. When the accompanying proxy is returned properly executed (including proper proxy submission by Internet or telephone), the shares of common stock represented by it will be voted at the special meeting in accordance with the instructions contained on the proxy card.

If you sign and return your proxy without indicating how to vote on any particular proposal, the common stock represented by your proxy will be voted “**FOR**” each proposal in accordance with the recommendation of our Board of Directors.

For Beneficial Owners:

If your shares of common stock are held in “street name” by a broker, bank or other nominee, you have the right to direct your broker, bank or other nominee on how to vote your shares of common stock. Your broker, bank or other nominee, as applicable, may establish an earlier deadline by which you must provide instructions to it for how to vote your shares of common stock. You should read carefully the materials provided to you by your broker, bank or other nominee. Because a beneficial owner is not the stockholder of record, you may not vote these shares of common stock at the special meeting unless you obtain a legal proxy from the broker, bank or other nominee that holds your shares of common stock giving you the right to vote such shares at the special meeting.

- **Revocation of Proxies (see page 28)**

You may revoke your proxy at any time before the vote is taken at the special meeting.

If you are a stockholder of record, you may revoke a proxy by (1) delivering to our Corporate Secretary at 1745 Technology Drive, San Jose, California 95110, a written notice of revocation no later than 11:59 p.m. Eastern Time on the day before the special meeting, (2) delivering no later than 11:59 p.m. Eastern Time on the day before the special meeting, a duly executed proxy dated after the date of the proxy you wish to revoke, or (3) attending the special meeting and voting your shares in person. Merely attending the special meeting will not, by itself, constitute revocation of your proxy.

If your shares are held in street name and you have instructed your broker, bank or other nominee to vote your shares, you must follow the directions provided by your broker, bank or other nominee to change those instructions. You may also vote in person at the special meeting if you obtain a legal proxy from your bank, broker or other nominee.

- **The Merger (see page 30)**

We are asking our stockholders to consider and vote upon the Merger Proposal, which will provide for the adoption of the Merger Agreement pursuant to which TDK Corporation will acquire InvenSense through a merger of InvenSense and Merger Subsidiary. Our Board of Directors is providing this proxy statement and the accompanying form of proxy to holders of our common stock in connection with the solicitation of proxies for use at the special meeting of stockholders.

The full text of the Merger Agreement is attached as [Appendix A](#) to this proxy statement. **We urge you to read the Merger Agreement carefully and in its entirety.** If the Merger Proposal is approved by our stockholders and the transaction closes as contemplated, InvenSense will become an indirect wholly-owned subsidiary of TDK Corporation, and you will be entitled to receive \$13.00 cash, without interest and less any required tax withholding, for each share of our common stock that you own, and:

- you will no longer have any interest in our future earnings or growth;
- we will no longer be a public company;
- our common stock will no longer be traded on the New York Stock Exchange (the “NYSE”); and
- we will no longer be required to file periodic and other reports with the SEC.

- **Market Price Information (see page 108)**

Our common stock is listed on the NYSE under the trading symbol “INVN.” The merger consideration represents a 74% premium over the closing price of our common stock on the NYSE on October 27, 2016, the last trading day prior to our announcement that our Board of Directors was exploring strategic alternatives for our business, a 57% premium over the closing price of our common stock on the NYSE on December 8, 2016, the last trading day prior to the announcement of market rumors that we were in discussions to be acquired by TDK Corporation, and a 20% premium over the closing price of our common stock on the NYSE on December 20, 2016, the last trading day prior to our announcement that we had entered into the Merger Agreement. On March 24, 2017, the last trading day before the date of this proxy statement, the closing price of our common stock on the NYSE was \$12.60.

- **Recommendation of the Board of Directors (see page 58)**

Our Board of Directors has unanimously determined that the terms of the Merger are fair to and in the best interests of the Company and our stockholders, has approved and declared advisable the Merger Agreement and the transactions contemplated thereby and has unanimously recommended approval and adoption of the Merger Agreement and the Merger by our stockholders.

Our Board of Directors unanimously recommends that you vote “FOR” the Merger Proposal, “FOR” the Merger-related Compensation Proposal and “FOR” the Adjournment Proposal.

- **Interests of Directors and Executive Officers in the Merger (see page 71)**

[Table of Contents](#)

In considering the recommendation of our Board of Directors that you vote in favor of the Merger Proposal, you should be aware that certain of our directors and executive officers may have interests in the Merger that are different from, or are in addition to, the interests of InvenSense and our stockholders generally. These interests may create a potential conflict of interest and may be perceived to have affected their decision to support or approve the Merger. Our Board of Directors was aware of these potential conflicts of interest during its deliberations on the merits of the Merger and in making its decision to approve the Merger Agreement, the Merger and the related transactions. As further described below, these interests include, but are not limited to:

- In the case of our non-employee directors, accelerated vesting of all equity awards.
- In the case of certain of our named executive officers, the receipt of potential retention bonus payments, additional retention bonus payments (for Mr. Abdi), and accelerated payment of a percentage of the deferred cash award attributable to the otherwise unvested portion of certain equity awards held by them, in each case pursuant to letter agreements entered into in connection with the Merger Agreement and payable to such officers if they remain an employee of InvenSense until the later of the consummation of the Merger and December 21, 2017 (the first anniversary of the date we signed the Merger Agreement).
- In the case of our named executive officers, accelerated vesting (on a “double-trigger” basis) with respect to 100% of their equity awards and contractual severance pay and benefit continuation in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers).
- In the case of both our non-employee directors and named executive officers, continuation of indemnification rights and coverage under our directors’ and officers’ liability insurance policies.

Stockholders should be aware of these interests when considering our Board of Directors’ recommendation to approve the Merger Proposal.

- **Opinion of InvenSense’s Financial Advisor (see page 63)**

In connection with the Merger, Qatalyst Partners rendered to our Board of Directors its oral opinion, subsequently confirmed in writing, that as of December 20, 2016 (Pacific Standard Time), and based upon and subject to the various assumptions, considerations, limitations and other matters set forth in the opinion, the \$13.00 in cash per share merger consideration to be received by the holders of InvenSense common stock, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement, was fair, from a financial point of view, to such holders.

The full text of the opinion of Qatalyst Partners, dated December 20, 2016, is attached to this proxy statement as [Appendix B](#) and is incorporated into this proxy statement by reference. The opinion sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations and qualifications of the review undertaken by Qatalyst Partners in rendering its opinion. You should read the opinion carefully in its entirety.

Qatalyst Partners’ opinion was provided to our Board of Directors and addressed only, as of the date of the opinion, the fairness, from a financial point of view, of the \$13.00 in cash per share merger consideration to be received by the holders of InvenSense common stock, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement. It does not address any other aspect of the Merger. It does not constitute a recommendation to any stockholder of InvenSense as to how to vote with respect to the Merger or any other matter and does not in any manner address the price at which the shares of InvenSense common stock will trade at any time.

- **Treatment of Equity Awards (see page 69)**

[Table of Contents](#)

Stock Options. Each vested stock option, including stock options which vest on the Merger (“Vested Option”), that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration will be cancelled in exchange for a payment to the holder of an amount in cash equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the Vested Option, multiplied by the number of shares of common stock underlying the award.

Each unvested stock option (“Unvested Option”) that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration will be converted into a deferred cash award in an amount equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the Unvested Option, multiplied by the number of shares of common stock underlying the award. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding Unvested Option, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated Unvested Option (including continued employment requirements through the applicable date(s) of vesting).

Each Vested Option and Unvested Option that has an exercise price per share that is equal to or greater than the merger consideration and each Unvested Option that is subject to vesting based on performance criteria that have not been achieved as of the effective time of the Merger will be cancelled without any consideration to the holder thereof.

Restricted Stock Units. Each restricted stock unit (“RSU”) that is vested, including RSUs which vest on the Merger (“Vested RSU”) that is outstanding immediately prior to the effective time of the Merger will be cancelled in exchange for a payment to the holder of an amount in cash equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award.

Each unvested RSU (“Unvested RSU”) that is outstanding immediately prior to the effective time of the Merger will be converted into a deferred cash award in an amount equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding Unvested RSU, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated Unvested RSU (including continued employment requirements through the applicable date(s) of vesting).

Restricted Stock Awards. Each unvested share of restricted stock that is outstanding immediately prior to the effective time of the Merger will be converted into a deferred cash award in an amount equal to the merger consideration of \$13.00 per share. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding share of restricted stock, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated unvested share of restricted stock (including continued employment requirements through the applicable date(s) of vesting).

Accelerated Vesting for Certain Awards. The equity-based awards held by our non-employee directors, to the extent then unvested, will accelerate and vest upon the Merger. In connection with the Merger, we entered into letter agreements with Messrs. Abdi, Goehl and Maghsoudnia, which provide for the accelerated payment immediately following the Merger of a percentage of the deferred cash award attributable to the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi), to which they will become entitled at the effective time of the Merger. Such accelerated payment will proportionately reduce any future payments to be made to them on the applicable vesting dates with respect to such deferred cash awards. The accelerated payment of a percentage of such deferred cash awards is effectively the same as accelerated vesting at the time of the Merger of that percentage of the otherwise unvested portion of their equity awards (limited, however, to

unvested shares of restricted stock in the case of Mr. Abdi). In the case of our named executive officers, pursuant to their executive change in control and severance agreements, 100% of the equity awards held by them that will not vest prior to or upon the Merger are subject to accelerated vesting (on a “double-trigger” basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers).

- **Financing of the Merger (see page 70)**

We anticipate that the total amount of funds necessary to complete the Merger and the related transactions will be approximately \$1.3 billion, which will be funded through available cash on hand of TDK Corporation. This amount includes funds needed to pay our stockholders the amounts due under the Merger Agreement and make payments in respect of certain of our outstanding equity-based awards pursuant to the Merger Agreement.

- **Voting Agreements (see page 100)**

Concurrently with the execution of the Merger Agreement, the directors, executive officers and certain stockholders of InvenSense, in their capacities as holders of our common stock or other equity interests, each entered into a Voting Agreement pursuant to which each agreed, among other things, to (i) vote their shares of our common stock for the Merger Proposal and against any alternative proposal, and (ii) comply with certain restrictions on the disposition of the shares of our common stock they own, subject to the terms and conditions contained in the Voting Agreement. Each of the Voting Agreements will terminate upon the earlier of (a) the termination of the Merger Agreement in accordance with its terms, (b) the effective time of the Merger, (c) the end date specified in the Merger Agreement and (d) such time as the Merger Agreement is amended to change the form or reduce the amount of the merger consideration.

As of the Record Date, the persons who have executed Voting Agreements collectively beneficially owned approximately 14.3% of the outstanding shares of our common stock on an as-converted basis.

- **Material U.S. Federal Income Tax Consequences (see page 79)**

In general, your receipt of the merger consideration will be a taxable transaction for U.S. federal income tax purposes if you are a U.S. Holder (as defined in the section of this proxy statement captioned “*The Merger—Material U.S. Federal Income Tax Consequences*”). If you are a U.S. Holder, for U.S. federal income tax purposes, you will generally recognize gain or loss equal to the difference, if any, between the amount of cash received pursuant to the Merger and your adjusted basis in the shares surrendered. If you are a Non-U.S. Holder (as defined in the section of this proxy statement captioned “*The Merger—Material U.S. Federal Income Tax Consequences*”), you will generally not be subject to U.S. federal income tax with respect to the exchange of our common stock for cash in the Merger unless you have certain connections with the United States. The tax consequences of the Merger to you will depend upon your own particular circumstances. You should review the discussion under the section of this proxy statement captioned “*The Merger—Material U.S. Federal Income Tax Consequences*” and consult your tax advisor in order to fully understand how the Merger will affect you.

- **Delisting and Deregistration of our Common Stock (see page 84)**

If the Merger is completed, our common stock will be delisted from the NYSE and deregistered under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and we will no longer file periodic reports with the SEC.

- **Governmental and Regulatory Approvals (see page 82)**

Under the Merger Agreement, the Merger cannot be completed until (i) the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the “HSR Act”) or any other applicable

antitrust laws, have expired or been terminated and (ii) clearance has been obtained from the Committee on Foreign Investment in the United States (“CFIUS”). TDK Corporation and InvenSense filed the notification and report forms under the HSR Act with the U.S. Federal Trade Commission and the Antitrust Division on January 13, 2017 and the mandatory waiting period under the HSR Act expired on February 13, 2017. InvenSense and TDK Corporation filed a joint voluntary notice with CFIUS on February 16, 2017. The notice has been accepted for review by CFIUS with the first day of the review period commencing on February 27, 2017. In addition, TDK Corporation and InvenSense cannot complete the Merger until the required submissions have been made and approvals granted under the South Korea Monopoly Regulation and Fair Trade Act and the Republic of China (Taiwan) Fair Trade Law of 1991. TDK Corporation filed the required submission with the Korea Fair Trade Commission on February 23, 2017 and with the Taiwan Fair Trade Commission on March 2, 2017. In addition, TDK Corporation submitted an application to the French Ministry of the Economy on February 6, 2017 for an approval of the Merger under Articles L.151-3 and R.153-1 et seq. of the French Monetary and Financial Code in respect of foreign investment controls. The French Ministry of the Economy provided its clearance of the Merger on March 24, 2017.

- **Legal Proceedings (see page 83)**

To date six people, each alleging that he or she owns common stock in the Company, have filed purported class action lawsuits against the Company and its board of directors in the United States District Court for the Northern District of California: *Marc Nuzzo v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang, Yunbei Yu, TDK Corporation and TDK Sensor Solutions Corporation*, No. 5:17-cv-00859-JD (N.D. Cal., filed Feb. 21, 2017); *Marc Chicorel v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang and Yunbei Yu*, No. 5:17-cv-00901 (N.D. Cal., filed Feb. 22, 2017); *David Dunham v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang, Yunbei Yu, Usama Fayyad, TDK Corporation and TDK Sensor Solutions Corporation*, No. 5:17-cv-00957 (N.D. Cal., filed Feb. 24, 2017); *Atef Isaac v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang and Yunbei “Ben” Yu*, No. 3:17-cv-01014 (N.D. Cal., filed Feb. 27, 2017); *Amy Holzman v. InvenSense, Inc., Behrooz Abdi, Amit Shah, Jon Olson, Eric Stang, Amir Faintuch, Usama Fayyad, Emiko Higashi, Yunbei Yu, TDK Corporation and TDK Sensor Solutions Corporation*, No. 5:17-cv-01038 (N.D. Cal., filed Feb. 28, 2017); and *George E. Rollins v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang, Yunbei “Ben” Yu, TDK Corporation, and TDK Sensor Solutions Corporation*, No. 3:17-cv-001574 (N.D. Cal., filed Mar. 23, 2017).

The lawsuits all challenge the Company’s proposed acquisition by TDK Corporation and TDK Sensor Solutions Corporation; four of the six also name as defendants TDK Corporation and TDK Sensor Solutions Corporation. All six complaints assert a claim under section 14(a) of the Exchange Act and SEC Rule 14a-9 against the Company and its directors, and a control person claim under section 20(a) of the Exchange Act against the Company’s directors; three of the complaints assert the control person claim against TDK Corporation and TDK Sensor Solutions Corporation as well. The complaints allege that the Company’s preliminary proxy statement filed with the SEC on February 3, 2017 (“preliminary proxy”) is materially false and misleading because it omits certain information about the Company’s financial projections and the financial analysis performed by the Company’s financial advisor, Qatalyst Partners; some also allege that the preliminary proxy omits information about the process that led to the merger; finally, one makes allegations with respect to the reasonableness of certain assumptions underlying such financial analysis.

One of the complaints (*Dunham*) also asserts a claim for breach of fiduciary duty against the individual defendants and a claim for aiding and abetting the individual defendants’ alleged breaches of fiduciary duty against the Company, TDK Corporation and TDK Sensor Solutions Corporation. This complaint alleges that the individual defendants breached their fiduciary duties of loyalty, good faith, due care and disclosure by not taking steps to achieve adequate consideration for shareholders, by engineering the merger to benefit

themselves and TDK at the expense of other shareholders, and by agreeing to deal protection terms that unduly deter topping bids. While the other five complaints do not assert fiduciary duty claims as such, several of them include factual allegations similar to those made in the *Dunham* complaint.

With some variations, the complaints all seek: orders preliminarily and permanently enjoining defendants from closing the merger or, if the merger closes, rescinding it or awarding damages; declaratory relief against the merger and the preliminary proxy; and attorneys' fees and costs.

The Company and its directors have waived service of summons or agreed to waive service of summons in all six lawsuits.

- **Anticipated Closing of the Merger (see page 84)**

The closing of the Merger will occur as soon as possible, but in any event, no later than five business days after all of the closing conditions have been met or waived by the party or parties entitled to the benefit thereof, or on such other date as is mutually agreed upon by TDK Corporation and InvenSense. We currently expect the Merger to be completed in the second half of fiscal year ended March 31, 2018, although we cannot assure completion by any particular date, if at all. We will issue a press release and letters of transmittal for your use once the Merger has been completed.

- **Conditions to the Completion of the Merger (see page 94)**

The Merger Agreement provides that the parties' obligations to complete the Merger are subject to the satisfaction (or waiver, if permissible under law) of the following conditions:

- the adoption of the Merger Agreement by the requisite vote of our stockholders;
- no law being in effect that temporarily or permanently makes the consummation of the Merger illegal or otherwise prohibited;
- the expiration or termination of any applicable waiting periods (and any extension thereof) under the HSR Act or any other antitrust laws; and
- clearance by CFIUS.

The Merger Agreement provides that the obligations of TDK Corporation and Merger Subsidiary to consummate the Merger are subject to, among others, the satisfaction (or waiver, if permissible under law) of the following additional conditions:

- we must have performed or complied with in all material respects all of our obligations and covenants under the Merger Agreement;
- certain of our representation and warranties as to our capitalization shall be true as of the date of the Merger Agreement and as of the effective time, other than with respect to *de minimis* inaccuracies;
- certain of our representations and warranties as to our corporate existence and power, corporate authorization, governmental authorizations, capitalization and finders' fees must be true and correct in all material respects as of the date of the Merger Agreement and as of the effective time, disregarding all other materiality and material adverse effect qualifications contained therein;
- the remainder of our representations and warranties must be true as of the date of the Merger Agreement and as of the effective time, disregarding all other materiality and material adverse effect qualifications contained therein, with only such exceptions as have not had and would not reasonably be expected, individually or in the aggregate, to have a material adverse effect on InvenSense;
- since the date of the Merger Agreement, we must have not had any event, occurrence, revelation or development of a state of circumstances or facts which, individually or in the aggregate has had or would reasonably be expected to have a "material adverse effect" (as defined and further described in

the section of this proxy statement captioned “*The Merger Agreement—Conditions to the Merger*” below) on InvenSense; and

- InvenSense shall have provided to TDK Corporation a certification that complies with the requirements of Treasury Regulation Sections 1.897-2(h) and 1.1445-2(c)(3).

The Merger Agreement also provides that our obligation to consummate the Merger is subject to, among others, the satisfaction (or waiver, if permissible under law) of the following additional conditions:

- TDK Corporation and Merger Subsidiary must have performed or complied with, in all material respects all of their obligations and covenants under the Merger Agreement; and
- TDK Corporation’s and Merger Subsidiary’s representations and warranties must be true and correct as of the date of the Merger Agreement and as of the effective time, disregarding all materiality qualifications contained therein, with only such exceptions as have not had and would not reasonably be expected to have a material adverse effect on TDK Corporation.

- **No Solicitation of an Acquisition Proposal (see page 91)**

We have agreed in the Merger Agreement, between the date of the Merger Agreement and the effective time (or termination of the Merger Agreement, if applicable) to certain limitations on our ability to take action with respect to alternative acquisition transactions. Except as set forth below, we have agreed to not, and to cause our subsidiaries and ours and our subsidiaries’ respective officers, directors, employees, affiliates, investment bankers, attorneys, accountants and other advisors or representatives not to, directly or indirectly:

- solicit, initiate or take any action to knowingly facilitate or knowingly encourage the making, submission or announcement of any inquiry, proposal or offer (including any inquiry, proposal or offer to the our stockholders) which constitutes or would be reasonably expected to lead to any “Acquisition Proposal” (as defined and further described in the section of this proxy statement captioned “*The Merger Agreement—No Solicitation; Other Offers*” below);
- enter into or participate in any discussions or negotiations with, furnish any information relating to InvenSense or any of our subsidiaries or afford access to the business, properties, assets, books or records of InvenSense or any of our subsidiaries to, otherwise cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any third party that is reasonably expected to make, or is otherwise seeking to make, or has made, an Acquisition Proposal (other than, solely in response to an unsolicited inquiry, to refer the inquiring third party to the applicable section of the Merger Agreement relating to offers for alternative acquisition transactions and to limit our conversation or other communication exclusively to such referral);
- publicly propose to or otherwise change, withhold, withdraw, qualify or modify (in a manner adverse to TDK Corporation or Merger Subsidiary) a recommendation to our stockholders to approve and adopt the Merger Agreement;
- fail to include a recommendation to our stockholders to approve and adopt the Merger Agreement in this proxy statement when mailed;
- adopt, approve or recommend to our stockholders, or resolve to or publicly propose or announce our intention to adopt, approve or recommend to our stockholders, an Acquisition Proposal or any transaction whereby any third party would become an “interested stockholder” under Section 203 of the Delaware General Corporation Law;
- if a tender or exchange offer that constitutes an Acquisition Proposal is commenced, fail to publicly recommend against acceptance of such tender or exchange offer within ten business days;
- fail to publicly reaffirm our a recommendation to our stockholders that they approve and adopt the Merger Agreement within ten business days after TDK Corporation so requests in writing

[Table of Contents](#)

following the public announcement of an Acquisition Proposal; (this and any of the foregoing four bullet points, referred to as an “Adverse Recommendation Change”);

- fail to enforce or grant any waiver or release under any standstill or similar agreement with respect to any class of our equity securities or the equity securities of any of our subsidiaries, subject to limited exceptions as described in “*The Merger Agreement—No Solicitation; Other Offers*”; or
- approve, adopt, recommend or enter into, or propose to approve, adopt, recommend or enter into any agreement in principle, letter of intent, term sheet, merger agreement, acquisition agreement, option agreement or other similar instrument relating to an Acquisition Proposal (whether binding or nonbinding).

Notwithstanding these limitations, the Merger Agreement provides that we are not prohibited from contacting in writing any person who, following the date of the Merger Agreement, makes an unsolicited Acquisition Proposal with such contact being for the sole purpose of clarifying the terms and conditions thereof so as to determine whether such Acquisition Proposal constitutes, or could reasonably be expected to lead to, a “Superior Proposal” (as defined and further described in the section of this proxy statement captioned “*The Merger Agreement—No Solicitation; Other Offers*” below). Further, the Merger Agreement provides that, at any time prior to obtaining the requisite stockholder vote for adoption of the Merger Agreement:

- if we receive a bona fide unsolicited written Acquisition Proposal from a third party not as a result of a breach of our non-solicitation obligations, and our Board of Directors determines in good faith (after consultation with its financial advisor and outside legal counsel) that it does constitute, or would reasonably be expected to lead to, a Superior Proposal, we may directly, or through our representatives, engage in negotiations or discussions with the third party making such Acquisition Proposal (and its representatives), and furnish non-public information about us and our subsidiaries pursuant to confidentiality agreements with such third party with terms in all material respects no less favorable to us than those contained our confidentiality agreement with TDK Corporation; *provided* that we provide a copy of such confidentiality agreement to TDK Corporation and all such information is provided to TDK Corporation (to the extent such information has not been previously provided or made available to TDK Corporation) prior to or substantially concurrently with the time it is provided to such third party;
- subject to our compliance with certain of our non-solicitation obligations, our Board of Directors may make an Adverse Recommendation Change following receipt of a Superior Proposal or in response to an “Intervening Event” (as defined and further described in the section of this proxy statement captioned “*The Merger Agreement—No Solicitation; Other Offers*” below), but only if our Board of Directors determines in good faith, after consultation with its financial advisor and its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under the Delaware law; and
- subject to our compliance with certain of our non-solicitation obligations, we may terminate the Merger Agreement to enter into a definitive agreement with respect to a Superior Proposal, but only if our Board of Directors determines in good faith, after consultation with its financial advisor and its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under the Delaware law.

Pursuant to the terms of the Merger Agreement, our Board of Directors cannot take any of the actions set forth in the above three bullet points unless we have delivered to TDK Corporation a prior written notice advising that we intend to take such action, and we have advised TDK Corporation on a prompt basis of the status and terms of any discussions and negotiations with the third party. In addition, we are required to notify TDK Corporation promptly after receipt of any Acquisition Proposal or request for information relating to InvenSense or any of our subsidiaries or for access to the business, properties, assets, books or records of InvenSense or any of our subsidiaries by any third party that has made, or that is reasonably likely to make, an Acquisition Proposal. The

Merger Agreement requires that we will provide such notice orally and in writing and that we identify the third party making, and the financial and other material terms and conditions of, any such Acquisition Proposal, indication or request. We are also obligated to keep TDK Corporation fully informed of the status and material terms of any such Acquisition Proposal, indication or request, and are required to promptly provide to TDK Corporation copies of all correspondence and other written materials received by us, our subsidiaries or our representatives that describe any financial or other material terms or conditions of any Acquisition Proposal.

Our Board of Directors is prohibited from making an Adverse Recommendation Change (and we are prevented from terminating the Merger Agreement in certain instances) unless (A) we have notified TDK Corporation in writing at least five business days before taking that action (the "Negotiation Period"), of our intention to do so, attaching, in the event of a Superior Proposal, the most current versions of the proposed transaction documents relating to the Superior Proposal (including a copy of any financing commitments) and the identity of the third party making the Acquisition Proposal, or, in the case of an Intervening Event, a reasonably detailed description of the reasons for making such Adverse Recommendation Change and (B) following the end of the Negotiation Period, our Board of Directors will have considered in good faith any revisions to the terms of the Merger Agreement proposed in writing by TDK Corporation, and will have determined, after consultation with our financial advisor and outside legal counsel that TDK Corporation did not timely make an offer which, in the event of a Superior Proposal, is at least as favorable to our stockholders from a financial point of view as the Superior Proposal, or, in the case of an Intervening Event, obviated the need for a recommendation change. In the event there is any modification to the financial or other material terms of any such Superior Proposal (including any modification in the amount, form or mix of consideration proposed to be payable to our stockholders pursuant to such Superior Proposal), we must provide TDK Corporation with a notice of such modification and such Superior Proposal will be deemed a new Superior Proposal to which the above requirements will apply, except that the Negotiation Period will be a three business day period rather than a five business day period (except that in no event will the Negotiation Period expire earlier than any Negotiation Period then in effect would have expired).

As of the Merger Agreement date, we were obligated, and our subsidiaries and representatives were obligated, to cease and terminate any and all existing activities, discussions or negotiations, if any, with any third party conducted prior to the date of the Merger Agreement with respect to any Acquisition Proposal and request return or destruction of information we may have provided to such third party or its representatives.

- **Termination of the Merger Agreement (see page 96)**

The Merger Agreement may be terminated and the Merger may be abandoned at any time prior to the effective time, notwithstanding any approval of our stockholders of the Merger:

- by mutual written consent of InvenSense and TDK Corporation;
- by either InvenSense or TDK Corporation, if:
 - the Merger has not been consummated on or before 11:59 p.m. (Pacific time) on June 21, 2017 (referred to as the end date), provided, however, that the end date will be extended to September 21, 2017 if, on June 21, 2017 the necessary antitrust approvals and CFIUS clearance have not been obtained and all other closing conditions have been satisfied (or are capable of being satisfied at closing), provided further that this right to terminate the Merger Agreement is not available to any party whose breach of the Merger Agreement causes or results in the failure of the Merger to be consummated by the end date;
 - there is any law that makes consummation of the Merger illegal or otherwise prohibits, or enjoins InvenSense or TDK Corporation from consummating the Merger, and such injunction is final and nonappealable;
 - there has been a CFIUS turnaround; or

- our stockholders fail to adopt the Merger Agreement at the stockholder meeting.
- by TDK Corporation if:
 - an Adverse Recommendation Change has occurred or we have intentionally breached the non-solicitation provisions in any material respect; or
 - we have breached any representation or warranty or failed to perform any covenant or agreement, the result of which is that the closing condition with respect to our representations and warranties and covenants cannot be met by the earlier of the end date and the date that is 30 days following receipt by InvenSense of written notice of such breach or failure, provided that TDK Corporation will not have this termination right if TDK Corporation or Merger Subsidiary is in material breach of its obligations under the Merger Agreement.
- by InvenSense if:
 - prior to the adoption of the Merger Agreement by our stockholders, our Board of Directors makes an Adverse Recommendation Change in compliance with the terms of the Merger Agreement in order to enter into an agreement with respect to a Superior Proposal and we concurrently enter into a definitive written agreement concerning such Superior Proposal, provided that we pay to TDK Corporation the related termination fee prior to, or concurrently with, such termination; or
 - TDK Corporation or Merger Subsidiary have breached any representation or warranty or failed to perform any covenant or agreement, the result of which is that the closing condition with respect to TDK Corporation's representations and warranties and covenants cannot be met by the earlier of the end date and the date that is 30 days following receipt by the TDK Corporation of written notice of such breach or failure, provided that we will not have this termination right if we are in material breach of our obligations under the Merger Agreement.

- **Termination Fees (see page 97)**

If the Merger Agreement is terminated in certain circumstances involving an Acquisition Proposal, an Adverse Recommendation Change or a breach of our non-solicitation obligations under the Merger Agreement, we are obligated to pay to TDK Corporation a termination fee of \$46,700,000. If the Merger Agreement is terminated in certain circumstances involving the failure to obtain required regulatory approvals, TDK Corporation is obligated to pay us a termination fee of \$46,700,000.

We will not be required to pay the termination fee on more than one occasion. In the event a termination fee is paid, upon payment, we will have no further liability to the payee with respect to the Merger Agreement or the transactions contemplated thereby, except that the payor is not released from liability for fraud or willful breach of the Merger Agreement.

- **Appraisal Rights (see page 103)**

If the Merger is consummated, stockholders who do not vote in favor of the Merger Proposal and who properly demand appraisal of their shares of our common stock will be entitled to appraisal rights in connection with the Merger under Section 262 of the Delaware General Corporation Law ("Section 262"). Failure to comply strictly with all of the procedures set forth in Section 262 may result in the loss of a stockholder's statutory dissenters' rights. See also [Appendix C](#)—Section 262 of the Delaware General Corporation Law (Appraisal Rights).

QUESTIONS AND ANSWERS

The following questions and answers address some commonly asked questions regarding the Merger, the Merger Agreement and the special meeting. These questions and answers may not address all questions that are important to you. We encourage you to read carefully the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents we refer to in this proxy statement. You may obtain the information incorporated by reference in this proxy statement without charge by following the instructions under the section of this proxy statement captioned “*Where You Can Find More Information*.”

Q: Why am I receiving these materials?

A: The Board of Directors is furnishing this proxy statement and form of proxy card to the holders of shares of our common stock in connection with the solicitation of proxies to be voted at the special meeting. This proxy statement contains important information about the Merger and the other proposals being voted on at the special meeting, and you should read it carefully.

Q: Where and when is the special meeting of stockholders?

A: The special meeting of stockholders will be held at our corporate headquarters, 1745 Technology Drive, San Jose, California 95110, on Wednesday, May 17, 2017 at 10:00 a.m. local time.

Q: What am I being asked to vote on?

A: You are being asked to consider and vote on the following three proposals:

- To adopt the Merger Agreement, pursuant to which InvenSense would be acquired by TDK Corporation and each share of our common stock issued and outstanding immediately prior to the completion of the Merger, other than shares owned by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled) and shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest;
- To approve on a non-binding, advisory basis, compensation that may be paid or become payable to our named executive officers in connection with the Merger (as described in the section of this proxy statement captioned “*The Merger—Golden Parachute Compensation*”); and
- To approve the postponement or adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Merger Proposal if there are insufficient votes at the time of the special meeting to approve the Merger Proposal.

Q: How does the Board of Directors recommend that I vote?

A: Our Board of Directors has unanimously (i) determined that the Merger and Merger Agreement, and the transaction contemplated by the Merger Agreement, are fair to and in the best interests of InvenSense and its stockholders, and (ii) approved and declared advisable the Merger Agreement and the transactions contemplated thereby.

Our Board of Directors recommends that you vote “**FOR**” the Merger Proposal, “**FOR**” the Merger-related Compensation Proposal and “**FOR**” the Adjournment Proposal.

Q: What will I receive in the Merger?

A: Upon completion of the Merger, you will be entitled to receive \$13.00 in cash, without interest and less any required tax withholding, for each share of our common stock that you own. For example, if you own 1,000

[Table of Contents](#)

shares of our common stock, you will be entitled to receive \$13,000 in cash in exchange for your shares of common stock, less any required tax withholding. You will not own any shares in the surviving corporation after the Merger is completed.

Q: What will I receive in the Merger in exchange for my equity awards?

A: Each Vested Option that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration will be cancelled in exchange for a payment to the holder of an amount in cash equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the Vested Option, multiplied by the number of shares of common stock underlying the award.

Each Unvested Option that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration will be converted into a deferred cash award in an amount equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the Unvested Option, multiplied by the number of shares of common stock underlying the award. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding Unvested Option, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated Unvested Option (including continued employment requirements through the applicable date(s) of vesting).

Each Vested Option and Unvested Option that has an exercise price per share that is equal to or greater than the merger consideration and each Unvested Option that is subject to vesting based on performance criteria that have not been achieved as of the effective time of the Merger will be cancelled without any consideration to the holder thereof.

Each Vested RSU that is outstanding immediately prior to the effective time of the Merger will be cancelled in exchange for a payment to the holder of an amount in cash equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award.

Each Unvested RSU that is outstanding immediately prior to the effective time of the Merger will be converted into a deferred cash award in an amount equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding Unvested RSU, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated Unvested RSU (including continued employment requirements through the applicable date(s) of vesting).

Each unvested share of restricted stock that is outstanding immediately prior to the effective time of the Merger will be converted into a deferred cash award in an amount equal to the merger consideration of \$13.00 per share. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding share of restricted stock, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated unvested share of restricted stock (including continued employment requirements through the applicable date(s) of vesting).

The equity-based awards held by our non-employee directors, to the extent then unvested, will accelerate and vest upon the Merger. Certain of our named executive officers are entitled to rights under individual letter agreements that effectively provide for accelerated vesting at the time of the Merger of a percentage of certain equity awards held by them. Such accelerated payment will proportionately reduce any future payments to be made to them on the applicable vesting dates with respect to such deferred cash awards. In addition, in the case of our named executive officers, pursuant to their executive change in control and severance agreements, 100% of the equity awards held by them that will not vest prior to or upon the Merger are subject to accelerated vesting (on a "double-trigger" basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers). For more information,

see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests.*”

Q: Are there conditions to the parties obligations to complete the Merger?

A: Each of InvenSense’s and TDK Corporation’s obligation to consummate the Merger is subject, as relevant, to a number of conditions specified in the Merger Agreement, including the following: (1) adoption of the Merger Agreement by InvenSense’s stockholders; (2) receipt of customary antitrust approvals and other regulatory approvals; (3) absence of laws, orders, judgments and injunctions that enjoin or otherwise prohibit consummation of the Merger or any proceedings instituted by a governmental entity with competent jurisdiction seeking any of the foregoing; (4) subject to certain materiality related standards contained in the Merger Agreement, the accuracy of representations and warranties of InvenSense and TDK Corporation, respectively, and material performance by InvenSense and TDK Corporation of their respective covenants contained in the Merger Agreement; and (5) the absence of a material adverse effect with respect to the other party. The consummation of the Merger is not subject to a financing condition. See the section of this proxy statement captioned “*The Merger Agreement—Conditions to the Merger.*”

Q: When do you expect the Merger to be completed?

A: We intend to complete the closing of the Merger as soon as possible, but in any event, no later than five business days after all of the closing conditions have been met or waived by the party or parties entitled to the benefit thereof, or on such other date as is mutually agreed upon by TDK Corporation and InvenSense. We currently expect the Merger to be completed in the second quarter of the fiscal year ending March 31, 2018, although we cannot assure completion by any particular date, if at all. We will issue a press release and letters of transmittal for your use once the Merger has been completed.

Q: How does the price per share being paid by TDK Corporation in the Merger compare to the market price of our common stock?

A: The merger consideration represents a 74% premium over the closing price of our common stock on the NYSE on October 27, 2016, the last trading day prior to our announcement that our Board of Directors was exploring strategic alternatives for our business, a 57% premium over the closing price of our common stock on the NYSE on December 8, 2016, the last trading day prior to the announcement of market rumors that we were in discussions to be acquired by TDK Corporation, and a 20% premium over the closing price of our common stock on the NYSE on December 20, 2016, the last trading day prior to our announcement that we had entered into the Merger Agreement. On March 24, 2017, the last trading day before the date of this proxy statement, the closing price of our common stock on the NYSE was \$12.60.

Q: Who can vote at the special meeting?

A: Stockholders of record at the close of business on March 23, 2017, the Record Date for the special meeting, will be entitled to notice of and to vote at the special meeting. If on that date, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the special meeting or vote by proxy. If on the Record Date, your shares were held in an account at a bank, broker or other nominee, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that bank, broker or other nominee. The bank, broker or other nominee holding your account is considered the stockholder of record for purposes of voting at the special meeting. As a beneficial owner, you have the right to direct your bank, broker or other nominee on how to vote the shares in your account. You are also invited to attend the special meeting. However, if your shares are held in street name, you are not the stockholder of record, and you may not vote your shares in person at the meeting unless you request and obtain a valid legal proxy from your bank, broker or other nominee.

[Table of Contents](#)

Q: What constitutes a quorum for the special meeting?

A: A quorum is required for stockholders to conduct business at the special meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to establish a quorum at the special meeting. On the Record Date, there were 95,577,295 shares of our common stock outstanding and entitled to vote at the special meeting. Shares present, in person or by proxy, including shares as to which authority to vote on any proposal is withheld and shares abstaining as to any proposal, will be considered present at the meeting and entitled to vote for purposes of establishing a quorum for the transaction of business at the meeting. Each of these categories will be tabulated separately. In the event that a quorum is not present at the special meeting, we expect that the meeting will be postponed or adjourned to solicit additional proxies, and the persons named as proxies may propose and vote for one or more postponements or adjournments of the special meeting.

Q: How many votes do I have and how are votes counted?

A: Each share of common stock is entitled to one vote on the matters brought before the special meeting. If you vote your shares of common stock by submitting a proxy, your shares will be voted at the special meeting as you indicated on your proxy card. If no instructions are indicated on your signed proxy card, all of your shares of common stock will be voted “FOR” each of the Merger Proposal, the Merger-related Compensation Proposal and the Adjournment Proposal.

Q: My shares are held in the “street name.” Will my broker vote my shares?

A: If you hold your shares in “street name,” you should have received a voting instruction form with these proxy materials from your bank, broker or other nominee rather than from us. Complete and return the voting instruction form to your bank, broker or other nominee to ensure your vote is counted. Alternatively, you may vote by telephone or over the internet as instructed by your bank, broker or other nominee. To vote in person at the special meeting, you must obtain a valid legal proxy from your bank, broker or other nominee. Follow the instructions from your bank, broker or other nominee included with these proxy materials, or contact your bank, broker or other nominee to request a legal proxy.

If your shares are held in “street name,” your bank, broker or other nominee will be unable to vote your shares without instructions from you. You should instruct your bank, broker or other nominee to vote your shares in accordance with the voting instruction form that you have received from your bank, broker or other nominee. Your bank, broker or nominee cannot vote on any of the proposals without your instructions, and the failure to instruct your bank, broker or other nominee how to vote will have the same effect as a vote against the Merger Proposal. Shares of common stock represented by “broker non-votes” will not be counted in determining the presence of a quorum and will have no effect on the Merger-related Compensation Proposal or the Adjournment Proposal, assuming a quorum is present at the special meeting.

Q: What is a “broker non-vote”?

A: Under NYSE rules, banks, brokers and other nominees may use their discretion to vote “uninstructed” shares (shares held of record by banks, brokers or other nominees but with respect to which the beneficial owner of such shares has not provided instructions on how to vote on a particular proposal) with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. “Non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors, executive compensation (including any advisory stockholder votes on executive compensation) and certain corporate governance proposals. A “broker non-vote” occurs on a proposal when (i) a bank, broker or other nominee has discretionary authority to vote on one or more proposals to be voted on at a meeting of stockholders, but is not permitted to vote on other proposals without instructions from the beneficial owner of the shares and (ii) the beneficial owner fails to provide the bank, broker or other nominee with such instructions. Because none of the proposals to be voted on at the

[Table of Contents](#)

special meeting are routine matters for which brokers may have discretionary authority to vote, we do not expect there to be any broker non-votes.

Q: What does it mean if I get more than one proxy card to vote my shares of common stock?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple paper proxy cards or voting instruction cards. For example, if you hold your shares of common stock in more than one brokerage account, you may receive a set of proxy materials for each brokerage account in which you hold shares. If you are a stockholder of record and your shares of common stock are registered in more than one name, you may receive more than one set of proxy materials. Please sign, date and return each proxy card and voting instruction card that you receive and follow the voting instructions set forth in this proxy statement to ensure that all of your shares of common stock are voted.

Q: Will my shares held in “street name” or another form of ownership be combined for voting purposes with shares I hold of record?

A: No. Because any shares you may hold in “street name” will be deemed to be held by a different stockholder than any shares you hold of record, any shares so held will not be combined for voting purposes with shares you hold of record. Similarly, if you own shares in various registered forms, such as jointly with your spouse, as trustee of a trust or as custodian for a minor, you will receive, and will need to sign and return, a separate proxy card for those shares because they are held in a different form of record ownership. Shares held by a corporation or business entity must be voted by an authorized officer of the entity.

Q: How are “ABSTAIN” votes counted?

A: If you are a stockholder of record and attend the special meeting in person but fail to vote, or if you mark your proxy or voting instructions (as applicable) “ABSTAIN” as to any proposal, it will have the same effect as if you voted “AGAINST” such proposal.

Q: What vote is required to approve the proposals to be considered at the special meeting?

A. The affirmative vote, either in person or by proxy, of holders of a majority of our outstanding shares of common stock on the Record Date is required to approve the Merger Proposal. On the Record Date, there were 95,577,295 shares of our common stock outstanding. This means that stockholders holding 47,788,648 shares or more must vote in the affirmative to approve the Merger Proposal. The affirmative vote of a majority of our outstanding shares of common stock represented at the special meeting, either in person or by proxy, and entitled to vote thereon, is required to approve the Merger-related Compensation Proposal and the Adjournment Proposal.

Q: What happens if I do not vote on the Merger Proposal?

A. **Because the vote required to approve the Merger Proposal is based on the total number of shares of our common stock outstanding on the Record Date, and not just the shares that are entitled to vote or are actually voted at the special meeting, if you do not vote (including if you hold your shares through a bank, broker or other nominee and do not return your voting instructions to the bank, broker or other nominee), it will have the same effect as a vote “AGAINST” the approval of the Merger Proposal.** If the Merger is completed, whether or not you vote for the Merger Proposal, you will be paid the merger consideration for your shares of our common stock upon completion of the Merger, unless you properly exercise your appraisal rights. Please see the section of this proxy statement captioned “*Appraisal Rights*” and [Appendix C](#)—Section 262 of the Delaware General Corporation Law (Appraisal Rights).

[Table of Contents](#)

Q: Why am I being asked to consider and vote on the Merger-related Compensation Proposal?

A: Under SEC rules, we are required to seek a non-binding, advisory vote with respect to the compensation that may be paid or become payable to our named executive officers that is based on or otherwise relates to the Merger, also referred to as “golden parachute” compensation. Stockholders are urged to read the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests*,” which describes in more detail the compensation that may be paid or become payable to our named executive officers in connection with the Merger.

Q: What will happen if InvenSense’s stockholders do not approve the Merger-related Compensation Proposal?

A: Approval of the compensation that may be paid or become payable to our named executive officers that is based on or otherwise relates to the Merger is not a condition to completion of the Merger. The vote is an advisory vote and will not be binding on InvenSense or the surviving corporation in the Merger. Because the merger-related compensation to be paid to the named executive officers in connection with the Merger is based on contractual arrangements with the named executive officers, such compensation will be payable, regardless of the outcome of this advisory vote.

Q: When should I send in my stock certificates?

A: After the Merger is completed, you will receive written instructions, including a letter of transmittal, for exchanging your shares of common stock for the cash payment you are entitled to receive in connection with the Merger. **You should NOT send your stock certificates until requested to do so.**

Q: When can I expect to receive the merger consideration for my shares?

A: Once the Merger is completed, you will be sent in a separate mailing a letter of transmittal and other documents to be delivered to the paying agent in order to receive the merger consideration. Once you have submitted your properly completed letter of transmittal, stock certificates and other required documents to the paying agent, the paying agent will send you a check for the merger consideration.

Q: I do not know where my stock certificate is—how will I get my cash?

A: The materials the paying agent will send you after completion of the Merger will include the procedures that you must follow if you cannot locate your stock certificate. This will include an affidavit that you will need to sign attesting to the loss of your stock certificate. You may also be required to provide a bond to the surviving corporation in order to cover any potential loss.

Q: Will stockholders have appraisal rights?

A: Yes. Under Delaware law, any stockholder who does not vote in favor of the Merger and remains a holder of our common stock at the effective time of the Merger may, by complying with the procedures set forth in Section 262 and sending us a written demand for appraisal before the vote is taken on the Merger Proposal, be entitled to seek appraisal of the fair value of their shares. Appraisal rights are contingent upon consummation of the Merger. See [Appendix C](#) for more information.

Q: What should I do now—how do I vote?

A: In addition to voting in person at the special meeting, if you are the record holder of your shares of common stock, you may vote as follows:

- *By Internet.* The web address and instructions for Internet proxy submission can be found on the enclosed proxy card. Internet proxy submission via the web address indicated on the enclosed proxy

[Table of Contents](#)

card is available 24 hours a day. If you choose to submit your proxy by Internet, then you do not need to return the proxy card. To be valid, your Internet proxy must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.

- *By Telephone.* The toll-free number for telephone proxy submission can be found on the enclosed proxy card. Telephone proxy submission is available 24 hours a day. If you choose to submit your proxy by telephone, then you do not need to return the proxy card. To be valid, your telephone proxy must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.
- *By Mail.* Mark the enclosed proxy card, sign and date it, and return it in the postage-paid envelope we have provided. To be valid, your proxy by mail must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.

If you sign and return your proxy or voting instruction card without indicating how to vote on any particular proposal, the common stock represented by your proxy will be voted “**FOR**” each proposal in accordance with the recommendation of our Board of Directors. Unless you check the box on your proxy card to withhold discretionary authority, the proxy holders may use their discretion to vote on the proposals relating to the special meeting.

If your shares of common stock are held in “street name” by a broker, bank or other nominee, you have the right to direct your broker, bank or other nominee on how to vote your shares of common stock. Your broker, bank or other nominee, as applicable, may establish an earlier deadline by which you must provide instructions to it for how to vote your shares of common stock. You should read carefully the materials provided to you by your broker, bank or other nominee. Because a beneficial owner is not the stockholder of record, you may not vote these shares of common stock at the special meeting unless you obtain a legal proxy from the broker, bank or other nominee that holds your shares of common stock giving you the right to vote such shares of common stock at the special meeting.

Every stockholder’s vote is important. Please vote now even if you expect to attend the special meeting and vote in person. Voting now will not prevent you from later canceling or revoking your proxy, and will ensure that your shares are voted if you later find you cannot attend the special meeting. **If you do not vote, this will have the same effect as a vote “AGAINST” the Merger Proposal.**

Q: What happens if I sell my shares of common stock before the special meeting?

A: The Record Date for stockholders entitled to vote at the special meeting is earlier than the expected date of the completion of the Merger. If you transfer your shares of common stock after the Record Date but before the special meeting, you will, unless special arrangements are made, retain your right to vote at the special meeting but will transfer the right to receive the merger consideration to the person to whom you transfer your shares.

Q: Can I change or revoke my vote after I have voted?

A: You may change or revoke your proxy at any time before the vote is taken at the special meeting.

If you are a stockholder of record, you may change your vote or revoke your proxy by (1) delivering to our Corporate Secretary at 1745 Technology Drive, San Jose, California 95110, a written notice of revocation no later than 11:59 p.m. Eastern Time on the day before the special meeting, (2) delivering no later than 11:59 p.m. Eastern Time on the day before the special meeting a duly executed proxy dated after the date of the proxy you wish to revoke, or (3) attending the special meeting and voting your shares in person. Merely attending the special meeting will not, by itself, constitute revocation of your proxy.

If your shares are held in street name and you have instructed your broker, bank or other nominee to vote your shares, you must follow the directions provided by your broker, bank or other nominee to change those instructions. You may also vote in person at the special meeting if you obtain a legal proxy from your bank, broker or other nominee.

[Table of Contents](#)

Q: What are the consequences of the Merger to members of our management and Board of Directors?

A: Certain of our executive officers have entered into letter agreements with InvenSense (see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements*” below for additional information about these agreements). Our current Board of Directors, however, will be replaced by a new board of directors to be nominated by TDK Corporation following the Merger. Like all other stockholders, our directors and executive officers will be entitled to receive \$13.00 per share in cash for their shares of our common stock. All Vested Options and Vested RSUs held by our executive officers and directors (like all other Vested Options and Vested RSUs held by our employees) will be cancelled at the effective time of the Merger and holders will be entitled to receive \$13.00 per share (over the applicable exercise price per share in the case of a Vested Option) less tax withholding, in cash, payable upon the consummation of the Merger. The equity-based awards held by our non-employee directors, to the extent then unvested, will accelerate and vest upon the Merger. Certain of our named executive officers are entitled to rights under individual letter agreements that effectively provide for accelerated vesting at the time of the Merger of a percentage of certain equity awards held by them. Such accelerated payment will proportionately reduce any future payments to be made to them on the applicable vesting dates with respect to such deferred cash awards. For more information, see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements.*” In addition, in the case of our named executive officers, pursuant to their executive change in control and severance agreements, 100% of the equity awards held by them that will not vest prior to or upon the Merger are subject to accelerated vesting (on a “double-trigger” basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers). For more information, see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Executive Change in Control and Severance Agreements.*” All Unvested Options, all Unvested RSUs and all unvested shares of restricted stock held by such executive officers and directors will be exchanged for the right to receive \$13.00 per share (over the applicable exercise price per share in the case of an Unvested Option) less tax withholding, in cash, payable upon the satisfaction of all of the vesting conditions that would have related to such Unvested Options, Unvested RSUs or unvested shares of restricted stock (including continued employment requirements through the applicable date(s) of vesting).

Q: What happens if the Merger is not completed?

A: If the Merger Proposal is not approved by our stockholders or if the Merger is not completed for any other reason, stockholders will not receive the merger consideration in exchange for their shares of our common stock. Instead, we will remain an independent public company and our common stock will continue to be listed and traded on the NYSE. Under specified circumstances, we may be required to pay TDK Corporation a termination fee, as described in the section of this proxy statement captioned “*The Merger Agreement—Termination Fees.*”

Q: Who pays for the solicitation of proxies to vote at the special meeting?

A: We will bear the entire cost of proxy solicitation, including preparation, assembly, printing and mailing of the notice of special meeting, proxy card, this proxy statement and any additional materials furnished to our stockholders. Copies of these materials will also be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others to forward to those beneficial owners. In addition, we may reimburse the costs of forwarding these materials to those beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, email, facsimile or personal solicitation by our directors, officers or employees. No additional compensation will be paid for such services. We have engaged MacKenzie Partners, Inc. to aid in the solicitation of proxies for approximately \$15,000, plus reimbursement of related expenses.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This proxy statement contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Exchange Act. Forward-looking statements include statements regarding our plans, goals, strategies, intent, beliefs or expectations, and may be identified by words such as “believe,” “plan,” “intend,” “anticipate,” “target,” “estimate,” “expect,” “will,” “may,” “could,” “should” and similar words. Statements contemplating or making assumptions about actual or potential future business plans, sales, market size, collaborations, trends or operating results, or potential benefits of the proposed Merger, also constitute forward-looking statements. These statements are expressed in good faith and are based upon reasonable assumptions when made, but there can be no assurance that these expectations will be achieved or accomplished. Stockholders and other readers are cautioned not to place undue reliance on these forward-looking statements. Forward-looking statements speak only as of the date they were made. We do not undertake to update the disclosures contained in this proxy statement or reflect events or circumstances that occur subsequently or the occurrence of unanticipated events, except as required by law. There are a number of risks and uncertainties that could cause actual results to differ materially from historical results or from any results expressed or implied by such forward-looking statements. For example, the Merger may involve unexpected costs, our business may suffer as a result of uncertainty surrounding the Merger, and the acquisition may not be completed in the time frame expected by the parties or at all. Certain other risks associated with our business are discussed from time to time in the reports we file with the SEC, including our Annual Report on Form 10-K for the fiscal year ended April 3, 2016, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. In addition to the other factors and matters contained or incorporated in this proxy statement, we believe the following factors could cause actual results to differ materially from those discussed in the forward-looking statements:

- our financial performance through the completion of the Merger;
- satisfaction of the closing conditions set forth in the Merger Agreement, including among others, (i) receipt of the required stockholder approval, (ii) the absence of any change, circumstance, condition, state of facts, events or effect that constitutes a material adverse effect (as described below under the section of this proxy statement captioned “*The Merger Agreement—Conditions to the Merger*”), or (iii) receipt of the necessary regulatory approvals from various domestic and foreign governmental entities (including any conditions, limitations or restrictions placed on these approvals) and the risk that one or more governmental entities may deny approval required to permit the Merger;
- the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement;
- the outcome of any legal proceedings that may be instituted against us and others related to the Merger Agreement;
- the failure of the Merger to close for any other reason;
- diversion of management’s attention from ongoing business concerns during the pendency of the Merger;
- the amount of the costs, fees and expenses related to the Merger, including the risk that the Merger Agreement may be terminated in circumstances that would require us to pay TDK Corporation a termination fee of \$46,700,000, the payment of which could cause significant liquidity and long-term financial viability issues for us;
- the effect of the announcement of the Merger on our customer and employee relationships, operating plans and results and our business generally, including the risk that we may experience a decline in sales and employee retention;
- business uncertainty and contractual restrictions during the pendency of the Merger;
- competitive pressures and general economic conditions; and
- the volatility of the stock market, our stock price and interest rates.

THE SPECIAL MEETING

Time, Place and Purpose of the Special Meeting

This proxy statement is being furnished to our stockholders as part of the solicitation of proxies by our Board of Directors for use at a special meeting of stockholders to be held at our corporate headquarters, 1745 Technology Drive, San Jose, California 95110, on Wednesday, May 17, 2017, at 10:00 a.m. local time, for the following purposes:

- To consider and vote upon a proposal to adopt the Merger Agreement, pursuant to which InvenSense would be acquired by TDK Corporation through the Merger, and each share of InvenSense common stock issued and outstanding immediately prior to the completion of the Merger, other than shares owned by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled) and shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest (the “Merger Proposal”);
- To consider and vote upon a proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to our named executive officers in connection with the Merger (the “Merger-related Compensation Proposal”); and
- To consider and vote upon a proposal to approve the postponement or adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Merger Proposal if there are insufficient votes at the time of the special meeting to approve the Merger Proposal (the “Adjournment Proposal”).

The approval of the Merger Proposal by stockholders is a condition to the obligations of TDK Corporation and InvenSense to complete the Merger. The approval, on a non-binding, advisory basis, of the Merger-related Compensation Proposal and the approval of the Adjournment Proposal are not conditions to the obligations of TDK Corporation and InvenSense to complete the Merger. A copy of the Merger Agreement is attached to this proxy statement as [Appendix A](#).

InvenSense will transact no other business at the special meeting, except for business properly brought before the special meeting or any adjournment or postponement.

Board Recommendation

Our Board of Directors unanimously recommends that you vote (i) “FOR” the Merger Proposal, (ii) “FOR” the Merger-related Compensation Proposal and (iii) “FOR” the Adjournment Proposal.

Shares Entitled to Vote; Record Date and Quorum

You are entitled to notice of and to vote at the special meeting if you owned shares of our outstanding common stock at the close of business on March 23, 2017, the Record Date for the special meeting. As of the Record Date, there were 95,577,295 shares of our common stock outstanding and entitled to vote at the special meeting.

A quorum is required for stockholders to conduct business at the special meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote as of the Record Date is necessary to establish a quorum at the meeting. Shares present, in person or by proxy, including shares abstaining, on any proposal will be considered present at the meeting for purposes of establishing a quorum for the transaction of business at the meeting. Each of these categories will be tabulated separately. In the event that a quorum is not present at the special meeting, we expect that the meeting will be postponed or adjourned to solicit additional proxies, and the persons named as proxies may propose and vote for one or more postponements or adjournments of the special meeting; however, no proxy voted against the Merger Proposal will be voted in favor of any postponement or adjournment of the special meeting to solicit proxies relating to the Merger Proposal.

Who Can Vote at the Special Meeting

If on the Record Date, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N. A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by submitting your proxy via Internet, telephone or mail.

If on the Record Date, your shares were held in an account at a bank, broker or other nominee, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the special meeting. As a beneficial owner of shares held in street name, you have the right to direct your bank, broker or other nominee on how to vote the shares in your account. You are also invited to attend the special meeting. However, if you hold your shares in street name, you are not the stockholder of record, and you may not vote your shares in person at the meeting unless you request and obtain a valid legal proxy from your bank, broker or other nominee.

If you sell or transfer your shares of our common stock after the Record Date but before the special meeting, you will retain your right to vote such shares of our common stock at the special meeting unless you have transferred these rights via proxy to the acquirer of your shares.

Vote Required; How You Can Vote

The affirmative vote of the holders of a majority of the outstanding shares of our common stock entitled to vote at the special meeting is required to approve the Merger Proposal. On the Record Date, there were 95,577,295 shares of our common stock outstanding. This means that under Delaware law, 47,788,648 shares or more must vote in the affirmative to approve the Merger Proposal. The affirmative vote of a majority of our shares of common stock represented at the special meeting, either in person or by proxy, and entitled to vote thereon, is required to approve the Merger-related Compensation Proposal and the Adjournment Proposal.

Concurrently with the execution of the Merger Agreement, the directors, executive officers and certain stockholders of InvenSense (the “Voting Group”), in their capacities as holders of common stock or other equity interests of InvenSense, each entered into a voting agreement with TDK Corporation (each, a “Voting Agreement”) pursuant to which each agreed, among other things, to (i) vote their common stock for the adoption of the Merger Agreement and against any alternative proposal, and (ii) comply with certain restrictions on the disposition of their common stock, subject to the terms and conditions contained in the Voting Agreement. The Voting Agreements will terminate upon the earlier of (a) the termination of the Merger Agreement in accordance with its terms, (b) the effective time of the Merger, (c) the end date specified in the Merger Agreement and (d) such time as the Merger Agreement is amended to change the form or reduce the amount of the consideration payable to our stockholders in connection with the Merger. As of the Record Date, the Voting Group collectively beneficially owned approximately 14.3% of the outstanding shares of our common stock on an as-converted basis. The foregoing summary of the Voting Agreement is subject to, and qualified in its entirety by reference to, the full text of the Voting Agreement. A copy of the form of Voting Agreement is attached as [Appendix D](#) to this proxy statement and is incorporated herein by reference.

Because the vote required to approve the Merger Proposal is based on the total number of shares of our common stock outstanding on the Record Date, and not just the shares that are entitled to vote or actually voted at the special meeting, if you do not vote (including if you hold your shares in street name and do not provide voting instructions to your bank, broker or other nominee), it will have the same effect as a vote “AGAINST” the Merger Proposal.

Abstentions will have the same effect as a vote “AGAINST” the Merger Proposal. If you attend the meeting or are represented by proxy and abstain from voting, the abstention will have the same effect as a vote “AGAINST” the Merger-related Compensation Proposal and “AGAINST” the Adjournment Proposal.

[Table of Contents](#)

If you hold your shares in “street name,” and fail to instruct your broker, bank or other nominee on how to vote your shares, your shares will not be voted, which will have the same effect as a vote “**AGAINST**” the Merger Proposal, but will not have any effect on the Merger-related Compensation Proposal or the Adjournment Proposal assuming a quorum is present at the special meeting because your bank, broker or other nominee is not entitled to vote those shares.

Any stockholder who does not vote in favor of the Merger Proposal and remains a holder of our common stock at the effective time of the Merger may, by complying with the procedures set forth in Section 262 of the Delaware General Corporation Law and sending us a written demand for appraisal, be entitled to seek appraisal of the fair value of their shares. Appraisal rights are contingent upon consummation of the Merger. Please see the section of this proxy statement captioned “*Appraisal Rights*” and [Appendix C](#)—Section 262 of the Delaware General Corporation Law (Appraisal Rights).

If you are a stockholder of record, you may sign, date and mail your proxy card in the enclosed return envelope. In addition to voting in person at the special meeting, if you are the record holder of your shares of common stock, you may vote as follows:

- *By Internet.* The web address and instructions for Internet proxy submission can be found on the enclosed proxy card. Internet proxy submission via the web address indicated on the enclosed proxy card is available 24 hours a day. If you choose to submit your proxy by Internet, then you do not need to return the proxy card. To be valid, your Internet proxy must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.
- *By Telephone.* The toll-free number for telephone proxy submission can be found on the enclosed proxy card. Telephone proxy submission is available 24 hours a day. If you choose to submit your proxy by telephone, then you do not need to return the proxy card. To be valid, your telephone proxy must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.
- *By Mail.* Mark the enclosed proxy card, sign and date it, and return it in the postage-paid envelope we have provided. To be valid, your proxy by mail must be received by 11:59 p.m. (U.S. Eastern Time) on the day preceding the special meeting.

Your shares will be voted at the special meeting as you indicated on your proxy card. If no instructions are indicated on your signed proxy card, all of your shares of our common stock will be voted “**FOR**” the Merger Proposal, the Merger-related Compensation Proposal and the Adjournment Proposal.

If your shares are held in street name, you should have received a voting instruction form with these proxy materials from your broker, bank or other nominee rather than from us. Simply complete and return the voting instruction form to your bank, broker or other nominee to ensure that your vote is counted. You may also vote electronically on the internet or by telephone as instructed by your bank, broker or other nominee.

You should vote now even if you expect to attend the special meeting and vote in person. Voting now will not prevent you from later canceling or revoking your proxy, and will ensure that your shares are voted if you later find you cannot attend the special meeting. If your shares are held in street name and you wish to vote in person at the special meeting, you must obtain a valid proxy from your bank, broker or other nominee. Follow the instructions from your bank, broker or other nominee included with these proxy materials, or contact your bank, broker or other nominee to request a proxy form.

Stock Ownership and Interests of Certain Persons

As of the Record Date, our directors and executive officers beneficially owned and were entitled to vote, in the aggregate, 14,083,454 shares of our common stock, representing approximately 14.3% of the shares of our common stock outstanding. Our directors and executive officers have informed us that they currently intend to vote (1) “**FOR**” the Merger Proposal, (2) “**FOR**” the Merger-related Compensation Proposal and (3) “**FOR**” the Adjournment Proposal.

[Table of Contents](#)

Certain members of our management and Board of Directors have interests that are different from or in addition to those of stockholders generally. Please see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests.*”

How You May Change or Revoke Your Vote

You may change or revoke your proxy at any time before the vote is taken at the special meeting.

If you are a stockholder of record, you may revoke a proxy by (1) delivering to our Corporate Secretary at 1745 Technology Drive, San Jose, California 95110, no later than 11:59 p.m. Eastern Time on the day before the special meeting a written notice of revocation, (2) delivering no later than 11:59 p.m. Eastern Time on the day before the special meeting a duly executed proxy dated after the date of the proxy you wish to revoke, or (3) attending the special meeting and voting in person. Merely attending the special meeting will not, by itself, constitute revocation of your proxy.

If you hold your shares in street name and have instructed your broker, bank or other nominee to vote your shares, you must follow the directions provided by your broker, bank or other nominee to change those instructions. You may also vote in person at the special meeting if you obtain a legal proxy from your bank, broker or nominee.

Proxy Solicitation

We will pay for the cost of soliciting proxies and may reimburse brokerage firms and others for their expenses in forwarding solicitation material to beneficial owners. Solicitation will be made primarily through the use of the mail but our officers, directors and employees may, without additional compensation, solicit proxies personally by telephone, mail or the internet, by fax or in person.

We have engaged MacKenzie Partners, Inc. to aid in the solicitation of proxies for approximately \$15,000, plus reimbursement of related expenses. We will also indemnify MacKenzie Partners, Inc. against losses arising out of its provisions of these services on our behalf.

Adjournments

We are asking our stockholders to consider and vote upon the Adjournment Proposal. You should note that the special meeting could be successively postponed or adjourned to a specified date, if necessary. If the special meeting is postponed or adjourned for any reason, including for the purpose of soliciting additional proxies, stockholders who have already sent in their proxies will be able to revoke them at any time prior to their use. The persons named as proxies may propose and vote for one or more postponements or adjournments of the special meeting, including for the purpose to permit further solicitations of proxies. No proxy voted against the Merger Proposal will be voted in favor of any postponement or adjournments of the special meeting to solicit additional proxies relating to the Merger Proposal.

Attending the Special Meeting

Only stockholders of record as of the close of business on the Record Date or their duly appointed proxies may attend the special meeting, or if your shares of our common stock are held in “street name” by a broker, bank or other nominee and you bring evidence of beneficial ownership of those shares on the Record Date, such as a copy of your most recent account statement or similar evidence of ownership of our common stock as of the Record Date, you may attend the special meeting. If your shares of common stock are held in “street name” by a broker, bank or other nominee and you wish to vote at the special meeting, you must also bring a legal proxy from the record holder (your broker, bank or other nominee) authorizing you to vote at the special meeting. All stockholders should bring photo identification (a driver’s license or passport is preferred), as you will also be

[Table of Contents](#)

asked to provide photo identification at the registration desk on the day of the special meeting or any adjournment or postponement of the special meeting. Everyone who attends the special meeting must abide by the rules for the conduct of the meeting. These rules will be printed on the meeting agenda. Even if you plan to attend the special meeting, we encourage you to vote by telephone, Internet or mail so your vote will be counted if you later decide not to (or are otherwise unable to) attend the special meeting. No cameras, recording equipment, other electronic devices, large bags or packages will be permitted in the special meeting. Stockholders will be admitted to the meeting room starting at 9:30 a.m., local time, and admission will be on a first-come, first-served basis.

THE MERGER

Background of the Merger

Our Board of Directors and management regularly review and assess InvenSense's business strategies and objectives, and regularly review and discuss InvenSense's performance, risks and opportunities, all with the goal of enhancing stockholder value. Our Board of Directors and management regularly consider various strategic alternatives as part of these ongoing efforts, taking into account current and anticipated future economic, competitive and other market conditions. As part of this process, our Board of Directors and management have periodically evaluated whether the continued execution of InvenSense's strategy as a standalone company or the sale of InvenSense, a joint venture, or other combination of InvenSense with a third party offers the best avenue to maximize stockholder value. Also as part of this process, members of our Board of Directors and management have met, from time to time, with several financial advisors and with third parties who have expressed an interest in discussing strategic transactions with InvenSense.

As part of this process, our Board of Directors and management held a telephonic meeting on November 23, 2015, to discuss, among other things, an unsolicited oral proposal regarding a potential acquisition of InvenSense received by Mr. Abdi from the Chief Executive Officer of Company A on November 17, 2015. Representatives of Pillsbury Winthrop Shaw Pittman LLP, outside counsel to InvenSense ("Pillsbury") and representatives of Qatalyst Partners also attended the meeting. Mr. Amit Shah, Chairman of our Board of Directors, also discussed a call that he had received from a representative of Company A on the same topic. Company A's verbal proposal consisted of approximately \$3.81 per share in stock and approximately \$11.44 per share in cash and was subject to due diligence and other conditions. Mr. Abdi noted that Company A's Chief Executive Officer had also conveyed that Company A would need to obtain financing for the transaction. Also in attendance at this meeting were representatives of Qatalyst Partners who discussed Company A's proposal with the Board of Directors. The Board of Directors discussed the risks related to Company A's need to raise capital in connection with such a transaction and the valuation of the stock component of the proposal. The Board of Directors determined that it would further discuss Company A's proposal at its upcoming strategic offsite meeting on December 18, 2015, after additional review of the proposal by InvenSense's management and by Qatalyst Partners and another investment bank. The closing price of InvenSense's common stock on November 17, 2015, was \$11.55.

At its December 18, 2015 meeting, the Board of Directors, together with management, reviewed InvenSense's long-range plan and its prospects as a standalone entity. A representative of Pillsbury and representatives of Qatalyst Partners also attended the meeting. Representatives of Qatalyst Partners discussed InvenSense's then current long-range plan and Company A's proposal. The Board of Directors also reviewed input on InvenSense's standalone plan and Company A's proposal provided by another investment bank. After discussion, the Board of Directors determined that Company A's oral proposal was not in the best interest of InvenSense and its stockholders because it undervalued InvenSense relative to the value reflected in the long-range plan. The Board of Directors directed Mr. Shah to explain to representatives of Company A why the Board of Directors felt that Company A's proposal undervalued InvenSense, which Mr. Shah subsequently did. The closing price of InvenSense's common stock on December 18, 2015 was \$10.43.

On February 3, 2016, representatives of InvenSense met with representatives of Company B to continue ongoing discussions regarding a potential technical collaboration between the two companies.

On February 4, 2016, representatives of InvenSense, including Mr. Panush, InvenSense's Vice President -Corporate Development, and representatives of TDK Corporation held a meeting in San Jose, California, to discuss their respective product offerings and potential product collaborations. During this meeting, the parties exchanged product and business information, at a high level.

On April 3, 2016, at the request of Company C, Mr. Abdi and Mr. Shah had an introductory meeting with representatives of Company C to discuss, at a high level, a potential acquisition of InvenSense. Company C's

[Table of Contents](#)

representatives discussed its business and potential synergies with InvenSense and their desire to diversify their business. InvenSense's representatives responded that InvenSense would consider credible proposals that would be in the best interests of InvenSense's stockholders if a decision was made by the Board of Directors to explore its strategic alternatives. Discussions were general, no proposal was made and the parties did not discuss InvenSense's valuation. The parties agreed to further conversations, but no specific timetable or meetings were set at this meeting.

On April 8, 2016, representatives of TDK Corporation and Mr. Panush had a meeting in San Jose, California, during which they discussed a potential strategic transaction, including product and technical collaborations. A potential acquisition of InvenSense by TDK Corporation was not discussed at or prior to this meeting.

On April 27, 2016, during a meeting between Mr. Abdi and a representative of TDK Corporation, TDK Corporation expressed interest in expanding their discussion of potential strategic transactions to include investments, joint ventures and acquisitions. Mr. Abdi expressed a willingness to discuss expanding the scope of the parties' discussions, noting that the Board of Directors would be willing to consider credible proposals that would be in the best interests of InvenSense's stockholders. The parties agreed to continue discussion of various strategic transactions.

On May 20, 2016, Mr. Panush had an initial meeting with representatives of Company D, at Company D's request, to discuss a potential strategic transaction. While the parties had a general discussion about a strategic collaboration, an acquisition transaction was not discussed. The parties agreed to have a more in depth, technical meeting at a later date.

On May 26, 2016, at the request of the Chief Executive Officer of Company A, Mr. Abdi met with Company A's Chief Executive Officer. Company A's Chief Executive Officer presented Mr. Abdi a written, non-binding offer for the acquisition of all of the outstanding common stock of InvenSense at a price per share of \$8.25 in cash. The closing price of InvenSense's common stock on May 26, 2016 was \$6.06.

On May 27, 2016, Company A followed-up by emailing the proposal to Mr. Abdi and to Mr. Shah. The proposal stated that the transaction would be funded by cash on hand and through a debt financing. Company A's proposal was subject to confirmatory due diligence and required InvenSense to agree to a 45-day exclusivity period. Mr. Abdi forwarded Company A's proposal to the Board of Directors.

On May 31, 2016, Mr. Abdi and Mr. Panush met with representatives of TDK Corporation in San Jose, California. During the meeting, TDK Corporation's representatives indicated that they would be interested in discussing a potential strategic transaction with InvenSense. Mr. Abdi encouraged TDK Corporation's representatives to expedite their decision making process as InvenSense had received expressions of interest from other companies. The parties decided to schedule a follow up meeting to allow TDK Corporation to learn more about InvenSense and its business.

On June 2, 2016, Mr. Abdi sent an email to a representative of Company A stating that the Board of Directors had received the proposal and would discuss it in detail at the meeting of the Board of Directors on June 16, 2016.

On June 16, 2016, the Board of Directors held a regularly scheduled strategic offsite meeting to discuss InvenSense's updated long-range plan. In addition, the Board of Directors also discussed Company A's non-binding, written proposal and the status of discussions with certain other companies. A representative of Pillsbury also attended the meeting. Also in attendance for a portion of the meeting were representatives of an investment bank with whom InvenSense had a prior relationship, but was ultimately not engaged after InvenSense's selection process. Mr. Panush made a presentation on the challenges facing the semiconductor industry in 2016 and beyond and certain factors that were impacting InvenSense, including: the decline of

[Table of Contents](#)

InvenSense's stock price; the increase in InvenSense's customer concentration; slower growth in the mobile market; various reports released in 2016 that indicated the smartphone market was projected to decline significantly; the erosion of average selling prices; increased operating expense; consolidation in the semiconductor industry; and InvenSense's relatively small scale as compared to its competitors, which would present challenges to its core business and InvenSense's efforts to diversify. Members of InvenSense's management then gave a presentation on InvenSense's strategic options to increase stockholder value, including continuing to diversify InvenSense's business, merging with a similarly sized company, and completing a strategic transaction with a larger company. A member of management then discussed InvenSense's updated long-range plan. The Board of Directors then discussed various potential strategic partners for InvenSense. The representatives of the investment bank in attendance discussed with the Board of Directors whether consideration of strategic alternatives was merited in light of various factors, including the sensor market generally, InvenSense's long-range plan, and the non-binding proposal received from Company A. Representatives of the investment bank then discussed with the Board of Directors various strategic alternatives available to InvenSense, including remaining a standalone entity, and discussed a proposed process to consider such alternatives. After the representatives of the investment bank left the meeting, the Board of Directors discussed whether to initiate a process to explore InvenSense's strategic alternatives, which entities should be approached in conjunction with such a process and whether to engage a financial advisor. During this discussion, Mr. Abdi indicated that over the next several weeks, he was scheduled to travel to Asia and Europe and might be having discussions at a high level with several potential strategic partners that he identified for the Board of Directors. After discussion of InvenSense's updated standalone plan, the current state of the semiconductor industry and the analyses of management and the investment bank, the Board of Directors approved the initiation of a process to explore various strategic alternatives to determine which strategic alternative would be in the best interest of InvenSense's stockholders, including remaining a standalone entity. The Board of Directors directed Mr. Abdi to begin high-level strategic discussions with the candidates he had identified. The Board of Directors also directed Mr. Abdi to take steps to select and engage a financial advisor and to enter into further discussions with Company A in order to provide Company A with a better understanding of the existing and future value of InvenSense. The Board of Directors discussed InvenSense's strategic alternatives in light of the analyses discussed at the meeting. In a closed session, a representative of Pillsbury then reviewed the fiduciary duties of the Board of Directors in connection with a potential strategic transaction and answered questions. The Board of Directors also discussed InvenSense's current stock price and their view that it did not represent InvenSense's intrinsic value because InvenSense had invested in new technology that would enable product and customer diversification over the longer term. The Board of Directors then discussed how a proposal would need to reflect InvenSense's intrinsic value and not just a premium to market. The Board of Directors concluded that Company A would need to increase its offer to properly reflect the intrinsic value of InvenSense and directed Mr. Abdi to communicate the Board of Directors' rejection of Company A's proposal to representatives of Company A. The Board of Directors formed a special committee (the "Strategic Committee"), composed of independent directors Emiko Higashi, Jon Olson, Amit Shah and Ben Yu, to oversee the process and the negotiation of the terms and conditions of any strategic transaction. The Strategic Committee was vested with all the powers and authority of the Board of Directors to: engage financial advisors or other professionals on terms determined by the Strategic Committee; oversee management with respect to any further discussions or negotiations with Company A; establish an appropriate process for the further evaluation of the strategic alternatives available to InvenSense (which process could include outreach to, in addition to Company A, entities who might be interested in a strategic transaction with InvenSense); supervise management in the implementation of any such process and the negotiation of the terms and conditions of any strategic transaction, provided, however, that the Strategic Committee was not given authority to approve a binding definitive agreement on behalf of InvenSense; evaluate whether any proposed future strategic transaction would be fair to and in the best interests of InvenSense and its stockholders; recommend to the Board of Directors for its consideration what actions, if any should be taken by the Board of Directors with respect to any proposed strategic transaction; and take such other actions as the Strategic Committee may determine to be necessary, advisable or appropriate in order to carry into effect the foregoing.

[Table of Contents](#)

During the process, 33 parties were contacted, 12 parties who demonstrated interest held meetings with InvenSense or received materials under non-disclosure agreements, based on those meetings eight parties were provided a copy of InvenSense's long-range plan, eight parties were provided proposal process letters and three parties who made proposals to acquire InvenSense were granted access to InvenSense's data room.

Following the Board of Directors' June 16, 2016 meeting through September, the Strategic Committee and members of InvenSense's senior management met with and assessed various investment banks, including the one bank with which InvenSense had a pre-existing relationship discussed above. From July to September, InvenSense's management, at the direction of the Strategic Committee, negotiated an engagement letter with the investment bank with which InvenSense had a pre-existing relationship, but after careful consideration and a thorough diligence process, the Strategic Committee determined that there were too many potential conflicts of interest to retain such investment bank. The Strategic Committee then continued to meet with and assess other investment banks and ultimately selected Qatalyst Partners due to Qatalyst Partners' qualifications, experience, knowledge of InvenSense and its industry, knowledge of the market and lack of conflicts.

On June 17, 2016, Mr. Abdi had a telephone call with a representative of Company A to convey that the Board of Directors had rejected Company's A proposal at \$8.25 per share as it was not indicative of InvenSense's intrinsic value and that Company A would need to increase the price per share in its proposal. The parties agreed to reconvene later that month to further discuss InvenSense's technology roadmap and business.

On June 20, 2016, representatives of InvenSense's senior management and representatives of Company E held a meeting to discuss a potential joint venture, but did not discuss an acquisition of InvenSense by Company E.

On June 21, 2016, Mr. Abdi and Mr. Panush met with representatives of TDK Corporation in Tokyo, Japan to discuss InvenSense's business, technology and product roadmap. At the meeting, the parties discussed a potential strategic transaction; representatives of TDK Corporation expressed interest in pursuing a potential acquisition of InvenSense, but discussions were general and no specific proposal was made. The parties agreed to hold further meetings to explore a technology and product collaboration.

On June 22, 2016, Mr. Abdi and Mr. Panush met with representatives of Company D to discuss a potential strategic transaction and to give Company D a general overview of InvenSense's business and technology. The parties agreed to hold another meeting to further discuss the possibility of a strategic collaboration or acquisition transaction.

On June 23, 2016, Mr. Abdi and Mr. Panush met with representatives of TDK Corporation in Munich, Germany to follow up on their June 21, 2016 meeting and to discuss additional meetings of the parties.

On that same day, Mr. Abdi met with a representative of Company C to further discuss a potential strategic transaction. Mr. Abdi noted that he had been directed by the Board of Directors to meet with potential strategic partners in the industry. The representative of Company C again expressed interest in a potential strategic transaction with InvenSense and stated that Company C would have sufficient access to funds to complete such a transaction. The parties decided to have a follow-up meeting after InvenSense's earnings announcement scheduled for July 28, 2016, to further discuss the companies' businesses and explore potential synergies that would result from a strategic transaction.

On June 30, 2016, Mr. Abdi and Mr. Panush met with representatives of Company A. Mr. Abdi and Mr. Panush presented on InvenSense's business, technology and product roadmap, and long-range plan. After the general meeting, Mr. Abdi met with a representative of Company A to reiterate that the Board of Directors had rejected Company A's proposal and that Company A would need to increase the price per share in its proposal.

On July 6, 2016, at the request of the Board of Directors, Mr. Abdi met with representatives of Company B to discuss a potential strategic transaction and to inform them that InvenSense had recently received unsolicited

[Table of Contents](#)

indications of interest to acquire InvenSense. Mr. Abdi discussed InvenSense's business, technology, product roadmap as well as the potential synergies of the two companies.

On July 7, July 11 and July 15, 2016, representatives of InvenSense and representatives of TDK Corporation met in San Jose, California to further discuss possible technical, product and business collaborations.

On July 11, 2016, the Strategic Committee held a meeting to discuss InvenSense's ongoing process of reviewing its strategic alternatives. Members of management and a representative of Pillsbury also attended the meeting. Members of management updated the Strategic Committee in detail on the progress of discussions regarding a strategic transaction with interested parties, including Company A, Company B, Company C, Company D, Company E, and TDK Corporation. Mr. Abdi indicated that the discussions with TDK Corporation included a potential strategic collaboration, as well as a potential acquisition, but no specific valuation for InvenSense had been discussed with TDK Corporation. He also noted that discussions with Company E were focused on a joint venture transaction. Management also described their recent meeting with the chief executive officer, chief financial officer and other executives of Company A, during which additional diligence information was provided to them to improve their understanding of InvenSense's business, prospects and valuation. The Strategic Committee then discussed the selection of a financial advisor, including a detailed review of the various qualifications of various investment banking firms and potential conflicts. The Strategic Committee and management also discussed a proposed plan to engage in discussions with potential Chinese strategic partners and directed members of InvenSense's management to contact such entities to determine their interest in a potential transaction, including a potential acquisition of InvenSense.

On July 14, 2016, representatives of InvenSense and Company E met to further discuss a possible joint venture. After the meeting, InvenSense requested that Company E prepare revenue projections for a collaborative product offering and a potential joint venture.

On July 20, 2016, Mr. Abdi and Mr. Panush met with representatives of Company D during which the attendees further discussed potential avenues of collaboration between the parties, including a potential acquisition of InvenSense. Mr. Abdi and Mr. Panush also discussed InvenSense's product lines and long-range plan. Mr. Abdi stated that there was growing interest in acquiring InvenSense from a number of companies in the industry and that if InvenSense elected to engage in a transaction, it would expect a proposal that reflected InvenSense's intrinsic value, which would be a significant premium to market.

On July 22, 2016, the Board of Directors held a regularly scheduled quarterly meeting. During the meeting the members of the Strategic Committee updated the other members of the Board of Directors on their July 11, 2016 meeting and Mr. Panush provided an update on InvenSense's review of potential strategic transactions.

The representatives of Qatalyst Partners also discussed with the Strategic Committee an additional nine entities that had been identified as potential strategic partners, but at management's request had not been contacted for a variety of reasons, including for competitive reasons, the possibility of leaks, a lower probability of completion or that such parties were believed not to be likely to produce a proposal that was competitive or higher than the existing proposals from Company A and TDK Corporation. After consideration of these factors, the Strategic Committee decided not to expand the number of entities contacted at that time. The Strategic Committee did, however, direct InvenSense's management to continue to respond opportunistically to any unsolicited inquiries received from other entities that could make a competitive offer and to reach out to additional entities, including those in the list of nine parties referenced above, if further information arose that would affect the analysis. discussed with the Board of Directors the fact that Company A had not indicated whether it intended to revise its proposal. The Board of Directors discussed next steps, including responding to the proposals from TDK Corporation and Company A and whether to continue discussions with parties that did not provide proposals. After discussion, the Board of Directors determined that while the proposals from TDK Corporation and Company A each represented a premium to market, neither reflected the intrinsic value of InvenSense. The Board of Directors then directed Mr. Abdi to reject TDK Corporation's proposal and to continue to negotiate with, and to attempt to obtain a higher per share proposal from, TDK Corporation. As part of these ongoing negotiations, the representatives of Qatalyst Partners and management were authorized to counter, when appropriate, TDK Corporation's proposal at \$14 per share. The Board of Directors also directed management and Qatalyst Partners to continue to negotiate with, and attempt to obtain a higher per share proposal from, Company A and to obtain confirmation that Company A's proposal was still valid in light of the recent drop in Company A's stock price. In light of the wide divergence between Company A's proposal and the expectations of the Board of Directors, it was decided not to authorize a formal counterproposal to Company A, but to continue discussions with Company A to explain the intrinsic value of InvenSense. Management was also authorized to continue providing diligence information to TDK Corporation so that TDK Corporation could better understand the intrinsic value of InvenSense. The Board of Directors also directed management and representatives of Qatalyst Partners to reach out to four additional parties, to continue discussions with the parties previously contacted and to respond to any meaningful interest in a potential acquisition of InvenSense. The Board of Directors also directed management and representatives of Qatalyst to set a final proposal deadline for the first week of December for all remaining interested parties. In addition, the Board of Directors discussed the merits of announcing that InvenSense was undertaking a review of its strategic alternatives and whether to address media reports from earlier that day (during trading hours) that InvenSense was conducting a process and had engaged a financial advisor. After discussion, the Board of Directors determined that it would issue a brief press release to address the rumors. The closing price of InvenSense's common stock on October 27, 2016 was \$6.87 and on October 28, 2016 was \$7.48.

On October 29, 2016, a representative of Company K informed representatives of Qatalyst Partners that Company K was interested in pursuing a potential transaction with InvenSense. The parties agreed to continue discussions regarding a potential transaction while looking for solutions to close the gap on valuation. that no decision had been made at that time. The closing price of InvenSense's common stock on October 31, 2016, was \$7.65.

On November 1, 2016, representatives of BofAML and representatives of Qatalyst Partners had a telephonic conversation during which representatives of Qatalyst Partners indicated that the per share price in TDK Corporation's revised proposal was too low and that InvenSense was seeking a price per share closer to \$14.00. Representatives of BofAML indicated that TDK Corporation would need information regarding InvenSense's long term business model in order for TDK Corporation to increase its proposal. Representatives of Qatalyst Partners informed BofAML that TDK Corporation would have the opportunity to review projections at upcoming meetings with InvenSense on November 7, 2016 (Japan time), in Tokyo, Japan.

Between November 1, 2016 and November 4, 2016, representatives of Qatalyst Partners contacted the four additional parties identified by the Board of Directors. Each party declined to engage in discussions with InvenSense regarding a potential transaction.

On November 2, 2016, after failing to submit a proposal by the deadline, representatives of Company F contacted representatives of Qatalyst Partners to request a meeting with InvenSense's management to learn more about InvenSense's business before making an offer. On that same day, Mr. Panush met with a representative of Company O to discuss, at a high level, Company O's interest in, and ability to consummate, a potential acquisition of InvenSense including Company O's ability to finance such a transaction.

On November 8, 2016, a representative of Company L informed representatives of Qatalyst Partners that given both the timing and size of the transaction, Company L could not pursue an acquisition of InvenSense.

On that same day, BofAML sent Qatalyst Partners an updated information request list and requested an update on timing of access to the data room.

On November 9, 2016, representatives of Qatalyst Partners and BofAML had a telephonic meeting to discuss the proposed diligence meetings and follow up questions regarding the valuation of InvenSense.

two-day diligence follow-up meeting at InvenSense's headquarters in San Jose, California. Mr. Abdi reiterated that TDK Corporation's proposal was still below InvenSense's intrinsic value and TDK Corporation's representative indicated that TDK Corporation could potentially review its offer if TDK Corporation could conduct further diligence. After discussing the offer price further, Mr. Abdi agreed to arrange additional management presentations, diligence meetings, and one-on-one discussions between senior management of the parties for later that month.

On that same day, representatives of InvenSense had a meeting with representatives of Company M to discuss a potential transaction in which Company M would acquire one of InvenSense's business lines.

During the meetings both parties discussed their respective businesses and potential synergies. A representative of TDK Corporation informed Mr. Abdi that a condition of TDK Corporation's willingness to acquire InvenSense would be the post-acquisition retention of all key personnel, including Mr. Abdi and InvenSense's other executives. No specific details regarding executive retention for employees or executives, including Mr. Abdi, were discussed. Mr. Abdi again emphasized that any potential transaction would have to maximize stockholder value and include a premium that represented InvenSense's intrinsic value.

On November 17, 2016, Qatalyst Partners sent the initial draft of the Merger Agreement to BofAML and Jones Day.

On that same day, representatives of Qatalyst Partners had a telephonic conversation with representatives of Company A during which they described the current status of the process. On November 18, 2016, representatives of Company A advised representatives of Qatalyst Partners that they wanted to move forward and requested access to InvenSense's data room to access additional information, including information on InvenSense's planned products, so that they could properly value InvenSense's business. On November 19, 2016, Company A was provided access to InvenSense's data room.

On that same day, representatives of InvenSense and a representative of Qatalyst Partners met with representatives of Company F, during which the parties discussed InvenSense's business and Company F was provided a subset of the long-range plan. Representatives of Company F indicated that Company F would submit an indication of interest during the week of November 28, 2016, but no proposal or indication of interest was received.

On November 21, 2016, representatives of Qatalyst Partners sent final offer process letters, which included an initial draft of the Merger Agreement, to the remaining active parties, Company A and TDK Corporation, each of whom had previously provided proposals to acquire all of InvenSense. The final process letters requested that each party submit its best and final proposal and a revised draft of the Merger Agreement by December 6, 2016.

On that same day, representatives of TDK Corporation sent representatives of Qatalyst Partners an additional list of business and financial due diligence questions.

Also on that same day, a representative of Company M informed a representative of Qatalyst Partners that Company M was still considering whether to move forward with a proposal. During this call Jones Day stated that TDK Corporation would require that InvenSense's officers, directors and the funds affiliated with InvenSense's directors sign a voting agreement whereby such parties would agree to vote all of their respective shares in favor of a transaction with TDK Corporation.

On December 6, 2016, representatives of InvenSense and representatives of TDK Corporation had a telephone call during which TDK Corporation's representative requested additional information to assist with the preparation of TDK Corporation's revised proposal. Later that day, TDK Corporation submitted a written, non-binding proposal to acquire InvenSense for \$12.50 per share, a revised draft of the Merger Agreement, a supplemental diligence request list and an exclusivity agreement. TDK Corporation's proposal specified that the transaction would be funded with cash on hand and that the transaction was subject to confirmatory diligence and InvenSense's agreement to an exclusivity period expiring on December 31, 2016; the parties, however, did not ultimately enter into an exclusivity agreement. The closing price of InvenSense's common stock on December 6, 2016, was \$7.95 and the closing price of InvenSense's common stock on October 27, 2016, the last trading day prior to the rumors circulated in the market, was \$6.87.

On that same day, representatives of InvenSense received Company E's official proposal for a joint venture. The proposal contemplated a \$40 million cash payment to InvenSense upon formation of an automotive joint venture and a payment of up to \$160 million in cash to InvenSense over the following five years, subject to the achievement of commercial milestones.

Also on that same day, representatives of Company M informed representatives of Qatalyst Partners that Company M was not in a position to acquire all of InvenSense and that it was primarily interested in acquiring a business line. The representatives of Company M stated that they had a number of other matters they were pursuing and could not devote immediate attention to a potential transaction with InvenSense.

On December 7, 2016, a representative of Company A informed a representative of Qatalyst Partners that Company A was targeting to submit a proposal to acquire InvenSense on December 9, 2016.

On that same day, representatives of Qatalyst Partners telephoned representatives of BofAML to reaffirm the Board of Directors' view of the importance of a proposal that reflected InvenSense's intrinsic value.

Also on that same day, Mr. Abdi and Mr. Panush met with a representative of Company F. In the meeting, the representative of Company F stated that Company F would need considerable time to secure funding and that Company F would not be submitting a written proposal.

Also on that same day, a representative of a financial sponsor of Company O had a telephonic discussion with Mr. Abdi, during which he informed Mr. Abdi that his company had raised \$500 million and that he wanted to form a syndicate to participate in InvenSense's process.

On December 8, 2016, Mr. Abdi had a telephonic meeting with representatives of TDK Corporation, during which they discussed TDK Corporation's latest proposal. During this conversation the parties continued to negotiate the price per share in TDK Corporation's proposal. After discussion of the value of acquiring InvenSense to TDK Corporation, the representatives of TDK Corporation offered \$13.00 per share and indicated it was TDK Corporation's best and final offer. Mr. Abdi countered with \$14.00 per share and the representative of TDK Corporation stated that \$13.00 was TDK Corporation's final offer.

Also on that same day (December 9, 2016 in Japan), Japanese media outlets published reports that TDK Corporation was engaged in negotiations to acquire InvenSense at a price of \$12 per share. After the reports were published, TDK Corporation issued a release in Japan stating that the reports were not based on any announcements by TDK Corporation and that no decision had been made at that time. TDK Corporation issued its statement to comply with the disclosure rules of the Tokyo Stock Exchange. The Nikkei and Yomiuri reports were subsequently quoted in several media sources in the United States during the U.S. trading day of December 9, 2016. InvenSense's common stock traded on the NYSE as high as \$11.02 per share on December 9, 2016. The closing price of InvenSense's common stock on December 8, 2016, the immediately preceding trading day, was \$8.27 per share.

On that same day, Mr. Abdi met with a representative of Company A, during which the representative of Company A conveyed that it could not increase its current offer above \$10.00 per share and that Company A would not submit a higher proposal.

On December 9, 2016, the Board of Directors held a telephonic meeting to discuss recent updates in InvenSense's process and the most recent proposal received from TDK Corporation. A representative of Pillsbury and representatives of Qatalyst Partners were also in attendance. Representatives of Qatalyst Partners provided an update on InvenSense's process, the parties that had been contacted, the current status of those discussions, and the feedback received from such parties. The Board of Directors discussed Company A's response that it would not submit a higher offer. Mr. Abdi then provided the Board of Directors with an update on his conversation with a representative of TDK Corporation the previous day, during which TDK Corporation's representative had orally raised TDK Corporation's proposed offer price from \$12.50 to \$13.00 per share and that Mr. Abdi had countered with \$14.00 per share. The Board of Directors discussed the fact that after contacting or receiving inquiries from 33 parties, including four additional parties contacted at the direction of the Board of Directors and two more parties that contacted InvenSense or Qatalyst Partners since the meeting of the Board of Directors on October 28, 2016, the process resulted in formal proposals from only two companies. Representatives of Qatalyst Partners and the Board of Directors then discussed additional potential parties that could be contacted and the likelihood that they would pursue a transaction with InvenSense. After discussion, the Board of Directors determined that the parties other than those parties already contacted were not likely to make a proposal at a valuation equal to or greater than that being offered by TDK Corporation. A representative of Qatalyst Partners then discussed with the Board of Directors TDK Corporation's proposed offer and Company A's most recent offer of \$10.00 per share. In a closed session, the representative of Pillsbury reviewed the Board of Directors' fiduciary duties in connection with a potential strategic transaction. The Board of Directors then discussed recent developments in InvenSense's business, including joint venture discussions with Company E, new customers and design wins, its standalone strategy and its prospects in the near-term and long-term. The Board of Directors determined that TDK Corporation's proposal was superior to the joint venture proposal of Company E due to the uncertainty of the milestone payments and value of the overall deal to InvenSense's stockholders. The Board of Directors did, however, determine to keep discussions open with Company E should a transaction with TDK Corporation not be finalized. The Board of Directors also reviewed the relative risks and benefits of executing this strategy and continuing to operate as a standalone company. The representative of Pillsbury reviewed the key issues in TDK Corporation's proposed draft of the Merger Agreement, including those related to structure and timing considerations, representations and warranties, covenants, required regulatory approvals, non-solicitation provisions that would prohibit InvenSense from soliciting alternative acquisition proposals, but permit InvenSense to negotiate certain unsolicited acquisitions proposals and accept an unsolicited superior proposal, TDK Corporation's matching rights, termination provisions, the termination fee, and the circumstances under which a termination fee would be payable by InvenSense. The Board of Directors discussed the importance of stockholder value and deal certainty above all other issues, including management retention, and to avoid negotiations on management retention while the offer price was being negotiated. After extensive discussions, the Board of Directors directed management to proceed with negotiations with TDK Corporation on the key issues discussed at the meeting and instructed Mr. Abdi to try to negotiate a higher price per share of \$13.50.

On the same day, after the Board of Directors meeting, Mr. Abdi had a telephonic meeting with a representative of TDK Corporation, during which the parties discussed the recent leak in the market concerning acquisition discussions between InvenSense and TDK Corporation. During this call, Mr. Abdi stated that the Board of Directors would be willing to consider entering into exclusivity with TDK Corporation if TDK Corporation increased its offer to \$13.50 per share. Mr. Abdi also noted that TDK Corporation's current draft of the Merger Agreement had several legal and business issues that needed to be resolved. The parties agreed to meet the following week to discuss the Merger Agreement and to attempt to resolve any remaining issues.

On December 11, 2016, representatives of BofAML informed representatives of Qatalyst Partners that TDK Corporation was focused on completing legal and business due diligence on an accelerated basis, that \$13.00 per

[Table of Contents](#)

share was the highest that TDK Corporation could offer and that the revised proposal remained subject to approval by TDK Corporation's board of directors.

On December 12, 2016, Jones Day sent Pillsbury an initial draft of the Voting Agreement.

Between December 12, 2016, and the execution of the Merger Agreement on December 21, 2016, Jones Day, Pillsbury and other representatives of TDK Corporation and InvenSense continued to negotiate and exchange revised drafts of the Merger Agreement and Voting Agreement. Representatives of TDK Corporation also continued their diligence review.

On December 13, 2016, a representative of a financial sponsor of Company O had a telephonic meeting with Mr. Abdi, during which he requested that Company O be provided access to InvenSense's data room. Later that day, Mr. Abdi introduced the representatives of Company O to representatives of Qatalyst Partners by email and noted that the Board of Directors would likely want to see a letter of financial commitment as part of any proposal from Company O because Company O had indicated that it did not have sufficient cash on hand to fund a transaction. Subsequently, a representative of Company O and a representative of Qatalyst Partners had a telephone call to discuss the foregoing.

On December 14, 2016, the Strategic Committee held a telephonic meeting to discuss InvenSense's exploration of its strategic alternatives, including recent negotiations with TDK Corporation. Also in attendance were other members of the Board of Directors, InvenSense's management, representatives of Qatalyst Partners and a representative of Pillsbury. A representative of Qatalyst Partners provided an update on recent discussions with TDK Corporation and BofAML, including negotiations of pricing and the remaining open issues in the Merger Agreement. Mr. Abdi and the Strategic Committee discussed his pending conversation with a representative of TDK Corporation on key terms of a potential transaction. The Strategic Committee discussed how it was important to prioritize the sale price above all other issues, including management retention, and to avoid negotiations on management incentives at the same time the offer price was being negotiated by the parties. A representative of Qatalyst Partners then updated the Strategic Committee on interest from Company O and possible next steps. The Strategic Committee discussed the likelihood of completing a transaction with other potential acquirers at a valuation equal to or greater than that offered by TDK Corporation as well as InvenSense's potential joint venture opportunities. The Strategic Committee directed management and Qatalyst Partners to continue discussions with TDK Corporation, to push for a price in excess of \$13.00, and to proceed with further discussions with Company O. The Strategic Committee directed Qatalyst Partners and management to explore Company O's financial resources and any regulatory or other impediments to completing a transaction. The Strategic Committee also directed management on the negotiation of the major open issues in the Merger Agreement.

On December 15, 2016, a representative of Company O sent representatives of Qatalyst Partners a non-binding, written indication of interest to acquire for cash all of the outstanding common stock of InvenSense at a price of \$15.00 per share. Representatives of Qatalyst Partners asked the representative of Company O for additional information to evaluate the proposal, including whether Company O had sufficient financing resources to fund the transaction, the identity of Company O's financing sources and whether Company O or its investors had any ties to the Chinese government or to Chinese entities that could make it unlikely to gain CFIUS approval. Representatives of Company O provided responses and requested access to the data room since Company O had only conducted preliminary due diligence at this stage.

On that same day, representatives of TDK Corporation, BofAML and Jones Day met with InvenSense's senior management, representatives of Qatalyst Partners and representatives of Pillsbury at Pillsbury's offices in Palo Alto, California. Prior to the meeting, Mr. Abdi and representatives of Qatalyst Partners met with representatives of TDK Corporation and BofAML to disclose that InvenSense had received a proposal in excess of TDK Corporation's proposed offer price of \$13.00 per share. Mr. Abdi again requested that TDK Corporation increase its offer.

[Table of Contents](#)

During the larger group meeting the parties discussed the terms of the proposed transaction and the draft Merger Agreement.

Later that day representatives of TDK Corporation informed Mr. Abdi that \$13.00 per share was TDK Corporation's best and final offer and that the offer would expire on December 21, 2016. Mr. Abdi stated that he would present this final offer to the Board of Directors and that he was also obligated to present the competing offer to the Board of Directors. After the meeting, Pillsbury delivered a further revised draft of the Merger Agreement to Jones Day.

On December 16, 2016, the Board of Directors held a telephonic meeting to discuss InvenSense's ongoing negotiations with TDK Corporation and Company O's proposal. Representatives of Qatalyst Partners and Pillsbury also attended the meeting. A representative of Qatalyst Partners updated the Board of Directors on the acquisition proposal from Company O. Representatives of Qatalyst Partners and the Board of Directors discussed Company O's ability to finance and complete an acquisition of InvenSense, including Company O's ability to organize a financing syndicate as it did not have the funding at that time, potential obstacles to regulatory approvals as a Chinese entity and Company O's prior history of completing similar transactions. The Board of Directors then discussed the possible strategic reasons for an acquisition of InvenSense by Company O. A representative of Pillsbury led a discussion of the potential regulatory issues that could arise in a transaction with Company O. The representative of Pillsbury discussed a recent report of the U.S.-China Economic and Security Review Commission to the United States Congress that expressed concerns regarding acquisitions by Chinese companies, particularly by Chinese acquirors affiliated with Chinese state owned entities and banks, and recommended more stringent requirements for acquisitions by Chinese entities. The representative of Pillsbury and the Board of Directors also discussed recent transactions by Chinese companies that had not received CFIUS clearance or were otherwise abandoned due to the failure to obtain CFIUS clearance. The Board of Directors considered the potential risks to closing a transaction with Company O, including the risks associated with obtaining the necessary regulatory approvals and Company O's ability to finance a transaction as compared to the risks associated with closing a transaction with TDK Corporation, particularly given TDK Corporation's ability to fund the transaction with cash on hand and TDK Corporation having received regulatory approvals in a recent transaction with a U.S. company. The Board of Directors raised several more questions about Company O, including questions about Company O's inability to close previous transactions. The Board of Directors directed management to continue having discussions with Company O's representatives and to provide Company O with access to InvenSense's data room, which was subsequently provided. The Board of Directors also directed representatives of Qatalyst Partners to obtain more information from Company O on its ability to finance and consummate a transaction with InvenSense. Mr. Abdi then updated the Board of Directors on his conversations with TDK Corporation regarding pricing of the proposed transaction. A representative of Pillsbury then updated the Board of Directors on negotiations of, and the remaining open issues in, the Merger Agreement. The Board of Directors then discussed certain employee retention agreements that TDK Corporation was requiring certain executives to execute and deliver as part of the proposed transaction. In a closed session, a representative of Pillsbury and the Board of Directors engaged in a general discussion of the Board of Directors' fiduciary duties in connection with a potential strategic transaction. The Board of Directors directed management to continue discussions with TDK Corporation, including negotiating for a higher price.

On that same day, representatives of Qatalyst Partners telephoned representatives of Company O and advised them that InvenSense was not in a position to slow the negotiations with other interested parties due to the high degree of uncertainty about Company O's ability to consummate a potential transaction, including its ability to raise the necessary financing and to receive the required regulatory approvals, and the considerable amount of time it would take Company O to conduct due diligence and negotiate a definitive agreement. On that same day representatives of Qatalyst Partners provided representatives of Company O access to InvenSense's data room.

On December 19, 2016, representatives of Company O, Company O's outside legal counsel and financial advisors and representatives of InvenSense, including Messrs. Abdi, Dentinger and Panush, representatives of Qatalyst Partners and representatives of Pillsbury held a meeting at Pillsbury's offices in Palo Alto, California.

[Table of Contents](#)

During the meeting, representatives of InvenSense gave a detailed presentation on InvenSense's business and long-range plan, and responded to extensive questions. At the conclusion of the meeting, Company O was informed that the Board of Directors had a meeting the following day to consider another proposal. Company O asked for 24 hours to make a decision and they were told that the Board of Directors must receive a final proposal before the meeting the next day. Company O's advisors requested additional information so that they could make a decision on whether to make a final offer, which representatives of Qatalyst Partners provided later that evening with a copy of the initial draft of the Merger Agreement provided to TDK Corporation and Company A to revise as part of their proposals.

On that same day, InvenSense's Compensation Committee held a telephonic meeting to discuss employee and executive retention matters in connection with the potential transaction with TDK Corporation. Certain members of management, representatives of Pillsbury and a representative of Compensia, compensation consultants to InvenSense, were also in attendance. Mr. Abdi provided the Compensation Committee with an update on negotiations with TDK Corporation regarding retention arrangements for continuing employees other than him. After InvenSense's executives left the meeting, the Committee reviewed TDK Corporation's proposed retention arrangements for InvenSense's executives and key employees. Mr. Shah stated that he would meet with representatives of TDK Corporation to discuss the terms of TDK Corporation's proposed retention agreement for Mr. Abdi.

On December 20, 2016, the Board of Directors held a telephonic meeting to review the final terms of the Merger Agreement and to consider approving the Merger. Also in attendance were representatives of Pillsbury and representatives of Qatalyst Partners. Representatives of Qatalyst Partners updated the Board of Directors on their recent discussions with Company O since the last meeting, including the likely timing necessary for Company O to conduct sufficient diligence to deliver a formal written offer to acquire InvenSense and the additional time that would likely be required to negotiate a definitive agreement while Company O conducted diligence and arranged financing. Representatives of Qatalyst Partners informed the Board of Directors that Company O was not prepared to make an offer at this time. Representatives of Qatalyst Partners and management updated the Board of Directors on negotiations with TDK Corporation and the fact TDK Corporation was unwilling to increase its offer. The Board of Directors discussed the likelihood of receiving a formal written offer from Company O and the risks of closing a transaction with Company O, including risks associated with obtaining the necessary regulatory approvals, particularly CFIUS clearance in light of the fact that Company O is a Chinese company and could potentially seek financing from Chinese state owned entities or parties who are otherwise affiliated with the Chinese government. The Board of Directors also discussed the increased scrutiny of acquisitions by Chinese companies discussed at its prior meeting, particularly for those companies that are affiliated with Chinese state owned entities or financed by state owned banks. The Board of Directors then discussed recent transactions by Chinese companies that had not received CFIUS clearance or were otherwise abandoned due to the failure to obtain CFIUS clearance. The Board of Directors also discussed the fact that Company O did not appear to have the ability to consummate a potential acquisition of InvenSense because Company O had insufficient cash and significant debt, which would likely impair its ability to incur sufficient incremental debt to finance the transaction. The Board of Directors also noted that Company O did not have financing commitment letters in place for a potential acquisition of InvenSense. In addition, the Board of Directors discussed the fact that representatives of Company O had indicated that, in addition to debt financing, Company O would need to obtain additional funds through an equity financing from unconfirmed and uncommitted sources, which raised questions regarding both Company O's ability to raise the necessary funds to complete a potential acquisition and whether such sources of financing would have any ties to the Chinese government or other parties that could impact the ability to obtain CFIUS clearance. The Board of Directors weighed these risks against the relative risks of closing a transaction with TDK Corporation, particularly given that TDK Corporation had completed diligence, a definitive agreement had already been negotiated with TDK Corporation, its ability to fund the transaction with cash on hand and its history of obtaining regulatory approvals, including CFIUS clearance, in recent transactions with U.S. companies. A representative of Qatalyst Partners provided a summary of the process to evaluate a potential sale of InvenSense as well as the discussions with various potential interested parties, including the market check completed by InvenSense and Qatalyst

Partners, and recent price negotiations with TDK Corporation. Representatives of Qatalyst Partners stated that they had approached 28 companies regarding a potential sale of InvenSense. The Board of Directors discussed if there were any other potential interested parties that InvenSense should contact in addition to the 33 parties already contacted by InvenSense and representatives of Qatalyst Partners. The Board of Directors determined that it would be highly unlikely for another interested party to emerge given InvenSense had not received other indications of interest that would lead to a similar offer despite the broad review process conducted by Qatalyst Partners and management. A representative of Qatalyst Partners then reviewed with the Board of Directors Qatalyst Partners' financial analysis of the \$13.00 per share cash consideration to be offered to InvenSense's stockholders in the proposed merger, responded to questions from members of the Board of Directors regarding its financial analysis, and delivered Qatalyst Partners' oral opinion to the Board of Directors, subsequently confirmed by delivery of a written opinion, that as of December 20, 2016 (Pacific Standard Time), and based upon and subject to the various assumptions, considerations, limitations and other matters set forth therein, the \$13.00 in cash per share merger consideration to be received by the holders of InvenSense's common stock, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement was fair, from a financial point of view, to such holders. A representative of Pillsbury reviewed with the Board of Directors the key terms of the Merger Agreement, which had been sent to the Board of Directors in advance of the meeting. Pillsbury then reviewed and discussed with the Board of Directors the proposed resolutions approving the Merger Agreement and the transactions contemplated thereby, including the Merger. In a closed session, a representative of Pillsbury then reviewed the Board of Directors' fiduciary duties in the context of a sale transaction. After further discussion, for the reasons more fully described in the section titled "*The Merger—Reasons for the Merger*" elsewhere in this proxy statement, the Board of Directors unanimously determined that (i) the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, on the terms and subject to the conditions set forth therein, are fair to and in the best interests of InvenSense and its stockholders (including the unaffiliated stockholders), (ii) approved and declared advisable the Merger Agreement and the transactions contemplated thereby and (iii) resolved to recommend the approval and adoption of the Merger Agreement and the Merger by the stockholders of InvenSense.

Following the Board of Directors meeting, Mr. Abdi informed a representative of TDK Corporation that the Board of Directors had unanimously approved the Merger and that the parties should seek to resolve the remaining issues around employee retention. TDK Corporation's representative stated that he would work with TDK Corporation's board of directors to ensure that the Merger Agreement would be signed that evening. Later that evening, a representative of TDK Corporation called Mr. Abdi to inform him that TDK Corporation's board of directors had unanimously approved the Merger.

Later that same day, the Compensation Committee held a telephonic meeting to discuss the retention agreements TDK Corporation had proposed for InvenSense's executives. A representative of Pillsbury and a representative of Compensia were also in attendance. The Compensation Committee directed Mr. Abdi to negotiate the final retention packages and agreements for InvenSense's executives, other than himself and Mr. Dentinger. After Mr. Abdi left the meeting, the Compensation Committee discussed TDK Corporation's proposed retention package for Mr. Abdi, during which the representative of Compensia noted that it was a conservative, reasonable and market retention offer. The Compensation Committee then directed Mr. Shah to finalize with TDK Corporation the retention agreements for Mr. Abdi and Mr. Dentinger.

Later that same day InvenSense's executives were presented with drafts of their retention agreements, which were negotiated separately by their own legal counsel and finalized once the terms of the Merger had been agreed upon by the parties.

On December 21, 2016, the parties executed the Merger Agreement and certain members of InvenSense's management, including Mr. Abdi, entered into retention agreements. For more information see "*The Merger — Interests of Directors and Executive Officers in the Merger May Differ From Your Interests.*" InvenSense's officers and directors, both in their individual capacities and on behalf of their funds, executed Voting Agreements.

On that same day, InvenSense and TDK Corporation issued a joint press release to announce the signing of the Merger Agreement.

Reasons for the Merger

At its meeting on December 20, 2016, held to evaluate the proposed Merger, our Board of Directors unanimously approved the Merger Agreement and determined that the Merger and Merger Agreement, and the transactions contemplated by the Merger Agreement, are fair to and in the best interests of InvenSense and its stockholders and declared advisable the Merger Agreement and the transactions contemplated thereby. Our Board of Directors unanimously recommends that the stockholders vote:

1. “FOR” the Merger Proposal;
2. “FOR” the Merger-related Compensation Proposal; and
3. “FOR” the Adjournment Proposal.

Our Board of Directors considered many factors in determining that the terms of the Merger are fair to and in the best interests of InvenSense and its stockholders and unanimously recommend the approval of the Merger Proposal by our stockholders. In arriving at its determination, our Board of Directors consulted with senior management, Qatalyst Partners and Pillsbury, and reviewed and considered information and factors relevant to its strategic evaluation.

In furtherance thereof, our Board of Directors reviewed and considered, among other things, the following factors (not in any relative order of importance):

- InvenSense’s business, assets, financial condition, results of operations, management, competitive position and prospects as a standalone entity, and the rapid and ongoing consolidation of companies within the semiconductor industry, which our Board of Directors believes will continue at the current accelerated pace. Our Board of Directors also considered InvenSense’s current business plan and the initiatives and the potential execution risks associated with such plan.
- The fact that the \$13.00 price per share to be received in the Merger by InvenSense’s stockholders and the historical market prices, trading volume, volatility and other trading information with respect to InvenSense’s common stock, and that the price to be paid for each share represents a significant premium over the market prices at which InvenSense’s common stock had previously traded during this period, including a premium of approximately:
 - (i) an 89% premium to the closing price of \$6.87 per share on October 27, 2016 (the last trading day prior to a report that InvenSense had initiated a process and had engaged a financial advisor was published in the media), (ii) a 76% premium to the average closing price for the 30 days prior to and including October 27, 2016, and (iii) a 136% and 3% premium to the low and high closing prices, respectively, over the 12 month period ended October 27, 2016;
 - (i) a 57% premium to the closing price of \$8.27 per share on December 8, 2016, (the last trading day prior to reports in the media that InvenSense would be acquired by TDK Corporation at a price per share of \$12.00), (ii) a 69% premium to the average closing price for the 30 days prior to and including December 8, 2016, and (iii) a 136% and 13% premium to the low and high closing prices, respectively, over the 12 month period ended December 8, 2016; and
 - (i) a 20% premium to the closing price of \$10.84 per share on December 20, 2016, (ii) a 51% premium to the average closing price for the 30 days prior to and including December 20, 2016, and (iii) a 136% and 17% premium to the low and high closing prices, respectively, over the 12 month period ended December 20, 2016.
- The fact that the proposed consideration consists solely of cash, which provides immediate liquidity and certainty of value to our stockholders compared to a transaction in which stockholders would

[Table of Contents](#)

receive shares of an acquiror's stock, while eliminating the effect of long-term business and execution risk.

- Our Board of Directors' belief that the extensive process conducted by InvenSense and its advisors resulted in the highest price reasonably available to InvenSense's stockholders, and the risk that prolonging the strategic review process further could have resulted in the loss of a favorable opportunity to successfully consummate the transaction with TDK Corporation and would be unlikely to yield a proposal that would be a material improvement to TDK Corporation's proposal.
- The potential alternatives to the acquisition of InvenSense by TDK Corporation (including the possibility of being acquired in whole or in part by another buyer, or continuing to operate as an independent entity, and the desirability and perceived risks of those alternatives), the potential risks and benefits to InvenSense's stockholders of these alternatives and the timing and the likelihood of completing such alternatives, as well as the likelihood that such alternatives could result in greater value for InvenSense's stockholders, taking into account risks of execution as well as business, competitive, industry and market risks.
- The results of the process conducted by our Board of Directors prior to approval of the Merger Agreement, with the assistance of InvenSense's management and representatives of Qatalyst Partners, to evaluate strategic alternatives, including the results of discussions with a total of 33 third parties regarding their interest in a potential business combination with InvenSense. In addition, our Board of Directors considered it unlikely that other bidders would make a superior proposal to acquire InvenSense, given that third parties contacted by representatives of Qatalyst Partners had not expressed interest or did not appear likely to express interest to acquire InvenSense at a price higher than the price and on similar terms.
- The fact that the Merger Agreement provides flexibility for our Board of Directors, in the exercise of its fiduciary duties, to terminate the Merger Agreement if a Superior Proposal is received by InvenSense after execution of the Merger Agreement.
- The significant advantages of entering into the Merger Agreement and consummating the Merger in comparison to the risks associated with remaining independent as a standalone company and pursuing InvenSense's strategic plan, including (i) the relatively small size and scale of InvenSense's operations, which have challenged the growth of its business, competitive positioning as a standalone entity and its prospects for future growth; (ii) the decline of the high-end smartphone market; (iii) the increase in our customer concentration; (iv) the cyclical nature and intensely competitive nature of the semiconductor industry; (v) the current semiconductor industry trend toward consolidation, which has resulted in larger competitors who have greater access to capital and a more diversified base of customers than InvenSense; (vi) the risk of delay or interruption in anticipated revenue from new customers, which could be affected by multiple factors, such as general market timing, technological risks, and other factors not directly controlled by InvenSense; (vii) the need to develop new products to remain competitive and relevant to existing and prospective customers, the substantial required investment and long lead times associated with the development of new products, challenges of diversification beyond the mobile segment and the time to market challenges for new technologies; (viii) the fragmented sensor technology market; and (ix) the risk factors set forth in InvenSense's Annual Report on Form 10-K for the year ended April 3, 2016.
- After consultation with Pillsbury and Qatalyst Partners, our Board of Directors' belief that the Merger will be consummated, based on, among other things: (i) the closing conditions to the Merger, including the fact that the obligations of TDK Corporation are not subject to a financing condition, (ii) TDK Corporation having sufficient cash on hand to pay the proposed merger consideration of \$13.00 in cash per share of InvenSense common stock without having to obtain additional financing, and (iii) the commitment made by TDK Corporation to InvenSense to use reasonable best efforts to obtain regulatory clearances required to complete the Merger, including approvals under the HSR Act, required foreign antitrust approvals and CFIUS clearance, as discussed further in the section captioned "*The Merger Agreement—Governmental and Regulatory Approvals*" elsewhere in this proxy statement.

[Table of Contents](#)

- Our Board of Directors' belief that the Merger will be approved by the requisite regulatory authorities without the imposition of conditions that would materially delay or otherwise result in the termination of the Merger Agreement.
- Our Board of Directors' belief that as a result of the arm's-length negotiations with TDK Corporation, InvenSense and its representatives had negotiated the highest price per share that TDK Corporation was willing to pay for InvenSense and that the terms of the Merger Agreement include the most favorable terms to InvenSense in the aggregate to which TDK Corporation was willing to agree.
- The benefits that InvenSense and its advisors were able to obtain during its extensive negotiations with TDK Corporation, including multiple increases in TDK Corporation's offer price per share from the beginning of the process to the end of the negotiations and a significant improvement in transaction certainty. Our Board of Directors believed that the consideration reflected in the Merger Agreement was the best transaction that could be obtained by InvenSense from TDK Corporation at the time, and that there was no assurance that a more favorable alternative transaction would arise later at levels equal to or greater than the value of the merger consideration in the near term, over an extended period of time or at all.
- The terms and conditions of the Merger Agreement, including, among other things:
 - InvenSense's ability, subject to certain conditions, to provide information to and to engage in discussions or negotiations with a third party that makes an unsolicited Acquisition Proposal, and our Board of Directors' belief that potentially interested parties would have sufficient opportunity to do so following the announcement of the execution of the Merger Agreement, on December 21, 2016 and before the special meeting;
 - our Board of Directors' ability, in the exercise of its fiduciary duties, to terminate the Merger Agreement (upon payment of a termination fee) to enter into an acquisition agreement in connection with a Superior Proposal;
 - our Board of Directors' belief that the terms of the Merger Agreement, including the termination fee payable to TDK Corporation upon termination of the Merger Agreement under specified circumstances, are reasonable, customary and not likely to significantly deter another party from making a Superior Proposal;
 - the requirement that TDK Corporation pay a reverse termination fee to InvenSense in the event that the Merger Agreement is terminated due to certain regulatory approvals not being obtained under certain specified circumstances, as described further in the section captioned "*The Merger Agreement—Termination Fees*" elsewhere in this proxy statement; and
 - the fact that consummation of the Merger is not subject to a financing condition.
- Our ability to terminate the Merger Agreement without paying fees or expenses to TDK Corporation if our stockholders do not adopt the Merger Agreement.
- The availability of statutory appraisal rights under the Delaware General Corporation Law in connection with the Merger for stockholders who comply with the statutory requirements of the Delaware General Corporation Law and who believe that exercising their appraisal rights would yield a greater per share amount than what they would receive in the Merger.
- The fact that in connection with the Merger, Qatalyst Partners rendered to our Board of Directors its oral opinion, subsequently confirmed in writing, that as of December 20, 2016 (Pacific Standard Time), and based upon and subject to the various assumptions, considerations, limitations and other matters set forth in the opinion, the \$13.00 in cash per share merger consideration to be received by the holders of InvenSense common stock, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement, was fair, from a financial point of view, to such holders, as more fully described below in the section captioned "*The Merger—Opinion of InvenSense's Financial Advisor*"

below and which written opinion is attached in its entirety as Appendix B hereto. The summary of the opinion of Qatalyst Partners herein is qualified in its entirety by reference to the full text of the opinion. We encourage you to read Qatalyst Partners' opinion and the summary of Qatalyst Partners' opinion below carefully and in their entirety.

- Our Board of Directors' fiduciary duties in light of the foregoing.

Our Board of Directors weighed these factors against other uncertainties, risks and potentially negative factors relevant to the Merger, including the following (not in any relative order of importance):

- The fact that InvenSense will no longer exist as an independent company and, accordingly, InvenSense stockholders will not participate in any future earnings or growth of InvenSense and will not benefit from any appreciation in the value of InvenSense after completion of the Merger, including any appreciation in value that could be realized as a result of the combination of InvenSense with TDK Corporation.
- The possibility that the Merger might not be completed and the effect of the termination of the Merger Agreement on the trading price of InvenSense common stock and InvenSense's business and operating results, particularly in light of the costs incurred in connection with the transaction.
- The risks and costs to InvenSense if the Merger fails to close, including diversion of management and employee attention, the potential inability to attract and retain key personnel and the potential adverse effect on business and relationships with customers and suppliers.
- The risk that regulatory approvals required to complete the Merger may be delayed, conditioned or denied.
- The gains from the consideration received by InvenSense's stockholders in connection with the Merger will be taxable to InvenSense's stockholders for U.S. federal income tax purposes.
- The provisions in the Merger Agreement relating to the potential payment by InvenSense of a termination fee of \$46.7 million under certain circumstances specified in the Merger Agreement, may discourage other parties potentially interested in an acquisition of, or combination with, InvenSense from pursuing the opportunity.
- The possibility that the executive officers and directors of InvenSense could have interests in the Merger that would be different from, or in addition to, those of our stockholders as discussed further in the section captioned "*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests.*"

Our Board of Directors concluded that the uncertainties, risks and potentially negative factors relevant to the Merger were significantly outweighed by the potential benefits that our Board of Directors expects for InvenSense and its stockholders as a result of the Merger.

The foregoing discussion of our Board of Directors' reasons for its recommendation that InvenSense's stockholders vote in favor of the Merger is not meant to be exhaustive, but InvenSense believes it addresses the material information and factors considered by our Board of Directors in consideration of its recommendation. In view of the wide variety of factors considered by our Board of Directors in connection with the evaluation of the Merger and the complexity of these matters, our Board of Directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to any of the specific factors considered in reaching its determination and recommendation. Rather, our Board of Directors made its determinations and recommendations based on an overall analysis and the totality of the information reviewed. In addition, in considering the factors described above, individual members of our Board of Directors may have been influenced to a greater or lesser degree by different factors.

The explanation of our Board of Directors' reasons for the proposed transactions and all other information in this section may be forward-looking in nature and therefore should be read in light of the factors discussed in the section captioned "*Cautionary Statement Regarding Forward-Looking Statements*" elsewhere in this proxy statement.

Recommendation of the Board of Directors

After careful consideration, our Board of Directors believes that the terms of the Merger are fair to and in the best interest of InvenSense and our stockholders, and has unanimously approved the terms of the Merger Agreement and the transactions contemplated thereby.

Our Board of Directors unanimously recommends that you vote:

- **"FOR" the Merger Proposal;**
- **"FOR" the Merger-related Compensation Proposal; and**
- **"FOR" the Adjournment Proposal.**

Certain Prospective Financial Information

Although InvenSense has publicly issued limited short-term guidance concerning certain aspects of its expected financial performance, it does not, as a matter of course, make public disclosure of detailed forecasts or projections of its expected financial performance for extended periods due to, among other things, the inherent difficulty of accurately predicting future periods; and the likelihood that the underlying assumptions and estimates may prove incorrect.

For strategic planning purposes and in connection with a potential sale transaction, in November 2016, our management prepared financial projections for the remainder of fiscal year 2017 and for fiscal years 2018 through 2022 (the "November Projections"). The November Projections were furnished to Qatalyst Partners for use in their financial analyses. Before entering into the Merger Agreement, representatives of TDK Corporation conducted a due diligence review of the Company, and in connection with their review, TDK Corporation received certain non-public information concerning us, including a subset of the November Projections.

In December 2016, our management updated the unlevered free cash flow projections included in the November Projections in light of the six-month capital expenditure forecast that had been prepared by management (the "December Projections"). Our Board of Directors and management instructed Qatalyst Partners to rely on the December Projections as the basis for its analyses in rendering its opinion described in more detail below in "*Opinion of InvenSense's Financial Advisor*." TDK Corporation was provided with a copy of the updated capital expenditure forecast for the remainder of fiscal year 2017 and for fiscal year 2018, from which they could derive the unlevered free cash flow projections included in the December Projections below.

We have included in this proxy statement a summary of the December Projections to give our stockholders access to certain nonpublic information that was available to our Board of Directors at the time of the evaluation of the Merger and the Merger Agreement, as well as to Qatalyst Partners in connection with the rendering of its opinion described below. The summary of the December Projections is not being included in this proxy statement to influence any stockholder to vote in favor of adopting the Merger Agreement. The information from the December Projections should be evaluated, if at all, in conjunction with the historical financial statements and other information contained in our filings with the SEC. In light of the foregoing factors and the uncertainties inherent in these projections, stockholders are cautioned not to place undue reliance on the summary of the December Projections included in this proxy statement, including in making a decision as to whether to vote in favor of adopting the Merger Agreement. The subset of the November Projections provided to TDK Corporation is reflected in the December Projections and set forth in the table below.

The December Projections were developed from historical financial statements and a series of assumptions and estimates of our management. The December Projections were not prepared with a view toward public disclosure or compliance with published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information or U.S. generally accepted accounting principles, or GAAP. Our independent registered public accounting firm has not examined, compiled, audited or performed any procedures with respect to the December Projections nor has it expressed any opinion or given any form of assurance with respect to such information or their reasonableness, achievability or accuracy, and accordingly, such independent registered public accounting firm assumes no responsibility for them.

Although presented with numerical specificity, the December Projections were developed by our management on the basis of general business, economic and market conditions as well as factors and consideration specific to our business, all of which involve a high degree of uncertainty and are difficult to predict, and many of which are beyond our control. These variables, estimates and assumptions are inherently uncertain, susceptible to multiple interpretations and may prove to have been inaccurate, or may no longer be accurate. Our future financial results may materially differ from those expressed in the December Projections summarized below due to factors that are beyond management's ability to control or predict. We cannot guarantee that any of the projections will be realized or that our future financial results will not materially vary from the December Projections. The December Projections have not been updated since they were prepared, and do not take into account any circumstances or events occurring after the date they were prepared, including the entry into the Merger Agreement, the possible financial impact and other effects of the Merger on us or subsequent integration planning activities. The December Projections do not take into account and do not attempt to predict or suggest future results of the combined company. In addition, the December Projections do not take into account the effect of any failure of the Merger to occur and should not be viewed as accurate or continuing in that context. The summary of the December Projections included below should not be construed as public guidance and will not be provided in the ordinary course of our business in the future. For the foregoing and other reasons, stockholders and readers of this proxy statement are cautioned that the summary of the December Projections included in this proxy statement should not be regarded as a representation or guarantee that the targets will be achieved or have been achieved and that they should not rely on the summary of the December Projections.

The projections and estimates included in this proxy statement are forward-looking statements and are qualified in their entirety by risks and uncertainties that could result in the projections not being achieved, including, but not limited to, demand for our products, our reliance on significant customers, our ability to timely develop new products, conditions in the markets for our products, factors affecting the semiconductor industry and, in particular, the sensor market, general business and economic conditions, the effects of competition and consolidation in the industry, and other risks and uncertainties contained in our filings with the SEC, including our Annual Report on Form 10-K for the fiscal year ended April 3, 2016. Neither InvenSense nor TDK Corporation, or any of their respective affiliates, advisors, officers, directors or representatives, has made or makes any representation to any stockholder or other person regarding our ultimate performance compared to the information contained in the projections or that the projections will be achieved. Neither we nor any of our representatives have made or makes any representation to TDK Corporation, in the Merger Agreement or otherwise, concerning the projections. Any provisions of the Private Securities Litigation Reform Act of 1995 that may be referenced in this proxy statement or in our other periodic reports are not applicable to any forward looking statements made in connection with the Merger, including the projections. Please refer to the section of this proxy statement captioned "*Cautionary Statements Regarding Forward-Looking Statements.*"

Note Regarding Use of Non-GAAP Financial Measures

The Company uses non-GAAP measures in its financial and operational decision-making processes. The Company believes that these non-GAAP measures offer an important analytical tool to help investors understand the Company's core operating results and trends and facilitate comparability with the operating results of other companies that provide similar non-GAAP measures. These non-GAAP measures have certain limitations as

Table of Contents

analytical tools and are not meant to be considered in isolation or as a substitute for GAAP financial information. For example, stock-based compensation is an important component of the Company's compensation mix and will continue to result in significant expenses in the Company's GAAP results for the foreseeable future, but it is not reflected in the Company's non-GAAP measures. Also, other companies, including other companies in the Company's industry, may calculate non-GAAP financial measures differently, limiting their usefulness as comparative measures.

A summary of the information that was included in the December Projections is set forth below:

- (1) Non-GAAP gross profit excludes potential reduced manufacturing costs to be received in consideration for an advanced payment expected to be made to foundry partners in fiscal year 2018, as the amounts, timing and terms relating to this arrangement are currently being negotiated.
- (2) Non-GAAP operating income is non-GAAP gross profit less non-GAAP operating expenses.
- (3) Non-GAAP net income (loss) excludes stock-based compensation expense and related payroll taxes, accreting interest expense on convertible senior notes, amortization of acquisition-related intangible assets, business acquisition costs, litigation-related expenses and the income tax effect of pretax non-GAAP adjustments and other discrete tax items.
- (4) Net operating profit after taxes is a non-GAAP financial measure and is calculated by starting with non-GAAP operating income (as shown in the table above) and subtracting estimated taxes. The Company estimated an effective tax rate of 13% for the projection period.
- (5) Unlevered free cash flow is a non-GAAP financial measure calculated by starting with non-GAAP operating income (as shown in the table above) and subtracting estimated cash taxes payable, capital expenditures and investment in net working capital, and then adding back depreciation and amortization expenses. Capital expenditures forecast excludes a potential advanced payment expected to be made to foundry partners in fiscal year 2018 that would generate potential reduced manufacturing costs in subsequent years within the projection period, as the amounts, timing, and terms relating to this arrangement are currently being negotiated.

Opinion of InvenSense's Financial Advisor

The Company retained Qatalyst Partners to act as financial advisor to our Board of Directors in connection with a potential transaction such as the Merger and to evaluate whether the cash consideration to be received by the holders of shares of common stock of the Company, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement was fair, from a financial point of view, to such holders. InvenSense selected Qatalyst Partners to act as its financial advisor based on Qatalyst Partners' qualifications, expertise, reputation and knowledge of the business and affairs of the Company and the industry in which the Company operates. Qatalyst Partners provided its written consent to the reproduction of its opinion in this proxy statement. At the meeting of our Board of Directors on December 20, 2016 (Pacific Standard Time), Qatalyst Partners rendered its oral opinion, that, as of such date and based upon and subject to the considerations, limitations and other matters set forth therein, consideration to be received by the Company's stockholders, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement was fair, from a financial point of view, to such stockholders. Following the meeting, Qatalyst Partners delivered its written opinion, dated December 20, 2016, to our Board of Directors.

The full text of Qatalyst Partners' written opinion, dated December 20, 2016, is attached hereto as [Appendix B](#) and is incorporated by reference herein. The opinion sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations and qualifications of the review undertaken by Qatalyst Partners in rendering its opinion. You should read the opinion carefully in its entirety. Qatalyst Partners' opinion was provided to our Board of Directors and addresses only, as of the date of the opinion, the fairness, from a financial point of view, of the consideration to be received by the holders of InvenSense common stock, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement, and it does not address any other aspect of the Merger. It does not constitute a recommendation to any InvenSense stockholder as to how to vote with respect to the Merger or any other matter and does not in any manner address the price at which InvenSense shares of common stock will trade at any time. The summary of Qatalyst Partners' opinion set forth herein is qualified in its entirety by reference to the full text of the opinion.

In arriving at its opinion, Qatalyst Partners reviewed the Merger Agreement dated December 21, 2016 (Japan Standard Time), certain related documents and certain publicly available financial statements and other business and financial information of the Company. Qatalyst Partners also reviewed certain forward-looking information relating to the Company prepared by the management of the Company, including financial projections and operating data of InvenSense included in the December Projections. Additionally, Qatalyst

Partners discussed the past and current operations and financial condition and the prospects of the Company with the Company's senior management. Qatalyst Partners also reviewed the historical market prices and trading activity for the Company's common stock and compared the Company's financial performance and the prices and trading activity of the Company's common stock with that of certain other selected publicly traded companies and their securities. In addition, Qatalyst Partners reviewed the financial terms, to the extent publicly available, of selected acquisition transactions and performed such other analyses, reviewed such other information and considered such other factors as Qatalyst Partners deemed appropriate.

In arriving at its opinion, Qatalyst Partners assumed and relied upon, without independent verification, the accuracy and completeness of the information that was publicly available or supplied or otherwise made available to, or discussed with, Qatalyst Partners by the Company. With respect to the December Projections, Qatalyst Partners was advised by the management of InvenSense and assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of InvenSense of the future financial performance of InvenSense and other matters covered thereby. Qatalyst Partners assumed that the Merger would be consummated in accordance with the terms set forth in the Merger Agreement, without any modification, waiver or delay. In addition, Qatalyst Partners assumed that in connection with the receipt of all the necessary approvals of the proposed Merger, no delays, limitations, conditions or restrictions will be imposed that could have an adverse effect on the Company or the contemplated benefits expected to be derived in the proposed Merger. Qatalyst Partners did not make any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company nor was Qatalyst Partners furnished with any such evaluation or appraisal. In addition, Qatalyst Partners relied, without independent verification, upon the assessment of the management of the Company as to the existing and future technology and products of the Company and the risks associated with such technology and products. Qatalyst Partners' opinion has been approved by Qatalyst Partners' opinion committee in accordance with its customary practice.

Qatalyst Partners' opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to it as of, the date of the opinion. Events occurring after the date of the opinion may affect Qatalyst Partners' opinion and the assumptions used in preparing it, and Qatalyst Partners did not assume any obligation to update, revise or reaffirm its opinion. Qatalyst Partners' opinion does not address the underlying business decision of the Company to engage in the Merger, or the relative merits of the Merger as compared to any strategic alternatives that may be available to the Company. The opinion is limited to the fairness, from a financial point of view, of the cash consideration to be received by the Company's stockholders pursuant to the Merger Agreement, and Qatalyst Partners expressed no opinion with respect to the fairness of the amount or nature of the compensation to any of the Company's officers, directors or employees, or any class of such persons, relative to such merger consideration.

The following is a brief summary of the material analyses performed by Qatalyst Partners in connection with its opinion dated December 20, 2016 (Pacific Standard Time). The analyses and factors described below must be considered as a whole; considering any portion of such analyses or factors, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying Qatalyst Partners' opinion. For purposes of its analyses, Qatalyst Partners utilized the December Projections described above in the section of this proxy statement captioned "*Certain Prospective Financial Information*." Some of the summaries of the financial analyses include information presented in tabular format. The tables are not intended to stand alone, and in order to more fully understand the financial analyses used by Qatalyst Partners, the tables must be read together with the full text of each summary. Considering the data set forth below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Qatalyst Partners' financial analyses.

Illustrative Discounted Cash Flow Analysis

Qatalyst Partners performed an illustrative discounted cash flow analysis, which is designed to imply a potential, present value of share values for the common stock of InvenSense as of December 31, 2016 by:

- adding:
 - a) the implied net present value of the estimated future unlevered free cash flows of the Company, based on the December Projections, and excluding the impact of stock-based compensation expense, for Q4 of fiscal year 2017 through fiscal year 2021 (which implied present value was calculated by using a range of discount rates of 11.0% to 17.5%, based on an estimated weighted average cost of capital for the Company);
 - b) the implied net present value of a corresponding terminal value of the Company, calculated by multiplying the Company's estimated net operating profit after tax ("NOPAT") in fiscal year 2022, based on the December Projections, by a range of multiples of fully-diluted enterprise value to next-twelve-months estimated NOPAT of 10.5x to 15.5x, and discounted to present value using the same range of discount rates used in item (a) above;
- subtracting estimated debt outstanding, net of the estimated cash balance, of the Company as of December 31, 2016, as provided by the Company's management;
- applying a dilution factor of approximately 19%, as projected by the Company's management, to reflect the dilution to current Company stockholders over the projection period due to the effect of future issuances by the Company of equity awards; and
- dividing the resulting amount by the number of fully-diluted shares of InvenSense common stock (calculated using the treasury stock method) outstanding, taking into account the outstanding stock options and RSUs, as of December 15, 2016, as provided by InvenSense's management.

Based on the calculations set forth above, this analysis implied a range of values for the Company's common stock of approximately \$11.61 to \$19.63 per share.

Selected Companies Analysis

Qatalyst Partners compared selected financial information and public market multiples for the Company with publicly available information and public market multiples for selected companies. The companies used in this comparison included those companies listed below, which were selected by Qatalyst Partners, based on its professional judgment, from publicly traded companies in the Company's industry.

Based upon Wall Street analyst estimates for calendar year 2017 as of December 19, 2016 (the "Street Case"), and using the closing prices as of December 19, 2016 for shares of the selected companies, Qatalyst Partners calculated, among other things, the implied fully-diluted enterprise value ("EV") divided by the estimated calendar year 2017 revenue (the "CY2017E Revenue Multiples"), the EV divided by the estimated calendar year 2018 revenue (the "CY2018E Revenue Multiples"), the EV divided by the estimated calendar year 2017 NOPAT (the "CY2017E NOPAT Multiples") and the EV divided by the estimated calendar year 2018 NOPAT (the "CY2018E NOPAT Multiples") for each of the selected companies below:

	CY2017E NOPAT Multiples	CY2017E Revenue Multiples	CY2018E NOPAT Multiples	CY2018E Revenue Multiples

Cirrus Logic, Inc.	14.2x	2.4x	12.3x	2.2x

Selected Sensors Companies				
Knowles Corporation	17.2x	2.1x	15.2x	2.0x
Sensata Technologies Holding N.V.	14.6x	3.1x	13.9x	3.0x

Based on an analysis of the respective multiples for the selected companies, Qatalyst Partners selected a representative multiple range for each of the respective multiples and applied this range to the Company's estimated statistic (1) based on the Street Case and (2) based on the December Projections. Based on the calculations set forth above, then subtracting the net debt of the Company as of October 2, 2016 and then dividing the resulting amount by the Company's fully-diluted common stock (calculated using the treasury stock method) outstanding, taking into account the stock options and RSUs outstanding, as of December 15, 2016 as provided by InvenSense's management, Qatalyst Partners calculated an implied range of values for InvenSense's common stock.

Based on an analysis of the CY2017E Revenue Multiples for the selected companies, Qatalyst Partners selected a representative range of 1.5x to 3.0x and applied this range to the Company's estimated CY2017E revenue (1) based on the Street Case and (2) based on the December Projections. Based on the calculations set forth above, this analysis implied a range of values for the Company's common stock of approximately \$5.92 to \$10.62 per share based on the Street Case and \$6.49 to \$11.73 per share based on the December Projections.

Based on an analysis of the CY2018E Revenue Multiples for the selected companies, Qatalyst Partners selected a representative range of 1.0x to 2.5x and applied this range to the Company's estimated CY2018E revenue based on the December Projections. Based on the calculations set forth above, this analysis implied a range of values for the InvenSense common stock of approximately \$6.71 to \$14.79 per share based on the December Projections.

Based on an analysis of the CY2017E NOPAT Multiples for the selected companies, Qatalyst Partners selected a representative range of 10.0x to 15.0x and applied this range to the Company's estimated CY2017E NOPAT (1) based on the Street Case and (2) based on the December Projections. Based on the calculations set forth above, this analysis implied a range of values for the Company's common stock of approximately \$2.12 to \$2.67 per share based on the Street Case and \$3.27 to \$4.40 per share based on the December Projections.

Based on an analysis of the CY2018E NOPAT Multiples for the selected companies, Qatalyst Partners selected a representative range of 9.0x to 14.0x and applied this range to the Company's estimated CY2018E NOPAT based on the December Projections. Based on the calculations set forth above, this analysis implied a range of values for the Company's common stock of approximately \$6.16 to \$8.92 per share based on the December Projections.

No company included in the selected companies analysis is identical to the Company. In evaluating the selected companies, Qatalyst Partners made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters. Many of these matters are beyond the control of the Company, such as the impact of competition on the Company's business and the industry in general, industry growth and the absence of any material adverse change in the Company's financial condition and prospects of or the industry or in the financial markets in general. Mathematical analysis, such as determining the arithmetic mean, median, or the high or low, is not in itself a meaningful method of using selected company data.

revenue (calculated as the consecutive four quarters ending on October 2, 2017 and based on the Street Case). Based on the calculations set forth above, then subtracting the net debt of the Company as of October 2, 2016, assuming that the value of the Company's outstanding convertible notes and associated warrants and derivatives are calculated based on estimated fair value assuming a change of control occurs on March 31, 2017 (estimated fair value inputs based on conversations with the Company's management regarding potential valuation of convertible debt-related securities), and then dividing the resulting amount by the Company's fully-diluted shares of common stock (calculated using the treasury stock method) outstanding, taking into account stock options and RSUs outstanding, as of December 15, 2016, as provided by InvenSense's management, this analysis implied a range of values for the common stock of approximately \$5.66 to \$11.52 per share.

No company or transaction utilized in the selected transactions analysis is identical to the Company or the Merger. In evaluating the selected transactions, Qatalyst Partners made judgments and assumptions with regard to general business, market and financial conditions and other matters, many of which are beyond the Company's control, such as the impact of competition on the Company's business or the industry generally, industry growth and the absence of any material adverse change in the Company's financial condition or the industry or in the financial markets in general, which could affect the public trading value of the companies and the aggregate value of the transactions to which they are being compared. Because of the unique circumstances of each of these transactions and the Merger, Qatalyst Partners cautioned against placing undue reliance on this information.

Miscellaneous

In connection with the review of the Merger by our Board of Directors, Qatalyst Partners performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a financial opinion is a complex process and is not necessarily amenable to a partial analysis or summary description. In arriving at its opinion, Qatalyst Partners considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor it considered. Qatalyst Partners believes that selecting any portion of its analyses, without considering all analyses as a whole, could create a misleading or incomplete view of the process underlying its analyses and opinion. In addition, Qatalyst Partners may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis described above should not be taken to be Qatalyst Partners' view of the actual value of the Company. In performing its analyses, Qatalyst Partners made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the Company's control. Any estimates contained in Qatalyst Partners' analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates.

Qatalyst Partners conducted the analyses described above solely as part of its analysis of the fairness, from a financial point of view, of the merger consideration to be received by the holders of InvenSense common stock, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement. This analysis does not purport to be an appraisal or to reflect the price at which the Company's common stock might actually trade.

Qatalyst Partners' opinion and its presentation to our Board of Directors was one of many factors considered by our Board of Directors in deciding to approve the Merger Agreement. Consequently, the analyses as described above should not be viewed as determinative of the opinion of our Board of Directors with respect to the cash consideration to be received by the Company's stockholders in the Merger, other than TDK Corporation or any affiliate of TDK Corporation, pursuant to the Merger Agreement or of whether our Board of Directors would have been willing to agree to different consideration. The cash consideration payable in the Merger was determined through arm's length negotiations between the Company and TDK Corporation and was approved by our Board of Directors. Qatalyst Partners provided advice to the Company during these negotiations. Qatalyst Partners did not, however, recommend any specific consideration to the Company or that any specific consideration constituted the only appropriate consideration for the Merger.

Qatalyst Partners provides investment banking and other services to a wide range of corporations and individuals, domestically and offshore, from which conflicting interests or duties may arise. In the ordinary course of these activities, affiliates of Qatalyst Partners may at any time hold long or short positions, and may trade or otherwise effect transactions in debt or equity securities or loans of InvenSense, TDK Corporation or certain of their respective affiliates. During the two year period prior to the date of Qatalyst Partners' opinion, no material relationship existed between Qatalyst Partners and its affiliates and InvenSense or TDK Corporation pursuant to which compensation was received by Qatalyst Partners or its affiliates; however, Qatalyst Partners and its affiliates may in the future provide investment banking and other financial services to InvenSense or TDK Corporation or any of their respective affiliates for which it would expect to receive compensation.

Pursuant to a letter agreement dated September 27, 2016, Qatalyst Partners provided the Company with financial advisory services in connection with the Merger for which it will be paid approximately \$25.5 million, \$1.5 million of which was payable upon the delivery of its opinion, and the remaining portion of which will be paid upon, and subject to, consummation of the Merger. The Company has also agreed to reimburse Qatalyst Partners for its expenses incurred in performing its services. The Company has also agreed to indemnify Qatalyst Partners and its affiliates, their respective members, directors, officers, partners, agents and employees and any person controlling Qatalyst Partners or any of its affiliates against certain liabilities, including liabilities under the federal securities laws, and expenses related to or arising out of Qatalyst Partners' engagement.

Treatment of Equity Awards

Stock Options

Each Vested Option that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration will be cancelled in exchange for a payment to the holder of an amount in cash equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the Vested Option, multiplied by the number of shares of common stock underlying the award.

Each Unvested Option that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration will be converted into a deferred cash award in an amount equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the Unvested Option, multiplied by the number of shares of common stock underlying the award. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding Unvested Option, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated Unvested Option (including continued employment requirements through the applicable date(s) of vesting).

Each Vested Option and Unvested Option that has an exercise price per share that is equal to or greater than the merger consideration and each Unvested Option that is subject to vesting based on performance criteria that have not been achieved as of the effective time of the Merger will be cancelled without any consideration to the holder thereof.

RSUs

Each Vested RSU that is outstanding immediately prior to the effective time of the Merger will be cancelled in exchange for a payment to the holder of an amount in cash equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award.

Each Unvested RSU that is outstanding immediately prior to the effective time of the Merger will be converted into a deferred cash award in an amount equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award. Each such deferred cash award will

[Table of Contents](#)

be paid in cash in accordance with the vesting schedule applicable to the corresponding Unvested RSU, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated Unvested RSU (including continued employment requirements through the applicable date(s) of vesting).

Restricted Stock Awards

Each unvested share of restricted stock that is outstanding immediately prior to the effective time of the Merger will be converted into a deferred cash award in an amount equal to the merger consideration of \$13.00 per share. Each such deferred cash award will be paid in cash in accordance with the vesting schedule applicable to the corresponding share of restricted stock, but only if the holder of such deferred cash award satisfies all of the vesting conditions that would have related to the terminated unvested shares of restricted stock (including continued employment requirements through the applicable date(s) of vesting).

Accelerated Vesting for Certain Awards

The equity-based awards held by our non-employee directors, to the extent then unvested, will accelerate and vest upon the Merger. In connection with the Merger, InvenSense entered into letter agreements with Messrs. Abdi, Goehl and Maghsoudnia, which provide for the accelerated payment immediately following the Merger of a percentage of the deferred cash award attributable to the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi), to which they will become entitled at the effective time of the Merger. Such accelerated payment will proportionately reduce any future payments to be made to them on the applicable vesting dates with respect to such deferred cash awards. The accelerated payment of a percentage of such deferred cash awards is effectively the same as accelerated vesting at the time of the Merger of that percentage of the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi). For more information, see the section of this proxy statement captioned “*Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements.*” In the case of our named executive officers, pursuant to their executive change in control and severance agreements, 100% of the equity awards held by them that will not vest prior to or upon the Merger are subject to accelerated vesting (on a “double-trigger” basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers). For more information, see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Executive Change in Control and Severance Agreements.*”

Employee Stock Purchase Plan

Under our ESPP, no new offering periods will commence following completion of the offering period in progress as of the date of the Merger Agreement. The current offering period will terminate in accordance with the terms of the ESPP; except that we will terminate the current offering period five business days prior to the effective time of the Merger if it has not already terminated. On termination of the current offering period, each then-outstanding option under the ESPP will be exercised automatically, and we will terminate the ESPP as of immediately prior to the closing date of the Merger.

Financing of the Merger

The Merger is not conditioned on TDK Corporation obtaining the proceeds of any financing. We anticipate that the total funds necessary to complete the Merger and the other transactions contemplated by the Merger Agreement will be approximately \$1.3 billion, which will be funded through available cash on hand of TDK Corporation. These funds include the funds needed to:

- pay stockholders the amounts due under the Merger Agreement; and

[Table of Contents](#)

- make payments in respect of certain of the Company’s outstanding equity-based awards pursuant to the Merger Agreement.

Interests of Directors and Executive Officers in the Merger May Differ From Your Interests

In considering the recommendation of our Board of Directors that you vote in favor of the Merger Proposal, you should be aware that certain of our directors and executive officers may have interests in the Merger that are different from, or are in addition to, the interests of InvenSense and our stockholders generally. These interests may create a potential conflict of interest and may be perceived to have affected their decision to support or approve the Merger. Our Board of Directors was aware of these potential conflicts of interest during its deliberations on the merits of the Merger and in making its decision to approve the Merger Agreement, the Merger and the related transactions. Stockholders should be aware of these interests, which are described and quantified in more detail below, when considering our Board of Directors’ recommendation to approve the Merger Proposal.

Executive Officers and Directors

Our executive officers and directors as of February 1, 2017 were as follows:

Positions with the Surviving Corporation

The Merger Agreement provides that the officers of InvenSense at the effective time of the Merger will be the officers of InvenSense, as the surviving corporation, after the Merger. In connection with the execution of the Merger Agreement, each of Messrs. Abdi, Goehl and Maghsoudnia entered into a letter agreement with InvenSense as further described below (see the section of this proxy statement captioned “*Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements*” below), and are expected to remain employed by the surviving corporation following the Merger.

New Equity Awards

Through June 30, 2017, we may grant RSUs with an aggregate grant date fair value that does not exceed \$23.0 million. Additionally, between July 1, 2017 and September 30, 2017, we may grant RSUs with an aggregate grant date fair value that does not exceed \$3.7 million. These RSU grants must be made in the ordinary course of business consistent with past practice (*i.e.* in connection with new hires, at the time of annual focal review for employees or annual director grants) and, other than with respect to RSU grants made to our directors, the grants will not be subject to acceleration upon a change of control with respect to TDK Corporation (including pursuant to existing employment agreements). The RSUs granted during these periods will vest over a four year period, with 25% vesting on the one year anniversary of the grant date and the remainder vesting in equal installments monthly thereafter.

Insurance and Indemnification of Directors and Executive Officers

TDK Corporation and Merger Subsidiary have agreed that all rights to indemnification, exculpation and advancement of expenses existing in favor of our current or former directors and officers and each of our subsidiaries as provided in our charter or bylaws (and comparable governing documents of our subsidiaries), or pursuant to any other contracts in effect on the date of the Merger Agreement for acts or omissions occurring prior to the effective time of the Merger will survive the Merger and remain in full force and effect in accordance with their terms for a period of six years after the effective time of the Merger.

For six years after the effective time of the Merger, to the fullest extent permitted under applicable law, TDK Corporation and the surviving corporation will indemnify, defend and hold harmless any person that has been or becomes, prior to the effective time of the Merger, an officer or director of InvenSense or any of our subsidiaries (referred to as an indemnified person) against all liabilities arising out of actions or omissions in their capacity as such occurring at or prior to the effective time of the Merger (including in connection with the transactions contemplated by the Merger Agreement), and will advance and/or reimburse each indemnified person for any legal or other expenses reasonably incurred by such indemnified person in connection with investigating or defending any such liabilities. The surviving corporation must receive an undertaking by such indemnified person to repay such legal and other fees and expenses paid in advance if it is ultimately determined in a final non appealable judgment of a court of competent jurisdiction that such indemnified person is not entitled to be indemnified under applicable law (or if a settlement is made without the knowledge of the surviving corporation).

The Merger Agreement also provides that for an aggregate period of not less than six years from and after the effective time of the Merger, TDK Corporation will cause InvenSense to provide its directors and officers as of the date of the Merger Agreement an insurance policy (“D&O insurance”) that provides coverage for events occurring prior to the effective time of the Merger that is no less favorable than our existing director and officer insurance policy as of the date of the Merger Agreement or, if insurance coverage that is no less favorable is unavailable, the best available coverage; except that we will not be required to pay an annual premium for the D&O insurance in excess of 250% of the last annual premium paid by us prior to the date of the Merger Agreement (referred to as the premium cap) or, if less, the costs of D&O insurance providing coverage on the same terms as our existing policy as of the date of the Merger Agreement.

Under the Merger Agreement, prior to the effective time of the Merger, InvenSense or TDK Corporation may instead substitute a single premium tail coverage with respect to D&O insurance with the maximum coverage available for a total cost equal to the premium cap or, if less, the cost of a single premium tail policy providing the same coverage limits as our existing policy as of the date of the Merger Agreement. If the premiums for such insurance would at any time exceed the premium cap, then the surviving corporation will maintain insurance policies that provide the maximum coverage available for a total cost equal to the premium cap.

Equity-Based Awards

Our named executive officers currently hold Vested Options, Unvested Options, Vested RSUs, Unvested RSUs and unvested shares of restricted stock. Our non-employee directors currently hold Vested Options, Unvested Options, Vested RSUs and Unvested RSUs. The equity-based awards held by our non-employee directors, to the extent then unvested, will accelerate and vest upon a change in control of InvenSense. The Merger constitutes a change in control of InvenSense. In connection with the Merger, we entered into letter agreements with Messrs. Abdi, Goehl and Maghsoudnia, which provide for the accelerated payment immediately following the Merger of a percentage of the deferred cash award attributable to the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi), to which they will become entitled at the effective time of the Merger. Such accelerated payment will proportionately reduce any future payments to be made to them on the applicable vesting dates with respect to such deferred cash awards. The accelerated payment of a percentage of such deferred cash awards is effectively the same as

[Table of Contents](#)

accelerated vesting at the time of the Merger of that percentage of the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi). For more information, see the section of this proxy statement captioned “*Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements.*” In the case of our named executive officers, pursuant to their executive change in control and severance agreements, 100% of the equity awards held by them that will not vest prior to or upon the Merger are subject to accelerated vesting (on a “double-trigger” basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers). For more information, see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Executive Change in Control and Severance Agreements.*” On consummation of the Merger, the equity-based awards then held by our named executive officers and non-employee directors would be treated as described above under “*Treatment of Equity Awards.*”

In connection with approving the Merger and the Merger Agreement, our Board of Directors will approve the disposition of shares of common stock, options, RSUs and shares of restricted stock held by our directors and executive officers, so that such dispositions in the Merger and the conversion into the right to receive the merger consideration, if applicable, are exempt from liability under Section 16(b) of the Exchange Act.

Payments for Equity-Based Awards for Directors

The following table provides a summary of the cash payments that would be payable to the non-employee directors upon consummation of the Merger in exchange for the cancellation of (i) each option held by them that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration (including stock options which vest on the Merger), and (ii) each RSU held by them that is outstanding immediately prior to the effective time of the Merger (including RSUs which vest on the Merger). All unvested equity awards held by the non-employee directors will vest on the Merger and the amounts listed below reflect the cash payments that would be payable for all of the Vested Options and Vested RSUs held by the non-employee directors. For options, the amount shown is equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the option, multiplied by the number of shares of common stock underlying the award. For RSUs, the amount shown is equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award.

Payments for Vested Equity-Based Awards for Named Executive Officers

The following table provides a summary of the cash payments that would be payable to the named executive officers upon consummation of the Merger in exchange for the cancellation of (i) each Vested Option held by them that is outstanding and unexercised immediately prior to the effective time of the Merger and that has an exercise price per share that is less than the merger consideration (including stock options which vest on the Merger), (ii) each Vested RSU held by them that is outstanding immediately prior to the effective time of the Merger (including RSUs which vest on the Merger), and (iii) each vested share of restricted stock held by them that is outstanding immediately prior to the effective time of the Merger (including shares of restricted stock which will vest on the Merger). The amounts listed below are based on the assumption that the Merger is

[Table of Contents](#)

consummated on April 30, 2017, and that the vesting of stock options, RSUs and shares of restricted stock will continue until that date. In the case of Messrs. Abdi, Goehl and Maghsoudnia, the amounts listed below also include the accelerated payment immediately following the Merger of a percentage of the deferred cash award attributable to the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi), to which they will become entitled at the effective time of the Merger pursuant to their letter agreements (see below under “*Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements*”). The accelerated payment of a percentage of such deferred cash awards is effectively the same as accelerated vesting at the time of the Merger of that percentage of the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi). For options, the amount shown is equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the option, multiplied by the number of shares of common stock underlying the award. For RSUs, the amount shown is equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award. For shares of restricted stock, the amount shown is equal to the merger consideration of \$13.00 per share. Such amounts are subject to applicable withholding taxes. The table below includes only payments due upon consummation of the Merger. For information regarding the additional amounts which may become payable with respect to equity awards (on a “double-trigger” basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers), see below under “*Golden Parachute Compensation*.”

- * The total cash payments above include the amounts of the accelerated payment immediately following the Merger of a percentage of the deferred cash awards attributable to the otherwise unvested portion of the equity awards for Messrs. Abdi, Goehl and Maghsoudnia (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi), to which they will become entitled at the effective time of the Merger pursuant to their letter agreements. The total cash payments above do not include payments for RSUs that will vest prior to the Merger (based on the assumption of the Merger being consummated on April 30, 2017), since those RSUs will be settled prior to the Merger. Similarly, the total cash payments above do not include payments for shares of restricted stock that will vest prior to the assumed consummation date of the Merger since those shares will be treated in the same way as shares of our common stock.

Achievement of Performance-Based Vesting Component for Certain Equity-Based Awards

Mr. Abdi holds a performance stock option award covering 200,000 shares of common stock with an exercise price of \$5.65 per share that provides for a performance-based vesting component and a time-based vesting component. The performance-based vesting component is treated as being satisfied if our common stock trades at a closing price per share that is equal to or greater than \$12.50 per share for 20 consecutive trading days on the NYSE. Once the performance-based vesting component has been satisfied, the option then vests monthly over four years commencing on the date that the performance-based vesting component has been satisfied. However, because the merger consideration is equal to \$13.00 per share, pursuant to the terms of the performance stock option award, the performance-based vesting component will be treated as being satisfied on the Merger. Nevertheless, the time-based vesting component will continue to apply, such that the deferred cash award into which the performance stock option is converted will be subject to monthly vesting over four years beginning on the date of the Merger.

Employee Stock Purchase Plan

No new offering period will commence under the ESPP following the end of the current offering period ending May 15, 2017, and the ESPP will be terminated effective immediately prior to the closing date of the Merger. The amount credited to each participant's account on the final purchase date under the ESPP (which date will be no later than five business days prior to the anticipated effective time of the Merger) will be applied to purchase the number of shares of common stock determined pursuant to the terms of the ESPP. At the effective time of the Merger, each such share of common stock purchased will be converted into the right to receive \$13.00 in cash, without interest, and less any applicable withholding taxes.

Executive Bonus Plan

Pursuant to the Merger Agreement, we may make bonus payments to our named executive officers (and certain non-named executive officers) under our executive bonus plan for the fiscal year ended March 31, 2017, in accordance with the achievement of the currently established performance targets, provided that the aggregate payments under such bonus plan do not exceed \$1.5 million in the aggregate.

Executive Change in Control and Severance Agreements

Each of our named executive officers (other than Mr. Abdi, whose arrangement is described below) has an Executive Change in Control and Severance Agreement (referred to as the executive change in control and severance agreement) under which the named executive officer would be entitled to the following payments and benefits (subject to any applicable withholding taxes) if the named executive officer's employment is terminated for "Good Reason" or without "Cause" (as such terms are defined in the applicable executive change in control and severance agreement) either 30 days prior to or within 18 months following a change in control of InvenSense:

- Payment of an amount equal to 12 months of the greater of the base salary in effect immediately prior to the change in control or the then-current annual base salary;
- Payment of any earned but unpaid bonus for the prior fiscal year;
- Payment of an amount equal to the lower of the current year target annual bonus or the amount of the most recent annual bonus paid;
- The acceleration of vesting (or release from repurchase rights, as applicable) with respect to 100% of the named executive officer's then-outstanding and unvested equity awards;
- Extension of the exercise period for outstanding stock options which are assumed by six months; and
- Reimbursement of monthly medical insurance premiums under COBRA (if elected) for 18 months or, if shorter, until the named executive officer becomes eligible to participate in a subsequent employer's group health plan.

Mr. Abdi has an executive change in control and severance agreement under which he would be entitled to the following payments and benefits (subject to any applicable withholding taxes) if his employment is terminated for "Good Reason" or without "Cause" (as such terms are defined in his executive change in control and severance agreement) either 90 days prior to or within 18 months following a change in control of InvenSense:

- Payment of an amount equal to 18 months of the greater of the base salary in effect immediately prior to the change in control or the then-current annual base salary;
- Payment of any earned but unpaid bonus for the prior fiscal year;
- Payment of an amount equal to 150% of the weighted average of the current year target annual bonus and the amount of the most recent annual bonus paid, with such weighted average determined based on the percentage of the current year completed prior to Mr. Abdi's termination of employment;

[Table of Contents](#)

- The acceleration of vesting (or release from repurchase rights, as applicable) with respect to 100% of his then-outstanding and unvested equity awards, to the extent that such equity awards have commenced to vest (or, in the case of performance awards based on the closing stock price being at a sustained level for 20 days, would have commenced to vest had the 20-day trading price equaled the price per share paid in the change in control);
- Extension of the exercise period for outstanding stock options which are assumed by 12 months; and
- Lump-sum cash payment of an amount equal to the reasonably estimated cost of 18 months of continued medical insurance premium payments under COBRA (based on the Company's costs for medical insurance coverage prior to termination).

The payments and benefits provided under the executive change in control and severance agreements described above are contingent upon (i) the named executive officer signing a general release of claims in favor of InvenSense, (ii) the named executive officer complying with certain restrictions on soliciting our employees and other service providers and disparaging us during the named executive officer's period of employment and for one year thereafter, and (iii) the named executive officer continuing to comply with the terms of any form of confidential information agreement.

Pursuant to the letter agreements, as described below, the definition of "Good Reason" for purposes of the executive change in control and severance agreements with Messrs. Abdi, Goehl and Maghsoudnia has been amended to provide that neither the consummation of the Merger nor any changes that are made to the nature or scope of the named executive officer's title, duties, authorities, function, responsibilities, reporting structure or signing authority solely as a result of the consummation of the Merger will trigger Good Reason for the termination of the named executive officer's employment.

Letter Agreements

In connection with the Merger, we entered into letter agreements with Messrs. Abdi, Goehl and Maghsoudnia (each, a "Recipient," and collectively, the "Recipients") providing for the payment of a retention bonus ("Retention Bonus") to each Recipient if (a) the Recipient remains an employee of InvenSense until the later of (i) the date on which the transactions contemplated by the Merger Agreement are consummated and (ii) the first anniversary of the date on which the Merger Agreement is fully executed (such later date, the "Vesting Date"), or (b) the Recipient's employment with InvenSense terminates prior to the Vesting Date as a result of a termination by InvenSense without "Cause" (as defined in the letter agreement) or the Recipient's death or permanent disability (such date of termination, the "Termination Date"). If the Merger Agreement terminates for any reason, the letter agreements will immediately terminate and the Recipients will not be entitled to any Retention Bonus. Payment of the Retention Bonus is subject to the applicable Recipient's execution of a release of claims. The letter agreements also provide for the accelerated payment of a percentage of the total cash value payable for certain unvested equity awards held by the Recipients under the "Company Stock Plans" (as defined in the Merger Agreement), which accelerated payment will proportionately reduce any future payments to be made to the Recipient on the applicable vesting dates with respect to such awards (such percentage, the "Equity Award Acceleration Percentage"). The individual Equity Award Acceleration Percentages for Messrs. Abdi, Goehl and Maghsoudnia are 20%, 25% and 42%, respectively, which apply to all outstanding unvested awards held under any Company Stock Plan (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi) and apply to each tranche of unvested equity awards held by them (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi). The letter agreements also amend the definition of "Good Reason" in each Recipient's executive change in control and severance agreement with InvenSense to provide that neither the consummation of the Merger nor any changes that are made to the nature or scope of the Recipient's title, duties, authorities, function, responsibilities, reporting structure or signing authority solely as a result of the consummation of the Merger would trigger Good Reason for the termination of the Recipient's employment. We have also entered into letter agreements providing for a retention bonus with certain other officers who are not named executive officers.

[Table of Contents](#)

The letter agreement for Mr. Abdi also provides for certain additional bonuses (collectively, the “Additional Retention Bonus”). Pursuant to his letter agreement, Mr. Abdi will be entitled to:

- A lump sum cash payment in an amount up to \$857,500 if (a)(i) he remains employed through March 31, 2018 and (ii) for our fiscal year ending March 31, 2018, InvenSense’s revenue as reported on InvenSense’s audited financial statements in accordance with historical practices and GAAP exceeds \$315,440,000 or (b) his employment with InvenSense terminates prior to March 31, 2018 as a result of a termination by InvenSense without Cause or his death or permanent disability. The amount of this bonus is equal to the product of \$857,500, multiplied by a fraction, the numerator of which is the difference between the actual revenue for fiscal year ending March 31, 2018 and \$315,440,000 and the denominator of which is \$78,860,000. In no event will this bonus exceed \$857,500. In the event of any termination of Mr. Abdi’s employment prior to March 31, 2018 as a result of a termination by InvenSense without Cause or his death or permanent disability, the amount of the bonus payment will be equal to \$857,500.
- A lump sum cash payment in an amount up to \$857,500 if (a)(i) he remains employed through March 31, 2018 and (ii) for our fiscal year ending March 31, 2018, InvenSense’s operating profit calculated in accordance with InvenSense’s historical practices on a non-GAAP basis that excludes stock-based compensation expense and related payroll taxes, accreting interest expense on InvenSense’s 1.75% convertible senior notes, amortization of acquisition-related intangible assets, business acquisition costs and litigation-related expenses (“Operating Profit”) exceeds \$29,760,000 or (b) his employment with InvenSense terminates prior to March 31, 2018 as a result of a termination by InvenSense without Cause or his death or permanent disability. The amount of this bonus is equal to the product of \$857,500, multiplied by a fraction, the numerator of which is the difference between the actual Operating Profit for fiscal year ending March 31, 2018 and \$29,760,000 and the denominator of which is \$7,440,000. In no event will this bonus exceed \$857,500. In the event of any termination of Mr. Abdi’s employment prior to March 31, 2018 as a result of a termination by InvenSense without Cause or his death or permanent disability, the amount of the bonus payment will be equal to \$857,500.
- A lump sum cash payment in an amount up to \$857,500 if (a)(i) he remains employed through March 31, 2019 and (ii) for our fiscal year ending March 31, 2019, InvenSense’s revenue as reported on InvenSense’s audited financial statements in accordance with historical practices and GAAP exceeds \$503,520,000 or (b) his employment with InvenSense terminates prior to March 31, 2019 as a result of a termination by InvenSense without Cause or his death or permanent disability. The amount of this bonus is equal to the product of \$857,500, multiplied by a fraction, the numerator of which is the difference between the actual revenue for fiscal year ending March 31, 2019 and \$503,520,000 and the denominator of which is \$125,880,000. In no event will this bonus exceed \$857,500. In the event of any termination of Mr. Abdi’s employment prior to March 31, 2019 as a result of a termination by InvenSense without Cause or his death or permanent disability, the amount of the bonus payment will be equal to \$857,500.
- A lump sum cash payment in an amount up to \$857,500 if (a)(i) he remains employed through March 31, 2019 and (ii) for our fiscal year ending March 31, 2019, InvenSense’s Operating Profit exceeds \$60,240,000 or (b) his employment with InvenSense terminates prior to March 31, 2019 as a result of a termination by InvenSense without Cause or his death or permanent disability. The amount of this bonus is equal to the product of \$857,500, multiplied by a fraction, the numerator of which is the difference between the actual Operating Profit for fiscal year ending March 31, 2019 and \$60,240,000 and the denominator of which is \$15,060,000. In no event will this bonus exceed \$857,500. In the event of any termination of Mr. Abdi’s employment prior to March 31, 2019 as a result of a termination by InvenSense without Cause or his death or permanent disability, the amount of the bonus payment will be equal to \$857,500.

The letter agreement for Mr. Abdi also provides that his base salary will be increased to a rate of \$420,000 per year effective immediately, and his annual target incentive bonus opportunity for fiscal year ending March 31, 2018 (which will be in addition to the potential bonus payments described above) will be 100% of his then-current annual base salary.

Golden Parachute Compensation

The following table sets forth the information required by Item 402(t) of Regulation S-K regarding certain compensation that will or may be paid or become payable to each of ours named executive officers and that is based on or otherwise relates to the Merger. This compensation is sometimes referred to as “golden parachute” compensation. The amounts set forth in the tables below are based on payments and benefits that may become payable pursuant to the terms of the executive bonus plan, executive change in control and severance agreements, letter agreements, equity awards or the Merger Agreement, which payments and benefits are described above under “*Interests of Directors and Executive Officers in the Merger May Differ From Your Interests*,” which is incorporated by reference herein. The amounts listed below are estimates based on multiple assumptions that may or may not actually occur, including the assumptions that the Merger is consummated on April 30, 2017, and that each named executive officer will be terminated by InvenSense without Cause on such date (as defined in the applicable executive change in control and severance agreement). The actual amounts, if any, to be received by a named executive officer may differ from the amounts set forth below. In addition, the executive change in control and severance agreements provide that, at the election of the named executive officer, the payments and benefits provided to the named executive officer will be either paid in full or reduced to avoid the application of Section 280G of the Internal Revenue Code of 1986, as amended, whichever results in the greatest benefit for the named executive officer. The payments and benefits provided for under the executive change in control and severance agreements are contingent upon (i) the named executive officer signing a general release of claims in favor of InvenSense, (ii) the named executive officer complying with certain restrictions on soliciting our employees and other service providers and disparaging us during the named executive officer’s period of employment and for one year thereafter, and (iii) the named executive officer continuing to comply with the terms of any form of confidential information agreement. The payments provided for under the letter agreements are subject to the named executive officer signing a general release of claims in favor of InvenSense.

- (1) Represents the “double-trigger” cash severance payable pursuant to the executive change in control and severance agreements if the named executive officer is terminated for Good Reason or without Cause (as such terms are defined in the applicable executive change in control and severance agreement) either within 90 days prior to or 18 months following a change in control of InvenSense (for Mr. Abdi) or within 30 days prior to or 18 months following a change in control of InvenSense (for the other named executive officers). Also represents the “double-trigger” cash Retention Bonus and Mr. Abdi’s Additional Retention Bonus payable pursuant to the letter agreements if the named executive officer is terminated without Cause prior to the later of (i) the date on which the Merger is consummated or (ii) the first anniversary of the date on which the Merger Agreement is fully executed. The following table sets forth the portion of each named executive officer’s (x) cash severance applicable to the salary component and bonus component of the executive change in control and severance agreements and (y) Retention Bonus component and Mr. Abdi’s Additional Retention Bonus component of the letter agreements. The salary component is equal to 12 months’ base salary (or 18 months’ base salary in the case of Mr. Abdi). The bonus component is equal to the lower of the current year target annual bonus or the amount of the most recent annual bonus paid (or 150% of the weighted average of the current year target annual bonus and the amount of the most recent annual bonus paid in the case of Mr. Abdi). The salary component shown is based on the current annual base salary. The bonus component shown is based on the current year target annual bonus and assumes that there will be no earned but unpaid bonus for the fiscal year preceding the year of termination. These amounts are subject to change based on the actual bonus paid for the fiscal year preceding the year of termination and the actual target annual bonus for the year of termination. The Retention Bonus component and Mr. Abdi’s Additional Retention Bonus component shown are based on the amounts set forth in the letter agreements.

Such amounts are described in the following table as “single-trigger” payments. Also represents the amounts payable with respect to certain equity awards which will vest in the event of a qualifying termination within the applicable time period pursuant to the executive change in control and severance agreements (see above under “*Interests of Directors and Executive Officers in the Merger May Differ From Your Interests Executive Change in Control and Severance Agreements*”). Such amounts are described in the following table as “double-trigger” payments. For options, the amount shown is equal to the excess of the merger consideration of \$13.00 per share over the applicable exercise price per share of the option, multiplied by the number of shares of common stock underlying the award. For RSUs, the amount shown is equal to the merger consideration of \$13.00 per share, multiplied by the number of shares of common stock underlying the award. For shares of restricted stock, the amount shown is equal to the merger consideration of \$13.00 per share.

Material U.S. Federal Income Tax Consequences

U.S. Federal Income Tax Consequences of the Merger

The following discussion is a summary of certain U.S. federal income tax consequences of the Merger that are relevant to holders of shares of InvenSense common stock whose shares are converted into the right to receive cash pursuant to the Merger. This discussion is based upon the Internal Revenue Code of 1986, as amended (the “Code”), Treasury Regulations promulgated under the Code, court decisions, published positions

[Table of Contents](#)

of the Internal Revenue Service (the “IRS”), and other applicable authorities, all as in effect on the date of this proxy statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. This discussion is limited to holders who hold their shares of InvenSense common stock as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment). This summary does not describe any of the tax consequences arising under the laws of any state, local or foreign tax jurisdiction and does not consider any aspects of U.S. federal tax law other than income taxation (e.g., estate, gift or alternative minimum tax or the Medicare net investment income surtax). In addition, this summary does not address the U.S. federal income tax consequences to holders of shares who exercise appraisal rights under Delaware law. For purposes of this discussion, a “holder” means either a U.S. Holder or a Non-U.S. Holder (each as defined below) or both, as the context may require.

This discussion is for general information only and does not address all of the tax consequences that may be relevant to holders in light of their particular circumstances. For example, this discussion does not address tax consequences to:

- Holders who may be subject to special treatment under U.S. federal income tax laws, such as: financial institutions, tax-exempt organizations, governmental organizations, S corporations, partnerships or any other entities or arrangements treated as partnerships or pass-through entities for U.S. federal income tax purposes, insurance companies, mutual funds, dealers in stocks and securities, traders in securities that elect to use the mark-to-market method of accounting for their securities, regulated investment companies, real estate investment trusts, personal holding companies, entities subject to the U.S. anti-inversion rules or certain expatriates or former long-term residents of the United States;
- Holders holding the shares as part of a hedging, constructive sale or conversion, straddle or other risk reducing transaction;
- Holders that received their shares of InvenSense common stock in a compensatory transaction; or
- U.S. Holders whose “functional currency” is not the U.S. dollar.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of shares of InvenSense common stock, the tax treatment of a partner in such partnership will generally depend upon the status of the partner and the activities of the partnership. Partnerships holding the shares of InvenSense common stock and partners therein should consult their tax advisors regarding the consequences of the Merger.

No ruling has been or will be obtained from the IRS regarding the U.S. federal income tax consequences of the Merger. If the IRS contests a conclusion set forth herein, no assurance can be given that a holder would ultimately prevail in a final determination by a court.

THIS DISCUSSION IS PROVIDED FOR GENERAL INFORMATION ONLY AND DOES NOT CONSTITUTE LEGAL ADVICE TO ANY HOLDER. A HOLDER SHOULD CONSULT ITS TAX ADVISORS CONCERNING THE U.S. FEDERAL INCOME TAX CONSEQUENCES RELATING TO THE MERGER IN LIGHT OF ITS PARTICULAR CIRCUMSTANCES AND ANY CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN TAXING JURISDICTION.

U.S. Holders

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of shares of InvenSense common stock who or that is for U.S. federal income tax purposes:

- An individual who is a citizen or resident of the United States;
- A corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- An estate, the income of which is subject to U.S. federal income taxation regardless of its source; or

[Table of Contents](#)

- A trust (i) that is subject to the primary supervision of a court within the United States and the control of one or more United States persons as defined in section 7701(a)(30) of the Code or (ii) that has a valid election in effect under applicable Treasury regulations to be treated as a United States person.

The receipt of cash by a U.S. Holder in exchange for shares of InvenSense common stock pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes. In general, such U.S. Holder's gain or loss will be equal to the difference, if any, between the amount of cash received and the U.S. Holder's adjusted tax basis in the shares surrendered pursuant to the Merger. Gain or loss will be determined separately for each block of shares (that is, shares acquired at the same cost in a single transaction) exchanged for cash pursuant to the Merger. A U.S. Holder's adjusted tax basis generally will equal the amount that such U.S. Holder paid for the shares. Such gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if such U.S. Holder's holding period in such shares is more than one year at the time of the completion of the Merger. A reduced tax rate on capital gain generally will apply to long-term capital gain of a non-corporate U.S. Holder. There are limitations on the deductibility of capital losses.

Non-U.S. Holders

For purposes of this discussion, the term "Non-U.S. Holder" means a beneficial owner of shares of InvenSense common stock who or that is neither a U.S. Holder nor a partnership (or an entity taxable as a partnership) for U.S. federal income tax purposes.

Special rules not discussed below may apply to certain Non-U.S. Holders subject to special tax treatment such as "controlled foreign corporations" or "passive foreign investment companies." Non-U.S. Holders should consult their own tax advisors to determine the U.S. federal, state, local, Non-U.S. and other tax consequences that may be relevant to them in light of their particular circumstances.

Any gain realized by a Non-U.S. Holder pursuant to the Merger generally will not be subject to U.S. federal income tax unless:

- The gain is effectively connected with a trade or business of such Non-U.S. Holder in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States), in which case such gain generally will be subject to U.S. federal income tax at rates generally applicable to U.S. persons, and, if the Non-U.S. Holder is a corporation, such gain may also be subject to the branch profits tax at a rate of 30% (or a lower rate under an applicable income tax treaty);
- Such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of the Merger, and certain other specified conditions are met, in which case such gain will generally be subject to U.S. federal income tax at a rate of 30% (unless an applicable income tax treaty reduces or eliminates such income tax), but may be offset by certain U.S.-source capital losses of the Non-U.S. Holder (even though the individual is not considered a resident of the United States), provided the Non-U.S. Holder has timely filed U.S. federal income tax returns with respect to such losses; or
- We are or have been a "United States real property holding corporation" as such term is defined in Section 897(c) of the Code, which we refer to as a USRPHC, at any time within the shorter of the five-year period preceding the Merger and such Non-U.S. Holder's holding period with respect to the applicable shares of InvenSense common stock, which we refer to as the relevant period, and, if shares of InvenSense common stock are regularly traded on an established securities market (within the meaning of Section 897(c)(3) of the Code), such Non-U.S. Holder owns or is deemed to own more than 5% of the shares of InvenSense common stock at any time during the relevant period, in which case such gain will be subject to U.S. federal income tax at rates generally applicable to U.S. persons. We believe that we are not, and have not been, a USRPHC at any time during the five-year period preceding the anticipated date of completion of the Merger.

Information Reporting and Backup Withholding

Payments made to holders in exchange for shares of InvenSense common stock pursuant to the Merger may be subject to information reporting and may be subject to backup withholding. To avoid backup withholding on such payments, U.S. Holders that do not otherwise establish an exemption should complete and return to the paying agent a properly executed IRS Form W-9, certifying that such holder is a U.S. person, the taxpayer identification number provided is correct, and that such holder is not subject to backup withholding. Certain holders (including corporations) are not subject to backup withholding or information reporting rules.

Non-U.S. Holders are generally exempt from backup withholding but must complete and return to the paying agent properly executed appropriate IRS Form W-8 to perfect that exemption. Copies of information returns that are filed with the IRS, if applicable, may be made available under an applicable tax treaty or information exchange agreement to the tax authorities of the country in which the non-U.S. Holder resides or is established.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against a holder's U.S. federal income tax liability, if any, provided the required information is timely furnished to the IRS. Holders should consult their tax advisors regarding the information reporting and backup withholding rules.

Governmental and Regulatory Approvals

Antitrust Approvals

Under the HSR Act and the rules promulgated thereunder, TDK Corporation and InvenSense cannot complete the Merger until they notify and furnish information to the Federal Trade Commission and the Antitrust Division of the U.S. Department of Justice, and specified waiting period requirements are satisfied. TDK Corporation and InvenSense filed the notification and report forms under the HSR Act with the U.S. Federal Trade Commission and the Antitrust Division on January 13, 2017 and the mandatory waiting period under the HSR Act expired on February 13, 2017.

In addition, TDK Corporation and InvenSense cannot complete the Merger until the required submissions have been made and approvals granted under the South Korea Monopoly Regulation and Fair Trade Act and the Republic of China (Taiwan) Fair Trade Law of 1991. TDK Corporation filed the required submission with the Korea Fair Trade Commission on February 23, 2017 and with the Taiwan Fair Trade Commission on March 2, 2017.

CFIUS

The Merger is also conditioned on the issuance of clearance from CFIUS. This CFIUS clearance takes the form of either (a) a written notification from CFIUS that the Merger is not a covered transaction and not subject to review under applicable law; (b) a written notification from CFIUS that the CFIUS review has been completed and that CFIUS has determined that there are no unresolved national security concerns in connection with the Merger; or (c) CFIUS will have sent a report to the President of the United States requesting the President's decision on the CFIUS notice and either (1) the period under the Defense Production Act of 1950 (referred to as the Defense Production Act) during which the President may announce his decision to take action to suspend, prohibit or place any limitations on the Merger will have expired without any such action being taken or (2) the President will have announced a decision not to take any action to suspend, prohibit or place any limitations on the Merger.

In the event that (A) TDK Corporation withdraws the CFIUS filing prior to the conclusion of the CFIUS review and does not re-file within a certain period of time, (B) CFIUS notifies TDK Corporation and InvenSense that CFIUS has completed its review or investigation and determined it has unresolved national security concerns and (1) TDK Corporation unilaterally withdraws or the parties mutually agree to withdraw and (2) TDK Corporation does not re-file within a certain period of time, or (C) the President takes action to prohibit the Merger, a "CFIUS Turndown" will have occurred. In the event of a CFIUS Turndown, either party has the right

[Table of Contents](#)

to terminate the Merger Agreement and abandon the Merger. See the section of this proxy statement captioned “*The Merger Agreement Termination of the Merger Agreement*” below.

InvenSense and TDK Corporation filed a joint voluntary notice with CFIUS on February 16, 2017. The notice has been accepted for review by CFIUS with the first day of the review period commencing on February 27, 2017. While we believe that CFIUS clearance will ultimately be obtained, this clearance is not assured. Each party’s obligations to complete the Merger are contingent upon CFIUS clearance.

Miscellaneous

In addition, TDK Corporation submitted an application to the French Ministry of the Economy on February 6, 2017 for an approval of the Merger under Articles L.151-3 and R.153-1 et seq. of the French Monetary and Financial Code in respect of foreign investment controls. The French Ministry of the Economy provided its clearance of the Merger on March 24, 2017.

Conditions Imposed by Regulatory Authorities

Antitrust, CFIUS and other applicable regulatory authorities may impose conditions as a prerequisite for their respective clearances or approvals of the Merger. TDK Corporation and Merger Subsidiary are not required to, and, without the prior written consent of TDK Corporation, InvenSense may not (A) enter into any settlement, undertaking, consent decree, stipulation or agreement with any governmental authority in connection with the transactions contemplated under the Merger Agreement or (B) propose, negotiate, commit to or effect by consent decree, hold separate orders or otherwise, in each case of clauses (A) and (B) that would impose or provide for,

- (1) any restrictions on the operation of the business of InvenSense by TDK Corporation;
- (2) the sale, license, assignment, transfer, lease, or other divestiture or disposition of the assets, properties or business of TDK Corporation or its subsidiaries (excluding InvenSense following the effective time of the Merger); or
- (3) the sale, license, assignment, transfer, lease or other divestiture or disposition of any assets or business of InvenSense or any of its subsidiaries that would reduce the reasonably anticipated benefits to TDK Corporation (including anticipated synergies) of the transactions contemplated by the Merger Agreement in an amount that is financially material relative to the value of InvenSense and its subsidiaries taken as a whole.

Legal Proceedings

To date six people, each alleging that he or she owns common stock in the Company, have filed purported class action lawsuits against the Company and its board of directors in the United States District Court for the Northern District of California: *Marc Nuzzo v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang, Yunbei Yu, TDK Corporation and TDK Sensor Solutions Corporation, No. 5:17-cv-00859-JD (N.D. Cal., filed Feb. 21, 2017)*; *Marc Chicorel v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang and Yunbei Yu, No. 5:17-cv-00901 (N.D. Cal., filed Feb. 22, 2017)*; *David Dunham v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang, Yunbei Yu, Usama Fayyad, TDK Corporation and TDK Sensor Solutions Corporation, No. 5:17-cv-00957 (N.D. Cal., filed Feb. 24, 2017)*; *Atef Isaac v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang and Yunbei “Ben” Yu, No. 3:17-cv-01014 (N.D. Cal., filed Feb. 27, 2017)*; *Amy Holzman v. InvenSense, Inc., Behrooz Abdi, Amit Shah, Jon Olson, Eric Stang, Amir Faintuch, Usama Fayyad, Emiko Higashi, Yunbei Yu, TDK Corporation and TDK Sensor Solutions Corporation, No. 5:17-cv-01038 (N.D. Cal., filed Feb. 28, 2017)*; and *George E. Rollins v. InvenSense, Inc., Behrooz Abdi, Amir Faintuch, Usama Fayyad, Emiko Higashi, Jon Olson, Amit Shah, Eric Stang, Yunbei “Ben” Yu, TDK Corporation, and TDK Sensor Solutions Corporation, No. 3:17-cv-001574 (N.D. Cal., filed Mar. 23, 2017)*.

[Table of Contents](#)

The lawsuits all challenge the Company's proposed acquisition by TDK Corporation and TDK Sensor Solutions Corporation; four of the six also name as defendants TDK Corporation and TDK Sensor Solutions Corporation. All six complaints assert a claim under section 14(a) of the Exchange Act and SEC Rule 14a-9 against the Company and its directors, and a control person claim under section 20(a) of the Exchange Act against the Company's directors; three of the complaints assert the control person claim against TDK Corporation and TDK Sensor Solutions Corporation as well. The complaints allege that the Company's preliminary proxy statement filed with the SEC on February 3, 2017 ("preliminary proxy") is materially false and misleading because it omits certain information about the Company's financial projections and the financial analysis performed by the Company's financial advisor, Qatalyst Partners; some also allege that the preliminary proxy omits information about the process that led to the merger; finally, one makes allegations with respect to the reasonableness of certain assumptions underlying such financial analysis.

One of the complaints (*Dunham*) also asserts a claim for breach of fiduciary duty against the individual defendants and a claim for aiding and abetting the individual defendants' alleged breaches of fiduciary duty against the Company, TDK Corporation and TDK Sensor Solutions Corporation. This complaint alleges that the individual defendants breached their fiduciary duties of loyalty, good faith, due care and disclosure by not taking steps to achieve adequate consideration for shareholders, by engineering the merger to benefit themselves and TDK at the expense of other shareholders, and by agreeing to deal protection terms that unduly deter topping bids. While the other five complaints do not assert fiduciary duty claims as such, several of them include factual allegations similar to those made in the *Dunham* complaint.

With some variations, the complaints all seek: orders preliminarily and permanently enjoining defendants from closing the merger or, if the merger closes, rescinding it or awarding damages; declaratory relief against the merger and the preliminary proxy; and attorneys' fees and costs.

The Company and its directors have waived service of summons and appeared in the *Chicorel*, *Dunham* and *Holzman* cases. The Company and the directors have informally agreed to waive service of summons or agreed to waive service of summons in all six lawsuits.

Anticipated Closing of the Merger

We intend to complete the Merger as soon as possible, but in any event, no later than five business days after all of the closing conditions have been met or waived by the party or parties entitled to the benefit thereof, or on such other date as is mutually agreed upon by TDK Corporation and InvenSense. We currently expect the Merger to be completed in the second quarter of the fiscal year ending March 31, 2018, although we cannot assure completion by any particular date, if at all. We will issue a press release and letters of transmittal for your use once the Merger has been completed.

Delisting and Deregistration of our Common Stock

If the Merger is completed, our common stock will cease to be listed on the NYSE and will subsequently be deregistered under the Exchange Act, and we will no longer file periodic reports with the SEC.

If the Merger Proposal is not approved by our stockholders or if the Merger is not completed for any other reason, our stockholders will not receive any payment for their shares in connection with the Merger. Instead, we will remain an independent public company and our common stock will continue to be listed and traded on the NYSE.

THE MERGER AGREEMENT

The following description summarizes the material provisions of the Merger Agreement and is qualified in its entirety by reference to the complete text of the Merger Agreement. The descriptions of the Merger Agreement in this summary and elsewhere in this proxy statement are not complete and are qualified in their entirety by reference to the Merger Agreement, a copy of which is included as [Appendix A](#) to this proxy statement. We encourage you to read the Merger Agreement carefully and in its entirety. The Merger Agreement has been included to provide you with information regarding its terms. It is not intended to provide any other factual information about us. Such information can be found elsewhere in this proxy statement and in our other public filings with the SEC, which are available without charge at www.sec.gov. The rights and obligations of the parties are governed by the express terms of the Merger Agreement and not by this summary or any other information contained in this proxy statement.

Merger Consideration

At the effective time of the Merger, each outstanding share of our common stock, other than shares held by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled), and shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest. The merger consideration will be adjusted appropriately to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into our common stock), reorganization, recapitalization, reclassification, combination, merger, issuer tender offer, exchange of shares or other like change with respect to our common stock occurring on or after December 21, 2016 and prior to the effective time of the Merger. This adjustment to the merger consideration will provide to the holders of InvenSense common stock the same economic effect as contemplated by the Merger Agreement prior to such action and will as so adjusted from and after the date of such event, be the merger consideration.

Closing; Effective Time of the Merger

The closing of the Merger will occur as soon as possible, but in any event, no later than five business days after all of the closing conditions have been met or waived by the party or parties entitled to the benefit thereof, or on such other date as is mutually agreed upon by TDK Corporation and InvenSense.

The Merger will become effective upon the filing of a certificate of merger at closing with the Delaware Secretary of State or at such later date or time as is agreed upon by Merger Subsidiary, TDK Corporation and InvenSense and specified in the certificate of merger. Subject to the terms and conditions of the Merger Agreement and in accordance with Delaware law, upon the completion of the Merger, Merger Subsidiary, a wholly-owned subsidiary of TDK Corporation and a party to the Merger Agreement, will merge with and into InvenSense. InvenSense will survive the Merger as a wholly-owned subsidiary of TDK Corporation.

Conversion of Shares; Procedures for Exchange of Certificates

Effective automatically upon the effective time of the Merger, you will have the right to receive \$13.00 in cash per share of outstanding InvenSense common stock, without interest. Prior to the effective time of the Merger, TDK Corporation will appoint a bank or trust company to act as paying agent under the Merger Agreement, and will deposit with the paying agent cash in an amount sufficient to pay the aggregate merger consideration to our stockholders. The Merger Agreement provides that promptly and in any event no later than three business days after the effective time of the Merger, TDK Corporation will cause the paying agent to send to each eligible holder of record of shares of InvenSense common stock at the effective time a letter of transmittal and instructions for use in surrendering their certificates and book-entry shares in exchange for the merger consideration. **No stockholder should surrender any certificates until the stockholder receives the letter of transmittal and other materials from the paying agent for such surrender.** Payment will only be

[Table of Contents](#)

made to the person to whom such certificates or book-entry shares are registered. Upon receipt of an “agent’s message” by the paying agent (or such other evidence, if any, of transfer to the paying agent as the paying agent may reasonably request), together with an executed and completed letter of transmittal and IRS Form W-9 or W-8 (as applicable) and any other documents reasonably required, a stockholder will be entitled to receive that portion of the merger consideration with respect to the shares of common stock held by them. The shares so surrendered will be cancelled.

You should not send your certificates until requested to do so and should send them only pursuant to instructions set forth in the letters of transmittal to be mailed to stockholders promptly after the effective time of the Merger. In all cases, the merger consideration will be paid only in accordance with the procedures set forth in the Merger Agreement and such letters of transmittal.

The Merger Agreement provides that one year after the effective time of the Merger, the paying agent will deliver to TDK Corporation any funds made available to the paying agent which have not been disbursed to holders of InvenSense common stock, and that any holders of shares who have not complied with the above-described procedures to receive payment of the merger consideration during such period may thereafter look only to InvenSense (as the surviving corporation in the Merger and a subsidiary of TDK Corporation) for payment of the merger consideration, without interest, to which they are entitled. Any amounts unclaimed two years after the effective time of the Merger (or such earlier date, immediately prior to such time when the amounts would otherwise escheat to or become property of any governmental authority) will become, to the extent permitted by law, the property of InvenSense (as the surviving corporation in the Merger and a subsidiary of TDK Corporation) free and clear of all claims or any interest or any person previously entitled thereto.

Effect on Stock Options, RSUs and Shares of Restricted Stock

At the effective time of the Merger, each outstanding (i) share of our common stock, other than shares held by InvenSense, TDK Corporation and their respective subsidiaries (which shares will be cancelled), and shares held by stockholders who have validly exercised their appraisal rights under Delaware law, will automatically be cancelled and converted into the right to receive \$13.00 in cash, without interest; (ii) Vested Option that has an exercise price per share that is less than \$13.00 will be canceled and the holder thereof will receive an amount in cash per share of common stock subject to such Vested Option equal to any excess of (A) \$13.00 over (B) the exercise price per share of such Vested Option, and less applicable tax withholdings and (iii) Vested RSU will be canceled and the holder thereof will receive an amount in cash per share of common stock subject to the Vested RSU equal to \$13.00, less applicable tax withholdings. All amounts payable with respect to such Vested Options and Vested RSUs will be paid by TDK Corporation or InvenSense (as the surviving corporation in the Merger and a subsidiary of TDK Corporation) as soon as practicable following the effective time of the Merger, and in any event in connection with the next payroll payment that is made at least five business days following the effective time of the Merger. Each Vested Option with an exercise price per share that is equal to or greater than \$13.00 will be cancelled without any consideration.

Additionally, at the effective time of the Merger, each outstanding (i) Unvested Option that has an exercise price per share that is less than \$13.00, will be canceled and converted into the right of the holder thereof to receive a payment in cash per share of common stock subject to such Unvested Option equal to any excess of (A) \$13.00 over (B) the exercise price per share of such Unvested Option, and less applicable tax withholdings, which amount will be payable in accordance with the applicable vesting schedule that would have applied to such Unvested Option, but only if the holder of such terminated Unvested Option satisfies all of the vesting terms and conditions that would have related to the terminated Unvested Option (including any continued employment requirements through the applicable date(s) of vesting); (ii) Unvested RSU will be canceled and converted into the right of the holder thereof to receive a payment in cash per share of common stock subject to the Unvested RSU equal to \$13.00, less applicable tax withholdings, which amount will be payable in accordance with the applicable vesting schedule that would have applied to such Unvested RSU, but only if the holder of such terminated Unvested RSU satisfies all of the vesting terms and conditions that would have related to the

[Table of Contents](#)

terminated Unvested RSU (including any continued employment requirements through the applicable date(s) of vesting) and (iii) unvested share of restricted stock will be cancelled and converted into the right of the holder thereof to receive a payment in cash equal to \$13.00, less applicable tax withholdings, which amount will be payable in accordance with the applicable vesting schedule that would have applied to such unvested share of restricted stock, but only if the holder of such terminated unvested share of restricted stock satisfies all of the vesting terms and conditions that would have related to the terminated unvested share of restricted stock (including any continued employment requirements through the applicable date(s) of vesting). Each Unvested Option (x) with an exercise price per share that is equal to or greater than \$13.00 or (y) that is subject to vesting based on performance criteria that has not been achieved as of the effective time of the Merger, will be canceled without any consideration.

The equity-based awards held by our non-employee directors, to the extent then unvested, will accelerate and vest upon the Merger. In connection with the Merger, we entered into letter agreements with Messrs. Abdi, Goehl and Maghsoudnia, which provide for the accelerated payment immediately following the Merger of a percentage of the deferred cash award attributable to the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi), to which they will become entitled at the effective time of the Merger. Such accelerated payment will proportionately reduce any future payments to be made to them on the applicable vesting dates with respect to such deferred cash awards. The accelerated payment of a percentage of such deferred cash awards is effectively the same as accelerated vesting at the time of the Merger of that percentage of the otherwise unvested portion of their equity awards (limited, however, to unvested shares of restricted stock in the case of Mr. Abdi). For more information, see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Letter Agreements.*” In the case of our named executive officers, pursuant to their executive change in control and severance agreements, 100% of the equity awards held by them that will not vest prior to or upon the Merger are subject to accelerated vesting (on a “double-trigger” basis) in the event of a qualifying termination within 90 days prior to or 18 months following the Merger (for Mr. Abdi) or within 30 days prior to or 18 months following the Merger (for the other named executive officers). For more information, see the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests—Executive Change in Control and Severance Agreements.*”

Furthermore, under our ESPP, no new offering periods will commence following completion of the offering period in progress as of the date of the Merger Agreement. The current offering period will terminate in accordance with the terms of the ESPP; except that we will terminate the current offering period five business days prior to the effective time of the Merger if it has not already terminated. On termination of the current offering period, each then-outstanding option under the ESPP will be exercised automatically, and we will terminate the ESPP as of immediately prior to the closing date of the Merger.

Representations and Warranties

The Merger Agreement contains representations and warranties of InvenSense and TDK Corporation. These representations and warranties described below and included in the Merger Agreement: (1) were made only for purposes of the Merger Agreement and made solely as of specific dates; (2) were made solely for the benefit of the parties to the Merger Agreement; and (3) are subject to important qualifications, limitations and supplemental information agreed to by InvenSense and TDK Corporation in connection with negotiating the terms of the Merger Agreement, including information and statements disclosed on Forms 10-K, 10-Q or 8-K filed by InvenSense with the SEC on or after May 5, 2016 and prior to December 21, 2016 (where the relevance of the information to a particular representation is reasonably apparent and excluding any disclosures set forth under the headings “Risk Factors,” or “forward-looking statements,” or disclosures in any other statements that are similarly cautionary or predictive in nature) and as made in a confidential disclosure schedule that we provided to TDK Corporation in connection with the signing of the Merger Agreement. The disclosure schedule contains information that has been included in our general prior public disclosures, as well as additional non-public information. While we do not believe that such disclosure schedule contains information that applicable

securities laws require us to disclose publicly (other than information that has already been so disclosed), the disclosure schedule does contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to reports and documents filed with the SEC. In addition, the representations and warranties may have been included in the Merger Agreement for the purpose of allocating contractual risk between InvenSense, TDK Corporation and Merger Subsidiary rather than to establish matters as facts, and may be subject to standards of materiality applicable to such parties that differ from those applicable to investors. Stockholders are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties, covenants and agreements or any descriptions thereof as characterizations of the actual state of facts or condition of InvenSense, TDK Corporation or Merger Subsidiary or any of their respective affiliates or businesses. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement. The representations and warranties in the Merger Agreement are complicated and not easily summarized. You are urged to read carefully, and in their entirety, the sections of the Merger Agreement captioned “Representations and Warranties of the Company” and “Representations and Warranties of Parent” in Articles 4 and 5, respectively, of the Merger Agreement attached as [Appendix A](#) to this proxy statement.

Conduct of Business Pending Closing

We have agreed in the Merger Agreement that, except with the prior written consent of TDK Corporation (which consent will not be unreasonably withheld, delayed or conditioned), except for actions expressly required or permitted by the Merger Agreement or set forth in the disclosure schedule, and except as required by law, from the date of the Merger Agreement until the earlier of the effective time of the Merger or the termination of the Merger Agreement in accordance with its terms, we will and will cause our subsidiaries to conduct our business in the ordinary course and substantially in accordance with past practice. Additionally, the Company will, and will cause its subsidiaries to, use commercially reasonable efforts to: (i) keep available the services of our officers, key employees and consultants; and (ii) preserve the current relationships with our customers, suppliers and others having significant business relationships with us.

Additionally, except for matters set forth in the applicable section of the disclosure schedule or as expressly permitted or required by the Merger Agreement, and except as required by law, or taken with the prior written consent of TDK Corporation (which consent will not be unreasonably withheld, conditioned or delayed, with respect to certain actions described more fully in the Merger Agreement), from the date of the Merger Agreement until the earlier of the effective time of the Merger or the termination of the Merger Agreement in accordance with its terms, neither we nor any of our subsidiaries may:

- amend our organizational documents, or take any action to exempt any person from the provisions thereof;
- split, combine, subdivide, amend the terms of or reclassify any shares of our capital stock, pay any dividend or other distribution in respect of our capital stock other than dividends by any of our subsidiaries to us or another one of our subsidiaries or redeem, repurchase or acquire any of our capital stock or the capital stock of our subsidiaries, other than repurchases of the stock underlying equity awards granted under our stock plans and in connection with the payment of related taxes, and upon the conversion of our outstanding convertible notes or the exercise of hedging options in accordance with their terms;

- issue, deliver or sell any of our securities or the securities of our subsidiaries other than issuances otherwise permitted by the Merger Agreement, intra-company transfers and the issuance of shares upon the exercise, vesting or settlement of equity awards outstanding on the date of the Merger Agreement, issuances pursuant to our outstanding convertible notes or related warrants or materially amend the terms of any of our securities or the securities of our subsidiaries, or enter into any agreement or arrangement with respect to the sale or voting of our securities, other than confidentiality agreements entered into in compliance with the non-solicitation provisions of the Merger Agreement;
- incur any capital expenditures or related obligations or liabilities other than in accordance with our capital expenditure plan and an amount, per quarter, not to exceed \$1,000,000 million in the aggregate, provided that any items specified in the capital expenditure plan not incurred in the designated quarter may be incurred in future quarters;
- sell, transfer, assign, lease, mortgage, encumber or otherwise dispose of any of its intellectual property rights, material properties or assets to any person other than intercompany sales of inventory, sales of inventory or of obsolete equipment in the ordinary course of business, or pursuant to written contracts or commitments existing as of the date of the Merger Agreement, or sales, transfers or dispositions of tangible assets in the ordinary course of business in transactions involving an aggregate amount of less than \$5,000,000; or
- cancel, release or assign any indebtedness owed to it or any claims held by it against any person;

- enter into any contract that would constitute a material contract if it were in effect on the date of the Merger Agreement, or terminate, release, assign, materially amend, extend or otherwise modify or waive any of the terms of any existing material contract other than (i) as permitted by the applicable provisions of the Merger Agreement and (ii) as to certain contracts, in the ordinary course of business consistent with past practice;
- except as set forth on the applicable section of the disclosure schedule, or except as required by law, the Merger Agreement, or any employee plan, (i) take any action with respect to, adopt, enter into, terminate or amend any employee plan, or collective bargaining agreement, or make or implement any increase in compensation; (ii) grant any awards under any bonus, incentive, performance or other compensation or benefit plan; (iii) hire any service provider at the level of vice president or above (or promote into such level), with certain exceptions; (iv) hire or promote any service provider to a level below vice president except in the ordinary course of business consistent with past practice, or (v) terminate, other than for cause, the service of any service provider at the level of vice president or above or who participates in the Company's bonus plan established for top 20% employees;

- agree, resolve or commit to do any of the foregoing.

The covenants in the Merger Agreement relating to the conduct of our business are complicated and not easily summarized. You are urged to read carefully and in its entirety Section 6.01 captioned "Conduct of the Company" of the Merger Agreement in [Appendix A](#) to this proxy statement. You should not rely on the covenants in the Merger Agreement as actual limitations on the respective businesses of InvenSense, TDK Corporation or Merger Subsidiary, because the parties may take certain actions that are either expressly permitted in the confidential disclosure schedule to the Merger Agreement or as otherwise consented to by the appropriate party, which consent may be given without prior notice to the public.

No Solicitation; Other Offers

We have agreed in the Merger Agreement, between the date of the Merger Agreement and the effective time (or termination of the Merger Agreement, if applicable) to certain limitations on our ability to take action with respect to alternative acquisition transactions. Except as set forth below, we have agreed to not, and to cause our subsidiaries and our and our subsidiaries' respective officers, directors, employees, affiliates, investment bankers, attorneys, accountants and other advisors or representatives not to, directly or indirectly:

- solicit, initiate or take any action to knowingly facilitate or knowingly encourage the making, submission or announcement of any inquiry, proposal or offer (including any inquiry, proposal or offer to our stockholders) which constitutes or would be reasonably expected to lead to any "Acquisition Proposal" (as defined below);
- enter into or participate in any discussions or negotiations with, furnish any information relating to the Company or any of our subsidiaries or afford access to the business, properties, assets, books or records of the Company or any of our subsidiaries to, otherwise cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any third party that is reasonably expected to make, or is otherwise seeking to make, or has made, an Acquisition Proposal; (other than, solely in response to an unsolicited inquiry, to refer the inquiring third party to the applicable section of the Merger Agreement relating to offers for alternative acquisition transactions and to limit our conversation or other communication exclusively to such referral);
- publicly propose to or otherwise change, withhold, withdraw, qualify or modify (in a manner adverse to TDK Corporation or Merger Subsidiary) a recommendation to our stockholders to approve and adopt the Merger Agreement;
- fail to include a recommendation to our stockholders to approve and adopt the Merger Agreement in this proxy statement when mailed;
- adopt, approve or recommend to our stockholders, or resolve to or publicly propose or announce our intention to adopt, approve or recommend to our stockholders, an Acquisition Proposal or any transaction whereby any third party would become an "interested stockholder" under Section 203 of the Delaware General Corporation Law;

Table of Contents

- if a tender or exchange offer that constitutes an acquisition proposal is commenced, fail to publicly recommend against acceptance of such tender or exchange offer within ten business days;
- fail to publicly reaffirm our recommendation to our stockholders that they approve and adopt the Merger Agreement within ten business days after TDK Corporation so requests in writing following the public announcement of an acquisition proposal (this and any of the foregoing four bullet points, an “Adverse Recommendation Change”);
- fail to enforce or grant any waiver or release under any standstill or similar agreement with respect to any class of our equity securities or the equity securities of any of our subsidiaries, subject to limited exceptions described in further detail below; or
- approve, adopt, recommend or enter into, or propose to approve, adopt, recommend or enter into any agreement in principle, letter of intent, term sheet, merger agreement, acquisition agreement, option agreement or other similar instrument relating to an Acquisition Proposal (whether binding or nonbinding).

Notwithstanding these limitations, the Merger Agreement provides that we are not prohibited from contacting in writing any person who, following the date of the Merger Agreement, makes an unsolicited acquisition proposal with such contact being for the sole purpose of clarifying the terms and conditions thereof so as to determine whether such acquisition proposal constitutes, or could reasonably be expected to lead to, a “Superior Proposal” (as defined below). Further, the Merger Agreement provides that, at any time prior to obtaining the requisite stockholder vote for adoption of the Merger Agreement:

- if the Company receives a bona fide unsolicited written Acquisition proposal from a third party not as a result of a breach of our non-solicitation obligations, and our Board of Directors determines in good faith (after consultation with its financial advisor and outside legal counsel) that it does constitute a Superior Proposal (as defined below), or would reasonably be expected to lead to, a superior proposal, we may directly, or through our representatives, engage in negotiations or discussions with the third party making such Acquisition Proposal (and its representatives), and furnish non-public information about the Company and our subsidiaries pursuant to confidentiality agreements with such third party with terms in all material respects no less favorable to us than those contained in our confidentiality agreement with TDK Corporation; *provided* that we provide a copy of such confidentiality agreement to TDK Corporation and all such information is provided to TDK Corporation (to the extent such information has not been previously provided or made available to TDK Corporation) prior to or substantially concurrently with the time it is provided to such third party;
- subject to our compliance with certain of our non-solicitation obligations, our Board of Directors may make an Adverse Recommendation Change following receipt of a Superior Proposal or in response to an “Intervening Event” (as defined below), but only if our Board of Directors determines in good faith, after consultation with its financial advisor and its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Delaware law; and
- subject to our compliance with certain of our non-solicitation obligations, we may terminate the Merger Agreement to enter into a definitive agreement with respect to a Superior Proposal, but only if our Board of Directors determines in good faith, after consultation with its financial advisor and its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Delaware law.

Pursuant to the terms of the Merger Agreement, our Board of Directors cannot take any of the actions set forth in the above three bullet points unless we have delivered to TDK Corporation a prior written notice that we intend to take such action, and, after taking such action, we have advised TDK Corporation on a prompt basis of the status and terms of any discussions and negotiations with the third party. In addition, we are required to notify TDK Corporation promptly after receipt of any Acquisition Proposal or request for information relating to the Company or any of our subsidiaries or for access to the business, properties, assets, books or records of the

[Table of Contents](#)

Company or any of our subsidiaries by any third party that has made, or that is reasonably likely to make, an Acquisition Proposal. The Merger Agreement requires that we will provide such notice orally and in writing and will identify the third party making, and the financial and other material terms and conditions of, any such Acquisition Proposal, indication or request. We are also obligated to keep TDK Corporation fully informed of the status and material terms of any such Acquisition Proposal, indication or request, and are required to promptly provide to TDK Corporation copies of all correspondence and other written materials that describes any financial or other material terms or conditions of any Acquisition Proposal. Pursuant to the Merger Agreement, any material amendment to any Acquisition Proposal will be deemed to be a new Acquisition Proposal for purposes of our compliance with these requirements.

Our Board of Directors is prohibited from making an Adverse Recommendation Change (and we are prevented from terminating the Merger Agreement in certain instances) unless (A) we have notified TDK Corporation in writing at least five business days before taking that action (the “Negotiation Period”), of our intention to do so, attaching, in the event of a Superior Proposal, the most current versions of the proposed transaction documents relating to the Superior Proposal (including a copy of any financing commitments) and the identity of the third party making the Acquisition Proposal, or, in the case of an Intervening Event, a reasonably detailed description of the reasons for making such Adverse Recommendation Change, and (B) following the end of the Negotiation Period, our Board of Directors will have considered in good faith any revisions to the terms of the Merger Agreement proposed in writing by TDK Corporation, and will have determined, after due consultation with its financial advisor and outside legal counsel that TDK Corporation did not timely make an offer which, in the event of a Superior Proposal, is at least as favorable to our stockholders from a financial point of view as the Superior Proposal, or, in the case of an Intervening Event, obviated the need for a recommendation change. In the event there is any modification to the financial or other material terms of any such Superior Proposal (including any modification in the amount, form or mix of consideration proposed to be payable to our stockholders pursuant to such Superior Proposal), we must provide TDK Corporation with a notice of such modification and such Superior Proposal will be deemed a new Superior Proposal to which the above requirements will apply, except that the Negotiation Period will be a three business day period rather than a five business day period (except that in no event will the Negotiation Period expire earlier than any Negotiation Period then in effect would have expired).

Under the Merger Agreement, an “Acquisition Proposal” means, any offer, proposal or inquiry relating to, or any third party indication of interest in, (i) any acquisition or purchase, direct or indirect, of (A) 20% or more of the consolidated assets of the Company and our subsidiaries or (B) 20% or more of any class of equity or voting securities of the Company, (ii) any tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in such third party beneficially owning 20% or more of any class of equity or voting securities of the Company or (iii) a merger, consolidation, share exchange, business combination, reorganization, recapitalization, liquidation, dissolution, joint venture or other similar transaction involving the Company or any of our subsidiaries whose assets, individually or in the aggregate, constitute 20% or more of the consolidated assets of the Company.

Under the Merger Agreement, a “Superior Proposal” means a *bona fide* written Acquisition Proposal obtained after the date of the Merger Agreement that is not subject to any due diligence investigation, does not require a closing condition that the third party has obtained financing or that committed financing actually be funded, and, with respect to any cash consideration, is fully financed with available cash on hand or binding written financing commitments in full force and effect, or a combination of the foregoing, that our Board of Directors determines in good faith, after considering the advice of a financial advisor of nationally recognized reputation and outside legal counsel, taking into account the identity of the third party making such Acquisition Proposal, all terms of such Acquisition Proposal that our Board of Directors deems relevant (including any termination or break-up fees and conditions to consummation) and the reasonable likelihood and timing of consummation of such Acquisition Proposal, would be more favorable from a financial point of view to the Company’s stockholders (in their capacity as such) than the Merger (taking into account any proposal by TDK Corporation to amend the terms of the Merger Agreement); provided that for purposes of this definition, all references to “20%” in the definition of “Acquisition Proposal” will be deemed to be “80%.”

[Table of Contents](#)

Under the Merger Agreement, an “Intervening Event” means any material change, event, occurrence or development that occurs, arises or becomes known to our Board of Directors after the date of this Agreement and prior to obtaining the requisite vote of our stockholders, to the extent that such change, event, occurrence or development was unknown to our Board of Directors and was not reasonably foreseeable, in each case, as of the date of the Merger Agreement; provided that the receipt by the Company, the existence or the terms of an Acquisition Proposal or a Superior Proposal will not, in any event, be deemed to constitute an Intervening Event.

As of the Merger Agreement date, we were obligated, and our subsidiaries and representatives were obligated, to cease and terminate any and all existing activities, discussions or negotiations, if any, with any third party conducted prior to the date of the Merger Agreement with respect to any Acquisition Proposal and request return or destruction of information we may have provided to such third party or its representatives. Nothing in the Merger Agreement prohibits our Board of Directors from (i) complying with its disclosure obligations under law with regards to an acquisition proposal, including taking and disclosing to its stockholders a position contemplated by Rule 14d-9, 14e-2(a) or Item 1012(a) of Regulation M-A under the Exchange Act, (ii) making any “stop-look-and-listen” communication to our stockholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act or (iii) making any disclosures to our stockholders that is required by law.

Other Covenants

The Merger Agreement contains a number of other covenants on the part of the parties, including covenants relating to:

- preparation of this proxy statement and conduct of our stockholders’ meeting;
- TDK Corporation’s access to our information prior to the effective date of the Merger;
- providing notice to TDK Corporation of, and allowing TDK Corporation the right to review and comment in advance on filings and responses to be made in connection with, and the right to consult on any settlement with respect to, any stockholder litigation;
- complying with our obligations under our indenture with Wells Fargo Bank;
- certain tax matters;
- indemnification of our directors and officers;
- employment matters, crediting of service, our 401(k) plans, and our ESPP;
- the use of commercially reasonable efforts to consummate the transaction contemplated in the Merger Agreement, including the filing of certain regulatory notices and applications;
- public announcements regarding the Merger;
- notices of certain events;
- approvals under Section 16(a) of the Exchange Act;
- stock exchange de-listing and Exchange Act deregistration;
- compliance with anti-takeover laws; and
- director resignations.

Conditions to the Merger

The Merger Agreement provides that the parties’ obligations to complete the Merger are subject to the satisfaction (or waiver, if permissible under law) of the following conditions:

- adoption of the Merger Agreement by the requisite vote of our stockholders;

[Table of Contents](#)

- no law being in effect that temporarily or permanently makes the consummation of the Merger illegal or otherwise prohibited;
- the expiration or termination of any applicable waiting periods (and any extension thereof) under the HSR Act or any other antitrust laws; and
- clearance by CFIUS.

The Merger Agreement provides that the obligations of TDK Corporation and Merger Subsidiary to consummate the Merger are subject to, among others, the satisfaction (or waiver, if permissible under law) of the following additional conditions:

- we must have performed or complied with in all material respects all of our obligations and covenants under the Merger Agreement;
- certain of our representations and warranties as to our capitalization will be true as of the date of the Merger Agreement and as of the effective time, other than with respect to *de minimis* inaccuracies;
- certain of our representations and warranties as to our corporate existence and power, corporate authority, governmental authorizations, capitalization and finders' fees must be true and correct in all material respects as of the date of the Merger Agreement and as of the effective time, disregarding all other materiality and material adverse effect qualifications contained therein;
- the remainder of our representations and warranties must be true as of the date of the Merger Agreement and as of the effective time, disregarding all other materiality and material adverse effect qualifications contained therein, with only such exceptions as have not had and would not reasonably be expected, individually or in the aggregate to have a material adverse effect on the Company;
- since the date of the Merger Agreement, we must have not had any event, occurrence, revelation or development of a state of circumstances or facts which, individually or in the aggregate has had or would reasonably be expected to have a "material adverse effect" (as defined below) on the Company; and
- the Company will have provided to TDK Corporation a certification that complies with the requirements of Treasury Regulation Sections 1.897-2(h) and 1.1445-2(c)(3).

The Merger Agreement also provides that our obligation to consummate the Merger is subject to, among others, the satisfaction (or waiver, if permissible under law) of the following additional conditions:

- TDK Corporation and Merger Subsidiary must have performed or complied with, in all material respects all of their obligations and covenants under the Merger Agreement; and
- their representations and warranties must be true and correct as of the date of the Merger Agreement and as of the effective time, disregarding all materiality qualifications contained therein, with only such exceptions as have not had and would not reasonably be expected to have a material adverse effect on TDK Corporation;

The Merger Agreement provides that a "material adverse effect," as it relates to the Company and our subsidiaries means any event, occurrence, condition, state of facts, circumstances, change or effect that has had or would reasonably be expect to have, individually or in the aggregate, a material adverse effect on the business, results of operations or condition (financial or otherwise) of the Company and our subsidiaries, taken as a whole or would prevent the ability of the Company to consummate the transactions contemplated by the Merger Agreement, provided that the following will not be taken into account in determining the existence of a "material adverse effect":

- general changes or developments in the economy or the financial, debt, capital, credit or securities markets in which the Company or any of our subsidiaries has material operations, including as a result of changes in geopolitical conditions;

Table of Contents

- general changes or developments in the industries in which the Company or our subsidiaries operate;
- changes resulting from the public announcement of the Merger Agreement or pendency of the Merger arising from the identity of the TDK Corporation or its affiliates; provided that the foregoing will not apply to any representation or warranty or any condition to the consummation of the Merger that by its terms addresses the consequences of the announcement or pendency of the transactions contemplated by the Merger Agreement (including the representation and warranty concerning non-contravention);
- changes in any applicable laws or regulations or applicable accounting regulations or principles or interpretation or enforcement thereof;
- any hurricane, tornado, earthquake, flood, tsunami, natural disaster, act of God or other comparable events or outbreak or escalation of hostilities or war (whether or not declared), military actions or any act of sabotage or terrorism, or national or international political or social conditions;
- any decline in the market price or trading volume of our common stock or the credit rating of the Company (provided, that the facts, circumstances, developments, events, changes, effects or occurrences giving rise to or contributing to such decline may be deemed to constitute, or be taken into account in determining whether there has been or would reasonably be expected to be, a material adverse effect);
- any claim or legal proceedings made or brought by any of the current or former stockholders of the Company against the Company or its directors for breaches of fiduciary duties or as class action claims arising out of the Merger or in connection with any other transactions contemplated by the Merger Agreement; or
- any failure by the Company to meet any published analyst estimates or expectations of the Company's revenue, earnings or other financial performance or results of operations for any period, in and of itself, or any failure by the Company to meet its internal or published projections, budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations (provided, that the facts, circumstances, developments, events, changes, effects or occurrences giving rise to or contributing to such failure or decline may be deemed to constitute, or be taken into account in determining whether there has been or would reasonably be expected to, a material adverse effect).

Notwithstanding the foregoing, to the extent the effects described in any of the first, second and fourth items described in the above bullet points disproportionately affect the Company and our subsidiaries, taken as a whole, in any material respect relative to other companies of comparable size in the same industries and geographies in which the Company and our subsidiaries operate, only the incremental disproportionate impact will be taken into account in determining whether there has been a Company material adverse effect.

The Merger Agreement provides that a "material adverse effect," as it relates to TDK Corporation, any event, occurrence, condition, state of facts, circumstances, change or effect that would prevent the ability of TDK Corporation to consummate the transactions contemplated by the Merger Agreement.

Termination of the Merger Agreement

The Merger Agreement may be terminated and the Merger may be abandoned at any time prior to the effective time, notwithstanding any approval of our stockholders of the Merger:

- by mutual written consent of InvenSense and TDK Corporation;
- by either InvenSense or TDK Corporation, if:
 - the Merger has not been consummated on or before 11:59 p.m. (Pacific time) on June 21, 2017 (the "End Date"), provided, however, that the End Date will be extended to September 21, 2017 if, on June 21, 2017 the necessary antitrust approvals and CFIUS clearance have not been obtained

[Table of Contents](#)

and all other closing conditions have been satisfied (or are capable of being satisfied at closing), provided further that this right to terminate the Merger Agreement is not available to any party whose breach of the Agreement causes or results in the failure of the Merger to be consummated by the End Date;

- there is any law that makes consummation of the Merger illegal or otherwise prohibited, or enjoins InvenSense or TDK Corporation from consummating the Merger, and such injunction is final and nonappealable;
 - there has been a CFIUS Tumdown; or
 - our stockholders fail to approve the Merger Agreement at the stockholder meeting.
- by TDK Corporation if:
- an Adverse Recommendation Change has occurred or we have intentionally breached the non-solicitation provisions in any material respect; or
 - we have breached any representation or warranty or failed to perform any covenant or agreement, the result of which is that the closing condition with respect to our representations and warranties and covenants cannot be met by the earlier of the End Date and the date that is 30 days following receipt by the Company of written notice of such breach or failure, provided that TDK Corporation will not have this termination right if TDK Corporation or Merger Subsidiary is in material breach of its obligations under the Merger Agreement.
- by InvenSense if:
- prior to the adoption of the Merger Agreement by our stockholders, our Board of Directors makes an Adverse Recommendation Change in compliance with the terms of the Merger Agreement in order to enter into an agreement with respect to a Superior Proposal and we concurrently enter into a definitive written agreement concerning such Superior Proposal (see above under “—*No Solicitation; Other Offers*”), provided that we pay to TDK Corporation the related termination fee (see below under “—*Termination Fees*”); or
 - TDK Corporation or Merger Subsidiary have breached any representation or warranty or failed to perform any covenant or agreement, the result of which is that the closing condition with respect to TDK Corporation’s representations and warranties and covenants cannot be met by the earlier of the End Date and the date that is 30 days following receipt by the TDK Corporation of written notice of such breach or failure, provided that we will not have this termination right if we are in material breach of our obligations under the Merger Agreement.

Termination Fees

InvenSense must pay to TDK Corporation a termination fee of \$46,700,000 if any of the following occur:

- The Merger Agreement is terminated by TDK Corporation because an Adverse Recommendation Change has occurred or the Company has intentionally breached any of its obligations under the non-solicitation provisions of the Merger Agreement in any material respect;
- We terminate the Merger Agreement because our Board of Directors has made an Adverse Recommendation Change in connection with concurrently entering into a definitive agreement concerning a Superior Proposal;
- If any party has terminated the Merger Agreement because the Merger has not been consummated before the End Date, and prior to such termination an Acquisition Proposal was publicly announced, and within 12 months of the termination we enter into a definitive agreement with respect to any Acquisition Proposal or any Acquisition Proposal is consummated (whether or not it is the same Acquisition Proposal as that announced prior to the termination of the Merger Agreement); provided

[Table of Contents](#)

for the purpose of this section, each reference to “20%” in the definition of Acquisition Proposal will be deemed to be a reference to “50%”;

- If any party has terminated the Merger Agreement because our stockholders failed to approve the Merger and prior to the stockholder meeting an Acquisition Proposal was publicly announced, and within 12 months of the termination we enter into a definitive agreement with respect to any Acquisition Proposal or any Acquisition Proposal is consummated (whether or not it is the same Acquisition Proposal as that announced prior to the termination of the Merger Agreement); provided for the purpose of this section, each reference to “20%” in the definition of Acquisition Proposal will be deemed to be a reference to “50%.”

TDK Corporation must pay InvenSense a termination fee of \$46,700,000 if any of the following occur:

- If any party has terminated the Merger Agreement because the Merger has not been consummated by the End Date, and at the End Date, all conditions to TDK Corporation’s obligations to consummate the Merger, other than those relating to obtaining the necessary antitrust approvals and CFIUS clearance, have been satisfied; or
- If any party has terminated the Merger Agreement because an antitrust law makes the consummation of the Merger illegal or otherwise prohibits the Merger or enjoins InvenSense or TDK Corporation from consummating the Merger and such injunction becomes final and nonappealable, or there has been a CFIUS Turndown, and at the termination date all other conditions precedent to TDK Corporation’s obligations to consummate the Merger, other than those relating to obtaining the necessary antitrust approvals and CFIUS clearance, would have been capable of being satisfied if the Closing Date were the date the notice of termination was delivered.

Amendment and Waiver

Any provision of the Merger Agreement may be amended, supplemented or waived prior to the effective time if such amendment, supplement or waiver is in writing and is signed, in the case of an amendment, by each party to the Merger Agreement or, in the case of a waiver, by each party against whom the waiver is to be effective; provided that after the Merger Agreement has been approved by our stockholders, there will be no amendment that by applicable law requires further approval by our stockholders without the further approval of such stockholders having first been obtained.

Assignment

No party may assign any of its rights or obligations under the Merger Agreement without the prior written consent of each other party thereto, except that TDK Corporation or Merger Subsidiary may assign its rights and obligations, in whole or from time to time in part, (i) by written notice to InvenSense, to a wholly-owned direct or indirect subsidiary of TDK Corporation, provided that the assignment does not materially impede or delay the consummation of the Merger and the other transactions contemplated by the Merger Agreement or otherwise materially impair the rights of InvenSense under the Merger Agreement and (ii) after the effective time of the Merger, to any third party, provided that the assignment will not relieve TDK Corporation or Merger Subsidiary of its obligations under the Merger Agreement or enlarge, alter or change any obligation of any other party to the Merger Agreement or due to TDK Corporation or Merger Subsidiary.

Governing Law

The Merger Agreement and the Merger are governed by the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. All legal proceedings arising out of or relating to the Merger Agreement or the Merger must be heard and determined in the Court of Chancery of the State of Delaware, and the parties irrevocably submitted to the jurisdiction of such court (and, in the case

[Table of Contents](#)

of appeals, the appropriate appellate court therefrom), in any such legal proceeding and irrevocably waived the defense of an inconvenient forum to the maintenance of any such legal proceeding. The parties agreed that a final judgment in any such legal proceeding will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

THE VOTING AGREEMENTS

The following is a summary of selected material terms and provisions of the Voting Agreements. This summary does not purport to be complete and may not contain all of the information about the Voting Agreements that may be important to you. This summary is qualified in its entirety by reference to the complete text of the form of Voting Agreement, a copy of which is attached as [Appendix D](#), and which is incorporated by reference into this proxy statement. We encourage you to read the form of Voting Agreement carefully and in its entirety.

Concurrently with the execution of the Merger Agreement, our directors, executive officers and certain stockholders in their capacities as holders of common stock or other equity interests of InvenSense (the “Voting Group”), each entered into a Voting Agreement with TDK Corporation. As of the Record Date, the Voting Group collectively beneficially owned approximately 14.3% of the outstanding shares of our common stock on an as-converted basis.

Voting Provisions

Pursuant to the Voting Agreement, members of the Voting Group have agreed to appear at each meeting of stockholders or otherwise cause all of their shares of our common stock held of record or beneficially owned, whether currently issued and outstanding or acquired after the date of the Voting Agreement, without limitation, including by the exercising or the vesting of any stock options, RSUs or restricted stock held of record or beneficially owned (collectively, the “Stockholder Shares”), as present thereat for purposes of calculating a quorum. Subject to the terms and conditions contained in the Voting Agreement, members of the Voting Group have agreed to vote all of their Stockholder Shares in the following manner:

- in favor of the Merger, the adoption of the Merger Agreement and the transactions contemplated thereby and any other matters reasonably relating to the consummation or facilitation of, or otherwise in furtherance of, the Merger and the other transactions contemplated in the Merger Agreement;
- in favor of any proposal to adjourn or postpone any meeting of our stockholders to a later date if there are not sufficient votes to adopt the Merger Agreement;
- against any Acquisition Proposal; and
- against any other action, proposal, agreement, transaction or arrangement submitted for approval of our stockholders that is intended, or could reasonably be expected, to impede, interfere or be inconsistent with, delay, postpone, discourage or adversely affect the consummation of the Merger, including, without limitation, any extraordinary transaction, Merger, consolidation, sale of assets, recapitalization or other business combination involving InvenSense or any other action, agreement, arrangement that could reasonably be expected to result in a material breach of any covenant, representation or warranty or any other obligation or agreement of InvenSense under the Merger Agreement or that could reasonably be expected to result in any of the conditions to the obligations under the Merger Agreement not being fulfilled or satisfied.

Pursuant to the Voting Agreement, members of the Voting Group have agreed to waive any rights of appraisal or rights to dissent from the Merger (including under Section 262).

Restrictions on Transfer; Other Actions

Under the Voting Agreement, the Voting Group have covenanted and agreed that, except as contemplated by the Voting Agreement, each will not:

- sell, pledge, encumber, assign, transfer or otherwise dispose of any or all of its Stockholder Shares or any interest in its Stockholder Shares (other than any pledge or encumbrance currently in existence);

Table of Contents

- grant any proxies or powers of attorney, deposit any Stockholder Shares into a voting trust or enter into a Voting Agreement with respect to any Stockholder Shares; or
- enter into any contract with respect to or otherwise agree to the direct or indirect acquisition or sale, pledge, encumbrance, assignment, transfer or other disposition (whether by actual disposition or effective economic disposition due to hedging, cash settlement or otherwise) of any of its Stockholder Shares.

The Voting Agreements permit the transfer of Stockholder Shares by members of the Voting Group, if the member is an individual, to immediate family members, heirs, or charitable entities, and if the member is not a natural person, to an affiliate controlled or under common control with such member, in both cases, only if, as a condition precedent to the effectiveness of such transfer, the transferee agrees in a writing, satisfactory in form and substance to TDK Corporation, to be bound by all of the terms of the Voting Agreement.

Non-Solicitation

Pursuant to the Voting Agreement, each member of the Voting Group has also covenanted and agreed as follows that prior to the termination of the Voting Agreement, such stockholder (solely in his, her, or its capacity as a stockholder and in no other capacity) will not, and will not authorize or permit any of its subsidiaries or its officers, directors, managers, partners or members, employees, agents, consultants, or representatives, directly or indirectly, to:

- solicit, initiate or take any action to knowingly facilitate or knowingly encourage the making, submission or announcement of any inquiry, proposal or offer (including any inquiry, proposal or offer to our stockholders) which constitutes or would be reasonably expected to lead to any Acquisition Proposal; or
- enter into or participate in any discussions or negotiations with, furnish any information relating to InvenSense or its subsidiaries or afford access to the business, properties, assets, books or records of InvenSense or its subsidiaries to, otherwise cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any third party that is reasonably expected to make, or is otherwise seeking to make, or has made, an Acquisition Proposal.

Representations and Warranties

The Voting Agreements contain representations and warranties of the members of the Voting Group as to:

- authorization; binding agreement;
- no conflict; required filings and consents;
- litigation;
- title to Stockholder Shares; and
- acknowledgement of the Merger Agreement.

Other Covenants

The Voting Agreements other covenants on the part of the members of the Voting Group, including covenants relating to:

- further assurances;
- no inconsistent agreements;
- public announcements;

[Table of Contents](#)

- fiduciary duties; and
- additional purchases.

Termination

The Voting Agreements and the obligations of the members of the Voting Group thereunder will terminate upon the earliest to occur of (a) the termination of the Merger Agreement in accordance with its terms, (b) the effective time of the Merger, (c) the end date specified in the Merger Agreement and (d) such time as the Merger Agreement is amended to change the form or reduce the amount of the consideration to be paid pursuant thereto.

APPRAISAL RIGHTS

If the Merger is consummated, stockholders who do not vote in favor of the adoption and approval of the Merger Agreement and who properly demand appraisal of their shares of InvenSense's common stock will be entitled to appraisal rights in connection with the Merger under Section 262 of the Delaware General Corporation Law ("Section 262").

The following discussion is not a complete statement of the law pertaining to appraisal rights under the Delaware General Corporation Law and is qualified in its entirety by the full text of Section 262, which is attached to this proxy statement as [Appendix C](#) and incorporated herein by reference. The following summary does not constitute any legal or other advice and does not constitute a recommendation that InvenSense stockholders exercise their appraisal rights under Section 262. Only a holder of record of shares of common stock is entitled to demand appraisal rights for the shares registered in that holder's name. A person having a beneficial interest in shares of common stock held of record in the name of another person, such as a bank, broker or other nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect appraisal rights. **If you hold your shares of our common stock through a bank, broker or other nominee and you wish to exercise appraisal rights, you should consult with your bank, broker or the other nominee.**

Under Section 262, holders of shares of common stock who (1) do not vote in favor of the adoption and approval of the Merger Agreement; (2) continuously are the record holders of such shares through the effective time; and (3) otherwise comply with the procedures set forth in Section 262 will be entitled to have their shares appraised by the Delaware Court of Chancery and to receive payment in cash of the "fair value" of the shares of common stock as determined by such appraisal, exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest to be paid on the amount determined to be fair value, if any, as determined by the Delaware Court of Chancery.

Under Section 262, where a merger agreement is to be submitted for adoption and approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, must notify each of its stockholders of record as of the record date for notice of such meeting with respect to shares for which appraisal rights are available that appraisal rights are available and include in the notice a copy of Section 262. This proxy statement constitutes InvenSense's notice to its stockholders that appraisal rights are available in connection with the Merger, and the full text of Section 262 is attached to this proxy statement as [Appendix C](#). In connection with the Merger, any holder of shares of common stock who wishes to exercise appraisal rights, or who wishes to preserve such holder's right to do so, should review the following discussion and [Appendix C](#) carefully. Failure to strictly comply with the requirements of Section 262 in a timely and proper manner will result in the loss of appraisal rights under Section 262. A stockholder who loses his, her or its appraisal rights will be entitled to receive the merger consideration described in the Merger Agreement. Moreover, because of the complexity of the procedures for exercising the right to seek appraisal of shares of common stock, InvenSense believes that if a stockholder considers exercising such rights, that stockholder should seek the advice of legal counsel.

Stockholders wishing to exercise the right to seek an appraisal of their shares of common stock must do **ALL** of the following:

- the stockholder must not vote in favor of the Merger Proposal;
- the stockholder must deliver to InvenSense a written demand for appraisal before the vote on the Merger Proposal at the special meeting;
- the stockholder must continuously hold the shares from the date of making the demand through the effective time of the Merger (a stockholder will lose appraisal rights if the stockholder transfers the shares before the effective time of the Merger); and
- a stockholder or the surviving company (or any other stockholder that has properly demanded appraisal rights and is otherwise entitled to appraisal rights) must file a petition in the Delaware Court of

[Table of Contents](#)

Chancery requesting a determination of the fair value of the shares within 120 days after the effective time. The surviving company is under no obligation to file any petition and has no intention of doing so. Accordingly, it is the obligation of InvenSense stockholders to initiate all necessary action to perfect their appraisal rights in respect of shares of InvenSense common stock within the time prescribed by Section 262.

Because a proxy that is signed and submitted but does not otherwise contain voting instructions will, unless revoked, be voted in favor of the Merger Proposal, a stockholder who votes by proxy and who wishes to exercise appraisal rights must instruct the proxy to vote his, hers or its shares against the approval of the Merger Proposal, or abstain or not vote his, hers or its shares on the approval of the Merger Proposal.

Filing Written Demand

Any holder of shares of common stock wishing to exercise appraisal rights must deliver to InvenSense, before the vote on the adoption and approval of the Merger Agreement at the special meeting at which the Merger Agreement proposal will be submitted to the stockholders, a written demand for the appraisal of such stockholder's shares, and that stockholder must not vote or submit a proxy in favor of the adoption and approval of the Merger Agreement. A holder of shares of common stock exercising appraisal rights must be the stockholder of record on the date the written demand for appraisal is made and must continue to hold the shares of record through the effective time. A proxy that is signed and submitted but does not otherwise contain voting instructions will, unless revoked, be voted in favor of the Merger Proposal, and it will constitute a waiver of the stockholder's right of appraisal and will nullify any previously delivered written demand for appraisal. Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must submit a proxy containing instructions to vote against the Merger Proposal or abstain from voting on the Merger Proposal. Neither voting in person, or by proxy, against the approval of the Merger Proposal nor abstaining from voting or failing to vote on the approval of the Merger Proposal will, in and of itself, constitute a written demand for appraisal satisfying the requirements of Section 262. The written demand for appraisal must be in addition to and separate from any proxy or vote on approval of the Merger Proposal. A proxy or vote against the approval of the Merger Proposal will not constitute a demand. A stockholder's failure to make the written demand prior to the taking of the vote on the approval of the Merger Proposal at the special meeting will constitute a waiver of appraisal rights.

Only a stockholder of record is entitled to demand appraisal rights for the shares registered in that holder's name. A demand for appraisal in respect of shares of common stock must be executed by or on behalf of the holder of record, and must reasonably inform InvenSense of the identity of the stockholder and state that the stockholder intends thereby to demand appraisal of the holder's common stock in connection with the Merger. If the shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, such demand must be executed by or on behalf of the record owner, and if the shares are owned of record by more than one person, such as in a joint tenancy or a tenancy in common, the demand should be executed by or on behalf of all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute a demand for appraisal on behalf of a holder of record; however, the agent must identify the record owner or owners and expressly disclose that, in executing the demand, the agent is acting as agent for the record owner or owners.

STOCKHOLDERS WHO HOLD THEIR SHARES IN BROKER OR BANK ACCOUNTS OR OTHER NOMINEE FORMS AND WHO WISH TO EXERCISE APPRAISAL RIGHTS SHOULD CONSULT WITH THEIR BANK, BROKER OR OTHER NOMINEES, AS APPLICABLE, TO DETERMINE THE APPROPRIATE PROCEDURES FOR THE BANK, BROKER OR OTHER NOMINEE TO MAKE A DEMAND FOR APPRAISAL OF THOSE SHARES. A PERSON HAVING A BENEFICIAL INTEREST IN SHARES HELD OF RECORD IN THE NAME OF ANOTHER PERSON, SUCH AS A BANK, BROKER OR OTHER NOMINEE, MUST ACT PROMPTLY TO CAUSE THE RECORD HOLDER TO FOLLOW PROPERLY AND IN A TIMELY MANNER THE STEPS NECESSARY TO PERFECT APPRAISAL RIGHTS.

All written demands for appraisal pursuant to Section 262 should be executed as set forth above and mailed or delivered to:

InvenSense, Inc.
1745 Technology Drive, Suite 200
San Jose, California
Attention: Corporate Secretary

Any holder of shares of common stock may withdraw his, her or its demand for appraisal and accept the consideration offered pursuant to the Merger Agreement by delivering to InvenSense a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the effective time will require written approval of the surviving corporation. Notwithstanding the foregoing, no appraisal proceeding in the Delaware Court of Chancery will be dismissed without the approval of the Delaware Court of Chancery, and such approval may be conditioned upon such terms as the Delaware Court of Chancery deems just; provided, however, that this will not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the merger consideration within 60 days after the effective time of the Merger.

Notice by the Surviving Corporation

If the Merger is completed, within ten days after the effective time of the Merger, the surviving corporation will give written notice to each holder of shares of common stock who has made a written demand for appraisal pursuant to Section 262, and who has not voted in favor of the adoption and approval of the Merger Agreement, that the Merger has become effective and the effective date thereof.

Filing a Petition for Appraisal

Within 120 days after the effective time of the Merger, but not thereafter, the surviving corporation or any holder of shares of common stock who has complied with the requirements of Section 262 and is entitled to appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery, with a copy served on the surviving corporation in the case of a petition filed by a stockholder, demanding a determination of the fair value of the shares held by all stockholders entitled to appraisal. If a stockholder does not file a petition for appraisal in a timely manner, then such stockholder's right to an appraisal will cease. The surviving corporation is under no obligation, and has no present intention, to file a petition, and holders should not assume that the surviving corporation will file a petition or initiate any negotiations with respect to the fair value of the shares of common stock. Accordingly, any holders of shares of common stock who desire to have their shares appraised should initiate all necessary petitions to perfect their appraisal rights in respect of their shares of common stock within the time periods and in the manner prescribed in Section 262. The failure of a holder of common stock to file such a petition within the period specified in Section 262 could nullify the stockholder's previous written demand for appraisal.

Within 120 days after the effective time of the Merger, any holder of shares of common stock who has complied with the requirements of Section 262 for exercise of appraisal rights will be entitled, upon written request, to receive from the surviving corporation a statement setting forth the aggregate number of shares not voted in favor of the adoption and approval of the Merger Agreement and with respect to which InvenSense has received demands for appraisal, and the aggregate number of holders of such shares. The surviving corporation must mail this statement to the requesting stockholder within the later of ten days after receipt by the surviving corporation of the written request therefor and ten days after the expiration of the period for delivery of demands for appraisal. A beneficial owner of shares held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition seeking appraisal or request to receive the foregoing statements from the surviving corporation. As noted above, however, the demand for appraisal can only be made by a stockholder of record.

[Table of Contents](#)

If a petition for an appraisal is duly filed by a holder of record of shares of InvenSense's common stock and a copy thereof is served upon the surviving corporation, the surviving corporation will then be obligated within 20 days after such service to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached. After notice to the stockholders as required by the court, the Delaware Court of Chancery is empowered to conduct a hearing on the petition to determine those stockholders who have complied with Section 262 and who have become entitled to appraisal rights thereunder. The Delaware Court of Chancery may require the stockholders who demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings, and if any stockholder fails to comply with the direction, the Delaware Court of Chancery may dismiss that stockholder from the proceedings.

Given that immediately before the Merger the shares of InvenSense's common stock as to which appraisal rights are available were listed on a national securities exchange and the Merger is not approved under Sections 253 or 267 of the Delaware General Corporation Law, the Delaware Court of Chancery will dismiss the appraisal proceedings as to all holders of shares of common stock who are otherwise entitled to appraisal rights unless (a) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of common stock eligible for appraisal, or (b) the value of the consideration provided in the Merger for such total number of shares exceeds \$1 million.

After the Delaware Court of Chancery determines the holders of common stock entitled to appraisal, the appraisal proceeding will be conducted in accordance with the rules of the Delaware Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding, the Delaware Court of Chancery will appraise the "fair value" of the shares of common stock, exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining fair value, the Delaware Court of Chancery will take into account all relevant factors. Unless the court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment will be compounded quarterly and will accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the Merger and the date of payment of the judgment. In *Weinberger v. UOP, Inc.*, the Supreme Court of Delaware discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court" should be considered, and that "[f]air price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court stated that, in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts that could be ascertained as of the date of the Merger that throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the Merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a "narrow exclusion [that] does not encompass known elements of value," but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Supreme Court of Delaware also stated that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the Merger and not the product of speculation, may be considered."

Stockholders considering seeking appraisal should be aware that the fair value of their shares as so determined by the Delaware Court of Chancery under Section 262 could be more than, the same as or less than the consideration they would receive pursuant to the Merger if they did not seek appraisal of their shares and that an opinion of an investment banking firm as to the fairness from a financial point of view of the consideration payable in a Merger is not an opinion as to, and does not in any manner address, fair value under Section 262. **Although InvenSense believes that the per share merger consideration is fair, no representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery, and**

[Table of Contents](#)

stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the per share merger consideration. Neither InvenSense nor TDK Corporation anticipates offering more than the per share merger consideration to any stockholder exercising appraisal rights, and each of InvenSense and TDK Corporation reserves the right to assert, in any appraisal proceeding, that for purposes of Section 262, the “fair value” of a share of common stock is less than the per share merger consideration.

If a petition for appraisal is not timely filed, then the right to an appraisal will cease. The costs of the appraisal proceedings (which do not include attorneys’ fees or the fees and expenses of experts) may be determined by the Delaware Court of Chancery and taxed upon the parties as the Delaware Court of Chancery deems equitable under the circumstances. Upon application of a stockholder, the Delaware Court of Chancery may also order that all or a portion of the expenses incurred by a stockholder in connection with an appraisal, including, without limitation, reasonable attorneys’ fees and the fees and expenses of experts, be charged pro rata against the value of all the shares entitled to be appraised.

If any stockholder who demands appraisal of his, her or its shares of common stock under Section 262 fails to perfect, or loses or validly withdraws, such holder’s right to appraisal, the stockholder’s shares of common stock will be deemed to have been converted at the effective time into the right to receive the per share merger consideration as provided in the Merger Agreement. A stockholder will fail to perfect, or effectively lose or withdraw, such holder’s right to appraisal if, among other things, no petition for appraisal is filed within 120 days after the effective time or if the stockholder delivers to the surviving corporation a written withdrawal of the holder’s demand for appraisal and an acceptance of the per share merger consideration as provided in the Merger Agreement in accordance with Section 262.

From and after the effective time of the Merger, no stockholder who has demanded appraisal rights will be entitled to vote such shares of common stock for any purpose or to receive payment of dividends or other distributions on such shares of common stock, except dividends or other distributions on the holder’s shares of common stock, if any, payable to stockholders as of a time prior to the effective time of the Merger. If no petition for an appraisal is filed within the time provided in Section 262, or if a stockholder delivers to the surviving corporation a written withdrawal of such stockholder’s demand for an appraisal and an acceptance of the Merger, either within 60 days after the effective time or thereafter with the written approval of the surviving corporation, then the right of such stockholder to an appraisal will cease. Once a petition for appraisal is filed with the Delaware Court of Chancery, however, the appraisal proceeding may not be dismissed as to any stockholder who commenced the proceeding or joined that proceeding as a named party without the approval of the Delaware Court of Chancery and such approval may be conditioned on the terms the Delaware deems just; provided, however, that this will not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder’s demand for appraisal and to accept the merger consideration within 60 days after the effective time of the Merger.

Failure to comply strictly with all of the procedures set forth in Section 262 for perfecting appraisal rights may result in the loss of a stockholder’s statutory appraisal rights. In that event, a stockholder will be entitled to receive the merger consideration for his, hers or its shares in accordance with the Merger Agreement. Consequently and in view of the complexity of the provisions of Section 262, any stockholder considering exercising his, her or its appraisal rights is encouraged to consult legal counsel before attempting to exercise those rights.

THE PROCESS OF DEMANDING AND EXERCISING APPRAISAL RIGHTS REQUIRES STRICT COMPLIANCE WITH TECHNICAL PREREQUISITES. IF YOU WISH TO EXERCISE YOUR APPRAISAL RIGHTS, YOU SHOULD CONSULT WITH YOUR OWN LEGAL COUNSEL IN CONNECTION WITH COMPLIANCE UNDER SECTION 262. TO THE EXTENT, THERE ARE ANY INCONSISTENCIES BETWEEN THE FOREGOING SUMMARY AND SECTION 262, SECTION 262 WILL GOVERN.

PROPOSAL 1: THE MERGER PROPOSAL

As discussed throughout this proxy statement, our Board of Directors is asking stockholders to adopt the Merger Agreement. Pursuant to the Merger Agreement, TDK Corporation will acquire InvenSense in the Merger. Merger Subsidiary will merge with and into InvenSense, with InvenSense as the surviving corporation. InvenSense will be a direct or indirect wholly-owned subsidiary of TDK Corporation and our common stock will be delisted from the NYSE, deregistered under the Exchange Act and cease to be publicly traded.

As described in further detail in the sections of this proxy statement captioned “*Questions and Answers*” beginning on page 14 of this proxy statement, “*Summary*” beginning on page 1 of this proxy statement, “*The Merger*” beginning on page 30 of this proxy statement and “*The Merger Agreement*” beginning on page 85 of this proxy statement, our Board of Directors has approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. The Merger is subject to the satisfaction of the conditions set forth in the Merger Agreement, including the adoption of the Merger Agreement by our stockholders at the special meeting. Accordingly, the approval of the Merger Proposal by stockholders is a condition to the obligations of TDK Corporation and InvenSense to complete the Merger.

Required Vote

The affirmative vote, in person or by proxy, of a majority of the outstanding shares of common stock as of the Record Date is required to approve the Merger Proposal.

Recommendation of the InvenSense Board

The Board of Directors unanimously recommends that stockholders vote “FOR” the Merger Proposal.

PROPOSAL 2: THE MERGER-RELATED COMPENSATION PROPOSAL

As required by Section 14A of the Exchange Act and the applicable SEC rules issued thereunder, we are required to submit a proposal to stockholders for a non-binding advisory vote to approve the payment of certain compensation to our named executive officers that is based on or otherwise relates to the Merger. This proposal, which we refer to as the Merger-related Compensation Proposal, gives our stockholders the opportunity to vote, on a non-binding, advisory basis, on the compensation that the named executive officers will or may be entitled to receive from InvenSense (or, following the Merger, TDK Corporation) that is based on or otherwise relates to the Merger. This compensation is summarized in the section of this proxy statement captioned “*The Merger—Interests of Directors and Executive Officers in the Merger May Differ From Your Interests*” as well as in the footnotes and narrative disclosures in the section of this proxy statement captioned “*Golden Parachute Compensation*.”

The Board of Directors encourages you to review carefully the named executive officer merger-related compensation information disclosed in this proxy statement.

The Board of Directors unanimously recommends that the stockholders approve the following resolution:

“RESOLVED, that the stockholders of InvenSense, Inc. hereby approve on a non-binding, advisory basis, the compensation that may be paid or become payable to InvenSense’s named executive officers in connection with the merger as disclosed pursuant to Item 402(t) of Regulation S-K in the table in the section of the proxy statement captioned “*The Merger—Golden Parachute Compensation*,” including the related footnotes and narrative disclosures therein.”

[Table of Contents](#)

Required Vote

The vote on the Merger-related Compensation Proposal is a vote separate and apart from the vote on the Merger Proposal. Accordingly, you may vote to approve the Merger Proposal and vote not to approve the Merger-related Compensation Proposal and vice versa. Because the vote on the Merger-related Compensation Proposal is advisory only, it will not be binding on either InvenSense or TDK Corporation. Accordingly, if the Merger Proposal is approved and the Merger is completed, the compensation may be paid, subject only to the conditions applicable thereto, regardless of the outcome of the non-binding, advisory vote of our stockholders.

The affirmative vote, in person or by proxy, of a majority of the shares of common stock represented at the special meeting is required to approve, on a non-binding, advisory basis, the Merger-related Compensation Proposal.

Recommendation of the InvenSense Board

The Board of Directors unanimously recommends that stockholders vote “FOR” the Merger-related Compensation Proposal.

PROPOSAL 3: THE ADJOURNMENT PROPOSAL

Stockholders are being asked to approve a proposal to adjourn the special meeting to a later date or dates if necessary or appropriate, including to solicit additional proxies if there are insufficient votes to approve the Merger Proposal at the time of the special meeting. If stockholders approve the Adjournment Proposal, we could adjourn the special meeting and any adjourned session of the special meeting and use the additional time to solicit additional proxies, including proxies from stockholders that have previously returned properly executed proxies voting against the Merger Proposal. Among other things, approval of the Adjournment Proposal could mean that, even if we had received proxies representing a sufficient number of votes against adoption of the Merger Agreement such that the Merger Proposal would be defeated, we could adjourn the special meeting without a vote on the Merger Proposal and seek to convince the holders of those shares to change their votes to votes in favor of the Merger Proposal.

If this proposal is approved, the special meeting could be adjourned to any date. If the special meeting is adjourned, stockholders who have already submitted their proxies will be able to revoke them at any time prior to their use.

Required Vote

The affirmative vote, in person or by proxy, of a majority of the outstanding shares of common stock represented at the special meeting is required to approve the Adjournment Proposal.

Recommendation of the InvenSense Board

The Board of Directors unanimously recommends that stockholders vote “FOR” the Adjournment Proposal.

STOCKHOLDER PROPOSALS

If the Merger is completed, we will not hold an annual meeting of stockholders in 2017 or thereafter. However, if the Merger is not completed, we will hold a 2017 annual meeting of stockholders in the normal course. In that event, the deadline for stockholders to submit proposals to be considered for inclusion in our proxy statement for the 2017 annual meeting of stockholders is June 15, 2017 if our 2017 meeting is called for a date that is within 30 days before or after the one-year anniversary of the 2016 annual meeting. If, however, our 2017 annual meeting is called for a date that is not within 30 days before or after the one-year anniversary of the 2016 annual meeting, proposals for the 2017 annual meeting must be received by a reasonable time before we print and mail our proxy statement for the 2017 annual meeting. Such proposals may be included in the next year's proxy statement if they comply with certain rules and regulations promulgated by the SEC.

A stockholder who wishes to have a proposal considered at the 2017 annual meeting of stockholders but does not seek to have the proposal included in our proxy materials for that meeting must notify us by August 2, 2017. If the stockholder fails to give notice by this date, then the persons named as proxies in the proxies solicited by the Board of Directors for the 2017 annual meeting may exercise discretionary voting power regarding any such proposal. If, however, our 2017 annual meeting is called for a date that is not within 30 days before or after the one-year anniversary of the 2016 annual meeting, then the deadline to notify us of such proposal is a reasonable time before the 2017 annual meeting. Stockholder proposals or notices of proposals should be directed to InvenSense, Inc., attention Corporate Secretary, 1745 Technology Drive, Suite 200, San Jose, California 95110.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports, including proxy statements, with respect to two or more stockholders sharing the same address by delivering a single proxy statement or other proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are stockholders will be "householding" our proxy materials. A single proxy statement or other proxy materials may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or you submit contrary instructions. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement or other proxy materials, you may: (1) notify your broker; (2) direct your written request to our Director of Investor Relations, 1745 Technology Drive, Suite 200, San Jose, California 95110, telephone (408) 501-2200 or (3) contact our Investor Relations department at www.invensense.com. Stockholders who currently receive multiple copies of the proxy statement or other proxy materials at their addresses and would like to request "householding" of their communications should contact their brokers. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

ARTICLE 2
THE MERGER

Section 2.01 The Merger.

(a) At the Effective Time, Merger Subsidiary shall be merged with and into the Company in accordance with Delaware Law, whereupon the separate existence of Merger Subsidiary shall cease, and the Company shall be the surviving corporation (the “**Surviving Corporation**”).

(b) Subject to the provisions of Article 9, the closing of the Merger (the “**Closing**”) shall take place at 10:00 a.m. at the offices of Pillsbury Winthrop Shaw Pittman LLP, 2550 Hanover Street, Palo Alto CA 94304 as soon as possible, but in any event no later than five Business Days after the date the conditions set forth in Article 9 (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or, to the extent permissible, waiver of those conditions at the Closing) have been satisfied or, to the extent permissible, waived by the party or parties entitled to the benefit of such conditions, or at such other place, at such other time or on such other date as Parent and the Company may mutually agree. The date on which the Closing occurs is referred to herein as the “**Closing Date**”.

(c) At the Closing, the Company and Merger Subsidiary shall file a certificate of merger with the Delaware Secretary of State and make all other filings or recordings required by Delaware Law in connection with the Merger. The Merger shall become effective at such time (the “**Effective Time**”) as the certificate of merger is duly filed with the Delaware Secretary of State (or at such later time as may be agreed to by the Company and Parent and specified in the certificate of merger).

(d) The effects of the Merger shall be as provided in this Agreement and in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, from and after the Effective Time,

[Table of Contents](#)

the Surviving Corporation shall possess all the rights, powers, privileges and franchises and be subject to all of the obligations, liabilities, restrictions and disabilities of the Company and Merger Subsidiary, all as provided under Delaware Law.

(a) At the Effective Time, except as otherwise provided in Section 2.02(b), Section 2.02(d), Section 2.03(b), Section 2.04 or Section 2.05, each share of Company Stock outstanding immediately prior to the Effective Time shall be converted into the right to receive \$13.00 in cash, without interest (the “**Merger Consideration**”). As of the Effective Time, all such shares of Company Stock (including all uncertificated shares of Company Stock represented by book-entry form (“**Book-Entry Shares**”) and each certificate that, immediately prior to the Effective Time, represented any such shares of Company Stock (each, a “**Certificate**”)) shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and shall thereafter represent only the right to receive the Merger Consideration without interest in accordance with Section 2.03;

(b) each share of Company Stock held by the Company as treasury stock or owned by Parent, a Company Subsidiary or a Subsidiary of Parent immediately prior to the Effective Time shall be canceled, and no payment shall be made with respect thereto;

(c) each share of common stock of Merger Subsidiary outstanding immediately prior to the Effective Time shall be converted into and become one share of common stock of the Surviving Corporation with the same rights, powers and privileges as the shares so converted and shall constitute the only outstanding shares of common stock of the Surviving Corporation; and

(d) The Merger Consideration shall be adjusted appropriately to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Company Stock), reorganization, recapitalization, reclassification, combination, merger, issuer tender offer, exchange of shares or other like change with respect to Company Stock occurring on or after the date hereof and prior to the Effective Time, and such adjustment to the Merger Consideration shall provide to the holders of Company Stock the same economic effect as contemplated by this Agreement prior to such action and shall as so adjusted from and after the date of such event, be the Merger Consideration; *provided, however*, that nothing in this Section 2.02(d) shall be construed to permit the Company to take any action with respect to the Company Stock that is prohibited by the terms of this Agreement.

Section 2.03 Surrender and Payment.

(a) On or prior to the Closing, Parent shall select a reputable bank or trust company to act as Paying Agent in the Merger, which shall be reasonably acceptable to the Company (the “**Paying Agent**”). At or prior to the Effective Time, Parent shall deposit with the Paying Agent cash sufficient to pay the aggregate Merger Consideration payable pursuant to Section 2.02. In the event the Payment Fund shall be insufficient to pay the aggregate Merger Consideration payable pursuant to Section 2.02, Parent shall promptly deposit, or cause to be deposited, additional funds with the Paying Agent in an amount which is equal to the deficiency in the amount required to make such payment. The Payment Fund shall not be used for any purpose other than to fund payments pursuant to Section 2.02, except as expressly provided for in this Agreement. Any interest or other income resulting from the investment of such funds shall be the property of Parent.

(b) Promptly and in any event no later than three (3) Business Days after the Effective Time, Parent shall cause the Paying Agent to mail to the Persons who were record holders of Book-Entry Shares or Certificates that were converted pursuant to Section 2.02(a) into the right to receive the Merger Consideration) (i) a letter of transmittal, which shall be in such form and have such other provisions as Parent shall reasonably designate after input from the Company, and (ii) instructions for use in effecting the surrender of Book-Entry Shares and Certificates in exchange for the Merger Consideration. Upon receipt of an “agent’s message” by the Paying Agent (or such other evidence, if any, of transfer to the Paying Agent as the Paying Agent may reasonably request), together with (x) a duly completed and validly executed letter of transmittal, (y) a properly completed and duly executed IRS Form W-9 or W-8 (as applicable), and (z) such other documents as may be reasonably required by the Paying Agent or Parent, the holder of such Book-Entry Share or Certificate shall be entitled to receive in exchange therefor the Merger Consideration (less any applicable Tax withholding). Until transferred as contemplated by this Section 2.03, each Book-Entry Share and Certificate shall be deemed, from and after the Effective Time, to represent only the right to receive Merger Consideration as contemplated by this Section 2.03. No interest shall be paid or accrued on the cash payable upon the transfer of any Book-Entry Share or Certificate. Payment of the applicable Merger Consideration with respect to Book-Entry Shares and Certificates shall only be made to the Person in whose name such Book-Entry Shares or Certificates are registered.

(c) Any portion of the Payment Fund (including any interest or other amounts received with respect thereto) that remains unclaimed or undistributed to holders of Book-Entry Shares or Certificates as of the date that is one year after the Effective Time shall be delivered to Parent upon demand, and any holders who have not theretofore transferred their Book-Entry Shares or Certificates in accordance with this Section 2.03 prior to that time shall thereafter look only to the Surviving Corporation (subject to abandoned property, escheat and other similar legal requirements) for satisfaction of their claims for the Merger Consideration pursuant to this Section 2.03. Notwithstanding anything herein to the contrary, neither Parent nor the Surviving Corporation shall be liable to any holder or to any other Person with respect to any Merger Consideration delivered to any public official pursuant to any applicable abandoned property law, escheat law or similar law. Any other provision of this Agreement notwithstanding, any portion of the Merger Consideration that remains undistributed to the holders of Book-Entry Shares or Certificates as of the second anniversary of the Effective Time (or immediately prior to such earlier date on which the Merger Consideration would otherwise escheat to or become the property of any Governmental Authority), shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of all claims or interest of any Person previously entitled thereto.

(d) At the Effective Time, the stock transfer books of the Company with respect to the shares of Company Stock shall be closed and thereafter there shall be no further registration of transfers of shares of Company Stock outstanding immediately prior to the Effective Time on the records of the Company. From and after the Effective Time, the holders of the shares of Company Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares other than the right to receive the Merger Consideration into which such shares have been converted pursuant to this Agreement or as provided by Applicable Law. If, after the Effective Time, any Book-Entry Shares or Certificates formerly representing shares of Company Stock are presented to the Surviving Corporation, Parent or the Paying Agent for any reason, such Book-Entry Shares shall be cancelled and exchanged as provided in this Article 2, subject to Applicable Law in the case of Dissenting Shares.

For avoidance of doubt, each Unvested Option (x) with an exercise price per share that is equal to or greater than the Merger Consideration or (y) that is subject to vesting based on performance criteria that has not been achieved as of the Effective Time shall be canceled without any consideration to the holder thereof.

(c) At the Effective Time, each vested Company RSU (including any Company RSU that, in accordance with its terms, becomes vested at or immediately prior to the Effective Time by reason of the Merger) (a “**Vested RSU**”) that is outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and shall become a right to receive an amount in cash, without interest, equal to the product obtained by multiplying (x) the number of shares of Company Stock subject to the Vested RSU, by (y) the Merger Consideration (with the aggregate payment rounded down to the nearest cent), less applicable Tax withholding, which amount shall be paid by Parent or the Surviving Corporation as soon as practicable following the Effective Time (and in any event in connection with the next payroll payment that is made at least five Business Days following the Effective Time).

(d) At the Effective Time, each unvested Company RSU (an “**Unvested RSU**”) that is outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and shall become a right to receive an amount in cash, without interest, equal to the product obtained by multiplying (x) the number of shares of Company Stock subject to the Unvested RSU, by (y) the Merger Consideration (with the aggregate payment rounded down to the nearest cent), which amount shall be payable in accordance with the applicable vesting schedule, less applicable Tax withholding, that would have applied to such Unvested RSU, but only if the holder of such terminated Unvested RSU satisfies all of the vesting terms and conditions that would have related to the terminated Unvested RSU (including any continued employment requirements through the applicable date of vesting).

(e) At the Effective Time, each unvested share of Company Restricted Stock that is outstanding immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and shall become a right to receive an amount in cash, without interest, equal to the Merger Consideration (with the aggregate payment rounded down to the nearest cent), which amount shall be payable in accordance with the applicable vesting schedule less applicable Tax withholding, that would have applied to such unvested share of Company Restricted Stock, but only if the holder of such terminated Company Restricted Stock satisfies all of the vesting terms and conditions that would have related to the terminated unvested share of Company Restricted Stock (including any continued employment requirements through the applicable date of vesting).

If the Paying Agent, the Surviving Corporation or Parent, as the case may be, so withholds amounts, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which the Paying Agent, the Surviving Corporation or Parent, as the case may be, made such deduction and withholding.

Section 2.07 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Paying Agent, the posting by such Person of a bond in such amount as Parent or the Paying Agent may determine is reasonably necessary as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate, the Paying Agent (or, if subsequent to the termination of the Payment fund and subject to Section 2.03(c), Parent) will deliver, in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration to be paid in respect of the shares of Company Stock represented by such Certificate, as contemplated by this Article 2.

Section 6.03 No Solicitation; Other Offers.

(a) General Prohibitions. Neither the Company nor any of the Company Subsidiaries shall, nor shall the Company or any of the Company Subsidiaries authorize or permit any of its or their Representatives to, directly or indirectly, (i) solicit, initiate or take any action to knowingly facilitate or knowingly encourage the making, submission or announcement of any inquiry, proposal or offer (including any inquiry, proposal or offer to the Company’s stockholders) which constitutes or would be reasonably expected to lead to any Acquisition Proposal, (ii) enter into or participate in any discussions or negotiations with, furnish any information relating to the Company or any of the Company Subsidiaries or afford access to the business, properties, assets, books or records of the Company or any of the Company Subsidiaries to, otherwise cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any Third Party that is reasonably expected to make, or is otherwise seeking to make, or has made, an Acquisition Proposal (other than, solely in response to an unsolicited inquiry, to refer the inquiring Third Party to this Section 6.03 and to limit its conversation or other communication exclusively to such referral), (iii) (A) publicly propose to, or otherwise change, withhold, withdraw, qualify or modify, in a manner adverse to Parent or Merger Subsidiary, the Company Board

Recommendation, (B) fail to include the Company Board Recommendation in the Proxy Statement, when mailed, (C) adopt, approve or recommend to stockholders of the Company, or resolve to or publicly propose or announce its intention to adopt, approve or recommend to stockholders of the Company, an Acquisition Proposal or any transaction pursuant to which a Third Party would become an “interested stockholder” under Section 203 of Delaware Law, (D) if a tender offer or exchange offer that constitutes an Acquisition Proposal is commenced, fail to publicly recommend against acceptance of such tender offer or exchange offer by the Company’s stockholders within ten Business Days after the commencement thereof or (E) fail to publicly reaffirm the Company Board Recommendation following any Acquisition Proposal having been publicly made, proposed or communicated (and not publicly withdrawn) within 10 Business Days after Parent so requests in writing (*provided* that Parent shall not be entitled to request such reaffirmation more than one time with respect to an Acquisition Proposal (provided that any modification to the financial or other material terms of such Acquisition Proposal shall constitute a new Acquisition Proposal for purposes of the foregoing) (any of the foregoing in this clause (iii), an “**Adverse Recommendation Change**”), (iv) fail to enforce or grant any waiver or release under any standstill or similar agreement with respect to any class of equity securities of the Company or any of the Company Subsidiaries, *provided that*, with respect to any Third Party that was not invited by the Company to submit an indication of interest or bid to acquire the Company during the period between June 1, 2016 and the date of this Agreement, if the Company’s Board of Directors determines in good faith, after consultation with the Company’s outside legal counsel, that the failure to take such action would be inconsistent with the directors’ fiduciary duties under Applicable Law, the Company may waive any such standstill provision applicable to such Third Party solely to the extent necessary to permit such Third Party to make a confidential Acquisition Proposal to the Company’s Board of Directors, or (v) approve, adopt, recommend or enter into, or propose to approve adopt, recommend or enter into any agreement in principle, letter of intent, term sheet, merger agreement, acquisition agreement, option agreement or other similar instrument relating to an Acquisition Proposal (whether binding or nonbinding). It is agreed that any material violation of the restrictions on the Company set forth in this Section 6.03 by any Representative of the Company or any of the Company Subsidiaries shall be a breach of this Section by the Company; *provided, however*, that nothing in this Section 6.03(a) shall prohibit the Company or its Representatives from contacting in writing any Person or group of Persons who, following the date of this Agreement, make an unsolicited Acquisition Proposal with such contact being for the sole purpose of clarifying the terms and conditions thereof so as to determine whether such Acquisition Proposal constitutes, or could reasonably be expected to lead to, a Superior Proposal, and any such actions shall not be a breach of this Section 6.03(a), so long as the Company otherwise complies with its obligations under this Section 6.03, including Section 6.03(c), with respect to such Acquisition Proposal. The Company agrees that it and its Affiliates will not enter into any agreement with any Third Party subsequent to the date of this Agreement which prohibits the Company or its Affiliates from providing any information to Parent in accordance with, or otherwise complying with, this Section 6.03.

(b) Exceptions. Notwithstanding Section 6.03(a), at any time after the date of this Agreement and prior to the receipt of the Company Stockholder Approval:

(i) if the Company receives a bona fide unsolicited written Acquisition Proposal from a Third Party, that did not result from a breach of its obligations in Section 6.03(a) or Section 6.03(g) and the Board of Directors of the Company determines in good faith (after consultation with its financial advisor and outside legal counsel) that such Acquisition Proposal constitutes, or would reasonably be expected to lead to, a Superior Proposal, the Company, directly or indirectly through its Representatives, may (A) engage in negotiations or discussions with the Third Party making such Acquisition Proposal and its Representatives regarding such Acquisition Proposal and (B) furnish to such Third Party or its Representatives non-public information relating to the Company or any of the Company Subsidiaries pursuant to a confidentiality agreement (a copy of which shall be provided for informational purposes only to Parent within 24 hours after the Company’s entry thereto) with such Third Party with terms in all material respects no less favorable to the Company than those contained in the confidentiality agreement dated June 21, 2016 between the Company and Parent (the “**Confidentiality Agreement**”); provided that all such information (to the extent that such information has not been previously provided or made available to Parent) is provided or made available to Parent, as the case may be, prior to or substantially concurrently with the time it is provided or made available to such Third Party;

(ii) subject to the Company's compliance with Section 6.03(c) and Section 6.03(d) (provided that such compliance shall be in all material respects with respect to the timeframes for the Company's actions in Section 6.03(c)), the Board of Directors of the Company may make an Adverse Recommendation Change (A) following receipt of a Superior Proposal or (B) in response to an Intervening Event; and

(iii) subject to the Company's compliance with Section 6.03(c) and Section 6.03(d) (provided that such compliance shall be in all material respects with respect to the timeframes for the Company's actions in Section 6.03(c)), and the procedures set forth in Section 10.01(d)(i) Company may terminate this Agreement to enter into a definitive agreement with respect to a Superior Proposal;

in each case referred to in the foregoing clauses (ii) and (iii), only if the Board of Directors of the Company determines in good faith, after consultation with its financial advisor and its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Delaware Law.

(c) **Required Notices.** The Board of Directors of the Company shall not take any of the actions referred to in Section 6.03(b) unless the Company shall have delivered to Parent a prior written notice advising Parent that it intends to take such action, the Company has advised Parent on a prompt basis of the status and terms of any discussions and negotiations with the Third Party, and the Company has notified Parent promptly (but in no event later than the earliest to occur of (i) one Business Day and (ii) 48 hours) after receipt by the Company (or any of its Representatives) of any request for information relating to the Company or any of the Company Subsidiaries or for access to the business, properties, assets, books or records of the Company or any of the Company Subsidiaries by any Third Party that has made, or that is reasonably likely to make, an Acquisition Proposal. The Company shall provide such notice orally and in writing (email shall be sufficient if sent in accordance with all of the relevant provisions of Section 11.01 hereof) and shall identify the Third Party making, and the financial and other material terms and conditions (including the financing thereof) of, any such Acquisition Proposal, indication or request. The Company shall keep Parent fully informed, on a prompt basis (and in any event no later than the earliest to occur of (i) one Business Day and (ii) 48 hours), of the status and material terms of any such Acquisition Proposal, indication or request. The Company shall promptly (but in no event later than the earliest to occur of (i) one Business Day and (ii) 48 hours) after receipt provide to Parent copies of all correspondence and other written materials sent or provided to the Company, any of the Company Subsidiaries or any of their Representatives after the date of this Agreement by any Third Party that has made, or that is reasonably likely to make, an Acquisition Proposal that describes any financial or other material terms or conditions of any Acquisition Proposal (as well as written summaries of any additional or modified material terms or conditions conveyed orally to the Company, to the extent not already provided to Parent within the earliest to occur of (i) one Business Day and (ii) 48 hours after receipt by the Company, any of the Company Subsidiaries or any of their Representatives). The Company shall provide to Parent prior to or substantially concurrently with the time it is provided or made available to such Third Party by the Company, any of the Company Subsidiaries or any of their Representatives all correspondence and other written materials to any Third Party that, after the date of this Agreement, has made, or that is reasonably likely to make, an Acquisition Proposal that describes any financial or other material terms or conditions of any Acquisition Proposal (as well as written summaries of any additional or modified material terms or conditions conveyed orally by or on behalf of the Company, to the extent not already provided to Parent). Any amendment to the financial or other material terms of any Acquisition Proposal will be deemed to be a new Acquisition Proposal for purposes of the Company's compliance with this Section 6.03(c).

(d) **"Last Look"**. Further, the Board of Directors of the Company shall not make an Adverse Recommendation Change (or terminate this Agreement pursuant to Section 10.01(d)(i)), unless (i) the Company notifies Parent (which notice, in and of itself, shall not constitute an Adverse Recommendation Change), in writing at least five Business Days before taking that action, of its intention to do so (such period, the **"Negotiation Period"**), including (A) in the case of an Adverse Recommendation Change to be made following receipt of a Superior Proposal, the most current version of the proposed agreements under which such Superior Proposal is proposed to be consummated (including any proposed merger agreement, acquisition agreement,

option agreement, voting agreement or other similar instrument relating to such Superior Proposal and a copy of any financing commitments relating thereto (or, in each case, if not provided in writing to the Company, a written summary of the financial and other terms thereof)) and the identity of the Third Party making the Acquisition Proposal, or (B) in the case of an Adverse Recommendation Change to be made in response to an Intervening Event, a reasonably detailed description of the reasons for making such Adverse Recommendation Change, and (ii) following the end of the Negotiation Period, the Board of Directors of the Company shall have considered in good faith any revisions to the terms of this Agreement proposed in writing by Parent, and shall have determined, after consultation with its financial advisor and outside legal counsel, that Parent did not make, within the Negotiation Period, an offer that (A) in the case of an Adverse Recommendation Change to be made following receipt of a Superior Proposal, is at least as favorable to the stockholders of the Company as such Superior Proposal provided, that in the event there is any modification to the financial or other material terms of any such Superior Proposal (including any modification in the amount, form or mix of consideration proposed to be payable to the Company's stockholders pursuant to such Superior Proposal), the Company shall have provided to Parent a notice of such modification and such Superior Proposal shall be deemed a new Superior Proposal to which the requirements of this Section 6.03(d) shall apply; provided, further that with respect to such new Superior Proposal, the Negotiation Period shall be deemed to be a three Business Day period rather than a five Business Day period (except that in no event will the Negotiation Period expire earlier than any Negotiation Period then in effect would have expired) or (B) in the case of an Adverse Recommendation Change to be made in response to an Intervening Event, obviates the need for such recommendation change.

(e) Definition of Superior Proposal. For purposes of this Agreement, "**Superior Proposal**" means a bona fide written Acquisition Proposal obtained after the date hereof that is not subject to any due diligence investigation, does not require a closing condition that the Third Party has obtained financing or that committed financing actually be funded, and, with respect to any cash consideration, is fully financed with available cash on hand or binding written financing commitments in full force and effect, or a combination of the foregoing, that the Board of Directors of the Company determines in good faith, after considering the advice of a financial advisor of nationally recognized reputation and outside legal counsel, taking into account the identity of the Third Party making such Acquisition Proposal, all terms of such Acquisition Proposal that the Company's Board of Directors deems relevant (including any termination or break-up fees and conditions to consummation) and the reasonable likelihood and timing of consummation of such Acquisition Transaction, would be more favorable from a financial point of view to the Company's stockholders (in their capacity as such) than the Merger (taking into account any proposal by Parent to amend the terms of this Agreement pursuant to Section 6.03(d); provided that for purposes of this definition, all references to "20%" in the definition of "Acquisition Proposal" shall be deemed to be "80%."

(f) Definition of Intervening Event. For purposes of this Agreement, "**Intervening Event**" means any material change, event, occurrence or development that occurs, arises or becomes known to the Board of Directors of the Company after the date of this Agreement and prior to obtaining the Company Stockholder Approval, to the extent that such change, event, occurrence or development was unknown to the Board of Directors of the Company and was not reasonably foreseeable, in each case, as of the date of this Agreement; provided that the receipt by the Company, the existence or the terms of an Acquisition Proposal or a Superior Proposal shall not, in any event, be deemed to constitute an Intervening Event.

(g) Obligation to Terminate Existing Discussions. The Company shall, and shall cause the Company Subsidiaries and its and their Representatives to, cease immediately and cause to be terminated any and all existing activities, discussions or negotiations, if any, with any Third Party and its Representatives conducted prior to the date hereof with respect to any Acquisition Proposal. The Company shall, and shall cause its Affiliates to, promptly request any Third Party that has executed a confidentiality or non-disclosure agreement and received any non-public information relating to the Company or any of the Company Subsidiaries during the period between June 1, 2016 and the date of this Agreement return or destroy all confidential information in the possession of such Third Party or its Representatives.

(h) **“Stop”, “Look” and “Listen”**. Nothing contained in this Agreement shall prohibit the Board of Directors of the Company from (i) complying with its disclosure obligations under United States federal or state law with regard to an Acquisition Proposal, including taking and disclosing to its stockholders a position contemplated by Rule 14d-9, 14e-2(a) or Item 1012(a) of Regulation M-A promulgated under the Exchange Act, (ii) making any “stop-look-and-listen” communication to the stockholders of the Company pursuant to Rule 14d-9(f) promulgated under the Exchange Act, it being agreed that the making of such communication containing only the information contemplated by Rule 14d-9f shall not be an Adverse Recommendation Change or (iii) making any disclosure to the Company’s stockholders that is required by Applicable Law; provided, however, that in the case of clause (i), (ii) or (iii), any such disclosure or communication that constitutes or contains an Adverse Recommendation Change shall only be made in compliance with this Section 6.03 (excluding this Section 6.03(h)).

Section 6.04 **Access to Information**. Subject to the last sentence of this Section 6.04, from the date hereof until the Effective Time and subject to Applicable Law and the Confidentiality Agreement, upon reasonable written prior notice, the Company shall (i) give to Parent, its counsel, financial advisors, auditors and other authorized Representatives reasonable access during normal business hours to the personnel, offices, properties, books and records (including Tax records) of the Company and the Company Subsidiaries, (ii) furnish to Parent, its counsel, financial advisors, auditors and other authorized Representatives such financial and operating data and other information as such Persons may reasonably request and (iii) instruct its employees, counsel, financial advisors, auditors and other authorized Representatives to cooperate with Parent in its investigation of the Company and the Company Subsidiaries. Any investigation pursuant to this Section 6.04 shall be conducted in such manner as not to interfere unreasonably with the conduct of the business of the Company and the Company Subsidiaries. No information or knowledge obtained in any investigation pursuant to this Section 6.04 shall affect or be deemed to modify any representation or warranty made by any party hereunder. Notwithstanding anything herein to the contrary, under no circumstances shall the Company, the Company Subsidiaries or their respective Representatives be required to furnish any person with, or be required to provide access to any person to, information about the Company or any of the Company Subsidiaries that is prohibited by any Applicable Law or contractual restraint enforceable upon the Company or any of the Company Subsidiaries, or where such access to information would reasonably be expected to involve the waiver of any attorney-client privilege; provided that the Company will inform Parent of the general nature of the document or information being withheld and reasonably cooperate with Parent to provide such document or information in a manner that would not result in a violation of Law or any such contractual restraint or the loss or waiver of such privilege.

Section 6.05 **Stockholder Litigation**. Until the earlier of the termination of this Agreement in accordance with its terms or the Effective Time, the Company shall give Parent the right to review and comment in advance on all material filings or responses to be made by the Company in connection with any litigation against the Company and/or its directors relating to the Merger, and the right to consult on any settlement with respect to such litigation, and the Company will in good faith take such comments into account. The Company shall promptly notify Parent of the filing of, or the threat of the filing of, any such litigation and shall keep Parent reasonably and promptly informed with respect to the status thereof. The Company shall not settle or offer to settle any such litigation without the prior written consent of Parent.

Section 6.06 **Company Notes**. The Company shall use commercially reasonable efforts to comply with its obligations under the Company Notes Indenture that arise as a result of the execution, delivery or performance by the Company of this Agreement and the consummation of the transactions contemplated hereby, including the delivery of any notices, certificates and opinions required in connection with the transactions contemplated hereby.

Section 6.07 **Tax Matters**.

(a) From the date hereof until the Effective Time, neither the Company nor any of the Company Subsidiaries shall make, change or revoke any material Tax election, change any annual Tax accounting period,

adopt or change any method of tax accounting, file any material amended Tax Returns or claims for material Tax refunds, enter into any material closing agreement within the meaning of Section 7121 of the Code (or any analogous or similar provision of state, local or foreign law), request any Tax ruling from a Governmental Authority, surrender, settle, concede or compromise any material Tax claim, audit or assessment, surrender or settle any right to claim a material Tax refund, offset or other reduction in Tax liability, consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment or take or omit to take any other action, if any such action or omission would have the effect of increasing the Tax liability or reducing any Tax Asset of the Company or any of the Company Subsidiaries.

(b) The Company and each Company Subsidiary shall establish or cause to be established in accordance with GAAP on or before the Effective Time an adequate accrual for all material Taxes due with respect to any period or portion thereof ending prior to or as of the Effective Time.

(c) The payment of any transfer, documentary, sales, use, stamp, registration, value added and other Taxes and fees (including any penalties and interest) incurred solely by a holder of Company Stock in connection with the Merger, and the filing of any related Tax Returns and other documentation with respect to such Taxes and fees, shall be the sole responsibility of such holder.

Section 6.08 ESPP. Prior to the Effective Time, the Company shall take all actions necessary, including adopting any resolutions or amendments, with respect to the ESPP to: (a) cause the Purchase Period (as defined in the ESPP) ongoing as of the date of this Agreement to be the final Purchase Period under the ESPP and the options under the ESPP to be exercised on the earlier of (i) the scheduled purchase date for such Purchase Period and (ii) the date that is five Business Days prior to the anticipated Effective Time, (b) apply participant accounts in accordance with the ESPP to purchase shares of Company Stock immediately following the termination of such final offering period and (c) terminate the ESPP effective immediately prior to the Closing Date. Any shares of Company Stock so purchased shall be treated in accordance with Section 2.02. All amounts withheld by the Company on behalf of the participants in the ESPP that have not been used to purchase shares of Company Stock prior to the termination of the ESPP will be returned to the participants without interest pursuant to the terms of the ESPP upon the termination of the ESPP.

COVENANTS OF PARENT

Parent agrees that:

Section 7.01 Obligations of Merger Subsidiary. Parent shall take all action necessary to cause Merger Subsidiary to perform its obligations under this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement. Immediately following the execution of this Agreement, Parent shall execute and deliver, in accordance with Delaware Law and in its capacity as the sole stockholder of Merger Subsidiary, a written consent adopting this Agreement and approve the Merger in accordance with Delaware Law.

Section 7.02 Director and Officer Liability. Parent shall cause the Surviving Corporation, and the Surviving Corporation hereby agrees, to do the following:

(a) Parent and Merger Subsidiary agree that all rights to indemnification, advancement of expenses and exculpation by the Company or the Company Subsidiaries existing as of the date of this Agreement in favor of each Person who is now, or has been at any time prior to the date of the Agreement or who becomes prior to the Effective Time an officer or director of the Company or the Company Subsidiaries (each an "**Indemnified Person**") as provided in the Company Certificate and Company Bylaws or similar governing documents of the Company Subsidiaries, in each case as in effect on the date of this Agreement, or pursuant to any other Contracts in effect on the date of the Agreement and disclosed in Section 7.02 of the Company Disclosure Schedule (the

“**Indemnification Contracts**”) (or with respect to Persons who become a director or officer of the Company prior to the Effective Time, in a form substantially similar the Indemnification Contracts) for acts or omissions occurring prior to the Effective Time (including acts or omissions occurring in connection with this Agreement and the consummation of the Merger) shall be honored by the Surviving Corporation and its Subsidiaries and shall survive the Merger and shall remain in full force and effect in accordance with their terms, and shall not be amended, repealed or otherwise modified for a period of six years after the Effective Time in any manner that would adversely affect the rights thereunder of such Indemnified Persons. Parent shall, and shall cause the Surviving Corporation and its Subsidiaries to, honor and fulfill in all respects the obligations of the Company and the Company Subsidiaries under any and such Indemnification Contracts.

(b) For six years after the Effective Time, to the fullest extent permitted under Applicable Law, Parent and the Surviving Corporation and any successor to the Surviving Corporation shall, and Parent shall cause the Surviving Corporation or its successor to indemnify, defend and hold harmless each Indemnified Person against all losses, claims, damages, liabilities, fees, expenses, judgments and fines arising directly or indirectly, in whole or in part out of actions or omissions in their capacity as such occurring at or prior to the Effective Time (including in connection with the transactions contemplated by this Agreement), and shall advance and/or reimburse each Indemnified Person for any legal or other expenses reasonably incurred by such Indemnified Person in connection with investigating or defending any such losses, claims, damages, liabilities, fees, expenses, judgments and fines as the same are incurred, subject to the Surviving Corporation’s receipt of an undertaking by such Indemnified Person to repay such legal and other fees and expenses paid in advance if it is ultimately determined in a final non appealable judgment of a court of competent jurisdiction that such Indemnified Person is not entitled to be indemnified under Applicable Law; *provided however*, that the Surviving Corporation will not be liable for any settlement effected without the Surviving Corporation’s prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) Parent shall cause the Surviving Corporation to provide, for an aggregate period of not less than six years from the Effective Time, the Company’s current directors and officers an insurance and indemnification policy that provides coverage for events occurring prior to the Effective Time (the “**D&O Insurance**”) that is no less favorable than the Company’s existing policy as of the date of this Agreement or, if insurance coverage that is no less favorable is unavailable, the best available coverage; *provided, however*, that the Surviving Corporation shall not be required to pay an annual premium for the D&O Insurance in excess of 250% of the last annual premium paid prior to the date of this Agreement (the “**Premium Cap**”) or, if less, the cost of a policy providing coverage on the same terms as the Company’s existing policy as of the date of this Agreement; provided, further, that the Company or Parent may prior to the Effective Time substitute therefor a single premium tail coverage with respect to D&O Insurance with the maximum coverage available for a total cost equal to the Premium Cap or, if less, the cost of a single premium tail policy providing the same coverage limits as the Company’s existing policy as of the date of this Agreement. If such premiums for such insurance would at any time exceed the Premium Cap, then the Surviving Corporation shall cause to be maintained policies of insurance which, in the Surviving Corporation’s good faith determination, provide the maximum coverage available for a total cost equal to the Premium Cap.

(d) The obligations of Parent and the Surviving Corporation under this Section 7.02 shall survive the consummation of the Merger and shall not be terminated or modified in such a manner as to adversely affect any Indemnified Person to whom this Section 7.02 applies without the consent of such affected Indemnified Person (it being expressly agreed that the Indemnified Person to whom this Section 7.02 applies shall be third party beneficiaries of this Section 7.02, each of whom may enforce the provisions of this Section 7.02).

(e) In the event the Surviving Corporation or any of its respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity in such consolidation or merger or (ii) transfers or licenses all or substantially all of its properties and assets (including Intellectual Property Rights) to any Person, then, and in either such case, proper provision shall be made so that each of such successors and assigns of the Surviving Corporation shall assume all of the obligations set forth in

this Section 7.02 to the extent of the assets transferred to such successor or assign. The agreements and covenants contained herein shall not be deemed to be exclusive of any other rights to which any Indemnified Person is entitled, whether pursuant to Applicable Law, Contract or otherwise. Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company or its officers, directors and employees, it being understood and agreed that the indemnification provided for in this Section 7.02 is not prior to, or in substitution for, any such claims under any such policies.

Section 7.03 Employee Matters.

(a) During the period beginning at the Effective Time and ending on the first anniversary of the Closing Date (or such shorter period of employment, as the case may be), Parent shall, or shall cause its Subsidiaries to provide to each employee of the Company or the Company Subsidiaries at the Effective Time (each, a "**Covered Employee**"), (i) a base salary or rate of pay that is at least equal to such Covered Employee's base salary or rate of pay immediately prior to the Effective Time, (ii) an incentive pay opportunity that is at least equal, taken in the aggregate and together with base salary or rate of pay, to such Covered Employee's incentive pay opportunity, taken in the aggregate and together with base salary or rate of pay, immediately prior to the Effective Time (iii) severance benefits that are no less favorable than the severance benefits provided to such Covered Employee immediately prior to the Effective Time and (iv) other compensation and employee benefits that are substantially similar in the aggregate to the other compensation and employee benefits that were provided to such Covered Employee under the Employee Plans immediately prior to the Effective Time, provided that, for purposes of this Section 7.03(a) (iv), Parent and its Subsidiaries shall not be obligated to grant equity to such Covered Employee, but equity granted to such Covered Employee under the Employee Plans prior to the Effective Time shall be considered in determining whether the incentive pay opportunity provided by Parent and/or its Subsidiaries to the applicable Covered Employee after the Effective Time is at least equal to that provided immediately prior to the Effective Time pursuant to Section 7.03(a)(ii).

(b) Crediting of Payments. In the event any Employee Plan under which a Covered Employee receives health, medical, prescription, dental or vision benefits is terminated and such Covered Employee becomes eligible to participate under any employee benefit plan, program, policy or arrangement of Parent or any of its Subsidiaries (each, a "**Parent Plan**") following the Effective Time, Parent shall, or shall cause its Subsidiaries to (i) use its or their commercially reasonable efforts to waive any preexisting condition exclusions and waiting periods with respect to participation and coverage requirements applicable to such Covered Employee (and any eligible dependents thereof) for any corresponding Parent Plan providing medical, dental or vision benefits to the same extent such limitation would have been waived or satisfied under the Employee Plan such Covered Employee participated in immediately prior to coverage under such Parent Plan and (ii) provide such Covered Employee with credit for any copayments, coinsurance and deductibles paid under an Employee Plan prior to such Covered Employee's coverage under any Parent Plan during the calendar year in which such amount was paid, to the same extent such credit was given under the Employee Plan such Covered Employee participated in immediately prior to coverage under such Parent Plan in satisfying any applicable deductible or out-of-pocket requirements under such Parent Plan.

(c) Service Crediting. As of the Effective Time, Parent shall, or shall cause its Subsidiaries to, recognize all service of each Covered Employee prior to the Effective Time with the Company and the Company Subsidiaries reflected in the records of the Company (or any predecessor entities of either to the extent the Company or one of the Company Subsidiaries provides such past-service credit under a similar Employee Plan) for purposes of vesting and eligibility and determining the rate of accrual for leave benefits under any Parent Plan in which such Covered Employees are eligible to participate following the Closing. In no event shall anything contained in this Section 7.03(c) result in any duplication of benefits for the same period of service.

(d) Company 401(k) Plans. At the request of Parent no later than 10 Business Days prior to the Closing Date, the Company shall take all actions necessary so that effective as of immediately prior to the Effective

[Table of Contents](#)

Time, the Company shall terminate any Employee Plan that includes a 401(k) feature pursuant to resolutions of the Company's Board of Directors that are reasonably satisfactory to Parent. In connection with any termination of such plans, Parent shall permit each Covered Employee to make rollover contributions of "eligible rollover distributions" (within the meaning of Section 401(a)(31) of the Code, including all participant loans) in cash or notes (in the case of participant loans) in an amount equal to the eligible rollover distribution portion of the account balance distributed to each such Covered Employee from such plan to an "eligible retirement plan" (within the meaning of Section 401(a)(31) of the Code) of Parent or any of its Subsidiaries.

(e) Without limiting the generality of Section 11.05, nothing in this Section 7.03, express or implied, (i) is intended to or shall confer upon any Person other than the parties hereto, including any Covered Employee or any former Service Provider or any beneficiary or dependent thereof, any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, (ii) shall establish, or constitute an amendment, termination or modification of, or an undertaking to amend, establish, terminate or modify, any benefit plan, program, agreement or arrangement, (iii) shall alter or limit the ability of Parent or any of its Subsidiaries (or, following the Effective Time, the Company or any of the Company Subsidiaries) to amend, modify or terminate any benefit plan, program, agreement or arrangement at any time assumed, established, sponsored or maintained by any of them, or (iv) shall create any obligation on the part of Parent or its Subsidiaries (or, following the Effective Time, the Company or any of the Company Subsidiaries) to employ any Covered Employee for any period following the Closing Date.

COVENANTS OF PARENT AND THE COMPANY

The parties hereto agree that:

Section 8.01 Regulatory Approvals, Notices and Consents.

(a) Subject to the terms and conditions of this Agreement, Parent, Merger Subsidiary and the Company shall use their commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under Applicable Law to consummate the transactions contemplated by this Agreement, including using their commercially reasonable efforts to (i) prepare and file as promptly as practicable with any Governmental Authority or other third party all documentation to effect all necessary filings, notices, petitions, statements, registrations, submissions of information, applications and other documents and (ii) obtain and maintain all approvals, consents, registrations, permits, authorizations and other confirmations required to be obtained from any Governmental Authority or other third party that are necessary, proper or advisable to consummate the transactions contemplated by this Agreement including the commencement or defense of litigation seeking the entry of, or, as the case may be, to effect the dissolution of, any temporary injunction, temporary restraining order or other temporary or appealable order in any suit or proceeding, which would otherwise have the effect of delaying or preventing the consummation of the transactions contemplated by this Agreement; *provided* that the parties hereto understand and agree that Parent and Merger Subsidiary shall not be required to, and, without the prior written consent of Parent, the Company shall not, (A) enter into any settlement, undertaking, consent decree, stipulation or agreement with any Governmental Authority in connection with the transactions contemplated by this Agreement, or (B) propose, negotiate, commit to or effect, by consent decree, hold separate orders, or otherwise that in the case of the foregoing clauses (A) or (B) would impose or provide for any of the following: (1) any restrictions on the operation of the business of the Company by Parent (including the termination or cancellation of all or a portion of sales contracts with customers), (2) the sale, license, assignment, transfer, lease, or other divestiture or disposition of the assets, properties or businesses of Parent or its Subsidiaries (excluding the Company following the Effective Time), or (3) the sale, license, assignment, transfer, lease or other divestiture or disposition of any assets or businesses of the Company or any Company Subsidiary that would reduce the reasonably anticipated benefits to Parent (including anticipated synergies) of the transactions contemplated by this Agreement in an amount that is financially material relative to

Notwithstanding anything in this Agreement to the contrary, neither Parent and Merger Subsidiary, on the one hand, nor the Company and the Company Subsidiaries, on the other hand, shall be required to agree to any term or take any action in connection with obtaining the necessary approvals from Governmental Authorities or third parties that is not conditioned upon the consummation of the Merger and the other transactions contemplated by this Agreement. Each of Parent and the Company shall (x) cooperate in all respects and consult with each other in connection with filings, including by allowing the other party to have a reasonable opportunity to review in advance and comment on drafts of filings and submissions, (y) promptly inform the other party of any communication received by such party from, or given by such party to, Governmental Authorities, by promptly providing copies to the other party of any such written communications and (z) permit the other party to review in advance any communication that it gives to, and consult with each other in advance of any meeting, substantive telephone call or conference with Governmental Authorities, and to the extent not prohibited by a Governmental Authority, give the other party the opportunity to attend and participate in any in-person meetings with that Governmental Authority. (b) Without limiting the generality of the Parent's and Merger Subsidiary's undertaking pursuant to Section 8.01(a) but subject thereto, each of Parent and the Company shall (i) make an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated hereby as promptly as practicable and in any event within 15 Business Days after the date hereof and (ii) make all necessary filings, notifications and other submissions with respect to this Agreement and the transactions contemplated hereby under other applicable Antitrust Laws where such filings, notifications or other submissions are required, as promptly as practicable and, with respect to (i) and (ii) above to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the Antitrust Laws and, subject to the provisions of Section 8.01(a), to use their commercially reasonable efforts to take all other actions necessary to cause the expiration or termination of the applicable waiting periods under the Antitrust Laws as soon as practicable.

(c) Without limiting the generality of the Parent's and Merger Subsidiary's undertaking pursuant to Section 8.01(a) but subject to the restrictions thereof, Parent and the Company shall use their commercially reasonable efforts to obtain the CFIUS Approval. Such commercially reasonable efforts shall include promptly after the date hereof making any draft and final filings (including joint filings) required in connection with the CFIUS Approval in accordance with the DPA, and providing any information requested by CFIUS or any other agency or branch of the U.S. government in connection with the CFIUS review or investigation of the transactions contemplated by this Agreement within the timeframes required by the DPA, unless CFIUS agrees in writing to an extension of such timeframe; *provided*, that in the event that CFIUS notifies Parent, Merger Subsidiary or the Company that CFIUS (x) has completed its review or investigation and (y) intends to send a report to the President of the United States recommending that the President act to prohibit the Merger or any of the other transactions contemplated by this Agreement, Parent may request a withdrawal of any filing or notification made to CFIUS; *provided*, however, that if Parent does not re-file a CFIUS notification within 20 Business Days or such different period of time agreed upon by the parties, a CFIUS Turndown shall be deemed to have occurred.

Section 8.02 Public Announcements. Parent, Merger Subsidiary and the Company shall consult with each other before issuing any press release, having any communication with the press (whether or not for attribution), making any other public statement or scheduling any press conference or conference call with investors or analysts with respect to this Agreement or the transactions contemplated hereby and the Company shall not issue any such press release or make any such other public statement or schedule any such press conference or conference call without such consultation; *provided, however*, that the restrictions set forth in this Section 8.02

(a) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;

(b) any notice or other communication from any Governmental Authority in connection with the transactions contemplated by this Agreement;

(c) any Legal Proceedings or material claim commenced or, to its knowledge, threatened against, relating to or involving or otherwise affecting the Company or any Company Subsidiary or Parent or any of its Subsidiaries, as the case may be, that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to any Section of this Agreement or that relate to the consummation of the transactions contemplated by this Agreement;

(d) any inaccuracy of any representation or warranty contained in this Agreement at any time during the term hereof that could reasonably be expected to cause any condition set forth in Article 9 not to be satisfied; and

(e) any failure of that party to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder that could reasonably be expected to cause any condition set forth in Article 9 not to be satisfied;

provided, that the delivery of any notice pursuant to this Section 8.04 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

Section 8.05 Section 16 Matters. Prior to the Effective Time, the Company shall take all steps as may be required to cause any dispositions of Company Stock (including derivative securities with respect to Company Stock) resulting from the transactions contemplated by Article 2 of this Agreement by each officer and director of the Company who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 11.02 Survival of Representations and Warranties. The representations and warranties contained herein and in any certificate or other writing delivered pursuant hereto shall not survive the Effective Time.

Section 11.03 Amendments and Waivers.

(a) Any provision of this Agreement may be amended, supplemented or waived prior to the Effective Time, whether before or after receipt of the Company Stockholder Approval, if, but only if, such amendment, supplement or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement or, in the case of a waiver, by each party against whom the waiver is to be effective; *provided* that after the Company Stockholder Approval has been obtained there shall be no amendment or waiver that would require the further approval of the stockholders of the Company under Delaware Law without such approval having first been obtained.

(b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Applicable Law.

Section 11.04 Termination Fees.

(a) General. Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement shall be paid by the party incurring such cost or expense.

(b) Company Termination Fee.

(i) If this Agreement is terminated (A) by Parent pursuant to Section 10.01(c)(i) (*provided* that if either Parent or the Company terminates this Agreement pursuant to Section 10.01(b)(iv) at a time when Parent would have been entitled to terminate this Agreement pursuant to Section 10.01(c)(i), this Agreement shall be deemed to have been terminated pursuant to Section 10.01(c)(i) for purposes of this Section 11.04) or (B) by the Company pursuant to Section 10.01(d)(i), then the Company shall pay to Parent in immediately available funds \$46,700,000 (the "**Termination Fee**"), in the case of a termination by Parent, within two Business Days after such termination and, in the case of a termination by the Company, prior to or concurrently with, and as a condition to, such termination.

[Table of Contents](#)

(ii) If (A) this Agreement is terminated by Parent or the Company pursuant to Section 10.01(b)(i) or Section 10.01(b)(iv), and (B)(1) with respect to termination under Section 10.01(b)(i), after the date of this Agreement and prior to such termination an Acquisition Proposal shall have been publicly announced and (2) with respect to termination under Section 10.01(b)(iv), after the date of this Agreement and prior to the Company Stockholder Meeting, an Acquisition Proposal shall have been publicly announced to the Company's stockholders and (C) within 12 months following the date of such termination, the Company shall have entered into a definitive agreement with respect to any Acquisition Proposal or any Acquisition Proposal shall have been consummated (*provided* that for purposes of this clause (C), each reference to "20%" in the definition of Acquisition Proposal shall be deemed to be a reference to "50%"), then the Company shall pay to Parent in immediately available funds, concurrently with the occurrence of the applicable event described in clause (C), the Company Termination Fee. All amounts paid pursuant to this Section 11.04(b) will be by wire transfer of immediately available funds to an account directed by Parent.

(c) Parent Termination Fee

If:

(i) This Agreement is terminated by the Company or Parent pursuant to Section 10.01(b)(i), and at the End Date all conditions to Parent's obligations to consummate the Merger set forth in Article 9, other than the conditions set forth in Section 9.01(b) (solely due to an Applicable Law that is an Antitrust Law or which relates to CFIUS), Section 9.01(c) or Section 9.01(d) have been satisfied (other than those of a nature to be satisfied at Closing, which shall be capable of being satisfied if the Closing Date were the date the notice of termination was delivered); then Parent shall pay, or cause to be paid, to the Company the Parent Termination Fee within two Business Days after such termination by wire transfer of immediately available funds to an account directed by the Company; or

(ii) This Agreement is terminated by the Company or Parent pursuant to Section 10.01(b)(ii) (solely due to an Applicable Law that is an Antitrust Law) or Section 10.01(b)(iii), and at the termination date all conditions to Parent's obligations to consummate the Merger set forth in Article 9, other than the conditions set forth in Section 9.01(b) (solely due to an Applicable Law that is an Antitrust Law or which relates to CFIUS), Section 9.01(c) or Section 9.01(d), would have been capable of being satisfied if the Closing Date were the date the notice of termination was delivered; then Parent shall pay, or cause to be paid, to the Company the Parent Termination Fee within two Business Days after such termination by wire transfer of immediately available funds to an account directed by the Company.

(d) Other Costs and Expenses. The parties acknowledge that the agreements contained in Section 11.04 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the parties would not enter into this Agreement. Accordingly, if (i) the Company fails promptly to pay any amount due to Parent pursuant to Section 11.04(b), it shall also pay any reasonable and documented costs and expenses (including reasonable attorney fees) incurred by Parent or Merger Subsidiary in connection with a legal action to enforce this Agreement that results in a judgment against the Company for such amount, together with interest on the amount of any unpaid fee, cost or expense at the publicly announced prime rate as published in *The Wall Street Journal* in effect on the date such payment was required to be made and (ii) Parent fails promptly to pay any amount due to the Company pursuant to Section 11.04(c), it shall also pay any reasonable and documented out of pocket costs and expenses (including reasonable attorney fees) incurred by the Company in connection with a legal action to enforce this Agreement that results in a judgment against Parent or Merger Subsidiary for such amount, together with interest on the amount of any unpaid fee, cost or expense at the publicly announced prime rate as published in *The Wall Street Journal* in effect on the date such payment was required to be made.

(e) Parent's and Merger Subsidiary's Sole Remedy. Except in the case of fraud or a willful breach of the Company's representations, warranties, covenants or agreements set forth in this Agreement prior to termination of this Agreement, and subject to Parent's and Merger Subsidiary's rights set forth in Section 11.11, Parent's right to terminate this Agreement and receive the Company Termination Fee pursuant to Section 11.04(b), shall

The receipt of the Company Termination Fee shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Parent, Merger Subsidiary, each of their Affiliates and Representatives and any other Person in connection with this Agreement (and the termination hereof), the Merger (and the abandonment or termination thereof) or any matter forming the basis for such termination and such payment shall not be deemed a penalty.

(f) Company's Sole Remedy. Except in the case of fraud or a willful breach of Parent's or Merger Subsidiary's representations, warranties, covenants or agreements set forth in this Agreement prior to termination of this Agreement, and subject to the Company's rights set forth in Section 11.11, the Company's right to terminate this Agreement and receive the Parent Termination Fee pursuant to Section 11.04(c), shall under the circumstances in which a Parent Termination Fee becomes payable, be the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) of the Company against Parent or Merger Subsidiary for any loss or damage suffered as a result of any breach of any representation, warranty, covenant or agreement or failure to perform hereunder or other failure of the Merger to be consummated, except that the Parent and Merger Subsidiary shall remain obligated for, and the Company and its Affiliates may be entitled to remedies with respect to, the provisions and agreements surviving such termination pursuant to Section 10.02. The receipt of the Parent Termination Fee shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by the Company and its Affiliates and Representatives and any other Person in connection with this Agreement (and the termination hereof), the Merger (and the abandonment or termination thereof) or any matter forming the basis for such termination and such payment shall not be deemed a penalty.

(g) Single Payment Only. The parties hereto acknowledge and hereby agree that in no event shall the Company be required to pay the Company Termination Fee on more than one occasion, whether or not such Company Termination Fee may be payable under more than one provision of this Agreement at the same or at different times and the occurrence of different events.

Section 11.05 Binding Effect; Benefit; Assignment.

(a) The provisions of this Agreement shall be binding upon and, except as provided in Section 7.02 and this Section 11.05, shall inure to the benefit of the parties hereto and their respective successors and assigns. Nothing in this Agreement, express or implied, is intended to or will confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement except for (i) each Indemnified Person as set forth in Section 7.02 of this Agreement, (ii) the Company on behalf of the Company's stockholders to pursue damages (including claims for damages based on loss of the economic benefits of the transactions to the Company's stockholders) in the event of the breach of this Agreement prior to the Closing Date by Parent or Merger Subsidiary as provided in Section 10.02, which right is hereby expressly acknowledged and agreed by Parent and Merger Subsidiary, and (iii) as expressly set forth in this Agreement. The third-party beneficiary rights referenced in clause (ii) of the preceding sentence may be exercised only by the Company (on behalf of the Company's stockholders as their agent) through actions expressly approved by the Company's Board of Directors, and no Company stockholder whether purporting to act in its capacity as a Company stockholder or purporting to assert any right (derivatively or otherwise) on behalf of the Company, will have any right or ability to exercise or cause the exercise of any such right.

(b) No party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of each other party hereto, except that Parent or Merger Subsidiary may transfer or assign its rights and obligations under this Agreement, in whole or from time to time in part, (i) by written

notice to the Company, to a wholly-owned direct or indirect Subsidiary of Parent to participate in the Merger in lieu of Parent or Merger Subsidiary, in which event all references herein to Parent or Merger Subsidiary, as applicable, shall be deemed references to such other Subsidiary; *provided* that any such assignment shall not materially impede or delay the consummation of the Merger and the other transactions contemplated by this Agreement or otherwise materially impair the rights of the Company under this Agreement and (ii) after the Effective Time, to any Person; *provided* that such transfer or assignment shall not relieve Parent or Merger Subsidiary of its obligations hereunder or enlarge, alter or change any obligation of any other party hereto or due to Parent or Merger Subsidiary.

Section 11.06 Governing Law: Jurisdiction. This Agreement and all actions (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement, the negotiation, validity or performance of this Agreement, the Merger shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. All Legal Proceedings (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement, the negotiation, validity or performance of this Agreement, the Merger shall be heard and determined in the Court of Chancery of the State of Delaware, and the parties irrevocably submit to the jurisdiction of such court (and, in the case of appeals, the appropriate appellate court therefrom), in any such Legal Proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Legal Proceeding. The consents to jurisdiction set forth in this paragraph shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any Person other than the parties hereto. The parties agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The parties hereto agree that a final judgment in any such Legal Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law.

Section 11.07 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 11.08 Counterparts: Effectiveness. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by all of the other parties hereto. Until and unless each party has received a counterpart hereof signed by the other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication). This Agreement may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.

Section 11.09 Entire Agreement. This Agreement and the Confidentiality Agreement constitute the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement.

Section 11.10 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 11.11 Specific Performance. The Company, Parent and Merger Subsidiary acknowledge and agree that irreparable damage would occur in the event any of the provisions of this Agreement required to be performed by any of the parties were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. Accordingly, in the event of any breach or threatened breach by any party of any covenant or obligation contained in this Agreement, the Company or Parent shall be entitled to obtain, without proof of actual damages (and in addition to any other remedy to which such party may be entitled at law or in equity): (a) a decree or order from a court of competent jurisdiction of specific performance to enforce the observance and performance of such covenant or obligation; and (b) an injunction from a court of competent jurisdiction restraining such breach or threatened breach. Each party hereby waives any requirement for the securing or posting of any bond in connection with any such remedy.

Appendix B—Opinion of Qatalyst Partners LP

December 20, 2016

Board of Directors
InvenSense, Inc.
1745 Technology Dr.
San Jose, California 95110

Members of the Board:

We understand that InvenSense, Inc. (the “Company”), TDK Corporation (“Parent”), and TDK Sensor Solutions Corporation, a wholly owned subsidiary of Parent (“Merger Sub”), have entered into an Agreement and Plan of Merger, dated as of December 21, 2016 (Japan Standard Time) (the “Merger Agreement”), pursuant to which, among other things, Merger Sub will merge with and into the Company (the “Merger”). Pursuant to the Merger, the Company will be the surviving corporation, and each outstanding share of common stock, par value \$0.001 per share, of the Company (“Company Common Stock”), other than shares held by the Company as treasury stock or owned by Parent or any subsidiary of Parent or the Company or any Dissenting Shares (as defined in the Merger Agreement), will be converted into the right to receive \$13.00 in cash (the “Merger Consideration”). The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

You have asked for our opinion as to whether the Merger Consideration to be received by the holders of shares of Company Common Stock, other than Parent or any affiliate of Parent, (the “Holders”) pursuant to the Merger Agreement is fair, from a financial point of view, to such Holders.

For purposes of the opinion set forth herein, we have reviewed the Merger Agreement, certain related documents and certain publicly available financial statements and other business and financial information of the Company. We have also reviewed certain forward-looking information relating to the Company prepared by the management of the Company, including financial projections and operating data prepared by the management of the Company (the “Company Projections”). Additionally, we discussed the past and current operations and financial condition and the prospects of the Company with senior executives of the Company. We also reviewed the historical market prices and trading activity for Company Common Stock and compared the financial performance of the Company and the prices and trading activity of Company Common Stock with that of certain other selected publicly-traded companies and their securities. In addition, we reviewed the financial terms, to the extent publicly available, of selected acquisition transactions and performed such other analyses, reviewed such other information and considered such other factors as we have deemed appropriate.

In arriving at our opinion, we have assumed and relied upon, without independent verification, the accuracy and completeness of the information that was publicly available or supplied or otherwise made available to, or discussed with, us by the Company. With respect to the Company Projections, we have been advised by the management of the Company, and have assumed, that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of the Company of the future financial performance of the Company and other matters covered thereby. We have assumed that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement, without any modification, waiver

or delay. In addition, we have assumed that in connection with the receipt of all the necessary approvals of the proposed Merger, no delays, limitations, conditions or restrictions will be imposed that could have an adverse effect on the Company or the contemplated benefits expected to be derived in the proposed Merger. We have not made any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company nor have we been furnished with any such evaluation or appraisal. In addition, we have relied, without independent verification, upon the assessment of the management of the Company as to the existing and future technology and products of the Company and the risks associated with such technology and products.

We have acted as financial advisor to the Board of Directors of the Company in connection with this transaction and will receive a fee for our services payable upon rendering of this opinion. We will also receive an additional, larger fee if the Merger is consummated. In addition, the Company has agreed to reimburse our expenses and indemnify us for certain liabilities arising out of our engagement. During the two year period prior to the date hereof, no material relationship existed between Qatalyst and its affiliates and the Company or Parent pursuant to which compensation was received by Qatalyst or its affiliates; however Qatalyst and/or its affiliates may in the future provide investment banking and other financial services to the Company and Parent and their respective affiliates for which we or they would expect to receive compensation.

Qatalyst provides investment banking and other services to a wide range of corporations and individuals, domestically and offshore, from which conflicting interests or duties may arise. In the ordinary course of these activities, affiliates of Qatalyst may at any time hold long or short positions, and may trade or otherwise effect transactions in debt or equity securities or loans of the Company, Parent or certain of their respective affiliates.

This opinion has been approved by our opinion committee in accordance with our customary practice. This opinion is for the information of the Board of Directors of the Company and may not be used for any other purpose without our prior written consent. This opinion does not constitute a recommendation as to how any holder of shares of Company Common Stock should vote with respect to the Merger or any other matter and does not in any manner address the prices at which Company Common Stock will trade at any time.

Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this opinion and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this opinion. Our opinion does not address the underlying business decision of the Company to engage in the Merger, or the relative merits of the Merger as compared to any strategic alternatives that may be available to the Company. Our opinion is limited to the fairness, from a financial point of view, of the Merger Consideration to be received by the Holders pursuant to the Merger Agreement, and we express no opinion with respect to the fairness of the amount or nature of the compensation to any of the Company's officers, directors or employees, or any class of such persons, relative to such Merger Consideration.

Based on and subject to the foregoing, we are of the opinion on the date hereof that the Merger Consideration to be received by the Holders pursuant to the Merger Agreement is fair, from a financial point of view, to such Holders.

Yours faithfully,

Appendix C—Section 262, Delaware General Corporation Law (Appraisal Rights)

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the Record Date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or
- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable, with the word "amendment" substituted for the words "merger or consolidation," and the word "corporation" substituted for the words "constituent corporation" and/or "surviving or resulting corporation."

Table of Contents

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the Record Date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the tender or exchange offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given

[Table of Contents](#)

shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a Record Date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the Record Date shall be such effective date. If no Record Date is fixed and the notice is given prior to the effective date, the Record Date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the merger through the date of payment of the judgment

[Table of Contents](#)

shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

Stockholder Shares or any interest in its Stockholder Shares (other than any pledge or encumbrance currently in existence), (b) deposit its Stockholder Shares or any interest in its Stockholder Shares into a voting trust or enter into a voting agreement or arrangement with respect to any of its Stockholder Shares or grant any proxy or power of attorney with respect thereto (other than as contemplated herein) or (c) enter into any Contract with respect to or otherwise agree to the direct or indirect acquisition or sale, pledge, encumbrance, assignment, transfer or other disposition (whether by actual disposition or effective economic disposition due to hedging, cash settlement or otherwise) of any of its Stockholder Shares (any such action in clause (a), (b) or (c) above, a “transfer”). Notwithstanding anything to the contrary in the foregoing sentence, this Section 2.1 shall not prohibit a transfer of Stockholder Shares by Stockholder (i) if Stockholder is an individual, (A) to any member of Stockholder’s immediate family or to a trust solely for the benefit of Stockholder or any member of Stockholder’s immediate family, (B) upon the death of Stockholder to Stockholder’s heirs or (C) to a charitable entity qualified as a 501(c)(3) organization under the Code or (ii) if Stockholder is not a natural person, to an Affiliate controlled by Stockholder or under common control with Stockholder, as applicable; provided, however, that in each case a transfer shall be permitted only if, and as a condition precedent to the effectiveness of such transfer, the transferee agrees in a writing, satisfactory in form and substance to Parent, to be bound by all of the terms of this Voting Agreement as though such transferee were the “Stockholder” hereunder. Stockholder shall and hereby does authorize Parent or its counsel to notify the Company’s transfer agent that there is a stop transfer order with respect to all of the Stockholder Shares (and that this Voting Agreement places limits on the voting and transfer of the Stockholder Shares); provided that if Parent or its counsel gives such notification, it shall following the Expiration Time (as defined below) further notify the Company’s transfer agent that the stop transfer order (and all other restrictions contained in this Voting Agreement) have terminated as of such date.

2.2 Vote in Favor of the Merger and Related Matters. Stockholder, solely in Stockholder’s capacity as a stockholder of the Company (and not, if applicable, in Stockholder’s capacity as an officer or director of the Company), irrevocably and unconditionally agrees that, from and after the date hereof and until the Expiration Time (as defined below), at any meeting of the stockholders of the Company or any adjournment thereof, or in connection with any action by written consent of the stockholders of the Company, Stockholder shall:

(a) appear at each such meeting or otherwise cause all of its Stockholder Shares to be counted as present thereat for purposes of calculating a quorum; and

(b) vote (or cause to be voted), in person or by proxy, or deliver a written consent (or cause a consent to be delivered) covering, all of its Stockholder Shares: (i) in favor of the adoption of the Merger Agreement and approval of the Merger and the other transactions contemplated by the Merger Agreement, (ii) in favor of any proposal to adjourn or postpone any meeting of the Company’s stockholders to a later date if there are not sufficient votes to adopt the Merger Agreement, (iii) in favor of any other matter reasonably relating to the consummation or facilitation of, or otherwise in furtherance of, the Merger and the other transactions contemplated by the Merger Agreement, (iv) against any Acquisition Proposal and (v) against any other action, proposal, agreement, transaction or arrangement submitted for approval of the Company’s stockholders that is intended, or could reasonably be expected, to impede, interfere or be inconsistent with, delay, postpone, discourage or adversely affect the consummation of the Merger, including, without limitation, any extraordinary transaction, merger, consolidation, sale of assets, recapitalization or other business combination involving the Company or any other action, agreement or arrangement that could reasonably be expected to result in a material breach of any covenant, representation or warranty or any other obligation or agreement of the Company under the Merger Agreement or that could reasonably be expected to result in any of the conditions to the obligations under the Merger Agreement not being fulfilled or satisfied.

2.3 Termination. This Voting Agreement and the obligations of the parties hereunder shall automatically terminate upon the earliest to occur of (a) such time as the Merger Agreement shall have been validly terminated pursuant to its terms, (b) the Effective Time, (c) the End Date and (d) such time as the Merger Agreement is amended to change the form or reduce the amount of Merger Consideration to be paid pursuant thereto (such earliest time, the “Expiration Time”); provided, however, that the provisions of Article V shall survive any termination of this Voting Agreement.

ARTICLE III
REPRESENTATIONS AND WARRANTIES
OF THE STOCKHOLDERS

Stockholder hereby represents and warrants to Parent, as of the date of this Voting Agreement, as follows:

3.1 Authorization; Binding Agreement. Stockholder has all legal right, power, authority and capacity to execute and deliver this Voting Agreement, to perform his, her or its obligations hereunder, and to consummate the transactions contemplated hereby. This Voting Agreement has been duly and validly executed and delivered by or on behalf of Stockholder and, assuming the due authorization, execution and delivery of this Voting Agreement by Parent, constitutes a legal, valid and binding obligation of Stockholder, enforceable against Stockholder in accordance with its terms (except as enforcement may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws of general applicability affecting creditors' rights generally and by general principles of equity).

3.2 No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Voting Agreement to Parent by Stockholder does not, and the performance of this Voting Agreement will not, (i) conflict with or violate any Applicable Law by which Stockholder is bound or affected, (ii) violate or conflict with the articles of incorporation or bylaws or other equivalent organizational documents of Stockholder, if applicable, result in or constitute (with or without notice or lapse of time or both) any breach of or default under, or give to another party any right of termination, amendment, acceleration or cancellation of, or result in the creation of any Lien on any of the property or assets of Stockholder pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which Stockholder is a party or by which Stockholder or any of Stockholder's properties or assets is bound or affected. There is no beneficiary or holder of a voting trust certificate or other interest of any trust of which Stockholder is a trustee whose consent is required for the execution and delivery of this Voting Agreement or the consummation by Stockholder of the transactions contemplated by this Voting Agreement.

(b) The execution and delivery of this Voting Agreement to Parent by Stockholder does not, and the performance of this Voting Agreement will not, require any consent, approval, authorization, waiver, order or permit of, or filing with or notification to, any third party or any Governmental Authority, except where the failure to obtain such consents, approvals, authorizations, waivers, orders or permits, or to make such filings or notifications, would not interfere with Stockholder's ability to perform Stockholder's obligations hereunder.

3.3 Litigation. There is no Legal Proceeding pending or, to the knowledge of Stockholder, threatened, against Stockholder or any of Stockholder's Affiliates or any of their respective properties or assets or any of their respective officers, directors, partners, managers or members (in their capacities as such), as applicable, that would interfere with Stockholder's ability to perform his, her or its obligations hereunder or that would prevent, enjoin, alter or delay any of the transactions contemplated by this Voting Agreement.

3.4 Title to Stockholder Shares. As of the date of this Voting Agreement, Stockholder is the record or beneficial owner of the shares of Company Stock set forth opposite its name on Exhibit A. Stockholder has good title to Stockholder's Stockholder Shares free and clear of all Liens other than pursuant to this Voting Agreement and applicable securities Laws. As of the date of this Voting Agreement, Stockholder's Stockholder Shares constitute all of the shares of Company Stock Beneficially Owned or owned of record by Stockholder. Except as otherwise set forth in this Voting Agreement, Stockholder has and will have at all times through the Closing Date sole voting power (including the right to control such vote as contemplated herein), sole power of disposition and sole power to agree to all of the matters set forth in this Voting Agreement, in each case with respect to all of its Stockholder Shares.

COVENANTS OF THE STOCKHOLDERS

4.1 Further Assurances. From time to time and without additional consideration, Stockholder shall execute and deliver, or cause to be executed and delivered, such additional transfers, assignments, endorsements, proxies, consents and other instruments, and shall take such further actions, as Parent may reasonably request for the purpose of carrying out and furthering the intent of this Voting Agreement.

4.2 Waiver of Appraisal Rights. Stockholder hereby irrevocably and unconditionally waives any rights of appraisal or rights to dissent from the Merger that Stockholder may have (including under Section 262 of the DGCL).

4.3 No Inconsistent Agreements. Except for this Voting Agreement, during the term of this Voting Agreement Stockholder shall not: (a) enter into any voting agreement, voting trust or similar agreement with respect to any of the Stockholder Shares, (b) grant any proxy, consent, power of attorney or other authorization or consent with respect to any of the Stockholder Shares or (c) knowingly take any action that would constitute a breach hereof, make any representation or warranty of Stockholder set forth in Article III untrue or incorrect or have the effect of preventing or disabling Stockholder from performing any of its obligations under this Voting Agreement.

4.4 Public Announcements. Stockholder shall not, shall cause its officers, directors, managers, partners or members to not, and shall instruct and use commercially reasonable efforts to cause its Affiliates and each of their respective officers, directors, managers, partners or members (in their capacity as such), as applicable, to not issue any press release with respect to the Merger Agreement, this Voting Agreement, the Merger or any other transactions contemplated by the Merger Agreement without the prior written consent of Parent, except as may be required by applicable Law. Stockholder further agrees to permit the Company and Parent to publish and disclose, including in filings with the SEC and in the press release announcing the transactions contemplated by the Merger Agreement (the "Announcement Release"), this Voting Agreement and the Stockholder's identity and ownership of the Stockholder Shares and the nature of the Stockholder's commitments, arrangements and understandings under this Voting Agreement, in each case, to the extent the Company or Parent reasonably determines that such information is required to be disclosed by applicable Law (or in the case of the Announcement Release, to the extent the information contained therein is consistent with other disclosures being made by the Company and Parent).

4.5 No Solicitation of Acquisition Proposals. Except as permitted by the Merger Agreement, neither Stockholder nor any of Stockholder's officers, directors, managers, partners or members, as applicable, shall, and such Stockholder shall cause his, her or its employees, agents, consultants and representatives not to, directly or indirectly, (a) solicit, initiate or take any action to knowingly facilitate or knowingly encourage the making, submission or announcement of any inquiry, proposal or offer (including any inquiry, proposal or offer to the Company's stockholders) which constitutes or would be reasonably expected to lead to any Acquisition Proposal, or (b) enter into or participate in any discussions or negotiations with, furnish any information relating to the Company or any of the Company Subsidiaries or afford access to the business, properties, assets, books or records of the Company or any of the Company Subsidiaries to, otherwise cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any Third Party that is reasonably expected to make, or is otherwise seeking to make, or has made, an Acquisition Proposal (other than, solely in response to an unsolicited inquiry, to refer the inquiring Third Party to this Section 4.5 and to limit its conversation or other communication exclusively to such referral).

4.6 Fiduciary Duties. Notwithstanding anything in this Agreement to the contrary: (i) Stockholder makes no agreement or understanding herein in any capacity other than in Stockholder's capacity as a record holder and beneficial owner of the Stockholder Shares, and not in Stockholder's capacity as a director or officer of the Company or any of the Company Subsidiaries, and (ii) nothing herein will be construed to limit or affect any action or inaction by Stockholder or any representative of Stockholder, as applicable, serving on the board of directors of the Company or any Company Subsidiary or as an officer of the Company or any Company Subsidiary, acting in such person's capacity as a director or officer of the Company or any Company Subsidiary.

4.7 Additional Purchases. Stockholder agrees that any Company Stock (or any Company Securities related thereto) acquired or purchased by him, her or it after the execution of this Voting Agreement shall be subject to the terms of this Voting Agreement to the same extent as if they constituted Stockholder Shares as of the date of this Voting Agreement.

ARTICLE V

GENERAL PROVISIONS

5.1 Entire Agreement; Amendments. This Voting Agreement, and to the extent referenced herein, the Merger Agreement, constitute the entire agreement of the parties hereto and supersede all prior agreements and undertakings, both written and oral, between the parties hereto with respect to the subject matter hereof. This Voting Agreement may not be amended or modified except in an instrument in writing signed by, or on behalf of, the parties hereto.

5.2 Assignment. No party to this Voting Agreement may assign any of its rights or obligations under this Voting Agreement without the prior written consent of the other parties hereto, except that Parent may assign, in its sole discretion, all or any of its rights, interests and obligations hereunder to any assignee of Parent's rights under the Merger Agreement. Any assignment contrary to the provisions of this Section 5.2 shall be null and void.

5.3 Severability. The provisions of this Voting Agreement shall be deemed severable and the invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability or the other provisions hereof. If any provision of this Voting Agreement, or the application thereof to any person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision; and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

5.4 Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Voting Agreement are not performed in accordance with their specific terms or were otherwise breached and that money damages or other legal remedies would not be an adequate remedy for any such damage. Stockholder agrees that, in the event of any breach or threatened breach by Stockholder of any covenant or obligation contained in this Voting Agreement, Parent shall be entitled to seek (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, with Stockholder agreeing that it shall waive the defense of adequacy of a remedy at law in any such Legal Proceeding, and/or (b) an injunction restraining such breach or threatened breach, this being in addition to any other remedy to which Parent is entitled at law or in equity. Stockholder further agrees that neither Parent nor any other party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 5.4, and Stockholder irrevocably waives any right he, she or it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

5.5 Governing Law; Jurisdiction; Jury Trial.

(a) This Voting Agreement and all actions (whether at law, in contract, in tort or otherwise) arising out of or relating to this Voting Agreement or the negotiation, validity or performance of this Voting Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws. All Legal Proceedings (whether at law, in contract, in tort or otherwise) arising out of or relating to this Voting Agreement or the negotiation, validity or performance of this Voting Agreement shall be heard and determined in the Court of Chancery of the State of Delaware, and the parties hereto irrevocably submit to the jurisdiction of such court (and, in the case of appeals, the appropriate appellate court therefrom), in any such Legal Proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such Legal Proceeding. The consents to jurisdiction set forth in this paragraph shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this paragraph and shall not be deemed to confer rights on any Person other than the parties hereto. The parties hereto agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The parties hereto agree that a final judgment in any such Legal Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS VOTING AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS VOTING AGREEMENT AND ANY OF THE AGREEMENTS DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE EITHER OF SUCH WAIVERS, (II) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVERS, (III) IT MAKES SUCH WAIVERS VOLUNTARILY, AND (IV) IT HAS BEEN INDUCED TO ENTER INTO THIS VOTING AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.5(C).

5.6 No Waiver. No failure or delay by any party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Neither party shall be deemed to have waived any claim available to it arising out of this Voting Agreement, or any right, power or privilege hereunder, unless the waiver is expressly set forth in writing duly executed and delivered on behalf of such party. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

5.7 Expenses. Each party shall bear their respective expenses, costs and fees (including attorneys' fees, if any) in connection with the preparation, execution and delivery of this Agreement and compliance herewith, whether or not the Merger is effected.
