Traffic Statistics April 2014

Dublin & London, 7 May 2014: Aer Lingus Group plc ("Aer Lingus") today announces traffic statistics for the month of April 2014. Attention is drawn to the notes at the foot of the table that explain the basis on which the figures have been prepared. April 2014 traffic compared to prior year was helped by the timing of Easter which fell in March in 2013 but moved to April for 2014 and the introduction of new long haul services to San Francisco and Toronto in the month.
