### **About Net1 ([www.net1.com](http://www.net1.com))**

Net1 is a leading provider of alternative payment systems that leverage its Universal Electronic Payment System (“UEPS”), to facilitate biometrically secure, real-time electronic transaction processing to unbanked and under-banked populations of developing economies around the world in an online or offline environment. Net1's UEPS/EMV solution is interoperable with global EMV standards that seamlessly permit access to all the UEPS functionality in a traditional EMV environment. In addition to payments, UEPS can be used for banking, healthcare management, payroll, remittances, voting and identification.

Net1 operates market-leading payment processors in South Africa and the Republic of Korea. In addition, Net1's proprietary MVC technology offers secure mobile payments and banking services in developed and emerging countries.

Net1 has a primary listing on the NASDAQ and a secondary listing on the Johannesburg Stock Exchange.
