

UPS and Expo 2020 Dubai

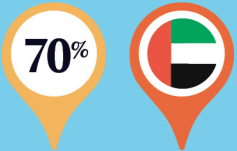

Connecting Minds, Creating The Future

Expo 2020 expects to host almost
200 participant nations

\$9 Billion
is being invested in
infrastructure for the event

70% of visitors to the event are expected
to come from outside the UAE -
**the largest amount in
Expo history**

**Over 277,000
employment
opportunities**

are expected to be
created by Expo
2020 Dubai

**160 million
passengers
per year**

are expected use the new Al Maktoum
international airport. 65% more than the
world's current busiest airport in Atlanta

One third of the
world's visitors to
the event live within
4 hours of Dubai

Expo 2020 is expected to
involve **2 million hours**
of venue logistics activity
including dedicated warehouses and
1000 dedicated staff

The UPS global delivery
fleet consists of over
**100,000 package
cars, vans, tractors
and motorcycles**

**UPS delivers
over 19
million
packages**
and documents
internationally
each day

Every day UPS
manages over
**100 million
tracking
requests**

UPS uses more than
**8,100 alternative
fuel and advanced
technology vehicles**

The UPS air fleet consists of
237 jet aircraft
