FOR IMMEDIATE RELEASE

Investment Technology Group to Announce First Quarter 2008 Results

NEW YORK, NY, April 16, 2008 – Investment Technology Group, Inc. (NYSE: ITG), a leading provider of technology-based trading services and transaction research, plans to announce first quarter 2008 financial results on Thursday, May 1, 2008, in a press release that will be issued before the opening of the market. The press release will also be available on the firm's web site at <http://www.itg.com>.

A conference call to discuss the firm's results will be held at 11:00 am ET on May 1, 2008. Those wishing to listen to the call should dial 1-866-356-4123 and enter the passcode 93398330 at least 10 minutes prior to the start of the call to ensure connection. The conference call and webcast will also be accessible through ITG's web site at <http://www.itg.com>. For those unable to listen to the live broadcast of the call, a replay will be available for one week by dialing 1-888-286-8010 and entering the pass code 70323593. The replay will be available starting approximately two hours after the completion of the conference call.

About ITG

A pioneer in electronic trading, ITG has a unique approach that combines pre-trade, order management, trade execution, and post-trade tools to provide continuous improvements in trading and cost efficiency. The firm is headquartered in New York and maintains offices in North America, Europe and the Asia Pacific regions. For additional information, visit www.itg.com.

-more-

In addition to historical information, this press release may contain "forward-looking" statements, as defined in the Private Securities Litigation Reform Act of 1995, that reflect management's expectations for the future. A variety of important factors could cause results to differ materially from such statements. These factors include the company's ability to achieve expected future levels of sales; the actions of both current and potential new competitors; rapid changes in technology; financial market volatility; general economic conditions in the United States and elsewhere; evolving industry regulation; cash flows into or redemption from equity funds; effects of inflation; customer trading patterns; and new products and services. These and other risks are described in greater detail in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, and other documents filed with the Securities and Exchange Commission and available on the company's web site.
