ANZ receives CANSTAR CANNEX award for delivering 'best value' to agribusiness customers three years in a row

ANZ has been awarded a CANSTAR CANNEX Best Value Australia Agribusiness Award for offering the best value to agribusiness customers for a record breaking third consecutive year.

CANSTAR CANNEX stated that ANZ had demonstrated yet again that they were a stand out against competitors for the breadth and depth of products targeted specifically at agribusiness customers.

ANZ General Manager Regional Commercial Banking, Ms Tania Motton said: "We are pleased to have won the CANSTAR CANNEX Best Value Agribusiness award by for a record breaking third consecutive year.

"We are committed to supporting our regional customers and this award is a great recognition for the work we are doing to continue providing customers with quality agribusiness products and services that meet their needs."

The CANSTAR CANNEX survey* which compared 12 major agribusiness banks, building societies and credit unions found that ANZ's purpose-designed agri products offered flexibility for customers whether in working capital, seasonal finance or risk management.

CANSTAR CANNEX also rated ANZ strongly for ease of access to agri managers compared to other financial institutions.

"We've invested in building a strong national team of agribusiness managers who are experts in their field and can provide sector-specific and industry advice, not just banking. They are certainly well placed to deliver best value to our customers to help them grow their business," Ms Motton said.

ANZ Regional Commercial Banking has more than 330 regional locations around the country and employs more than 800 people to support our customers. This is in addition ANZ's extensive network of specialists around Australia.
