## **Section 5.2** **Common Stock.**

There shall be five series of Common Stock created, having the number of shares and the voting powers, preferences, designations, rights, qualifications, limitations or restrictions set forth below:

(a) **DHI Common Stock.** One series of common stock of the Corporation is hereby created and designated as “Class A Common Stock” consisting of six-hundred million (600,000,000) shares, par value \$0.01 per share (the “Class A Common Stock”); one series of common stock of the Corporation is hereby created and designated as “Class B Common Stock” consisting of two-hundred million (200,000,000) shares, par value \$0.01 per share (the “Class B Common Stock”); one series of common stock of the Corporation is hereby created and designated as “Class C Common Stock” consisting of nine-hundred million (900,000,000) shares, par value \$0.01 per share (the “Class C Common Stock”); and one series of common stock of the Corporation is hereby created and designated as “Class D Common Stock” consisting of one-hundred million (100,000,000) shares, par value \$0.01 per share (the “Class D Common Stock,” and together with the Class A Common Stock, the Class B Common Stock and the Class C Common Stock, the “DHI Common Stock”).

(b) **Class V Common Stock.** One series of common stock of the Corporation is hereby created and designated as “Class V Common Stock” consisting of three-hundred forty-three million, twenty-five thousand, three hundred and eight (343,025,308) shares, par value \$0.01 per share (the “Class V Common Stock”). Each share of Class V Common Stock shall be identical in all respects and will have equal rights, powers and privileges to each other share of Class V Common Stock.

(c) **Reclassification.** Upon the effectiveness (the “Effective Time”) pursuant to the DGCL of this Certificate of Incorporation, (a) each share of Series A Common Stock of the Corporation, par value \$0.01 per share (the “Series A Stock”), issued and outstanding immediately prior to the Effective Time shall automatically be reclassified as and become one validly issued, fully paid and non-assessable share of Class A Common Stock on a one-for-one basis, (b) each share of Series B Common Stock of the Corporation, par value \$0.01 per share (the “Series B Stock”), issued and outstanding immediately prior to the Effective Time shall automatically be reclassified as and become one validly issued, fully paid and non-assessable share of Class B Common Stock on a one-for-one basis, and (c) each share of Series C Common Stock of the Corporation, par value \$0.01 per share (together with the Series A Stock and the Series B Stock, the “Original Stock”), issued and outstanding immediately prior to the Effective Time shall automatically be reclassified as and become one validly issued, fully paid and non-assessable share of Class C Common Stock on a one-for-one basis, in each case without any action by any holder thereof.

**(d) Restrictions on Corporate Actions.**

**(1)** From the Effective Date through the two-year anniversary of the Effective Date, the Corporation and its Subsidiaries will not purchase or otherwise acquire any shares of common stock of VMware if such acquisition would cause the common stock of VMware to no longer be publicly traded on a U.S. securities exchange or VMware to no longer be required to file reports under Sections 13 and 15(d) of the Securities Exchange Act of 1934, in each case unless such acquisition of VMware common stock is required in order for VMware to continue to be a member of the affiliated group of corporations filing a consolidated tax return with the Corporation for purposes of Section 1502 of the Internal Revenue Code and the regulations thereunder.

**(2)** For so long as any shares of Class V Common Stock remain outstanding, the Corporation shall not authorize or issue any class or series of common stock (other than (i) Class V Common Stock or (ii) common stock of the Corporation with an Inter-Group Interest in the Class V Group) intended to reflect an economic interest of the Corporation in assets comprising the Class V Group, including common stock of VMware.

**(e) Dividends.** Subject to the provisions of any Preferred Stock Series Resolution:

**(1) *Dividends on Class V Common Stock.***

**(A)** Dividends on the Class V Common Stock may be declared and paid only out of the lesser of (i) the assets of the Corporation legally available therefor and (ii) the Class V Group Available Dividend Amount.

**(B)** If the Number of Retained Interest Shares is greater than zero on the record date for any dividend on the Class V Common Stock, then concurrently with the payment of any dividend on the outstanding shares of Class V Common Stock:

**(I)** if such dividend consists of cash, Publicly Traded securities (other than shares of Class V Common Stock) or other assets, the Corporation will attribute to the DHI Group (a “Retained Interest Dividend”) an aggregate amount of cash, securities or other assets, or a combination thereof, at the election of the Board of Directors (the “Retained Interest Dividend Amount”), with a Fair Value equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Retained Interest Shares as of the record date for such dividend, by (y) a fraction, the numerator of which is the Fair Value of such dividend payable to the holders of outstanding shares of Class V Common Stock, as determined in good faith by the Board of Directors, and the denominator of which is the number of shares of Class V Common Stock outstanding as of such record date; or

**(II)** if such dividend consists of shares of Class V Common Stock (including dividends of Convertible Securities convertible or exchangeable or exercisable for shares of Class V Common Stock), the Number of Retained Interest Shares will be increased by a number equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (x) the Number of Retained Interest Shares as of the record date for such dividend, by (y) the number of shares (including any fraction of a share) of Class V Common Stock issuable to a holder for each outstanding share of Class V Common Stock in such dividend.

In the case of a dividend paid pursuant to Section 5.2(m)(3)(D), in connection with a Class V Group Disposition, the Retained Interest Dividend Amount may be increased, at the election of the Board of Directors, by the aggregate amount of the dividend that would have been payable with respect to the shares of Class V Common Stock converted into Class C Common Stock in connection with such Class V Group Disposition if such shares were not so converted and received the same dividend per share as the other shares of Class V Common Stock received in connection with such Class V Group Disposition.

A Retained Interest Dividend may, at the discretion of the Board of Directors, be reflected by an allocation or by a direct transfer of cash, securities or other assets, or a combination thereof, and may be payable in kind or otherwise.

**(2) Dividends on DHI Common Stock.**

**(A)** Dividends on the DHI Common Stock may be declared and paid only out of the lesser of (i) the assets of the Corporation legally available therefor and (ii) the DHI Group Available Dividend Amount.

**(B)** Subject to the provisions of any Preferred Stock Series Resolution, if any, outstanding at any time, the holders of Class A Common Stock, the holders of Class B Common Stock, the holders of Class C Common Stock and the holders of Class D Common Stock shall be entitled to share equally, on a per share basis, in such dividends and other distributions of cash, property or shares of stock of the Corporation as may be declared by the Board of Directors from time to time with respect to the DHI Common Stock out of the assets or funds of the Corporation legally available therefor; provided, however, that in the event that any such dividend is paid in the form of shares of DHI Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of DHI Common Stock, the holders of Class A Common Stock shall receive Class A Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class A Common Stock, as the case may be, the holders of Class B Common Stock shall receive Class B Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class B Common Stock, as the case may be, the holders of Class C Common Stock shall receive Class C Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class C Common Stock, as the case may be, and the holders of Class D Common Stock shall receive Class D Common Stock or Convertible Securities convertible, exchangeable or exercisable for shares of Class D Common Stock, as the case may be.

**(C)** Dividends of Class V Common Stock (or dividends of Convertible Securities convertible into or exchangeable or exercisable for shares of Class V Common Stock) may be declared and paid on the DHI Common Stock if the Number of Retained Interest Shares is greater than zero on the record date for any such dividend, but only if the sum of:

**(I)** the number of shares of Class V Common Stock to be so issued (or the number of such shares that would be issuable upon conversion, exchange or exercise of any Convertible Securities to be so issued); and

**(II)** the number of shares of Class V Common Stock that are issuable upon conversion, exchange or exercise of any Convertible Securities then outstanding that are attributed as a liability to, or an equity interest in, the DHI Group

is less than or equal to the Number of Retained Interest Shares.

**(3) Discrimination between DHI Common Stock and Class V Common Stock.** The Board of Directors shall have the authority and discretion to declare and pay (or to refrain from declaring and paying) dividends on outstanding shares of Class V Common Stock and dividends on outstanding shares of DHI Common Stock, in equal or unequal amounts, or only on the DHI Common Stock or the Class V Common Stock, irrespective of the amounts (if any) of prior dividends declared on, or the respective liquidation rights of, the DHI Common Stock or the Class V Common Stock, or any other factor.

**(f) Liquidation and Dissolution.**

**(1) General.** In the event of a liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and liabilities of the Corporation and payment or provision for payment of any preferential amount due to the holders of any other class or series of stock as to payments upon dissolution of the Corporation (regardless of the Group to which such shares are attributed), the holders of shares of DHI Common Stock and the holders of shares of Class V Common Stock shall be entitled to receive their proportionate interests in the assets of the Corporation remaining for distribution to holders of stock (regardless of the class or series of stock to which such assets are then attributed) in proportion to the respective number of liquidation units per share of DHI Common Stock and Class V Common Stock.

Neither (i) the consolidation or merger of the Corporation with or into any other Person or Persons, (ii) a transaction or series of related transactions that results in the transfer of more than 50% of the voting power of the Corporation nor (iii) the sale, transfer or lease of all or substantially all of the assets of the Corporation shall itself be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this Section 5.2(f).

(2) ***Liquidation Units.*** The liquidation units per share of Class V Common Stock in relation to the DHI Common Stock shall be as follows:

(A) each share of DHI Common Stock shall have one liquidation unit; and

(B) each share of Class V Common Stock shall have a number of liquidation units (including a fraction of one liquidation unit) equal to the amount (calculated to the nearest five decimal places) obtained by dividing (x) the Average Market Value of a share of Class V Common Stock over the 10-Trading Day period commencing on (and including) the first Trading Day on which the Class V Common Stock trades in the “regular way” market, by (y) the Average Market Value of a share of Class C Common Stock over the same 10-Trading Day period (unless such shares of Class C Common Stock are not Publicly Traded, in which case the Fair Value of a share of Class C Common Stock, determined as of the fifth Trading Day of such period, shall be used for purposes of (y));

provided, that if, after the Effective Date, the Corporation, at any time or from time to time, subdivides (by stock split, reclassification or otherwise) or combines (by reverse stock split, reclassification or otherwise) the outstanding shares of Class C Common Stock or Class V Common Stock, or declares and pays a dividend or distribution in shares of Class C Common Stock or Class V Common Stock to holders of Class C Common Stock or Class V Common Stock, as applicable, the per share liquidation units of the Class C Common Stock or Class V Common Stock, as applicable, will be appropriately adjusted as determined by the Board of Directors, so as to avoid any dilution or increase in the aggregate, relative liquidation rights of the shares of Class C Common Stock and Class V Common Stock.

Whenever an adjustment is made to liquidation units under this Section 5.2(f), the Corporation will promptly thereafter prepare and file a statement of such adjustment with the Secretary of the Corporation. Neither the failure to prepare nor the failure to file any such statement will affect the validity of such adjustment.

(g) **Subdivision or Combinations.** If the Corporation in any manner subdivides or combines the outstanding shares of any series of DHI Common Stock, the outstanding shares of the other series of DHI Common Stock will be subdivided or combined in the same manner.

(h) **Voting Rights.**

(1) ***Voting Generally.*** Subject to Article VI, (i) each holder of record of Class A Common Stock shall be entitled to ten (10) votes per share of Class A Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (ii) each holder of record of Class B Common Stock shall be entitled to ten (10) votes per share of Class B Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (iii) each holder of record of Class C Common Stock shall be entitled to one vote per share of Class C Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote; (iv) each holder of record of Class D Common Stock shall not be entitled to any vote on any matter except to the extent required by provisions of Delaware law (in which case such holder shall be entitled to one vote per share of Class D Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote); and (v) each holder of record of Class V Common Stock shall be entitled to one vote per share of Class V Common Stock which is outstanding in his, her or its name on the books of the Corporation and which is entitled to vote. Except (A) as may otherwise be provided in this Certificate of Incorporation, or (B) as may otherwise be required by the laws of the State of Delaware, the holders of shares of all classes of Common Stock will vote as one class with respect to the election of Group I Directors and with respect to all other matters to be voted on by stockholders of the Corporation; provided, that the holders of Class A Common Stock (and no other classes of Common Stock) will vote with respect to the election of Group II Directors and the holders of Class B Common Stock (and no other classes of Common Stock) will vote as one class with respect to the election of Group III Directors.

**(2) Special Voting Rights.**

**(A)** If the Corporation proposes to (i) amend this Certificate of Incorporation (A) in any manner that would alter or change the powers, preferences or special rights of the shares of Class V Common Stock so as to affect them adversely or (B) to make any amendment, change or alteration to the restrictions on corporate actions described in Section 5.2(d), in each case whether by merger, consolidation or otherwise, or (ii) effect any merger or business combination as a result of which (A) the holders of all classes and series of Common Stock shall no longer own at least 50% of the voting power of the surviving corporation or of the direct or indirect parent corporation of such surviving corporation and (B) the holders of Class V Common Stock do not receive consideration of the same type as the other classes or series of Common Stock and, in aggregate, equal to or greater in value than the proportion of the average of the aggregate Fair Value of the outstanding Class V Common Stock over the 30-Trading Day period ending on the Trading Day preceding the date of the first public announcement of such merger or business combination to the aggregate Fair Value of the other outstanding classes or series of Common Stock over the same 30-Trading Day period (unless such securities are not Publicly Traded, in which case the aggregate Fair Value of such securities shall be determined as of the fifth Trading Day of such period), then in each case, such action will be subject to receipt by the Corporation of, and will not be undertaken unless the Corporation has received, the affirmative vote of the holders of record (other than shares held by the Corporation's Affiliates), as of the record date for the meeting at which such vote is taken, of Class V Common Stock representing a majority of the aggregate voting power (other than shares held by the Corporation's Affiliates) of Class V Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon, voting together as a separate class. Any vote taken pursuant to this Section 5.2(h)(2)(A) will be in addition to, and not in lieu of, any vote of the stockholders of the Corporation required by law to be taken with respect to the applicable action.

**(B)** For so long as any shares of Class V Common Stock remain outstanding, Section 4.02 of the Bylaws shall not be amended or repealed (A) by the stockholders of the Corporation unless such action has received the affirmative vote of the holders of record (other than shares held by the Corporation's Affiliates), as of the record date for the meeting at which such vote is taken, of (i) Class V Common Stock representing a majority of the aggregate voting power (other than shares held by the Corporation's Affiliates) of Class V Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon, voting together as a separate class, and (ii) Common Stock representing a majority of the aggregate voting power of Common Stock present, in person or by proxy, at such meeting and entitled to vote thereon or (B) by any action of the Board of Directors.

**(C)** Except as expressly provided herein, no class or series of Common Stock shall be entitled to vote as a separate class on any matter except to the extent required by provisions of Delaware law. Irrespective of the provisions of Section 242(b)(2) of the Delaware General Corporation Law, the holders of shares of DHI Common Stock and the holders of shares of Class V Common Stock will vote as one class with respect to any proposed amendment to this Certificate of Incorporation that (i) would increase (x) the number of authorized shares of common stock or any class or series thereof, (y) the number of authorized shares of preferred stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established, or (ii) decrease (x) the number of authorized shares of common stock or any class or series thereof, (y) the number of authorized shares of preferred stock or any series thereof or (z) the number of authorized shares of any other class or series of capital stock of the Corporation hereafter established (but, in each case, not below the number of shares of such class or series of capital stock then outstanding), and no separate class or series vote of the holders of shares of any class or series of capital stock of the Corporation will be required for the approval of any such matter; provided, that this Section 5.2(h)(2)(C) shall only apply to a proposed increase in the number of authorized shares of Class V Common Stock when such increase has received the approval of the Capital Stock Committee of the Board of Directors in such circumstances and as provided in the Bylaws.

**(i) Equal Status.** Except as expressly provided in this Article V and in Article VI, Class A Common Stock, Class B Common Stock, Class C Common Stock and Class D Common Stock shall have the same rights and privileges and rank equally, share ratably on a per share basis and be identical in all respects as to all matters. Without limiting the generality of the foregoing, (i) in the event of a merger, consolidation or other business combination requiring the approval of the holders of the Corporation's capital stock entitled to vote thereon (whether or not the Corporation is the surviving entity), each holder of DHI Common Stock shall have the right to receive, or the right to elect to receive, the same amount and form of consideration, if any, on a per share basis, as each other holder of DHI Common Stock, and (ii) in the event of (x) any tender or exchange offer to acquire any shares of DHI Common Stock

by any third party pursuant to an agreement to which the Corporation is a party or (y) any tender or exchange offer by the Corporation to acquire any shares of DHI Common Stock, pursuant to the terms of the applicable tender or exchange offer, the holders of DHI Common Stock shall have the right to receive, or the right to elect to receive, the same amount or form of consideration on a per share basis as each other holder of DHI Common Stock; provided, that notwithstanding anything herein to the contrary, the holders of Class C Common Stock and the holders of Class D Common Stock may receive non-voting securities or capital stock, or securities or capital stock with differing voting rights or preferences than the holders of Class A Common Stock and/or the holders of Class B Common Stock in connection with a merger, consolidation, other business combination, or tender or exchange offer involving the Corporation.

**(j) Senior, Parity or Junior Stock.**

(1) Whenever reference is made in this Article V to shares “ranking senior to” another class or series of stock or “on a parity with” another class or series of stock, such reference shall mean and include all other shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends or as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation are given preference over, or rank equally with, as the case may be, the rights of the holders of such other class or series of stock. Whenever reference is made to shares “ranking junior to” another class or series of stock, such reference shall mean and include all shares of the Corporation in respect of which the rights of the holders thereof as to the payment of dividends and as to distributions in the event of a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation are junior and subordinate to the rights of the holders of such class or series of stock.

(2) Except as otherwise provided herein or in any Preferred Stock Series Resolution, each series of Preferred Stock shall rank on a parity with each other series of Preferred Stock and each series of Preferred Stock shall rank senior to the Common Stock. Except as otherwise provided herein, each of the Class A Common Stock, the Class B Common Stock, the Class C Common Stock, the Class D Common Stock and the Class V Common Stock shall rank on a parity with each other, and, except as otherwise provided in any Preferred Stock Series Resolution, each of the Class A Common Stock, the Class B Common Stock, the Class C Common Stock, the Class D Common Stock and the Class V Common Stock shall rank junior to the Preferred Stock.

**(k) Reservation and Retirement of Shares.**

(1) The Corporation shall at all times reserve and keep available, out of its authorized but unissued shares of Common Stock or out of shares of Common Stock held in its treasury, the full number of shares of Common Stock into which all shares of any series of Preferred Stock having conversion privileges from time to time outstanding are convertible.

(2) Unless otherwise provided in a Preferred Stock Series Resolution with respect to a particular series of Preferred Stock, all shares of Preferred Stock redeemed or acquired (as a result of conversion or otherwise) shall be retired and restored to the status of authorized but unissued shares of Preferred Stock undesignated as to series.

**(l) No Preemptive Rights.**

Subject to the provisions of any Preferred Stock Series Resolution, no holder of shares of stock of the Corporation shall have any preemptive or other rights, except as such rights are expressly provided by contract, to purchase or subscribe for or receive any shares of any class, or series thereof, of stock of the Corporation, whether now or hereafter authorized, or any warrants, options, bonds, debentures or other securities convertible into, exchangeable for or carrying any right to purchase any shares of any class, or series thereof, of stock; but, subject to the provisions of any Preferred Stock Series Resolution, such additional shares of stock and such warrants, options, bonds, debentures or other securities convertible into, exchangeable for or carrying any right to purchase any shares of any class, or series thereof, of stock may be issued or disposed of by the Board of Directors to such Persons, and on such terms and for such lawful consideration, as in its discretion it shall deem advisable or as to which the Corporation shall have by binding contract agreed.

**(m) Other Provisions Relating to the Exchange of Class V Common Stock.**

**(1) *Redemption for VMware Stock.*** At any time that shares of common stock of VMware comprise all of the assets of the Class V Group, the Corporation may, at its option and subject to assets of the Corporation being legally available therefor, redeem all outstanding shares of Class V Common Stock for shares of common stock of VMware (the “Distributed VMware Shares”), as provided herein. Each outstanding share of Class V Common Stock shall be redeemed for a number of Distributed VMware Shares equal to the amount (calculated to the nearest five decimal places) obtained by multiplying the Outstanding Interest Fraction by a fraction, the numerator of which is the number of shares of common stock of VMware attributed to the Class V Group on the Class V Group VMware Redemption Selection Date and the denominator of which is the number of issued and outstanding shares of Class V Common Stock on the same date. Any redemption pursuant to this Section 5.2(m)(1) shall occur on the date set forth in the public notice made pursuant to Section 5.2(m)(4)(B) (the “Class V Group VMware Redemption Date”). The Corporation shall not redeem shares of Class V Common Stock for Distributed VMware Shares pursuant to this Section 5.2(m)(1) without redeeming all outstanding shares of Class V Common Stock for Distributed VMware Shares in accordance with this Section 5.2(m)(1).

**(2) *Redemption for Securities of Class V Group Subsidiary.*** At any time at which a wholly-owned Subsidiary of the Corporation (the “Class V Group Subsidiary”) holds, directly or indirectly, all of the assets and liabilities attributed to the Class V Group and such assets and liabilities are not solely comprised of shares of common stock of VMware, the Corporation may, at its option and subject to assets of the Corporation being legally available therefor, redeem all of the outstanding shares of Class V Common Stock for shares of common stock of such Class V Group Subsidiary, as provided herein; provided, that the common stock received is the only outstanding equity security of such Class V Group Subsidiary, and provided, further, that such common stock, upon issuance in such redemption, will have been registered under all applicable U.S. securities laws and will be listed for trading on a U.S. securities exchange. The number of shares of common stock of the Class V Group Subsidiary to be delivered in redemption of each outstanding share of Class V Common Stock will be equal to the amount (rounded, if necessary, to the nearest five decimal places) obtained by dividing (x) the product of (I) the number of outstanding shares of common stock of the Class V Group Subsidiary and (II) the Outstanding Interest Fraction, by (y) the number of outstanding shares of Class V Common Stock, in each case, as of the Class V Group Redemption Selection Date. The Corporation shall not redeem shares of Class V Common Stock for shares of common stock of the Class V Group Subsidiary pursuant to this Section 5.2(m)(2) without redeeming all outstanding shares of Class V Common Stock in accordance with this Section 5.2(m)(2).

Any redemption pursuant to this Section 5.2(m)(2) will occur on a Class V Group Redemption Date set forth in a notice to holders of Class V Common Stock pursuant to Section 5.2(m)(4)(B).

If the Board of Directors determines to effect a redemption of the Class V Common Stock pursuant to this Section 5.2(m)(2), shares of Class V Common Stock shall be redeemed in exchange for a common stock of the Class V Group Subsidiary, as determined by the Board of Directors, on an equal per share basis.

**(3) *Dividend, Redemption or Conversion in Case of Class V Group Disposition.*** In the event of a Class V Group Disposition (other than in one or a series of Excluded Transactions), the Corporation will, on or prior to the 120th Trading Day following the consummation of such Class V Group Disposition and in accordance with the applicable provisions of this Section 5.2, take the actions referred to in one of Section 5.2(m)(3)(A), (B), (C) or (D) below, as elected by the Board of Directors:

**(A)** Subject to Section 5.2(e)(1), the Corporation may declare and pay a dividend payable in cash, Publicly Traded securities (other than securities of the Corporation) or other assets, or any combination thereof, to the holders of outstanding shares of Class V Common Stock, with an aggregate Fair Value equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition (regardless of the form or nature of the proceeds received by the Corporation from the Class V Group Disposition) as of the record date for determining the holders entitled to receive such dividend, as the same may be determined by the Board of Directors, with such dividend to be paid in accordance with the applicable provisions of Section 5.2(e).

**(B)** Provided that there are assets of the Corporation legally available therefor and the Class V Group Available Dividend Amount would have been sufficient to pay a dividend pursuant to Section

5.2(m)(3)(A) in lieu of effecting the redemption provided for in this Section 5.2(m)(3)(B), the Corporation may apply an aggregate amount of cash or Publicly Traded securities (other than securities of the Corporation) or any combination thereof with a Fair Value equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition (regardless of the form or nature of the proceeds received by the Corporation from the Class V Group Disposition) as of the Class V Group Redemption Selection Date (the “Class V Group Redemption Amount”) to the redemption of outstanding shares of Class V Common Stock for an amount per share equal to the Average Market Value of a share of Class V Common Stock over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in Section 5.2(m)(4)(C); provided, that if such Class V Group Disposition involves all (not merely substantially all) of the assets of the Class V Group, a redemption pursuant to this Section 5.2(m)(3)(B) shall be a redemption of all outstanding shares of Class V Common Stock in exchange for an aggregate amount of cash or Publicly Traded securities (other than securities of the Corporation) or any combination thereof, with a Fair Value equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition, on an equal per share basis.

(C) Provided that the Class C Common Stock is then Publicly Traded, the Corporation may convert the number of outstanding shares of Class V Common Stock obtained by dividing the Class V Group Allocable Net Proceeds by the Average Market Value of a share of Class V Common Stock over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in Section 5.2(m)(4)(C) into an aggregate number (or fraction) of validly issued, fully paid and non-assessable shares of Class C Common Stock equal to the number of shares of Class V Common Stock to be converted, multiplied by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of a share of Class V Common Stock over the period of 10 consecutive Trading Days beginning on the 2nd Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in Section 5.2(m)(4)(C) by (II) the Average Market Value of one share of Class C Common Stock over the same 10-Trading Day period.

(D) Provided that the Class C Common Stock is then Publicly Traded, the Corporation may combine the conversion of a portion of the outstanding shares of Class V Common Stock into Class C Common Stock as contemplated by Section 5.2(m)(3)(C) with the payment of a dividend on, or the redemption of, shares of Class V Common Stock, as described below, subject to the limitations specified in Section 5.2(m)(3)(A) (in the case of a dividend) or Section 5.2(m)(3)(B) (in the case of a redemption) (including the limitations specified in other paragraphs of this Certificate of Incorporation referred to therein).

In the event the Board of Directors elects the option described in this Section 5.2(m)(3)(D), the portion of the outstanding shares of Class V Common Stock to be converted into validly issued, fully paid and non-assessable shares of Class C Common Stock shall be determined by the Board of Directors and shall be so converted at the conversion rate determined in accordance with Section 5.2(m)(3)(C) and the Corporation shall (x) pay a dividend to the holders of record of all of the remaining shares of Class V Common Stock outstanding, with such dividend to be paid in accordance with the applicable provisions of Section 5.2(e), or (y) redeem all or a portion of such remaining shares of Class V Common Stock. The aggregate amount of such dividend or the portion of the Class V Group Allocable Net Proceeds to be applied to such redemption, as applicable, shall be equal to the amount (rounded, if necessary, to the nearest whole number) obtained by multiplying (I) an amount equal to the Class V Group Allocable Net Proceeds of such Class V Group Disposition as of, in the case of a dividend, the record date for determining the holders of Class V Common Stock entitled to receive such dividend and, in the case of a redemption, the Class V Group Redemption Selection Date, in each case before giving effect to the conversion of shares of Class V Common Stock in connection with such Class V Group Disposition in accordance with this Section 5.2(m)(3)(D) and any related adjustment to the Number of Retained Interest Shares, by (II) one (1) minus a fraction, the numerator of which shall be the number of shares of Class V Common Stock to be converted into shares of Class C Common Stock in accordance with this Section 5.2(m)(3)(D) and the denominator of which shall be the aggregate number of shares of Class V Common Stock outstanding as of the record date or the Class V Group Redemption Selection Date used for purposes of clause (I) of this sentence. In the event of a redemption concurrently with or following any such partial conversion of shares of Class V Common Stock, if the Class V Group Disposition was of all (not merely substantially all) of the assets of the Class V Group, then all remaining outstanding shares of Class V Common Stock shall be redeemed for cash, Publicly Traded securities (other than securities of the Corporation) or other assets, or any combination thereof, with an aggregate Fair Value equal to the portion of the Class V Group Allocable Net Proceeds to be applied to such redemption determined in accordance with this Section 5.2(m)(3)(D), such aggregate amount to be allocated among

all such shares to be redeemed on an equal per share basis (subject to the provisions of this Section 5.2(m)(3)). In the event of a redemption concurrently with or following any such partial conversion of shares of Class V Common Stock, if the Class V Group Disposition was of not all of the assets of the Class V Group, then the number of shares of Class V Common Stock to be redeemed shall be determined in accordance with Section 5.2(m)(3)(B), substituting for the Class V Group Redemption Amount referred to therein the portion of the Class V Group Allocable Net Proceeds to be applied to such redemption as determined in accordance with this Section 5.2(m)(3)(D), and such shares shall be redeemed for cash, Publicly Traded securities (other than securities of the Corporation) or other assets, or any combination thereof, with an aggregate Fair Value equal to such portion of the Class V Group Allocable Net Proceeds and allocated among all such shares to be redeemed on an equal per share basis (subject to the provisions of this Section 5.2(m)(3)). In the case of a redemption, the allocation of the cash, Publicly Traded securities (other than securities of the Corporation) and/or other assets to be paid in redemption and, in the case of a partial redemption, the selection of shares to be redeemed shall be made in the manner contemplated by Section 5.2(m)(3)(B).

For purposes of this Section 5.2(m)(3) and the definition of “Class V Group Disposition” provided in Article XV:

- (1) as of any date, “substantially all of the assets of the Class V Group” means a portion of such assets that represents at least 80% of the then-Fair Value of the assets of the Class V Group as of such date;
- (2) in the case of a Class V Group Disposition effected in a series of related transactions, such Class V Group Disposition shall not be deemed to have been consummated until the consummation of the last of such transactions;
- (3) if the Board of Directors seeks the approval of the holders of Class V Common Stock entitled to vote on thereon to qualify a Class V Group Disposition as an Excluded Transaction and such approval is not obtained, the date on which such approval fails to be obtained will be treated as the date on which such Class V Group Disposition was consummated for purposes of making the determinations and taking the actions prescribed by this Section 5.2(m)(3) and Section 5.2(m)(4), and no subsequent vote may be taken to qualify such Class V Group Disposition as an Excluded Transaction; and
- (4) in the event of a redemption of a portion of the outstanding shares of Class V Common Stock pursuant to Section 5.2(m)(3)(B) or (D) at a time when the Number of Retained Interest Shares is greater than zero, the Corporation will attribute to the DHI Group concurrently with such redemption an aggregate amount (the “Retained Interest Redemption Amount”) of cash, securities (other than securities of the Corporation) or other assets, or any combination thereof, subject to adjustment as described below, with an aggregate Fair Value equal to the difference between (x) the Class V Group Net Proceeds and (y) the portion of the Class V Group Allocable Net Proceeds applied to such redemption as determined in accordance with Section 5.2(m)(3)(B) or (D) (such attribution, the “Retained Interest Partial Redemption”). Upon such Retained Interest Partial Redemption, the Number of Retained Interest Shares will be decreased in the manner described in subparagraph (ii)(B) of the definition of “Number of Retained Interest Shares” provided in Article XV. The Retained Interest Redemption Amount may, at the discretion of the Board of Directors, be reflected by an allocation to the DHI Group or by a direct transfer to the DHI Group of cash, securities and/or other assets.

**(4) General.**

**(A)** If the Corporation determines to convert all of the shares of Class V Common Stock pursuant to Section 5.2(r), not less than 10 days prior to the Class V Group Conversion Date the Corporation shall announce publicly by press release:

(IV) the Class V Group VMware Redemption Date or Class V Group Redemption Date, as applicable, which shall not be earlier than the 10th day following the date of such press release and shall not be later than the 120th Trading Day following the date of such press release;

(V) if the Board of Directors so determines, that the Corporation shall not be required to register a transfer of any shares of Class V Common Stock for a period of 10 Trading Days (or such shorter period as such press release may specify) immediately preceding the specified Class V Group VMware Redemption Selection Date or Class V Group Redemption Selection Date;

(VI) the number of shares of VMware common stock or of the Class V Group Subsidiary, as applicable, attributable to the DHI Group, and the Number of Retained Interest Shares used in determining such number; and

(VII) instructions as to how shares of Class V Common Stock may be surrendered for exchange or redemption, as applicable.

(C) Not later than the 10th Trading Day following the consummation of a Class V Group Disposition referred to in Section 5.2(m)(3), the Corporation shall announce publicly by press release the Class V Group Net Proceeds of such Class V Group Disposition. Not later than the 30th Trading Day following the consummation of such Class V Group Disposition (and in the event a 10-Trading Day valuation period is required in connection with the action selected by the Board of Directors pursuant to Section 5.2(m)(3), not earlier than the 12th Trading Day following the public announcement of the Class V Group Net Proceeds as set forth in the first sentence of this Section 5.2(m)(4)(C)), the Corporation shall announce publicly by press release (to the extent applicable):

(I) which of the actions specified in Section 5.2(m)(3)(A), (B), (C) or (D) the Corporation has irrevocably determined to take;

(II) as applicable, the record date for determining holders entitled to receive any dividend to be paid pursuant to Section 5.2(m)(3)(A) or (D), the Class V Group Redemption Selection Date for the redemption of shares of Class V Common Stock pursuant to Section 5.2(m)(3)(B) or (D) or the Class V Group Conversion Selection Date for the partial conversion of shares of Class V Common Stock pursuant to Section 5.2(m)(3)(D), which record date, Class V Group Redemption Selection Date or Class V Group Conversion Selection Date will not be earlier than the 10th day following the date of such public announcement;

(III) the Outstanding Interest Fraction as of the date of such notice;

(IV) the anticipated dividend payment date, Class V Group Redemption Date, and/or Class V Group Conversion Date, as applicable, which in either case shall not be more than 85 Trading Days following such Class V Group Disposition; and

(V) unless the Board of Directors otherwise determines, that the Corporation shall not be required to register a transfer of any shares of Class V Common Stock for a period of 10 Trading Days (or such shorter period as such announcement may specify) immediately preceding the specified Class V Group Redemption Selection Date or the Class V Group Conversion Selection Date.

If the Corporation determines to undertake a redemption of shares of Class V Common Stock, in whole or in part, pursuant to Section 5.2(m)(3)(B) or (D), or a conversion of shares of Class V Common Stock, in whole or in part, pursuant to Section 5.2(m)(3)(C) or (D), the Corporation will announce such redemption or conversion (which, for the avoidance of doubt, may remain subject to the satisfaction or waiver of any applicable condition precedent at the time of such announcement) publicly by press release, not less than 10 days prior to the Class V Group Redemption Date or Class V Group Conversion Date, and will announce, as applicable:

(I) the Class V Group Redemption Date or Class V Group Conversion Date, which in each case shall not be more than 85 Trading Days following such Class V Group Disposition;

(II) the number of shares of Class V Common Stock to be redeemed or converted or, if applicable, stating that all outstanding shares of Class V Common Stock will be redeemed or converted;

(III) the kind and amount of per share consideration to be received with respect to each share of Class V Common Stock to be redeemed or converted and the Outstanding Interest Fraction as of the date of such notice;

(IV) with respect to a partial redemption under Section 5.2(m)(3)(B) or (D), the Number of Retained Interest Shares as of the Class V Group Redemption Selection Date;

(V) with respect to a dividend under Section 5.2(m)(3)(D), the Number of Retained Interest Shares as of the record date for the dividend and the Retained Interest Dividend Amount attributable to the DHI Group; and

(VI) instructions as to how shares of Class V Common Stock may be surrendered for redemption or conversion.

(D) The Corporation will give such notice to holders of Convertible Securities convertible into or exercisable or exchangeable for Class V Common Stock as may be required by the terms of such Convertible Securities or as the Board of Directors may otherwise deem appropriate in connection with a dividend, redemption or conversion of shares of Class V Common Stock pursuant to this Section 5.2, as applicable.

(E) All public announcements made pursuant to Section 5.2(m)(4)(A), (B) or (C) shall include such further statements, and the Corporation reserves the right to make such further public announcements, as may be required by law or the rules of the principal U.S. securities exchange on which the Class V Common Stock is listed or as the Board of Directors may, in its discretion, deem appropriate.

(F) No adjustments in respect of dividends shall be made upon the conversion or redemption of any shares of Class V Common Stock; provided, however, that, except as otherwise contemplated by Section 5.2(m)(3)(D), if the Class V Group Conversion Date or the Class V Group Redemption Date with respect to any shares of Class V Common Stock shall be subsequent to the record date for the payment of a dividend or other distribution thereon or with respect thereto, but prior to the payment of such dividend or distribution, the holders of record of such shares of Class V Common Stock at the close of business on such record date shall be entitled to receive the dividend or other distribution payable on or with respect to such shares on the date set for payment of such dividend or other distribution, notwithstanding the prior conversion or redemption of such shares.

**(G)** Before any holder of shares of Class V Common Stock shall be entitled to receive certificate(s) or book-entry interests representing shares of any kind of capital stock or cash, Publicly Traded securities or other assets to be received by such holder with respect to shares of Class V Common Stock pursuant to Section 5.2(r) or this Section 5.2(m), such holder shall surrender certificate(s) or book-entry interests representing such shares of Class V Common Stock in such manner and with such written instruments or transfer as the Corporation shall specify. The Corporation will, as soon as practicable after such surrender of certificate(s) or book-entry interests representing shares of Class V Common Stock, deliver, or cause to be delivered, at the office of the transfer agent for the shares or other securities to be delivered, to the holder for whose account shares of Class V Common Stock were so surrendered, or to the nominee or nominees of such holder, certificate(s) or book-entry interests representing the number of shares of the kind of capital stock or cash, Publicly Traded securities or other assets to which such Person shall be entitled as aforesaid, together with any payment for fractional securities determined by the Board of Directors to be paid in accordance with Section 5.2(m)(4)(I). If less than all of the shares of Class V Common Stock represented by any one certificate are to be redeemed, the Corporation shall issue and deliver a new certificate for the shares (including fractional shares) of Class V Common Stock not redeemed.

**(H)** From and after any applicable Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, all rights of a holder of shares of Class V Common Stock that were converted, redeemed or exchanged on such Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, as applicable, shall cease except for the right, upon surrender of certificate(s) or book-entry interests representing such shares of Class V Common Stock, to receive certificate(s) or book-entry interests representing shares of the kind and amount of capital stock or cash, Publicly Traded securities or other assets for which such shares were converted, redeemed or exchanged, as applicable, together with any payment for fractional securities determined by the Board of Directors to be paid in accordance with Section 5.2(m)(4)(I), and such holder shall have no other or further rights in respect of the shares of Class V Common Stock so converted, redeemed or exchanged. No holder of a certificate or book-entry interest which immediately prior to the applicable Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date represented shares of Class V Common Stock shall be entitled to receive any dividend or other distribution with respect to shares of any kind of capital stock into or in exchange for which the Class V Common Stock was converted, redeemed or exchanged until surrender of such holder's certificate or book-entry interest for certificate(s) or book-entry interests representing shares of such kind of capital stock. Upon such surrender, there shall be paid to the holder the amount of any dividends or other distributions (without interest) which became payable with respect to a record date prior to the Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, as the case may be, but that were not paid by reason of the foregoing, with respect to the number of shares of the kind of capital stock represented by the certificate(s) or book-entry interests issued upon such surrender. Notwithstanding the foregoing, from and after a Class V Group Conversion Date, Class V Group Redemption Date or Class V Group VMware Redemption Date, as the case may be, the Corporation will be entitled to treat certificates and book-entry interests representing shares of Class V Common Stock that have not yet been surrendered for conversion, redemption or exchange in accordance with Section 5.2(m)(4)(G) as evidencing the ownership of the number of shares of the kind or kinds of capital stock for which the shares of Class V Common Stock represented by such certificates or book-entry interests shall have been converted, redeemed or exchanged in accordance with Section 5.2(r) or this Section 5.2(m), notwithstanding the failure of the holder thereof to surrender such certificates or book-entry interests.

**(I)** The Corporation shall not be required to issue or deliver fractional shares of any class or series of capital stock or any other securities in a smaller than authorized denomination to any holder of Class V Common Stock upon any conversion, redemption, exchange, dividend or other distribution pursuant to this Section 5.2. In connection with the determination of the number of shares of any class or series of capital stock that shall be issuable or the amount of other securities that shall be deliverable to any holder of record of Class V Common Stock upon any such conversion, redemption, exchange, dividend or other distribution (including any fractions of shares or securities), the Corporation may aggregate the shares of Class V Common Stock held at the relevant time by such holder of record. If the aggregate number of shares of capital stock or other securities to be issued or delivered to any holder of Class V Common Stock includes a fraction, the Corporation shall pay, or shall cause to be paid, a cash adjustment in lieu of such fraction in an amount equal to the Fair Value of such fraction (without interest).

**(J)** Any deadline for effecting a redemption, conversion, or exchange prescribed by Section 5.2(r) or this Section 5.2(m) may be extended in the discretion of the Board of Directors if deemed necessary

or appropriate to enable the Corporation to comply with the U.S. federal securities laws, including the rules and regulations promulgated thereunder.

**(n) Treatment of Convertible Securities.** After any Class V Group Redemption Date or Class V Group Conversion Date on which all outstanding shares of Class V Common Stock are redeemed or converted, any share of Class V Common Stock of the Corporation that is to be issued on exchange, conversion or exercise of any Convertible Securities shall, immediately upon such exchange, conversion or exercise and without any notice from or to, or any other action on the part of, the Corporation or its Board of Directors or the holder of such Convertible Security:

**(1)** in the event the shares of Class V Common Stock outstanding on such Class V Group Redemption Date were redeemed pursuant to Section 5.2(m)(3)(B) or Section 5.2(m)(2), be redeemed, to the extent of funds legally available therefor, for \$0.01 per share in cash for each share of Class V Common Stock that otherwise would be issued upon such exchange, conversion or exercise; or

**(2)** in the event the shares of Class V Common Stock outstanding on such Class V Group Conversion Date were converted into shares of Class C Common Stock pursuant to Section 5.2(m)(3)(C) or (D) or Section 5.2(r), be converted into the number of shares of Class C Common Stock that shares of Class V Common Stock would have received had such shares been outstanding and converted on such Class V Group Conversion Date.

The provisions of the immediately preceding sentence of this Section 5.2(n) shall not apply to the extent that other adjustments or alternative provisions in respect of such conversion, exchange or redemption of Class V Common Stock are otherwise made or applied pursuant to the provisions of such Convertible Securities.

**(o) Deemed Conversion of Certain Convertible Securities.** To the extent Convertible Securities are paid as a dividend to the holders of Class V Common Stock at a time when the DHI Group holds an Inter-Group Interest in the Class V Group, in addition to making an adjustment pursuant to Section 5.2(e)(1)(B)(II), the Corporation may, when at any time such Convertible Securities are convertible into or exchangeable or exercisable for shares of Class V Common Stock, treat such Convertible Securities as converted, exchanged or exercised for purposes of determining the increase in the Number of Retained Interest Shares pursuant to subparagraph (iii) of the definition of “Number of Retained Interest Shares” provided in Article XV, and must do so to the extent such Convertible Securities are mandatorily converted, exchanged or exercised (and to the extent the terms of such Convertible Securities require payment of consideration for such conversion, exchange or exercise, the DHI Group shall then no longer be attributed as an asset an amount of the kind of assets or properties required to be paid as such consideration for the amount of Convertible Securities deemed converted, exchanged or exercised (and the Class V Group shall be attributed such assets or properties)), in which case, from and after such time, the shares of Class V Common Stock into or for which such Convertible Securities were so considered converted, exchanged or exercised shall be deemed held by the DHI Group and such Convertible Securities shall no longer be deemed to be held by the DHI Group. A statement setting forth the election to effectuate any such deemed conversion, exchange or exercise of Convertible Securities and the assets or properties, if any, to be attributed to the Class V Group in consideration of such conversion, exchange or exercise shall be filed with the Secretary of the Corporation and, upon such filing, such deemed conversion, exchange or exercise shall be effectuated.

**(p) Certain Determinations by the Board of Directors.**

**(1) *General.*** The Board of Directors shall make such determinations with respect to (a) the businesses, assets, properties, liabilities and preferred stock to be attributed to the DHI Group and the Class V Group, (b) the application of the provisions of this Certificate of Incorporation to transactions to be engaged in by the Corporation and (c) the voting powers, preferences, designations, rights, qualifications, limitations or restrictions of any series of Common Stock or of the holders thereof, as may be or become necessary or appropriate to the exercise of, or to give effect to, such voting powers, preferences, designations, rights, qualifications, limitations or restrictions, including, without limiting the foregoing, the determinations referred to in this Section 5.2(p); provided, that any of such determinations that would require approval of the Capital Stock Committee under the Bylaws shall be effective only if made in accordance with the Bylaws. A record of any such determination shall be filed with the records of the actions of the Board of Directors.

(A) Upon any acquisition by the Corporation or its Subsidiaries of any businesses, assets or properties, or any assumption of liabilities or preferred stock, outside of the ordinary course of business of either Group, the Board of Directors shall determine whether such businesses, assets, properties, liabilities or preferred stock (or an interest therein) shall be for the benefit of the DHI Group or the Class V Group or both and, accordingly, shall be attributed to such Group or Groups, in accordance with the definitions of DHI Group or Class V Group set forth in Article XV, as the case may be.

(B) Upon any issuance of shares of Class V Common Stock at a time when the Number of Retained Interest Shares is greater than zero, the Board of Directors shall determine, based on the use of the proceeds of such issuance and any other relevant factors, whether all or any part of the shares of such series so issued shall reduce such Number of Retained Interest Shares. Upon any repurchase of shares of Class V Common Stock at any time, the Board of Directors shall determine, based on whether the cash or other assets paid in such repurchase were attributed to the DHI Group or the Class V Group and any other relevant factors, whether all or any part of the shares of such series so repurchased shall increase such Number of Retained Interest Shares.

(C) Upon any issuance by the Corporation or any Subsidiary thereof of any Convertible Securities that are convertible into or exchangeable or exercisable for shares of Class V Common Stock, if at the time such Convertible Securities are issued the Number of Retained Interest Shares related to such series is greater than zero, the Board of Directors shall determine, based on the use of the proceeds of such issuance and any other relevant factors, whether, upon conversion, exchange or exercise thereof, the issuance of shares of Class V Common Stock pursuant thereto shall, in whole or in part, reduce such Number of Retained Interest Shares.

(D) Upon any issuance of any shares of preferred stock (or stock other than Common Stock) of any series, the Board of Directors shall attribute, based on the use of proceeds of such issuance of shares of preferred stock (or stock other than Common Stock) in the business of either Group and any other relevant factors, the shares so issued entirely to the DHI Group, entirely to the Class V Group, or partly to both Groups, in such proportion as the Board of Directors shall determine.

(E) Upon any redemption or repurchase by the Corporation or any Subsidiary thereof of shares of preferred stock (or stock other than Common Stock) of any class or series or of other securities or debt obligations of the Corporation, the Board of Directors shall determine, based on the property used to redeem or purchase such shares, other securities or debt obligations, which, if any, of such shares, other securities or debt obligations redeemed or repurchased shall be attributed to the DHI Group, to the Class V Group, or both, and, accordingly, how many of the shares of such series or class of preferred stock (or stock other than Common Stock) or of such other securities, or how much of such debt obligations, that remain outstanding, if any, are thereafter attributed to each Group.

(F) Upon any transfer to either Group of businesses, assets or properties attributed to the other Group, the Board of Directors shall determine the consideration therefor to be attributed to the transferring Group in exchange therefor, including, without limitation, cash, securities or other property of the other Group, or shall decrease or increase the Number of Retained Interest Shares, as described in subparagraph (ii)(D) or (iii)(D), as the case may be, of the definition of “Number of Retained Interest Shares” provided in Article XV.

(G) Upon any assumption by either Group of liabilities or preferred stock attributed to the other Group, the Board of Directors shall determine the consideration therefor to be attributed to the assuming Group in exchange therefor, including, without limitation, cash, securities or other property of the other Group, or shall decrease or increase the Number of Retained Interest Shares, as described in subparagraph (ii)(D) or (iii)(D), as the case may be, of the definition of “Number of Retained Interest Shares” provided in Article XV.

(2) ***Certain Determinations Not Required.*** Notwithstanding the foregoing provisions of this Section 5.2(p) or any other provision in this Certificate of Incorporation, at any time when there are no shares of Class V Common Stock outstanding (or Convertible Securities convertible into or exchangeable or exercisable for shares of Class V Common Stock), the Corporation need not:

(A) attribute any of the businesses, assets, properties, liabilities or preferred stock of the Corporation or any of its Subsidiaries to the DHI Group or the Class V Group; or

(B) make any determination required in connection therewith, nor shall the Board of Directors be required to make any of the determinations otherwise required by this Section 5.2(p),

and in such circumstances the holders of the shares of DHI Common Stock outstanding shall (unless otherwise specifically provided in this Certificate of Incorporation) be entitled to all the voting powers, preferences, designations, rights, qualifications, limitations or restrictions of common stock of the Corporation.

(3) ***Board Determinations Binding.*** Any determinations made in good faith by the Board of Directors of the Corporation under any provision of this Section 5.2(p) or otherwise in furtherance of the application of this Section 5.2 shall be final and binding; provided, that any of such determinations that would require approval of the Capital Stock Committee under the Bylaws shall be final and binding only if made in accordance with the Bylaws.

**(q) Conversion of Class A Common Stock, Class B Common Stock and Class D Common Stock.**

(1) At any time and from time to time, (i) any holder of Class A Common Stock or Class B Common Stock shall have the right by written election to the Corporation to convert all or any of the shares of Class A Common Stock or Class B Common Stock, as applicable, held by such holder into shares of Class C Common Stock on a one-to-one basis and (ii) any holder of Class D Common Stock, subject to any legal requirements applicable to such holder (including any applicable requirements under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and any other applicable antitrust laws), shall have the right by written election to the Corporation to convert all or any of the shares of Class D Common Stock held by such holder into shares of Class C Common Stock on a one-to-one basis.

(2) If any such holder seeks to convert any share of Class A Common Stock, Class B Common Stock or Class D Common Stock pursuant to this Section 5.2(q), such written election shall be delivered by certified mail or courier, postage prepaid, to the Corporation or the Corporation's transfer agent. Each such written election shall (i) state the number of shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, elected to be converted and (ii) be accompanied by the certificate or certificates representing the shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, being converted, duly assigned or endorsed for transfer to the Corporation (and, if so required by the Corporation or its transfer agent, accompanied by duly executed instruments of transfer). The conversion of such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, shall be deemed effective as of the close of business on the date of receipt by the Corporation's transfer agent of the certificate or certificates representing such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, and any other instruments required by this Section 5.2(q)(2).

(3) Upon receipt by the Corporation's transfer agent of a written election accompanied by the certificate or certificates representing such shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, being converted, duly assigned or endorsed for transfer to the Corporation (and, if so required by the Corporation or its transfer agent, accompanied by duly executed instruments of transfer), the Corporation shall deliver to the relevant holder (i) a certificate in such holder's name (or the name of such holder's designee) for the number of shares of Class C Common Stock (including any fractional share) to which such holder shall be entitled upon conversion of the applicable shares of Class A Common Stock, Class B Common Stock or Class D Common Stock, and (ii) if applicable, a certificate in such holder's name (or the name of such holder's designee) for the number of shares (including any fractional share) of Class A Common Stock, Class B Common Stock or Class D Common Stock, as applicable, represented by the certificate or certificates delivered to the Corporation for conversion but otherwise not elected to be converted pursuant to the written election. All shares of Class C Common Stock issued hereunder by the Corporation shall be validly issued, fully paid and non-assessable.

(4) Notwithstanding anything in this Certificate of Incorporation to the contrary, upon any Transfer of shares of Class A Common Stock or Class B Common Stock to any Person other than (i) a Permitted Transferee of the transferor, (ii) in the case of the Class A Common Stock, (x) in a transfer pursuant to a Qualified Sale Transaction or (y) in connection with the transfer, at substantially the same time, of an aggregate number of shares of DHI Common Stock held by the MSD Partners Stockholders and their Permitted Transferees greater than 50% of the outstanding shares of DHI Common Stock owned by the MSD Partners Stockholders immediately

following the closing of the Merger (as adjusted for any stock split, stock dividend, reverse stock split or similar event occurring after the closing of the Merger) to any Person or group of Affiliated Persons or (iii) the case of the Class B Common Stock, in connection with the transfer, at substantially the same time, of an aggregate number of shares of DHI Common Stock held by the transferor and its Permitted Transferees greater than 50% of the outstanding shares of DHI Common Stock owned by the SLP Stockholders immediately following the closing of the Merger (as adjusted for any stock split, stock dividend, reverse stock split or similar event occurring after the closing of the Merger) to any Person or group of Affiliated Persons, the shares so Transferred shall automatically and as a condition to the effectiveness of such Transfer be converted into shares of Class C Common Stock on a one-for-one basis.

(5) The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class C Common Stock, solely for the purpose of issuance upon conversion of outstanding shares of Class A Common Stock, Class B Common Stock and Class D Common Stock, such number of shares of Class C Common Stock that shall be issuable upon the conversion of all such outstanding shares of Class A Common Stock, Class B Common Stock and Class D Common Stock.

**(r) Conversion of Class V Common Stock into Class C Common Stock at the Option of the Corporation.**

(1) At the option of the Corporation, exercisable at any time the Class C Common Stock is then Publicly Traded, the Board of Directors may authorize (the date the Board of Directors makes such authorization, the “Determination Date”) that each outstanding share of Class V Common Stock be converted into a number (or fraction) of validly issued, fully paid and non-assessable Publicly Traded shares of Class C Common Stock equal to the amount (calculated to the nearest five decimal places) obtained by multiplying the Applicable Conversion Percentage as of the Determination Date by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of a share of Class V Common Stock over the 10-Trading Day period ending on the Trading Day preceding the Determination Date, by (II) the Average Market Value of a share of Class C Common Stock over the same 10-Trading Day period.

(2) At the option of the Corporation, if a Tax Event occurs, the Board of Directors may authorize that each outstanding share of Class V Common Stock be converted into a number (or fraction) of validly issued, fully paid and non-assessable shares of Class C Common Stock equal to the amount (calculated to the nearest five decimal places) obtained by multiplying 100% by the amount (calculated to the nearest five decimal places) obtained by dividing (I) the Average Market Value of a share of Class V Common Stock over the 10-Trading Day period ending on the Trading Day preceding the Determination Date, by (II) the Average Market Value of a share of Class C Common Stock over the same 10-Trading Day period; provided, that such conversion shall only occur if the Class C Common Stock, upon issuance in such conversion, will have been registered under all applicable U.S. securities laws and will be listed for trading on a U.S. securities exchange.

(3) If the Corporation determines to convert shares of Class V Common Stock into Class C Common Stock pursuant to this Section 5.2(r), such conversion shall occur on a Class V Group Conversion Date on or prior to the 45th day following the Determination Date and shall otherwise be effected in accordance with the provisions of Section 5.2(m)(4).

(4) The Corporation shall not convert shares of Class V Common Stock into shares of Class C Common Stock pursuant to this Section 5.2(r) without converting all outstanding shares of Class V Common Stock into shares of Class C Common Stock in accordance with this Section 5.2(r).

(s) **Transfer Taxes.** The Corporation will pay any and all documentary, stamp or similar issue or transfer taxes that may be payable in respect of the issue or delivery of a certificate or certificates representing any shares of capital stock and/or other securities on conversion or redemption of shares of Common Stock pursuant to this Section 5.2. The Corporation will not, however, be required to pay any tax that may be payable in respect of any issue or delivery of a certificate or certificates representing any shares of capital stock in a name other than that in which the shares of Common Stock so converted or redeemed were registered and no such issue or delivery will be made unless and until the Person requesting the same has paid to the Corporation or its transfer agent the amount of any such tax, or has established to the satisfaction of the Corporation or its transfer agent that such tax has been paid.

## ARTICLE VI

(a) The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(b) The Board of Directors shall consist of:

(1) The Group I directors (the “Group I Directors”), who shall initially number three (3). The holders of Common Stock (other than the holders of Class D Common Stock), voting together as a single class, shall be entitled to elect, vote to remove or fill any vacancy in respect of any Group I Director. The number of Group I Directors may be increased (to no more than seven (7)) or decreased (to no less than three (3)) by action of the Board of Directors that includes the affirmative vote of (i) a majority of the Board of Directors, (ii) a majority of the Group II Directors (as defined below) and (iii) a majority of the Group III Directors (as defined below). Any newly-created directorship on the Board of Directors with respect to the Group I Directors that results from an increase in the number of Group I Directors may be filled by the affirmative vote of a majority of the Board of Directors then in office, provided, that a quorum is present, and any other vacancy occurring on the Board of Directors with respect to the Group I Directors may be filled by the affirmative vote of a majority of the Board of Directors then in office, even if less than a quorum, or by a sole remaining director. A majority of the Common Stock (other than the Class D Common Stock), voting together as a single class, shall be entitled to remove any Group I Director with or without cause at any time. Each Group I Director shall be entitled to cast one (1) vote. In the event that the Board of Directors consists of a number of directors entitled to an aggregate amount of votes that is less than seven (7), the number of Group I Directors shall automatically be increased to such number as is necessary to ensure that the voting power of the Board of Directors is equal to an aggregate of seven (7) votes (assuming, for each such calculation, full attendance by each director);

(2) Until a Designation Rights Trigger Event has occurred with respect to the Class A Common Stock, the Group II directors (the “Group II Directors”), who shall initially number one (1). The initial Group II Director shall be the person who was serving immediately prior to the Effective Time as the Series A Director (as such term is defined in the Third Amended and Restated Certificate of Incorporation of the Corporation) and shall hold office until his successor is duly elected and qualified or until his earlier death, resignation, disqualification or removal. The holders of Class A Common Stock shall have the right, voting separately as a series, to elect up to three (3) Group II Directors, and, voting separately as a series, shall solely be entitled to elect, vote to remove or fill any vacancy in respect of any Group II Director. Upon the occurrence of a Designation Rights Trigger Event with respect to the Class A Common Stock, the rights of the Class A Common Stock pursuant to this paragraph (2) shall immediately terminate and no right to elect Group II Directors shall thereafter attach to the Class A Common Stock. The number of Group II Directors may be increased (to no more than three (3)) by action of the Group II Directors or vote of the holders of Class A Common Stock, voting separately as a series, or decreased (to no less than one (1)) by vote of the holders of Class A Common Stock, voting separately as a series. In the case of any vacancy or newly-created directorship occurring with respect to the Group II Directors, such vacancy shall only be filled by the vote of the holders of the outstanding Class A Common Stock, voting separately as a series. The holders of Class A Common Stock, voting separately as a series, shall be entitled to remove any Group II Director with or without cause at any time. Each Group II Director shall be entitled to cast that number of votes (or a fraction thereof) equal to the quotient obtained by dividing (i) the Aggregate Group II Director Votes by (ii) the number of Group II Directors then in office; and

(3) Until a Designation Rights Trigger Event has occurred with respect to the Class B Common Stock, the Group III directors (the “Group III Directors”), who shall initially number two (2). The initial Group III Directors shall be the persons who were serving immediately prior to the Effective Time as the Series B Directors (as such term is defined in the Third Amended and Restated Certificate of Incorporation of the Corporation) and shall hold office until their successors are duly elected and qualified or until their earlier death, resignation, disqualification or removal. The holders of Class B Common Stock shall have the right, voting separately as a series, to elect up to three (3) Group III Directors, and, voting separately as a series, shall solely be entitled to elect, vote to remove or fill any vacancy in respect of any Group III Director. Upon the occurrence of a Designation Rights Trigger Event with respect to the Class B Common Stock, the rights of the Class B Common Stock pursuant to this paragraph (3) shall immediately terminate and no right to elect Group III Directors shall thereafter attach to the Class B Common Stock. The number of Group III Directors may be increased (to no more

than three (3)) by action of the Group III Directors or vote of the holders of Class B Common Stock, voting separately as a series, or decreased (to no less than one (1)) by vote of the holders of Class B Common Stock, voting separately as a series. In the case of any vacancy or newly-created directorship occurring with respect to the Group III Directors, such vacancy or newly-created directorship shall only be filled by the vote of the holders of the outstanding Class B Common Stock, voting separately as a series. The holders of Class B Common Stock, voting separately as a series, shall be entitled to remove any Group III Director with or without cause at any time. Each Group III Director shall be entitled to cast that number of votes (or a fraction thereof) equal to the quotient obtained by dividing (i) the Aggregate Group III Director Votes by (ii) the number of Group III Directors then in office.

(c) No stockholders of the Corporation other than the holders of Class A Common Stock shall be entitled to vote with respect to the election or the removal without cause of any Group II Director. No stockholders of the Corporation other than the holders of the Class B Common Stock shall be entitled to vote with respect to the election or the removal without cause of any Group III Director. At any meeting held for the purpose of electing directors, the presence in person or by proxy of the holders of a majority of the outstanding shares of Class A Common Stock shall be required, and shall be sufficient, to constitute a quorum of such series for the election of Group II Directors by such series and the presence in person or by proxy of the holders of a majority of the outstanding shares of Class B Common Stock shall be required, and shall be sufficient, to constitute a quorum of such series for the election of Group III Directors by such series. At any such meeting or adjournment thereof, the absence of a quorum of any of the holders of the Class A Common Stock and/or the Class B Common Stock shall not prevent the election of directors other than the Group II Directors and/or the Group III Directors, as applicable, and the absence of a quorum or quorums of the holders of capital stock of the Corporation entitled to elect such other directors shall not prevent the election of the Group II Directors and/or the Group III Directors, as applicable.

(d) In the event that the Group II Directors and the Group III Directors are entitled to an equal aggregate number of votes that is greater than zero (0) (assuming, for such calculation, full attendance by each applicable Group II Director and Group III Director), any matter that requires approval by the Board of Directors will require the approval of (i) a majority of the votes entitled to be cast by all directors, (ii) a majority of the votes entitled to be cast by the Group II Directors and (iii) a majority of the votes entitled to be cast by the Group III Directors.

(e) As long as (a) no IPO has occurred, (b) the number of shares of Common Stock beneficially owned by the MD Stockholders exceeds either (x) 35% of the issued and outstanding DHI Common Stock or (y) the number of shares of DHI Common Stock beneficially owned by the SLP Stockholders and (c) no Disabling Event has occurred and is continuing, then (x) removal of the Chief Executive Officer of the Corporation shall require the approval of the holders of Class A Common Stock, voting separately as a series, and (y) unless otherwise consented to by the holders of Class A Common Stock, voting separately as a series, the Chief Executive Officer of the Corporation shall also serve as Chairman of the Board of Directors (provided, the Chief Executive Officer is a director).

(f) Upon the occurrence of a Designation Rights Trigger Event with respect to the Class A Common Stock, the terms of office the Group II Directors shall terminate and the number of directors comprising the Board of Directors shall be reduced accordingly. Upon the occurrence of a Designation Rights Trigger Event with respect to the Class B Common Stock, the terms of office of the Group III Directors shall terminate and the number of directors comprising the Board of Directors shall be reduced accordingly.

(g) To the extent that this Certificate of Incorporation provides that directors elected by the holders of a class or series of stock shall have more or less than one vote per director on any matter, every reference in this Certificate of Incorporation or the Bylaws to a majority or other proportion of directors shall refer to a majority or other proportion of the votes of such directors. Notwithstanding the foregoing, each director when serving on a committee or subcommittee of the Board of Directors shall be entitled to cast that number of votes in respect of the total votes on any matter coming before such committee or subcommittee as shall be specified pursuant to the Bylaws, or if not so specified, then as may be set forth in a resolution of the Board of Directors designating such committee not inconsistent with the Bylaws or any stockholder agreement or similar contractual arrangement to which the Corporation is a party.

## ARTICLE VII

Elections of the members of the Board of Directors shall be held annually at the annual meeting of stockholders and each director shall be elected for a term commencing on the date of such director's election and ending on the earliest of (i) the date such director's successor is elected and qualified, (ii) the date of such director's death, resignation, disqualification or removal, (iii) solely in the case of the Group II Directors, the occurrence of a Designation Rights Trigger Event with respect to the Class A Common Stock, and (iv) solely in the case of the Group III Directors, the occurrence of a Designation Rights Trigger Event with respect to the Class B Common Stock. Elections of the members of the Board need not be by written ballot unless the Bylaws shall so provide.

## ARTICLE VIII

Any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the actions to be so taken, shall be signed by both (i) the holders of stock of the Corporation having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of stock of the Corporation entitled to vote thereon were present and voted and (ii) each of the holders of a majority of the DHI Common Stock beneficially owned by the MD Stockholders and a majority of the DHI Common Stock beneficially owned by the SLP Stockholders, if any, that are stockholders at such time, and shall be delivered to the Corporation by delivery to its principal place of business or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings are recorded.

## ARTICLE IX

Subject to any limitations set forth in this Certificate of Incorporation, including, without limitation, pursuant to Section 5.2(h)(2)(B), and to obtaining any required stockholder votes or consents required hereby, the Board of Directors is expressly authorized to amend, alter or repeal the Bylaws or adopt new Bylaws, without any action on the part of the stockholders; provided, that Bylaws adopted or amended by the Board of Directors and any powers thereby conferred may be amended, altered or repealed by the stockholders subject to any limitations set forth in this Certificate of Incorporation.

## ARTICLE X

(a) A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for such liability as is expressly not subject to limitation under the DGCL, as the same exists or may hereafter be amended to further limit or eliminate such liability. Moreover, the Corporation shall, to the fullest extent permitted by law, indemnify any and all officers and directors of the Corporation, and may, to the fullest extent permitted by law or to such lesser extent as is determined in the discretion of the Board of Directors, indemnify any and all other persons whom it shall have power to indemnify, from and against all expenses, liabilities or other matters arising out of their status as such or their acts, omissions or services rendered in such capacities. The Corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability.

(b) Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was or has agreed to become a director or officer of the Corporation or is or was serving or has agreed to serve at the request of the Corporation as a director or officer of another Corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving or having agreed to serve as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the DGCL, as the same exists or may hereafter be amended, (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation

to provide prior to such amendment) against all expense, liability and loss (including, without limitation, attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to serve in the capacity which initially entitled such person to indemnity hereunder and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors. The right to indemnification conferred in this Article X shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the DGCL requires, the payment of such expenses incurred by a current, former or proposed director or officer in his or her capacity as a director or officer or proposed director or officer (and not in any other capacity in which service was or is or has been agreed to be rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such indemnified person, to repay all amounts so advanced if it shall ultimately be determined that such indemnified person is not entitled to be indemnified under this Article X or otherwise.

(c) The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation, individually or as a group, with the same scope and effect as the indemnification of directors and officers provided for in this Article X.

(d) If a written claim for advancement and payment of expenses received by the Corporation from or on behalf of an indemnified party under this Article X is not paid in full by the Corporation within ninety days after such receipt, or if a written claim for indemnification following final disposition of the applicable proceeding received by the Corporation by or on behalf of an indemnified party under this Article X is not paid in full by the Corporation within ninety days after such receipt, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(e) The right to indemnification and the advancement and payment of expenses conferred in this Article X shall not be exclusive of any other right which any person may have or hereafter acquire under any law (common or statutory), provision of this Certificate of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

(f) The Corporation may maintain insurance, at its expense, to protect itself and any person who is or was serving as a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

(g) If this Article X or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and hold harmless each director and officer of the Corporation as to costs, charges and expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative to the full extent permitted by any applicable portion of this Article X that shall not have been invalidated and to the fullest extent permitted by applicable law.

## ARTICLE XI

To the fullest extent permitted by the DGCL and subject to any express agreement that may from time to time be in effect, the Corporation acknowledges and agrees that any Covered Person may, and shall have no duty not to, (i) invest in, carry on and conduct, whether directly, or as a partner in any partnership, or as a joint venturer in any joint venture, or as an officer, director, stockholder, equityholder or investor in any Person, or as a participant in any syndicate, pool, trust or association, any business of any kind, nature or description, whether or not such business is competitive with or in the same or similar lines of business as the Corporation or any of its Subsidiaries (which for all purposes of this Article XI shall include VMware and its subsidiaries), (ii) do business with any client, customer, vendor or lessor of any of the Corporation or its Affiliates, and/or (iii) make investments in any kind of property in which the Corporation may make investments. To the fullest extent permitted by the DGCL, the Corporation renounces any interest or expectancy to participate in any business or investments of any Covered Person as currently conducted or as may be conducted in the future, and waives any claim against a Covered Person and shall indemnify a Covered Person against any claim that such Covered Person is liable to the Corporation, any Subsidiary or their respective stockholders for breach of any fiduciary duty solely by reason of such Person's participation in any such business or investment. The Corporation shall pay in advance any expenses incurred in defense of such claim as provided in this provision. The Corporation hereby expressly acknowledges and agrees in the event that a Covered Person acquires knowledge of a potential transaction or matter which may constitute a corporate opportunity for both (x) the Covered Person outside of his or her capacity as an officer or director of the Corporation and (y) the Corporation or any Subsidiary, the Covered Person shall not have any duty to offer or communicate information regarding such corporate opportunity to the Corporation or any Subsidiary. To the fullest extent permitted by the DGCL, the Corporation hereby renounces any interest or expectancy in any potential transaction or matter of which the Covered Person acquires knowledge, except for any corporate opportunity which is expressly offered to a Covered Person in writing solely in his or her capacity as an officer or director of the Corporation or any Subsidiary, and waives any claim against each Covered Person and shall indemnify a Covered Person against any claim, that such Covered Person is liable to the Corporation, any Subsidiary or their respective stockholders for breach of any fiduciary duty solely by reason of the fact that such Covered Person (A) pursues or acquires any corporate opportunity for its own account or the account of any Affiliate or other Person, (B) directs, recommends, sells, assigns or otherwise transfers such corporate opportunity to another Person or (C) does not communicate information regarding such corporate opportunity to the Corporation or such Subsidiary; provided, however, in each such case, that any corporate opportunity which is expressly offered to a Covered Person in writing solely in his or her capacity as an officer or director of the Corporation shall belong to the Corporation. The Corporation shall pay in advance any expenses incurred in defense of such claim as provided in this provision, except to the extent that a Covered Person is determined by a final, non-appealable order of a Delaware court having competent jurisdiction (or any other judgment which is not appealed in the applicable time) to have breached this Article XI, in which case any such advanced expenses shall be promptly reimbursed to the Corporation.

## ARTICLE XII

(a) Subject to obtaining any required stockholder votes or consents provided for herein or in any Preferred Stock Series Resolution, the Corporation shall have the right, from time to time, to amend this Certificate of Incorporation or any provision thereof in any manner now or hereafter provided by law, and all rights and powers of any kind conferred upon a director or stockholder of the Corporation by this Certificate of Incorporation or any amendment thereof are conferred subject to such right.

(b) Notwithstanding anything herein to the contrary, (i) the affirmative vote of the holders of a majority of the then issued and outstanding shares of Class A Common Stock and (ii) the affirmative vote of the holders of a majority of the then issued and outstanding shares of Class B Common Stock shall be required (A) for any amendment, alteration or repeal (including by merger, consolidation or otherwise by operation of law) of Article V and/or Article VI hereof and, (B) for so long as the MD Stockholders or the SLP Stockholders own any Common Stock, for any amendment, alteration or repeal (including by merger, consolidation or otherwise by operation of law) of Article X, Article VI or this paragraph (b) of Article XII hereof.

### ARTICLE XIII

Unless the Corporation consents in writing to the selection of an alternative forum, the sole and exclusive forum for (A) any derivative action or proceeding brought on behalf of the Corporation, (B) any action asserting a claim of breach of a fiduciary duty owed by any director or officer or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (C) any action asserting a claim against the Corporation or any director or officer or stockholder of the Corporation arising pursuant to any provision of the DGCL or this Certificate of Incorporation or the Bylaws, or (D) any action asserting a claim against the Corporation or any director or officer or stockholder of the Corporation governed by the internal affairs doctrine, shall be a state court located within the State of Delaware (or, if no state court located within the State of Delaware has jurisdiction, the federal district court for the District of Delaware).

### ARTICLE XIV

The Corporation shall not be governed by or subject to Section 203 of the DGCL.

### ARTICLE XV

#### CERTAIN DEFINITIONS

Unless the context otherwise requires, the terms defined in this Article XV will have, for all purposes of this Certificate of Incorporation, the meanings herein specified:

**"Affiliate"** means, with respect to any Person, any other Person that controls, is controlled by, or is under common control with such Person. The term "control" means the power to direct or cause the direction of the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise. The terms "controlled" and "controlling" have meanings correlative to the foregoing. Notwithstanding the foregoing, for purposes of this Certificate of Incorporation (except as used in Section 5.2(h)(2) and the definition of "Excluded Transactions" provided in this Article XV), (i) the Corporation, its Subsidiaries and its other controlled Affiliates (including VMware and its subsidiaries) shall not be considered Affiliates of any of the Sponsor Stockholders or any of such party's Affiliates (other than the Corporation, its Subsidiaries and its other controlled Affiliates), (ii) none of the MD Stockholders and the MSD Partners Stockholders, on the one hand, and/or the SLP Stockholders, on the other hand, shall be considered Affiliates of each other and (iii) except with respect to Article XI, none of the Sponsor Stockholders shall be considered Affiliates of (x) any portfolio company in which any of the Sponsor Stockholders or any of their investment fund Affiliates have made a debt or equity investment (and vice versa) or (y) any limited partners, non-managing members or other similar direct or indirect investors in any of the Sponsor Stockholders or their affiliated investment funds.

**"Aggregate Group II Director Votes"** means, as of the date of measurement:

(i) seven (7) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate of more than 35% of the issued and outstanding DHI Common Stock; or, so long as the foregoing subclause (i) is not applicable,

(ii) three (3) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to more than 66 2/3% of the Reference Number;

(iii) two (2) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to more than 33 1/3% but less than or equal to 66 2/3% of the Reference Number;

(iv) one (1) vote for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock equal to 10% or more but less than or equal to 33 1/3% of the Reference Number; and

(v) zero (0) votes for all matters subject to the vote of the Board of Directors (whether by a meeting or by written consent) for so long as the MD Stockholders beneficially own an aggregate number of shares of DHI Common Stock representing less than 10% of the Reference Number;

provided, that subject to the immediately succeeding sentence, at any time that the MD Stockholders beneficially own a number of shares of DHI Common Stock equal to or greater than 1.5 times the number of shares of DHI Common Stock beneficially owned by the SLP Stockholders, the Aggregate Group II Director Votes will equal seven (7) votes.
