Corporate EHS Policy (Since 2003)

City Developments Limited (CDL) is committed to being a socially and environmentally responsible organisation that advocates a “Safe and Green” corporate culture. In this regard, CDL will take every practical effort to ensure effective Environmental, Health and Safety (EHS) management in our operations.

CDL cares for the environment and our stakeholders. We will continually strive towards sustainable resource use, climate change mitigation and adaptation, biodiversity and ecosystems conservation as well as pollution prevention. We are also committed to preventing workplace injuries and illnesses, and promoting healthy workplaces.

The CDL Management shall fulfill our compliance obligations and strive towards continual improvements of our system and operations so as to enhance our EHS performance.

As a responsible corporate citizen, CDL shall actively engage and influence our stakeholders to work collaboratively to reduce our overall environmental impact and ensure a safe and healthy workplace.
