Joyce Phillips to join ANZ's Management Board

ANZ today announced the appointment of Joyce Phillips as Group Managing Director Strategy, M&A, Marketing and Innovation.

Ms Phillips will join ANZ's Management Board and will report to Alex Thursby, CEO Asia Pacific, Europe and America.

Previously, Ms Phillips was President and Chief Operating Officer at American Life Insurance Company. Prior to joining American Life Insurance in 2007, Ms Phillips was with Citigroup where she was Head of International Retail Banking responsible for Citigroup's global retail banking franchise in 42 countries. Her other roles with Citigroup include Country Business Manager, Citibank Global Consumer in Japan and Chief Executive Officer of Citicorp Diners Club in Japan.

Ms Phillips joined Citigroup in 1999 from GE Capital where she held various management positions in the Global Consumer Finance Division. She has a MBA from the Stern School of Business and is fluent in Japanese.

Commenting on the appointment Mr Thursby said: "Joyce's appointment is a significant new addition to our Management Board. She has an outstanding track record in international banking particularly in retail banking and marketing in Asia and a strong background in mergers and acquisitions at GE Capital.

"Her leadership will play an important part of shaping and delivering our super regional strategy. I'm delighted we have been able to attract someone of Joyce's calibre to ANZ," Mr Thursby said.

Ms Phillips will commence at ANZ in August 2009.
