PROXY STATEMENT

General Information

The enclosed proxy is solicited on behalf of the Board of Directors of KVH Industries, Inc., a Delaware corporation, with its principal executive offices at 50 Enterprise Center, Middletown, Rhode Island 02842. This proxy is for use at KVH's 2002 Annual Meeting of Stockholders to be held at 11:00 a.m. on Wednesday, May 29, 2002, at the offices of Foley, Hoag & Eliot LLP, World Trade Center West, 155 Seaport Boulevard, 16th Floor, Boston, Massachusetts, 02210. Our proxy statement contains important information regarding the KVH Industries, Inc.'s 2002 Annual Meeting of Stockholders, the proposals on which you are being asked to vote, information you may find useful in determining how to vote and voting procedures.

A number of abbreviations are used in this proxy statement. We refer to KVH Industries, Inc. as "KVH." The term "proxy materials" includes this proxy statement, the enclosed proxy card and our 2001 Annual Report on Form 10-K. KVH's 2002 Annual Meeting of Stockholders is referred to as "the meeting."

The Board of Directors of KVH is mailing this proxy statement on or about April 29, 2002, to all KVH stockholders as of the record date, April 2, 2002. Stockholders who owned KVH's common stock at the close of business on April 2, 2002, are entitled to attend and vote at the meeting. On the record date, there were 10,997,598 shares of KVH's common stock issued and outstanding, and entitled to the same number of votes.

Voting Procedures

As a stockholder of KVH, you have a right to vote on certain business matters affecting KVH. The proposals that will be presented at the meeting and upon which you are being asked to vote are discussed in the following sections entitled "Proposals." Each share of KVH's common stock you own entitles you to one vote. You may vote by mail, by telephone, over the Internet, or in person at the meeting.

Methods of Voting

Your shares will be voted in accordance with the instructions you indicate. If you return a proxy card but do not indicate your voting instructions, your shares will be voted for the proposals as presented in the proxy statement and at the discretion of the proxies (as defined below) as to all other matters that may properly come before the meeting.

Voting by Mail

By signing and returning the proxy card in the enclosed prepaid and addressed envelope, you are enabling the individuals named on the proxy card (known as "proxies") to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the meeting. If you received more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted.

Voting by Telephone

To vote by telephone, please follow the instructions included on your proxy card. If you vote by telephone, you do not need to complete and mail your proxy card.

Voting on the Internet

To vote on the Internet, please follow the instructions included on your proxy card. If you vote on the Internet, you do not need to complete and mail your proxy card.

Voting in Person at the Meeting

If you plan to attend the meeting and vote in person, we will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the meeting.

If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. If you wish to vote at the meeting, you will need to bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote your shares.

If you own shares under the Employees' Stock Purchase Plan and do not vote, your shares will be voted in accordance with normal brokerage industry practices, as described in this proxy statement under the section "Broker Non-Votes."

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the meeting. In order to do this, you must either: sign and return another proxy at a later date; provide written notice of the revocation of your proxy to KVH's Secretary; or attend the meeting and vote in person.

Quorum Requirement

A quorum, which is a majority of the outstanding shares entitled to vote as of the record date, April 2, 2002, must be present in order to hold the meeting and to conduct business. Shares are counted as being present at the meeting if you appear in person at the meeting or if you vote your shares on the Internet, by telephone, or by submitting a properly executed proxy card. If any broker non-votes (as described below) are present at the meeting, they will be counted as present for the purpose of determining a quorum.

Votes Required to Pass the Proposals

The vote required and the method of calculation for the proposal to be considered at the meeting is as follows.

- **Proposal I - Election of Directors:** The three nominees receiving the highest number of votes, in person or by proxy, will be elected as directors.

You may vote "for" the proposals, you may vote "against" the proposals, or you may "withhold" your vote with respect to one or more of the proposals. If you return a proxy card that withholds your vote from the proposals, your shares will be counted as present for the purpose of determining a quorum but will not be counted in the vote on the proposals.

Broker Non-Votes

If your shares are held in the name of a broker and you do not return a proxy card, brokerage firms have authority to vote your non-voted shares (known as "broker non-votes") on certain routine matters. The proposal to elect three directors and other matters should be treated as routine. Consequently, if you do not provide a proxy to vote your shares, your brokerage firm may elect to vote or not vote your shares for you. To the extent your brokerage firm votes shares on your behalf, your shares will be counted as present for the purpose of determining a quorum.

Voting Confidentiality

Proxies, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. Information will not be disclosed except as required by law.

Voting Results

Final voting results will be announced at the meeting and will be published in KVH's Quarterly Report on Form 10-Q for the second quarter of fiscal 2002, which will be filed with the Securities and Exchange Commission on or before August 14, 2002. After the report is filed, you may obtain a copy by: visiting our web site at www.kvh.com, contacting our investor relations department at 401-847-3327, or viewing our Quarterly Report on Form 10-Q for the second quarter on the SEC's web site at www.sec.gov.

Solicitation

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by the Company. Copies of solicitation materials will be furnished to brokerage houses, nominees, fiduciaries, and custodians to forward to beneficial owners of Common Stock held in their names. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of stock for their reasonable expenses in forwarding solicitation materials to such beneficial owners. In addition to original solicitation of proxies by mail, the Company's directors, officers, and other employees may, without additional compensation, solicit proxies by telephone, facsimile, electronic communication and personal interviews.

Proposal I: Election of Directors. The Board has nominated **Martin A. Kits van Heyningen, Robert W.B. Kits van Heyningen, and Werner Trattner, who currently serve as Class III Directors, for reelection as Class III Directors at the meeting, each to serve until our annual meeting of stockholders in 2005 or special meeting in lieu thereof, and until a successor is duly elected and qualified.**

Our Board of Directors consists of seven members, four non-employee directors and three employee directors. The Board is divided into three classes, with two directors in Class I, two in Class II and three in Class III. Directors serve three-year terms, or until a qualified successor is elected. Mr. Trattner completed the Program for Executive Development at the International Institute for Management Development in Lausanne, Switzerland.

The Board recommends that you vote FOR the election of Messrs. Martin A. Kits van Heyningen, Robert W.B. Kits van Heyningen, and Werner Trattner as Class III directors.

Other Matters

Other than the proposals as discussed in the proxy statement, KVH's Board of Directors does not intend to bring any other matters to be voted on at the meeting. KVH's Board is not currently aware of any other matters that will be presented by others for action at the meeting. However, if other matters are properly presented at the meeting and you have signed and returned your proxy card, or voted on the Internet, or by telephone, the proxies will have discretion to vote your shares on such matters to the extent authorized in applicable regulations under the Securities Exchange Act of 1934.

Committees and Meetings of the Board

During the fiscal year ended December 31, 2001, our Board met five times. No incumbent director attended fewer than 80% of the total number of meetings held by our Board and our committees on which they served. We currently have two committees: the Audit Committee and the Compensation Committee.

Compensation Committee

Our Compensation Committee is composed of three independent, non-employee directors, Messrs. Mark S. Ain, Werner Trattner, and Charles R. Trimble. The Committee makes general policy decisions relating to compensation and benefits for our employees, including executive officers. It administers the Company's 1996 Incentive and Nonqualified Stock Option Plan, the 1995 Incentive Stock Option Plan, and the 1996 Employee Stock Purchase Plan. The Compensation Committee met twice during 2001.

Compensation Committee Report

The compensation package for KVH executive officers in fiscal 2001 had three principal components: (1) base salary; (2) bonus; and (3) stock options. The Company's executive officers were also eligible to participate in benefit plans on substantially the same terms as other employees.

In determining executive compensation, the Compensation Committee believes packages need to offer: fair and competitive compensation that attracts and retains superior executive talent; links to performance and stockholder interests with rewards for both short-term and long-term results; incentive compensation programs that recognize both individual and team performance; and features that encourage long-term career commitments to the Company and its stockholders.

Salaries are reviewed annually, and any adjustments are based on individual performance, changes in responsibilities and market-based comparisons with similar companies. Bonuses, which are included in the compensation table, generally are based on a percentage of operating income and dependent upon KVH achieving the year's financial plan. In addition to salaries and incentive bonuses, the Compensation Committee also grants stock options to executive officers and other key employees of the Company and its subsidiary in order to focus the efforts of these employees on the long-term enhancement of profitability and stockholder value.

Martin Kits van Heyningen, the Company's Chief Executive Officer, was paid a base salary of \$216,000 per annum in 2001. During 2001, Mr. Kits van Heyningen was granted options to purchase 40,000 shares of common stock at \$6.88 per share. In setting Mr. Kits van Heyningen's compensation for 2001, the Compensation Committee considered the compensation payable to chief executive officers of other similarly situated companies in the Company's industry.

As submitted by the Compensation Committee:

Mark S. Ain
Werner Trattner
Charles R. Trimble

Audit Committee

The Audit Committee of the Board of Directors is composed of four independent directors, as defined by the National Association of Securities Dealers' listing standards, and operates under a written charter adopted by the Board of Directors. A copy of the written charter was filed as Appendix A to the proxy statement for the Company's 2001 Annual Meeting. The members of the Audit Committee are Messrs. Mark S. Ain, Stanley K. Honey, Werner Trattner, and Charles R. Trimble. The Audit Committee met three times during 2001.

Audit Committee Report

In the section below, we describe our financial and accounting management policies and practices.

Responsibilities

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as KVH's independent accountants. Management is responsible for KVH's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of KVH's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to oversee these processes and the activities of KVH's internal accounting controls.

Review with Management and Independent Accountants

In this context, the Audit Committee met and discussed the Company's audited financial statements with management and the independent accountants, KPMG LLP. Management represented to the Audit Committee that KVH's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees."

KVH's independent accountants also provided to the Audit Committee the written disclosures and a letter required by Independent Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with the independent accountants the firm's independence.

Independent Auditors' Fees

In addition to retaining KPMG LLP to audit our consolidated financial statements, we also engaged KPMG LLP to provide other professional services in fiscal 2001, and expect to continue to do so in the future. The aggregate fees billed for professional services by KPMG LLP in fiscal 2001 were:

Audit fees (1)	\$98,065
Financial information systems design and implementation	—
All other fees:	
Tax compliance services	\$61,033
Audit of 401(k) savings and retirement plan	\$10,000
Registration statement procedures	\$33,643

(1) Includes fees for services rendered for the annual audit of the Company's consolidated financial statements for fiscal 2001 and the quarterly reviews of the financial statements included in the Company's quarterly reports on Form 10-Q.

The Audit Committee has determined that the services rendered by KPMG LLP, as described above, were compatible with maintaining KPMG LLP's independence. The Audit Committee of the Board of Directors has selected KPMG LLP as independent public accountants to audit our financial statements for 2002. KPMG has been our auditors since 1986.

Summary

Based upon the Audit Committee's discussions with management and the independent accountants and the Audit Committee's review of the representations of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in KVH's Annual Report on Form 10-K for the year ended December 31, 2001, as filed with the Securities and Exchange Commission.

- (1) Amounts reported in this column represent hypothetical values that may be realized upon exercise of the options immediately prior to the expiration of their term, assuming the specified compounded rates of appreciation of our Common Stock over the term of the options. These numbers are calculated based on SEC rules and do not represent our estimate of future stock price growth. Actual gains, if any, on stock option exercises and Common Stock holdings depend on the exercise timing and the future performance of our Common Stock. There can be no assurance that the rates of appreciation assumed in this table can be achieved or that the amounts reflected will be received by the individuals. This table does not take into account any appreciation in the price of the Common Stock from the date of grant to the current date. The values shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise.
