**FOR IMMEDIATE RELEASE**

## **Investment Technology Group Releases June 2007 U.S. Trading Statistics**

**NEW YORK, NY, July 10, 2007** – Investment Technology Group, Inc. (NYSE: ITG), a leading provider of technology-based trading services and transaction research, today announced that June 2007 U.S. trading volume was 4.1 billion shares and average daily volume (ADV) was 197 million shares. This compares to 3.7 billion shares and ADV of 168 million shares in June 2006 and 4.2 billion shares and ADV of 191 million shares in May 2007.

There were 21 trading days in June 2007, compared to 22 trading days in June 2006 and 22 trading days in May 2007.

“June volumes were in line with our expectations and ITG maintained market share in line with the first quarter of 2007,” said Howard Naphtali, Chief Financial Officer at ITG.

Monthly volume statistics reflect commission-generating U.S. volume. These statistics are preliminary and may be revised in subsequent updates and public filings. Volume statistics are posted on ITG’s website, [www.itg.com](http://www.itg.com), and are available via a downloadable spreadsheet file.

*In addition to historical information, this press release June contain "forward-looking" statements, as defined in the Private Securities Litigation Reform Act of 1995, that reflect management's expectations for the future. A variety of important factors could cause results to differ materially from such statements. These factors include the company's ability to achieve expected future levels of sales; the actions of both current and potential new competitors; rapid changes in technology; financial market volatility; general economic conditions in the United States and elsewhere; evolving industry regulation; cash flows into or redemption from equity funds; effects of inflation; customer trading patterns; and new products and services. These and other risks are described in greater detail in the company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006, and other documents filed with the Securities and Exchange Commission and available on the company's web site.*
