

LaSalle's Dividend Reinvestment Plan ("DRIP") Details:

LaSalle has a Company sponsored Dividend Reinvestment and Optional Stock Purchase Plan (the "Plan"). Enrollment in the Plan takes place as follows:

Record Owners. If you own LaSalle Hotel Properties stock in your own name in certificate form, you are a "record owner" and are eligible to participate directly in the Plan. Please call the Plan administrator, **LaSalle Bank** at **1-800-246-5761** to obtain an enrollment form and Plan prospectus.

Beneficial Owners. You are a beneficial owner if your stock is held in a brokerage account or in the name of a bank, broker or other nominee. If you are a beneficial owner, you can participate in the plan in one of two ways:

- You can participate directly in the dividend reinvestment feature of the Plan by becoming a record owner. You can do this by having one or more of your shares of LaSalle Hotel Properties ' stock transferred into your own name from that of your bank, broker or other nominee.
- You may also ask the bank, broker or other nominee who is the record owner to participate on your behalf. Except for instructions received from brokers and bank nominees, the Plan administrator cannot recognize instructions received from anyone acting as an agent on behalf of other participants in the Plan.
