## History and development

The Company was incorporated under English law in 1984 as Racal Strategic Radio Limited (registered number 1833679). After various name changes, 20% of Racal Telecom Plc share capital was offered to the public in October 1988. The Company was fully demerged from Racal Electronics Plc and became an independent company in September 1991, at which time it changed its name to Vodafone Group Plc.

Since then we have entered into various transactions which enhanced our international presence. The most significant of these transactions were as follows:

- → the merger with AirTouch Communications, Inc. which completed on 30 June 1999. The Company changed its name to Vodafone AirTouch Plc in June 1999 but then reverted to its former name, Vodafone Group Plc, on 28 July 2000;
- → the acquisition of Mannesmann AG which completed on 12 April 2000. Through this transaction we acquired businesses in Germany and Italy and increased our indirect holding in SFR;
- → through a series of business transactions between 1999 and 2004 we acquired a 97.7% stake in Vodafone Japan. This was then disposed of on 27 April 2006;
- → on 8 May 2007 we acquired companies with controlling interests in Vodafone India Limited ('VIL'), formerly Vodafone Essar Limited, for US\$10.9 billion (£5.5 billion); and
- → on 20 April 2009 we acquired an additional 15.0% stake in Vodacom for cash consideration of ZAR 20.6 billion (£1.6 billion). On 18 May 2009 Vodacom became a subsidiary.
