PROXY STATEMENT

2005 ANNUAL MEETING OF STOCKHOLDERS

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of JetBlue Airways Corporation (the “Company” or “JetBlue”) for use at the Annual Meeting of Stockholders to be held on Wednesday, May 18, 2005, beginning at 10:00 a.m., EDT, at the Company’s corporate headquarters located at 118-29 Queens Boulevard, Forest Hills, New York, and at any postponements or adjournments thereof. This proxy statement and the enclosed proxy card are being furnished to stockholders on or about April 18, 2005.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, namely the election of directors and the ratification of the appointment of the Company’s independent registered public accounting firm. In addition, management will review the performance of the Company and respond to questions from stockholders.

Who is entitled to vote at the annual meeting?

All stockholders of record at the close of business on April 5, 2005, the record date for the annual meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. “Additional Information” at the end of this proxy statement contains a description of restrictions on voting by stockholders who are not “U.S. citizens”, as defined by applicable laws and regulations.

What are the voting rights of the holders of JetBlue common stock?

Each outstanding share of JetBlue common stock will be entitled to one vote on each matter considered at the annual meeting. “Additional Information” at the end of this proxy statement contains a description of certain restrictions on voting.

Who can attend the annual meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the annual meeting, and each may be accompanied by one guest.

An admission ticket is attached to your proxy card if you hold shares directly in your name as a stockholder of record. If you plan to attend the annual meeting, please vote your proxy but keep the admission ticket and bring it with you to the annual meeting.

Registration will begin at 9:00 a.m., EDT. Admission to the annual meeting will be on a first-come, first-served basis. If you attend, please note that you may be asked to present government-issued picture identification, such as a driver’s license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in “street name” (that is, through a broker or other nominee) and plan to attend the annual meeting, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date as well as government-issued picture identification and check in at the registration desk at the meeting.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the April 5, 2005 record date, 104,418,874 shares of common stock, representing the same number of votes, were outstanding. Thus, the presence of the holders of common stock representing at least 52,209,438 votes will be required to establish a quorum.

Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the annual meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it in the envelope provided, it will be voted as you direct. If you are a registered stockholder and attend the annual meeting, you may deliver your completed proxy card in person. “Street name” stockholders who wish to vote at the annual meeting will need to obtain a proxy form from the institution that holds their shares.

Can I vote by telephone or electronically?

Yes. You may vote by telephone or electronically through the Internet by following the instructions included with your proxy card. Telephonic and electronic votes are counted immediately and there is no need to send in your proxy card. The deadline for voting by telephone or electronically through the Internet is 11:59 p.m., EDT, on May 17, 2005.

YOU CAN SAVE THE COMPANY MONEY IF YOU USE THE VOTE BY TELEPHONE OR INTERNET OPTIONS.

May I revoke a proxy?

Yes. You may revoke a proxy at any time before the proxy is exercised by filing with the Secretary of the Company a notice of revocation, or by submitting a later-dated proxy by mail, telephone or electronically through the Internet. You may also revoke your proxy by attending the annual meeting and voting in person. The powers of the proxy holders with respect to your shares will be suspended if you attend the annual meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How do I vote my 401(k) plan shares?

If you are a stockholder through participation in the JetBlue 401(k) Retirement Plan, the proxy also serves as voting instructions to the plan trustees. The plan trustees will cause allocated shares held under the plan, for which the trustees have not received direction, to be present at the meeting for purposes of determining a quorum but not voted in respect of any matter to come before the annual meeting.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, or by telephone or electronically as noted above, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of the applicable item in this proxy statement. The Board recommends a vote:

- *for election of the nominated slate of directors (see Item 1); and*
- *for ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2005 (see Item 2).*

With respect to any other matter that properly comes before the annual meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the annual meeting is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected for that slot. Votes may be cast in favor or withheld. Votes that are withheld with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although they will be counted for purposes of determining whether there is a quorum present at the annual meeting.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the annual meeting. Accordingly, an abstention will have the effect of a negative vote.

Broker Non-Votes. If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to a particular matter to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on that matter and will not be counted in determining the number of shares necessary for approval. However, if the broker or nominee does not receive voting instructions from you, your broker or nominee will be permitted to vote your shares for the election of directors and the ratification of the appointment of the Company's independent registered public accounting firm. To the extent there are shares represented by such "broker non-votes," they will be counted in determining whether there is a quorum present at the annual meeting.

Will the annual meeting be webcast?

Yes. Our annual meeting will be broadcast live on the Internet. To listen to the audio broadcast, log on to <http://investor.jetblue.com> at 10:00 a.m., EDT, on May 18, 2005. The audio broadcast will be archived on the above website for at least 120 days.

ITEM 1—ELECTION OF DIRECTORS

Our Board of Directors is currently composed of 10 directors. Under our Amended and Restated Certificate of Incorporation, the Board is divided into three classes, as nearly equal in number as possible. At each annual meeting of stockholders, directors constituting one class are elected for a three-year term (or for such lesser term as may be specified in the proxy statement furnished in connection therewith). The Board of Directors has nominated Michael Lazarus, David Neeleman and Frank Sica, each of whom is currently a director, for election to the Board of Directors as Class III directors. If elected, each of the nominees will serve until the annual meeting of stockholders to be held in 2008, or until such time as their respective successors have been duly elected and qualified. The remaining directors will continue to serve as set forth below.

The Board believes that each of the nominees will be available and able to serve as a director. If a nominee is unable to serve, the shares of common stock represented by all valid proxies will be voted at the annual meeting for the election of such substitute as the Board may recommend, the Board may reduce the number of directors to eliminate the vacancy or the Board may fill the vacancy at a later date after selecting an appropriate nominee.

Board of Directors and Committees of the Board

The business of JetBlue is managed under the direction of our Board of Directors. It has responsibility for establishing broad corporate policies and for our overall performance. It is not, however, involved in operating details on a day-to-day basis. The Board is kept advised of our business through regular reports and analyses and discussions with our Chief Executive Officer and other officers.

Each of our directors, other than Messrs. Neeleman and Barger and Ms. Rhoades, is an independent director within the meaning of the listing requirements of Nasdaq. The Nasdaq independence definition includes a series of objective tests, such as that the director is not, and was not during the last three years, an employee of the Company and has not received certain payments from, or engaged in various types of business dealings with, the Company. Ms. Rhoades previously served as our Executive Vice President, People, from April 1999 through April 2002, but is no longer an employee of JetBlue. As of the date of our 2005 Annual Meeting of Stockholders, more than three years will have elapsed since Ms. Rhoades was an employee of JetBlue and, therefore, Ms. Rhoades will qualify as an independent director within the meaning of the listing requirements of Nasdaq prior to the date of our annual meeting. In addition, as further required by the Nasdaq rules, the Board has made a subjective determination as to each independent director and Ms. Rhoades that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to JetBlue and our management.

Our Board of Directors conducts its business through meetings of the Board and through activities of its committees. The Board of Directors holds regular meetings four times per year and schedules special meetings when required. The Board of Directors held a total of five meetings during 2004. All of the directors attended at least 75% of the meetings of the Board and, with the exception of one director, any committees on which they served during fiscal 2004. Our Board of Directors has an Audit Committee, Compensation Committee, Special Stock Option Committee and Corporate Governance and Nominating Committee.

Audit Committee. The Audit Committee oversees on behalf of the Board of Directors (1) the integrity of our financial statements, (2) the appointment, compensation, qualifications, independence and performance of our independent registered public accounting firm, (3) compliance with ethics policies and legal and regulatory requirements, (4) the performance of our internal audit function, and (5) our financial reporting process and systems of internal accounting and financial controls. The Audit Committee operates under a written charter which was adopted by the Board of Directors, a copy of which is available on our website at <http://investor.jetblue.com>. Effective April 12, 2005, Kim Clark replaced Joel Peterson as a member of the Audit Committee. The current members of the Audit Committee are Joy Covey (Chair), Neal Moszkowski and Kim Clark, each of whom is an independent director within the meaning of rules and regulations promulgated by the SEC and the listing requirements of Nasdaq. In addition, the Board of Directors has determined that Ms. Covey, the chairman of the Audit Committee, is an “audit committee financial expert” as defined under applicable SEC rules. The Audit Committee met nine times during the fiscal year ended December 31, 2004.

Compensation Committee. The Compensation Committee determines our compensation policies and the level and forms of compensation provided to our Board members and executive officers. The Compensation Committee also reviews bonuses paid to employees who are not members of the Board or executive officers. In addition, the Compensation Committee reviews and approves stock-based compensation for our directors, officers and employees, and administers our stock option plan, crewmember stock purchase plan, profit-sharing and 401(k) retirement plan. The current members of the Compensation Committee are David Checketts (Chair), Michael Lazarus and Ann Rhoades, each of whom, with the exception of Ms. Rhoades, is an independent director within the meaning of the listing requirements of Nasdaq. In accordance with Nasdaq rules that permit one director who is not independent and is not a current employee to be appointed as a member of the Compensation

Committee under exceptional and limited circumstances, as previously reported in our proxy statement relating to our 2004 Annual Meeting of Stockholders, our Board had determined that it was in the best interests of JetBlue and our stockholders for Ms. Rhoades to continue to serve on the Compensation Committee. As disclosed above, Ms. Rhoades will qualify as an independent director prior to the date of our 2005 Annual Meeting of Stockholders. The Compensation Committee met four times during the fiscal year ended December 31, 2004.

Special Stock Option Committee. The Special Stock Option Committee has separate, but concurrent, jurisdiction with the Compensation Committee, to make discretionary stock option grants under our 2002 Stock Incentive Plan. The Special Stock Option Committee has full power and authority, subject to any limitations the Compensation Committee may impose from time to time, to make discretionary option grants under our 2002 Stock Incentive Plan to eligible individuals, other than officers and non-employee Board members that are subject to Section 16(b) of the Exchange Act, as it deems appropriate. The Special Stock Option Committee also has the power and authority to determine the number of shares of our common stock subject to each grant, the exercise or vesting schedule in effect for such grant and the maximum term for which each such option is to remain outstanding. David Neeleman is the sole member of the Special Stock Option Committee. The Special Stock Option Committee met seven times during the fiscal year ended December 31, 2004.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for developing our corporate governance policies and procedures, and for recommending those policies and procedures to the Board for adoption. The committee also is responsible for making recommendations to the Board regarding the size, structure and functions of the Board and its committees. The committee identifies and recommends new director nominees in accordance with selection criteria established by the Board. The committee also is responsible for conducting the periodic evaluation of the performance of the Board, its committees and each director. The current members of the Corporate Governance and Nominating Committee are Joel Peterson (chair) and Frank Sica, each of whom is an independent director within the meaning of the listing requirements of Nasdaq. The Corporate Governance and Nominating Committee met two times during the fiscal year ended December 31, 2004. The charter of the Corporate Governance and Nominating Committee is available on our website at <http://investor.jetblue.com>.

In evaluating and determining whether to nominate a candidate for a position on our Board, the Committee will consider, among other criteria, integrity and values, relevant experience and commitment to enhancing stockholder value. Candidates may come to the attention of the Committee from current Board members, stockholders, officers or other recommendation. The Committee will review all candidates in the same manner regardless of the source of the recommendation.

The Committee will consider stockholder recommendations of candidates when the recommendations are properly submitted in accordance with the provisions of our Amended and Restated By-Laws. A stockholder who wishes to recommend a prospective nominee for our Board should notify the Company's Corporate Secretary in writing at JetBlue Airways Corporation, 118-29 Queens Boulevard, Forest Hills, New York 11375. In order for potential stockholder nominees to be considered for election at our 2006 Annual Meeting of Stockholders, the Corporate Secretary should receive notice no later than December 19, 2005. The notice must set forth the candidate's name, age, business address, residence address, principal occupation or employment, qualifications for Board membership and the number of shares beneficially owned by the candidate. In addition, the notice must include the stockholder's name, address, and the number of shares beneficially owned, as well as the period such shares have been held.

Compensation of Directors

Members of our Board of Directors do not receive cash compensation for their service on our Board of Directors or any committee of our Board, with the exception of Joy Covey, who receives a \$10,000 fee each quarter for her service as a member of our Board of Directors and our Audit Committee. All directors are reimbursed for their out-of-pocket expenses. Also, members of our Board of Directors and their immediate families are entitled to travel without charge on our flights as is typical in the airline industry. The total value of such air travel in 2004 did not exceed \$13,200 per director.

On April 11, 2002, the effective date of our initial public offering, each of our then serving non-employee board members received an option to purchase 36,000 shares of our common stock, pursuant to the automatic option grant program under our 2002 Stock Incentive Plan. The options have an exercise price per share of \$12.00, which is equal to the price per share at which our common stock was sold to the public pursuant to the underwriting agreement entered into in connection with our initial public offering. Each of the options has a term of 10 years, subject to earlier termination following the director's cessation of Board service. The options are immediately exercisable for all of the option shares; however, we may repurchase, at the lower of the exercise price paid per share and the fair market value of the shares at the time of repurchase, any shares purchased under the options that are not vested at the time of the director's cessation of Board service. The option shares vest in a series of four successive annual installments upon the director's completion of each year of Board service over the four-year period measured from the grant date. Any vested, but unexercised option will be exercisable for a period of twelve months following the cessation of the director's Board service. However, the shares subject to each automatic option grant will immediately vest in full upon certain changes in control or ownership or upon the director's death or disability while a Board member.

Each new non-employee director who has not been in our prior employ will also receive an initial option to purchase 36,000 shares of our common stock on the date such individual joins the Board, pursuant to the automatic option grant program under our 2002 Stock Incentive Plan. These options will have an exercise price equal to the average market price per share of our common stock on the grant date and will otherwise be subject to the same terms as described in the preceding paragraph. In addition, on the date of each annual meeting of our stockholders, each non-employee Board member who is to continue to serve as a non-employee Board member will automatically be granted an option to purchase 9,000 shares of our common stock, provided such individual has served on our Board for at least six months. The shares subject to each annual 9,000 share automatic option grant will have an exercise price equal to the average market price per share of our common stock on the grant date and will vest upon the director's completion of one year of Board service measured from the grant date.

Joy Covey is the only new director to have joined our Board of Directors after the date of our initial public offering. She joined our Board of Directors on February 10, 2003. On that date, she was granted the automatic option described above to purchase 36,000 shares of our common stock, plus an additional discretionary option grant to purchase 39,000 shares, bringing her total option grant to 75,000 shares of our common stock. All of these options vest in a series of four successive annual installments and have an exercise price of \$17.29, which is equal to the average market price per share of our common stock on the date of grant.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation for fiscal 2004.

The Compensation Committee reviews and establishes, subject to approval of the Board of Directors, the compensation arrangements for the Chief Executive Officer and the other executive officers of the Company, including salaries, bonuses and grants of awards and administration of the Company's stock incentive plan. The Compensation Committee is currently composed of two directors of the Company who are independent within the meaning of the listing requirements of Nasdaq and one non-employee director who, prior to the date of the 2005 Annual Meeting of Stockholders, will be independent.

Compensation Philosophy

The Company's executive compensation program is designed to attract, retain, motivate and reward effective executive officers and to link executive compensation with the attainment of financial, operational and strategic objectives.

The Company's compensation program generally provides incentives to achieve annual and long-term objectives. The principal components of the compensation program are base salary, annual incentive bonuses and long-term incentive awards in the form of stock options, stock appreciation rights and/or grants of restricted common stock. These elements may be blended in order to formulate compensation packages which provide competitive pay, reward the achievement of financial, operational and strategic objectives, and align the interests of the Company's executive officers and other higher level personnel with those of the Company's stockholders.

Compensation Components

Base Salary. Base salary levels for the Chief Executive Officer and the other executive officers of the Company are derived from market comparisons with similarly-sized airlines, including those with which the Company competes for executive talent. Based on information currently available to the Compensation Committee, including publicly available compensation information relating to direct competitors of the Company, the Compensation Committee believes that base salary levels for its executive officers, including the Chief Executive Officer, are, on average, significantly below the median of base salary levels for executive officers of similar companies. In determining executive officers' salaries, the Compensation Committee also considers individual experience and prior service to the Company, level of responsibility and overall job performance. The Compensation Committee does not assign weights to these factors nor necessarily consider any one more important than the others. The Compensation Committee reviews the performance of the Chief Executive Officer and, in determining his level of compensation for fiscal 2004, in addition to consideration of industry comparisons and individual performance, has taken particular note of the Company's performance in fiscal 2004 in the following key areas: People (encompassing employee recruitment, development and leadership); Performance (as defined by standard Department of Transportation metrics); Prosperity (including operating margin, cost control and productivity); and the Company's overall growth.

The Compensation Committee and each of Messrs. Neeleman, Barger and Owen believe that, as founders of the Company and holders of a significant amount of the Company's common stock, each of them has sufficient incentive to promote the Company's growth and the achievement of its strategic goals and, therefore, it was not necessary for such officers to receive additional remuneration through an increase in base salary in fiscal 2004.

Annual Incentive Bonuses. Annual incentive bonuses reward executive officers for accomplishing annual performance objectives set by the Compensation Committee during the preceding fiscal year. Performance objectives are based upon historic patterns of Company performance and strategic objectives, and include the Performance, People and Prosperity criteria listed above. The target incentive bonus payment is 50% of base salary for Messrs. Neeleman, Barger and Owen, and 40% of base salary for Messrs. Spain, Claydon and Anderson. The Compensation Committee approved bonus payments to the Chief Executive Officer and the other executive officers in fiscal 2004 that were 70% of the individual target amounts based on its determination that the Company had achieved most of its strategic objectives in fiscal 2004, despite the challenging competitive environment of the airline industry during the year.

Other Annual Compensation. Under the Company's Profit Sharing Retirement Plan, in which employees of the Company, including the executive officers, are eligible to participate, 15% percent of pre-tax income of the Company, excluding profit sharing expense, was allocated to the participating employees under the plan during fiscal 2004. This amount was apportioned to each participating employee as 5.3% of such employee's eligible compensation for fiscal 2004.

Long-Term Incentive Awards. To promote the Company's long-term objectives, stock awards are made to executive officers and other employees who are in a position to make a significant contribution to the Company's long-term success. Stock awards are currently made pursuant to the Company's 2002 Stock Incentive Plan in the form of stock options.

Since stock awards may vest and grow in value over time, this component of the Company's compensation plan is designed to reward performance over a sustained period. The Company intends that these awards will strengthen the focus of its executives and other key employees on managing the Company from the perspective of a person with an equity stake in the Company. The Compensation Committee and Mr. Neeleman believe that, as a founder of the Company with a significant equity interest in the Company, Mr. Neeleman currently has sufficient incentive to promote the long-term growth of the Company and, therefore, he has, to date, not received any awards under the Company's stock incentive plans.

Stock awards are granted annually and upon hire or promotion. The recipients of such awards and the amounts of such awards are based on the recipient's title within the Company according to a fixed schedule. In fiscal 2004, the Company awarded to executive officers of the Company options to purchase a total of 178,500 shares of common stock under the Company's 2002 Stock Incentive Plan, including 90,000 stock options issued to Mr. Barger in connection with the extension of Mr. Barger's employment agreement.

Tax Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), imposes limitations on the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and to each of the other four most highly compensated executive officers of the Company. Under these limitations, the Company may deduct such compensation only to the extent that during any fiscal year the compensation does not exceed \$1,000,000 or meets certain specified conditions (such as certain performance-based compensation that has been approved by the Company's stockholders). Based on the Company's current compensation plans and policies and proposed regulations interpreting the Code, the Company and the Compensation Committee believe that, for the near future, there is not a significant risk that the Company will lose any tax deduction for executive compensation. The Company's compensation plans and policies will be modified to ensure full deductibility of executive compensation if the Company and the Compensation Committee determine that such an action is in the best interests of the Company.

EXECUTIVE COMPENSATION

The following table discloses compensation received by our Chief Executive Officer and each of our five other most highly compensated executive officers who served in such capacities as of December 31, 2004 (the “Named Executive Officers”) for services rendered during the fiscal years ending December 31, 2004, 2003 and 2002. Although SEC rules only require compensation disclosure for the Chief Executive Officer and each of the other four most highly compensated executive officers, two of our most highly compensated executive officers, Messrs. Anderson and Claydon, were paid the same amount of compensation during fiscal 2004 and, therefore, we have included compensation disclosure with respect to both of these executive officers.

Anderson and Spain, and 29,228 shares for Mr. Claydon.

Employment Arrangements, Termination of Employment Arrangements and Change in Control Arrangements

In November 1998, we entered into an employment agreement with David Neeleman, our Chief Executive Officer and Chairman of our Board of Directors. On July 21, 2004, we entered into an amendment to our employment agreement with Mr. Neeleman extending the term of his employment through August 2009. The employment agreement, as amended, terminates on the earlier of August 25, 2009 or upon the triggering of the termination provisions in the agreement; provided, however, that unless we otherwise notify Mr. Neeleman, the term of the employment agreement is automatically extended by successive one-year terms. Under the agreement, Mr. Neeleman is entitled to an annual salary of \$200,000, subject to periodic review by our Board of Directors. In addition, Mr. Neeleman is entitled to an annual minimum guaranteed bonus of \$75,000, subject to increase based on the achievement of performance-based milestones. If Mr. Neeleman is terminated without cause, then he will be entitled to his then existing base salary and bonus for the entire period remaining on the term of his employment agreement. We also sold and issued to Mr. Neeleman an aggregate of 5,974,425 shares of our common stock at a purchase price of \$0.0385 per share under Restricted Stock Purchase Agreements in September and November 1998. Mr. Neeleman also entered into a Non-Competition and Non-Solicitation Agreement that, like his employment agreement, precludes him from (i) soliciting any employee to leave our employ or (ii) owning, managing, controlling or engaging in any business competitive with any business we are conducting or propose to conduct for as long as his restricted shares continue to vest, and for a one-year period following the accelerated vesting of such restricted shares, in accordance with the Restricted Stock Purchase Agreements. All such restricted shares have vested in full.

In October 1998, we entered into an employment agreement with David Barger, our President, Chief Operating Officer and a member of our Board of Directors. On July 21, 2004, we entered into an amendment to our employment agreement with Mr. Barger extending the term of his employment through August 2008. The employment agreement, as amended, terminates on the earlier of August 25, 2008 or upon the triggering of the termination provisions in the agreement; provided, however, that unless we otherwise notify Mr. Barger, the term of the employment agreement is automatically extended by successive one-year terms. Under the agreement, Mr. Barger is entitled to an annual salary of \$200,000, subject to periodic review by our Board of Directors. Mr. Barger also received an initial signing bonus of \$65,000 in 1998. In addition, Mr. Barger is entitled to an annual minimum guaranteed bonus of \$75,000, subject to increase based on the achievement of performance-based milestones. If Mr. Barger is terminated without cause, then he will be entitled to his then existing base salary and bonus for the entire period remaining on the term of his employment agreement. Mr. Barger is subject to (i) a confidentiality covenant of unlimited duration, (ii) a covenant not to solicit any employee to leave our employ during the term of the agreement and for one year thereafter, and (iii) a covenant not to compete with us during the term of the agreement. We sold and issued to Mr. Barger 899,775 shares of our common stock at a purchase price of \$0.0385 per share under a Restricted Stock Purchase Agreement in September 1998. All such restricted shares have vested in full. In September 2004, in connection with the extension of Mr. Barger's employment agreement, we issued to Mr. Barger 90,000 stock options, 18,000 of which vested upon issuance, with the remaining options vesting in equal installments through 2008. Such options were issued in accordance with the terms and conditions of our 2002 Stock Incentive Plan.

In November 1998, we entered into an employment agreement with John Owen, our Executive Vice President and Chief Financial Officer. The employment agreement has an initial term of five years, unless terminated earlier upon the triggering of the termination provisions in the agreement; provided, however, that each December 1, beginning on December 1, 1999, the term of the agreement will be extended automatically by an additional year, unless either we or Mr. Owen provides written notice prior to December 1st of any particular year electing out of the automatic extension. Under the

agreement, Mr. Owen is entitled to an annual salary of \$200,000, subject to periodic review by our Board of Directors. Mr. Owen also received a signing bonus of \$65,000. In addition, Mr. Owen is entitled to an annual minimum guaranteed bonus of \$75,000, subject to increase based on the achievement of certain performance based milestones. If Mr. Owen is terminated without cause, then he will be entitled to his then existing base salary and bonus for the entire period remaining on the term of his employment agreement. Mr. Owen is subject to (i) a confidentiality covenant of unlimited duration, (ii) a covenant not to solicit any employee to leave our employ during the term of the agreement and for one year thereafter, and (iii) a covenant not to compete with us during the term of the agreement. We also sold and issued to Mr. Owen 899,775 shares of our common stock at a purchase price of \$0.0385 per share under a Restricted Stock Purchase Agreement in November 1998. All such restricted shares have vested in full.

We have not entered into employment agreements with Thomas Anderson, our Senior Vice President, Technical Operations and Aircraft Programs, Tim Claydon, our Senior Vice President, Sales and Marketing, or Alfred Spain, our Senior Vice President, Flight Operations.

Certain Relationships and Related Party Transactions

We did not engage in any related party transactions during fiscal 2004. Any transactions between us and our officers, directors and principal stockholders and their affiliates and any transactions between us and any entity with which our officers, directors or five percent stockholders are affiliated, will be approved by a majority of our Board of Directors, including a majority of the independent and disinterested outside directors, and will be on terms no less favorable to us than could be obtained from unaffiliated third parties.

AUDIT COMMITTEE REPORT

The Audit Committee of the JetBlue Board of Directors is comprised of three non-employee directors, each of whom is independent, as defined in applicable rules and regulations promulgated by the SEC and Nasdaq. The Audit Committee oversees on behalf of the Board of Directors, the Company's accounting, auditing and financial reporting processes.

Management has the primary responsibility for the Company's financial statements and financial reporting process, including establishing, maintaining and evaluating disclosure controls and procedures; and establishing, maintaining and evaluating internal control over financial reporting and evaluating any changes in controls and procedures. The Company's independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report relating to their audit; as well as expressing an opinion on (i) management's assessment of the effectiveness of internal control over financial reporting and (ii) the effectiveness of internal control over financial reporting. In fulfilling its responsibilities, the Audit Committee held meetings throughout 2004 with Ernst & Young in private without members of management present.

In this context, the Audit Committee has reviewed and discussed the Company's audited consolidated financial statements with management and its independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. During the course of 2004, management completed the documentation, testing and evaluation of JetBlue's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advice to management during the process.

The Audit Committee discussed with the Company's independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications) and PCAOB Auditing Standards No. 2, "An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements." Ernst & Young also provided to the Audit Committee the written disclosures and letter regarding their independence required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee also discussed with Ernst & Young their independence from JetBlue and its management, and considered whether the non-audit services provided by the independent registered public accounting firm to the Company are compatible with maintaining the auditors' independence.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors approved) that the Company's audited financial statements be included in JetBlue's Annual Report on Form 10-K/A for the year ended December 31, 2004 as filed with the SEC. In addition, the Audit Committee and the Board have also recommended, subject to stockholder approval, the appointment of Ernst & Young as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005.

The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. While the Audit Committee believes that the charter in its present form is adequate, it may in the future recommend to the Board of Directors amendments to the charter to the extent it deems necessary to react to changing conditions and circumstances.

ADDITIONAL INFORMATION

“Householding” of Proxy Materials. The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household proxy materials, delivering a single proxy statement or annual report to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or annual report, please notify us by sending a written request to Investor Relations, JetBlue Airways Corporation, 19 Old Kings Highway South, Darien, CT 06820 or by calling us at (203) 656-7651. You may also notify us to request delivery of a single copy of our annual report or proxy statement if your currently share an address with another stockholder and are receiving multiple copies of our annual report or proxy statement.

Advance Notice Procedures. Under our bylaws, no business may be brought before an annual meeting unless it is specified in the notice of the meeting or is otherwise brought before the meeting by or at the direction of the Board of Directors or by a stockholder entitled to vote who has delivered written notice to our Corporate Secretary at our principal executive offices (containing certain information specified in the bylaws about the stockholder and the proposed action) not less than 150 days prior to the annual meeting. These requirements are separate from and in addition to the SEC’s requirements that a stockholder must meet in order to have a stockholder proposal included in our proxy statement.

List of Stockholders. The names of stockholders entitled to vote at the annual meeting will be available at the annual meeting and for ten days prior to the meeting for any purpose germane to the meeting, between the hours of 9:00 a.m. and 4:30 p.m., at our principal executive offices at 118-29 Queens Boulevard, Forest Hills, New York 11375, by contacting our Corporate Counsel, Gerald Lee.

Limited Voting by Foreign Owners. To comply with restrictions imposed by federal law on foreign ownership of U.S. airlines, our certificate of incorporation and bylaws restrict foreign ownership of shares of our common stock. The restrictions imposed by federal law currently require that no more than 25% of our voting stock be owned or controlled, directly or indirectly, by persons who are not U.S. citizens. Our bylaws provide that no shares of our common stock may be voted by or at the direction of non-U.S. citizens unless such shares are registered on a separate stock record, which we refer to as the foreign stock record. Our bylaws further provide that no shares of our common stock will be registered on the foreign stock record if the amount so registered would exceed the foreign ownership restrictions imposed by federal law. Any holder of JetBlue common stock who is not a United States citizen and has not registered its shares on the foreign stock record maintained by us will not be permitted to vote its shares at the annual meeting. The enclosed proxy card contains a certification that by signing the proxy card or voting by telephone or electronically, the stockholder certifies that such stockholder is a United States citizen as that term is defined in the Federal Aviation Act or that the shares represented by the proxy card have been registered on our foreign stock record. As of the April 5, 2005 record date for the annual meeting, shares representing less than 25 percent of our total outstanding voting stock are registered on the foreign stock record.

Under Section 40102(a)(15) of the Federal Aviation Act, the term “citizen of the United States” is defined as: (i) an individual who is a citizen of the United States, (ii) a partnership each of whose partners is an individual who is a citizen of the United States, or (iii) a corporation or association organized under the laws of the United States or a state, the District of Columbia or a territory or

possession of the United States of which the president and at least two-thirds of the Board of Directors and other managing officers are citizens of the United States, and in which at least 75 percent of the voting interest is owned or controlled by persons that are citizens of the United States.

Stockholder Proposals for the 2006 Annual Meeting. In order for a stockholder proposal to be considered for inclusion in the proxy materials for our annual meeting of stockholders in 2006, stockholder proposals must be received by our Corporate Secretary no later than December 19, 2005. Proposals should be sent to the Corporate Secretary, JetBlue Airways Corporation, 118-29 Queens Boulevard, Forest Hills, New York 11375.

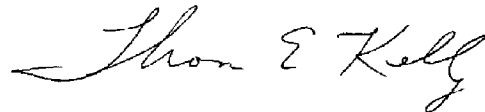

Communication with the Board. Stockholders may communicate with our Board of Directors by sending a letter to the JetBlue Board of Directors, c/o Corporate Secretary, JetBlue Airways Corporation 118-29 Queens Boulevard, Forest Hills, New York 11375. The Corporate Secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to such inappropriate communication. If deemed appropriate, the Corporate Secretary will submit your correspondence to the Chairman of the Board or as directed by such correspondence.

Extent of Incorporation by Reference of Materials. The Compensation Committee Report on Executive Compensation, the Audit Committee Report and the stock price performance graph included in this proxy statement do not constitute soliciting materials and should not be deemed filed or incorporated by reference into any other filing made by us under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate such report or performance graph by reference therein.

Proxy Solicitation Costs. The proxies being solicited hereby are being solicited by our Board of Directors. The cost of soliciting proxies in the enclosed form will be borne by us. Our officers and regular employees may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, telex, facsimile or electronic means. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our stock.

Annual Report. A copy of our 2004 Annual Report accompanies this proxy statement. Additional copies may be obtained from our Corporate Counsel, JetBlue Airways Corporation, 118-29 Queens Boulevard, Forest Hills, New York 11375.
