

## **FIBROCELL SCIENCE, INC.**

### **CHARTER OF THE AUDIT COMMITTEE**

#### **MEMBERSHIP**

The Audit Committee (the “**Committee**”) of the board of directors (the “**Board**”) of Fibrocell Science, Inc. (the “**Company**”) shall consist of three or more directors. Each member of the Committee shall be independent in accordance with the requirements of Rule 10A-3 of the Securities Exchange Act of 1934, as amended, and the rules of The NASDAQ Stock Market LLC (“**NASDAQ**”). No member of the Committee can have participated in the preparation of the Company’s or any of its subsidiaries’ financial statements at any time during the past three years.

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting or other comparable experience or background that leads to financial sophistication. At least one member of the Committee must be an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K. A person who satisfies this definition of audit committee financial expert will also be presumed to have financial sophistication.

The members of the Committee shall be appointed by the Board based on recommendations from the Nominating and Corporate Governance Committee of the Board. The members of the Committee shall serve for such term or terms as the Board may determine or until earlier resignation or death. The Board may remove any member from the Committee at any time with or without cause.

#### **PURPOSE**

The primary purpose of the Committee is to oversee the quality and integrity of the Company’s accounting, financial reporting and internal audit processes and the external audit of the Company’s financial statements. To fulfill this obligation, the Committee relies on:

- management for the preparation and accuracy of the Company’s financial statements;
- management for establishing effective internal controls and procedures to ensure the Company’s compliance with accounting standards, financial reporting procedures and applicable laws and regulations;
- management for establishing an effective anti-fraud program; and

- the Company’s independent registered public accounting firm for an unbiased, diligent audit or review, as applicable, of the Company’s financial statements and the Company’s internal control over financial reporting.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing. Consequently, it is not the duty of the Committee to determine that the Company’s financial statements are complete and accurate, are prepared in accordance with generally accepted accounting principles (“GAAP”), or fairly present the financial condition, results of operations, and cash flows of the Company in accordance with GAAP. These are the responsibilities of management, and the independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews of the Company’s financial statements. The Committee’s considerations and discussions with management and the independent registered public accounting firm do not ensure that the Company’s financial statements are presented in accordance with GAAP, that the audit of the Company’s financial statements has been carried out in accordance with applicable auditing standards, or that the Company’s independent registered public accountants are in fact “independent.”
