## **PROXY STATEMENT**

### **Annual Meeting of Stockholders May 24, 2006**

#### **INTRODUCTION**

The enclosed proxy is solicited by and on behalf of the Board of Directors of Range Resources Corporation, a Delaware corporation, for use at the 2006 Annual Meeting of Stockholders. The meeting will be held Wednesday, May 24, 2006, at 9:00 a.m. Central Daylight Time, at the Company's offices at 777 Main Street, Suite 800, Fort Worth, Texas 76102. The items to be considered are summarized in the Notice of Annual Meeting of Stockholders and more fully described in this Proxy Statement. This Proxy Statement and the proxy form were first mailed on or about April 19, 2006, to all holders of record of the Company's common stock, \$.01 par value, on March 31, 2006. Shares of the common stock represented by proxies will be voted as described below or as specified by each stockholder. Any proxy given by a stockholder may be revoked at any time prior to the voting by delivering a written notice to the Secretary of the Company, by executing and delivering a subsequently dated proxy or by attending the meeting, withdrawing the proxy and voting in person.

The persons named as proxies are John H. Pinkerton and Rodney L. Waller, President and Secretary of the Company, respectively. The cost of preparing and mailing this Proxy Statement and any other related material will be paid by the Company. The Company has retained MacKenzie Partners, Inc., 105 Madison Avenue, New York, New York 10016, to assist in the solicitation. For these services, the Company will pay MacKenzie Partners a fee of approximately \$6,000 and reimburse it for certain out-of-pocket expenses. In addition to the solicitation of proxies by use of the mail, directors, officers and employees of the Company may solicit proxies personally. The Company will request brokerage firms and other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of the common stock and will reimburse them for their expenses.

#### **VOTING PROCEDURES**

##### **Voting Stock and Record Date**

Only stockholders of record for the common stock at the close of business on March 31, 2006, will be entitled to vote at the meeting. On March 31, 2006, 131,206,835 shares of common stock were outstanding with each share entitling the holder to one vote on each matter. Stockholders are not entitled to cumulative voting rights.

##### **Quorum and Adjournments**

The presence, in person or by proxy, of stockholders holding a majority of the votes eligible to be cast is necessary to constitute a quorum at the meeting. If a quorum is not present at the meeting, the holders of a majority of the common stock entitled to vote who are present or represented by proxy at the meeting have the power to adjourn the meeting from time to time without notice, other than an announcement at the meeting of the time and place of the adjourned meeting, until a quorum is present. In addition, under the Company's bylaws the chairman of the meeting has the power to adjourn the meeting for any reason from time to time without notice, other than an announcement at the meeting of the time and place of the adjourned meeting, provided that a new record date is not set. At any such adjourned meeting at which a quorum is present, any business may be transacted that may have been transacted at the meeting.

## **Votes Required**

Assuming a quorum is present at the meeting, the stockholders will elect directors by a plurality of the eligible votes present or represented by proxy at the meeting. Approval of proposals 2, 3 and 4 require an affirmative vote of the majority of the shares of common stock represented at the meeting in person or by proxy and entitled to vote on the proposals.

## **Broker Non-Votes and Abstentions**

Brokers who hold shares in street name for customers are required to vote as the beneficial owners instruct. A “broker non-vote” occurs when a broker does not have discretionary voting power with respect to a proposal and has not received instructions from the beneficial owner. Brokers are not permitted to vote on non-discretionary items if they have not received instructions from the beneficial owners. Brokers are permitted to indicate a “broker non-vote” on non-discretionary items absent instructions from the beneficial owner. Abstentions and broker non-votes are treated as shares that are present and entitled to vote for purposes of determining whether a quorum is present at the meeting. Abstentions and broker non-votes are tabulated separately, with abstentions counting as votes against the proposal in the tabulation of the votes cast on a proposal for purposes of determining whether a proposal has been approved while broker non-votes relating to a proposal are not counted as a vote cast with respect to that proposal.

Proposals 1 and 4 are considered discretionary items, so the Company does not anticipate that any broker non-votes will be recorded. Proposals 2 and 3 are considered non-discretionary items under the regulations promulgated by the New York Stock Exchange and approved by the Securities and Exchange Commission because the proposals involve equity-based compensation plans or increasing the authorized common shares under an equity based compensation plan. Therefore, if you hold your common stock in street name with your broker, your broker will not be able to vote in favor of or against proposal 2 or 3 without your specific instructions. Abstentions and broker non-votes will not have any effect on the outcome of voting on director elections. Abstentions will have the effect of votes against proposals 2, 3 and 4, but broker non-votes will have a neutral effect on these proposals.

## **Stockholders of Record**

If your shares are registered directly in your name with the Company’s transfer agent, Computershare Investor Services LLC, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the meeting. The Company has enclosed a proxy card for you to use.

## **Beneficial Owner**

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card on behalf of the brokerage firm or custodian. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

## **Voting in Person**

Shares held in your name as the stockholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions so that your vote will be counted if you later decide not to attend the meeting.

**Default Voting**

A proxy that is properly completed and returned will be voted at the meeting in accordance with the instructions on the proxy. If you properly complete and return a proxy but do not indicate any contrary voting instructions, your shares will be voted "FOR" all proposals listed in the Notice of Annual Meeting of Stockholders and in accordance with the discretion of the holders of the proxy with respect to any other business that may properly come before the meeting or any adjournment or postponement. If the Company proposes to adjourn the meeting, proxy holders will vote all shares for which they have voting authority in favor of adjournment. The Board of Directors knows of no matters other than those stated in the Notice of Annual Meeting of Stockholders and described in this Proxy Statement to be presented for consideration at the meeting.

**Revocation of Proxy**

A stockholder executing and returning a proxy may revoke it at anytime before it is exercised at the annual meeting by giving written notice of the revocation to the Secretary of the Company or by executing and delivering to the Secretary of the Company a later dated proxy. Attendance at the annual meeting will not be effective to revoke the proxy unless written notice of revocation has also been delivered to the Secretary of the Company before the proxy is exercised. If you hold your shares in a brokerage account or by other nominee and deliver voting instructions to the recordholder of those shares, you may only revoke the voting of those shares in accordance with your instructions if such record holder revokes the original proxy as directed above and either resubmits a proxy reflecting your voting instructions or delivers to you a legal proxy giving you the right to vote the shares.

**Voting Results**

We intend to announce preliminary voting results at the annual meeting and publish final results on our website and in our quarterly report on Form 10-Q for the second quarter of 2006.

This Proxy Statement is dated April 19, 2006.

### **Required Vote and Recommendation**

**The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether a quorum is present.**

**The Board of Directors recommends a vote FOR the election of each of the nominees.**

**PROPOSAL 2 – APPROVAL OF SECOND AMENDMENT  
TO THE COMPANY’S 2005 EQUITY-BASED COMPENSATION PLAN  
(Additional Business Criteria Added)**

**Proposed Amendment**

Subject to stockholder approval, the Board of Directors has approved an amendment to Section 8(b)(ii)(A) of the 2005 Equity-Based Compensation Plan (the “2005 Plan”) to add “reserves per share growth” to the Business Criteria already listed as a criteria that might be used by the Compensation Committee in measuring performance targets established under the Company’s annual incentive awards under the 2005 Plan. A complete copy of the proposed Second Amendment to the Range Resources Corporation 2005 Equity-Based Compensation Plan is attached as Exhibit A and a full copy of the 2005 Plan is available on the Company’s website. A summary description of the material features of the 2005 Plan can be found under Proposal 3. All capitalized terms are defined terms as used in the 2005 Plan or defined in this proxy. The statements made in this Proxy Statement regarding the Second Amendment to the 2005 Plan should be read in conjunction with and are qualified in their entirety by reference to such summary and Exhibit A.

**Description of the Proposed Amendment**

As previously disclosed in the Form 8-K filed on March 30, 2006, the Compensation Committee has established five criteria to measure senior management performance in 2006. Those five criteria are (a) production per share, (b) pretax earnings before interest, depreciation and amortization, and exploration expense, (c) finding and development costs, (d) relative stock price performance, and (e) subject to stockholder approval, reserves per share growth. If stockholder approval is not obtained, the Compensation Committee has provided that they will substitute a reserve replacement criteria, which is already included in the 2005 Plan, for the reserves per share measurement. The Committee believes that measurement of management’s performance on a per share basis is a more appropriate measurement rather than an absolute amount. Therefore, the Committee has selected production per share and reserves per share as two of the criteria to measure the Company’s performance for incentive awards in 2006. However, the reserves per share growth criteria is not included in the existing Business Criteria listed in the 2005 Plan. The Board has approved, subject to stockholder approval, that the reserves per share growth criteria should be added to those Business Criteria listed in the 2005 Plan for use by the Compensation Committee in evaluating the Company’s performance in 2006 or in the future.

**Required Vote and Recommendation**

**The affirmative vote of a majority of the shares of the Company’s common stock represented at the meeting in person or by proxy and entitled to vote on the proposal at the meeting is required to approve the Second Amendment to the 2005 Plan. If the Second Amendment to the 2005 Plan is not approved by the stockholders at the Annual Meeting, the Compensation Committee will use the alternative reserve replacement Business Criteria measurement in lieu of the reserves per share growth measurement in determining 2006 performance achievements. See “Votes Required” and “Broker Non-Votes and Abstentions” for further details on voting procedures.**

**The Board recommends that you vote FOR the approval of the proposed Second Amendment to the Range Resources Corporation 2005 Equity-Based Compensation Plan.**

**PROPOSAL 3 – APPROVAL OF THIRD AMENDMENT  
TO THE COMPANY’S 2005 EQUITY-BASED COMPENSATION PLAN  
(Additional Shares Authorized)**

**Proposed Amendment**

Subject to stockholder approval, the Board of Directors has approved an amendment to Section 4 of the 2005 Plan to increase the number of shares of common stock authorized to be issued under the 2005 Plan by 950,000 shares. A complete copy of the proposed Third Amendment to the Range Resources Corporation 2005 Plan is attached as Exhibit B and a full copy of the 2005 Plan is available on the Company’s website. A summary description of the material features of the 2005 Plan is provided below. The statements made in this Proxy Statement regarding the Third Amendment to the 2005 Plan should be read in conjunction with and are qualified in their entirety by reference to such summary and Exhibit B. (All references to shares reflect the 3 for 2 stock split affected by the Company on December 2, 2005.)

## **Description of the Proposed Amendment**

The Board has determined that, in order to give the Company the ability to attract and retain the executive and key employee talent necessary for the Company's continued growth and success, the number of shares available for issuance under the 2005 Plan should be increased by 950,000, and is proposing an amendment to affect such increase.

## **Reason for the Proposed Amendment**

If the proposed amendment is approved, 950,000 additional Plan Shares will be immediately available for future awards under the 2005 Plan. As of March 31, 2006, 2,913,471 shares are available for awards under the 2005 Plan. As part of the approval of the 2005 Plan by the stockholders in 2005, the Company agreed to suspend any further grants under the Company's 1999 Stock Option Plan (the "1999 Plan") and transfer the authorized but unissued shares to the 2005 Plan. Therefore, the 2005 Plan provides that any shares related to options currently outstanding under the 1999 Plan which lapse or are forfeited, will become available for issuance under the 2005 Plan. If the proposed amendment is approved, the maximum number of Plan Shares (assuming none of the shares underlying unvested options under the 1999 Plan lapse or are forfeited) will increase from 2,913,471 to 3,863,471 shares. As of March 31, 2006, the 1999 Plan had stock option awards outstanding of 5,763,548 of which 3,594,383 shares were exercisable. The average exercise price of the outstanding stock option awards was \$7.75 per share, ranging from \$1.29 to \$15.52 per share. The additional 950,000 shares approved under the Third Amendment will be added to the existing 1,125,000 authorized 162(m) Covered Shares, as defined below, approved by stockholders in 2005 specifically for the 2005 Plan. While the Board is cognizant of the potential dilutive effect of compensatory stock awards, it also recognizes the significant motivational and performance benefits that are achieved from making such awards. In determining the number of additional Plan Shares that should be authorized, the Compensation Committee examined the potential dilutive effect of the additional Plan Shares.

The Board believes that equity-based incentives align the interests of management, employees and stockholders. Equity grants are an important element in attracting and retaining employees. Historically, all full-time employees of the Company have been granted equity awards. Given the intense competition for talented individuals, the Company's ability to offer competitive compensation packages, including those with equity-based incentives is particularly important. It is the Company's practice to grant options to new professionals and executives as they are hired and to all full-time employees when the annual performance-based compensation review is completed, generally in February or March of each year. During 2003, 2004, 2005 and so far during 2006, the Board has approved the issuance of 2,535,588, 2,514,728, 3,141,937 and 1,215,690 stock options and/or stock appreciation rights ("SARs"), respectively, under the 1999 or 2005 Plans. The Compensation Committee specifically approves all stock option and SARs grants to officers and the total of all stock options or SARs allowable to be granted each year to all other employees.

The Compensation Committee has focused on the potential dilutive effect of equity awards by awarding SARs rather than stock options and for long-term executive compensation has awarded a combination of restricted common stock and SARs. In order to reduce potential dilution, the Board authorized the adoption of the 2005 Plan which was approved by stockholders in May 2005. The 2005 Plan provided for the use of stock-settled SARs which the Compensation Committee has immediately used for all awards under the 2005 Plan after its approval. The stock-settled SARs are less attractive from an income tax impact on employees as compared to Incentive Stock Options but are significantly less dilutive. The reason why stock-settled SARs are less dilutive is that the appreciation over the grant price is paid in common stock based on the fair market value of the common stock on the date of exercise of the SAR. Using stock options, an exercise price is paid and the full number of shares granted under the option are actually issued. The Compensation Committee has further reduced the dilutive effect of SARs grants by also electing to pay in cash the payroll and income taxes associated with the SARs exercise and issuing to the participant only the number of shares of common stock which equals the net appreciation over the grant price after deducting the value of the taxes. For example, during the first three months of 2006, 71,618 of the first SARs granted during 2005 have vested and have been exercised by employees. The average fair market value of the common stock was \$27.70 and the grant price was \$17.93 giving rise to \$9.77 of appreciation. The Company would have normally issued 25,217 shares of common stock to cover the appreciation in the SARs. However, with the election by the Company to pay the payroll and income taxes in cash rather than common stock, only 17,048 shares of common stock were actually issued. Therefore with the exercise of 71,618 SARs, only 17,048 common shares were issued thereby reducing the potential dilution by 76%. With differing amounts of appreciation, different results will occur in the future.

This example also highlights how stock-settled SARs are charged against the total authorized shares under the 2005 Plan. When SARs are granted, the full number of shares of the grant must be reserved even though when exercised the number of shares actually issued will, using reasonable assumptions as to future fair market values, be less than the number

of the SARs reserved. Since the SARs have a five year term, the exercise and release of unissued reserved shares back to the 2005 Plan could take up to five years after the initial grant. Given the circumstances, the Compensation Committee believes that the Company should request a modest amount of shares to be authorized each year so that the Compensation Committee can have the flexibility of granting equity awards until such time as the unissued reserved shares from SARs exercises are returned to the 2005 Plan for use. The calculation of the burn rate will also be artificially inflated since the maximum number of the SAR grants are counted just like a stock option which would be fully issued upon exercise. Until sufficient time has elapsed for the vesting and exercising of SARs to occur, the netting effect of unissued but reserved shares for SAR awards against each year's SAR grants will not occur, and the actual expected burn rate will be inflated. Only until SARs are vested and are finally exercised will the reserved shares be released for future grants. In the example above covering the 71,618 SARs exercised to date, only 24% of the actual number of SARs granted was actually issued upon the exercise by the participants.

In order to further reduce the number of SARs granted, in February 2006 the Compensation Committee granted to all employees, whose salaries were \$100,000 or over, a combination of stock settled SARs and restricted stock. Both the restricted stock and SARs vest over a three-year period. The Committee issued one-half the value of the awards in SARs and one-half of the awards in restricted stock based upon the fair market value of the common stock on the date of grant and the corresponding Black-Scholes value of the SAR. Each employee was granted the option to take the value of the restricted common stock in cash or stock. The restricted stock awards or the cash equivalent were placed in the individual's account in the Company's deferred compensation plan. Since the employees were given the option to take common stock or the cash equivalent, the grant of restricted stock deferred under the Company's deferred compensation plan does not constitute an equity compensation plan for purposes of the New York Stock Exchange stockholder approval rules.

In order to reduce dilution, the Board has authorized the Company to repurchase, from time to time, common stock in the market, if desired to satisfy the restricted stock awards when distributed to participants pursuant to the deferred compensation plan or to fund the initial award. During 2005, the Company repurchased 200,550 shares of common stock which were reissued in 2005 and 2006 for restricted common stock awards placed in the deferred compensation plan.

As of March 31, 2006, 17,048 shares have been issued pursuant to the exercise of SARs granted under the 2005 Plan. A total of 2,799,090 SARs have been granted and 2,687,825 SARs are outstanding under the 2005 Plan of which 365,493 are currently exercisable. To date, the executive officers of the Company and other employees have been granted the following SARs under the 2005 Plan. As stated previously, it has been the Company's practice to grant equity awards to all employees. No other equity awards have been granted under the 2005 Plan.

As of March 31, 2006, the following table summarizes securities issuable and authorized by the stockholders under certain equity compensation plans<sup>(a)</sup>:

Plan Category	Number of securities to be issued upon exercise of outstanding options/SARs	Weighted average exercise/grant price of outstanding options/SARs	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by security holders	<u>8,891,622</u>	<u>\$ 11.67</u>	<u>3,279,471</u>
Equity compensation plans not approved by security holders <sup>(b)</sup>	<u>N.A.</u>	<u>N.A.</u>	<u>N.A.</u>

(a) Although the Company does not maintain a formal plan, common stock is issued to officers and key employees in lieu of cash for bonuses, long-term incentive awards and company matches under the Company's deferred compensation arrangements if elected by the employee. All such awards are approved by the Compensation Committee, which is composed of three independent directors. Issuances to Named Employees are disclosed in the notes to the Summary Compensation Table included in this Proxy Statement.

(b) There are no equity compensation plans, as defined by NYSE, which have not been approved by security holders.

The increase in the number of authorized shares under the Plan is needed to allow it to continue to function and empower the Compensation Committee with the ability to administer the Plan on a long-term basis by having a sufficient number of shares available to develop a long-term compensation strategy. Therefore, the Board would like to add to the total shares authorized to be issued under the Plan at modest amounts each year to continue to be comparable to peer companies and make executive officers' compensation and performance more directly linked to growing the value of the common stock. Given the 131 million shares of common stock currently outstanding, an increase of 950,000 shares would constitute a maximum additional potential dilution of less than 1.0%.

## General

The stockholders approved the adoption of the 2005 Plan on May 18, 2005 at the 2005 Annual Meeting. The material features of the 2005 Plan are described below. With the approval of the 2005 Plan, the Compensation Committee is able to utilize a greater array of equity compensation alternatives in structuring compensation arrangements for Company personnel including stock-settled SARs which the Committee has utilized in 2005 and 2006 to reduce potential dilution.

## Description of the 2005 Plan

The description of the 2005 Plan set forth below is a summary of the principal features of the 2005 Plan as proposed to be amended pursuant to the Second and Third Amendments to the 2005 Plan. This summary, however, does not purport to be a complete description of all of the provisions of the 2005 Plan. The summary is qualified in its entirety by reference to the 2005 Plan, a copy of which is available on the Company's website and incorporated by reference. The purpose of the 2005 Plan is to provide a means to enhance the profitable growth of the Company and its subsidiaries by attracting and retaining employees, directors, consultants and advisors of the Company by providing such individuals with a means to acquire and maintain stock ownership or awards the value of which is tied to the performance of the common stock, par value \$.01 per share, of the Company ("Stock"). The 2005 Plan also provides additional incentives and reward opportunities designed to strengthen such individuals' concern for the welfare of the Company and their desire to remain in its employ. The Company will seek to achieve the 2005 Plan's purpose by providing grants of (i) incentive stock options qualified as such under U.S. federal income tax laws ("Incentive Options"), (ii) stock options that do not qualify as incentive stock options ("Nonstatutory Options" and, together with Incentive Options, "Options"), (iii) stock appreciation rights ("SARs"),

(iv) restricted stock awards (“Restricted Stock Awards”), (v) phantom stock rights (“Phantom Stock Rights”), (vi) annual cash incentive awards (“Annual Incentive Awards”), or (vii) any combination of such awards (collectively referred to as “Awards”). No Incentive Options may be made under the 2005 Plan after the date that is ten years from the date the 2005 Plan is adopted.

The 2005 Plan, in part, is intended to qualify under the provisions of Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”). See “— *Federal Tax Consequences.*” The 2005 Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The 2005 Plan was effective as of May 18, 2005 (the “Effective Date”).

### **Administration of the 2005 Plan**

The Board appointed the Compensation Committee to administer the 2005 Plan pursuant to its terms and all applicable state, federal, or other rules or laws, except in the event the Board chooses to take action under the 2005 Plan. Unless otherwise limited by the 2005 Plan, Rule 16b-3 of the Securities Exchange Act of 1934 (the “Exchange Act”), or the Code, the Compensation Committee has broad discretion to administer the 2005 Plan, interpret its provisions, and adopt policies for implementing the 2005 Plan. This discretion includes the power to determine to whom and when Awards will be granted, determine the amount of such Awards (measured in cash, shares of Stock, or as otherwise designated), proscribe and interpret the terms and provisions of each Award agreement (the terms of which may vary), accelerate the exercise terms of an Option, delegate duties under the 2005 Plan, terminate, modify or amend the 2005 Plan (subject to Board ratification), and execute all other responsibilities permitted or required under the 2005 Plan.

### **Persons Who May Participate in the 2005 Plan**

Any individual who provides services to the Company or its subsidiaries, including non-employee directors of and consultants for the Company (an “Eligible Person”), and is designated by the Compensation Committee to receive an Award under the 2005 Plan can be a “Participant.” An employee on leave of absence may be considered still employed by the Company for determining eligibility under the 2005 Plan. Any individual granted an Award which remains outstanding under the 2005 Plan, including an individual who is no longer an Eligible Person, will continue to be a Participant for purposes of the 2005 Plan. The Company currently has six non-employee directors, seven executive officers and approximately 570 other employees who would be eligible to participate in the 2005 Plan.

A Participant under the 2005 Plan is eligible to receive an Award pursuant to the terms of the 2005 Plan and subject to any limitations imposed by appropriate action of the Compensation Committee. No Award may be granted if the Award relates to a number of shares of Stock which exceeds the number of shares which remain available under the 2005 Plan minus the number of shares issuable in settlement of or relating to outstanding Awards. Additionally, no Awards, the value of which are not based on Stock, may be granted in any fiscal year of the Company to Eligible Persons likely to be Covered Employees (as defined below) in excess of \$2,500,000.

With respect to Incentive Options, a Participant must be an employee of the Company or one of its corporate subsidiaries and, immediately before the time the Incentive Option is granted, the Participant may not own stock possessing more than 10% of the total combined voting power or value of all classes of stock of the Company or a subsidiary unless, at the time the Incentive Option is granted, the exercise price of the Incentive Option is at least 110% of the fair market value of the Stock underlying the Incentive Option and the Incentive Option is not, by its terms, exercisable after the fifth anniversary of the date of grant.

### **Securities to be Offered**

*Shares Subject to the 2005 Plan.* The 2005 Plan provides that the maximum aggregate number of shares of Stock that may be issued pursuant to any and all Awards under the 2005 Plan (subject to any adjustment due to recapitalization or reorganization permitted under the 2005 Plan), prior to the Third Amendment, will not exceed the sum of (i) 1,125,000 shares (the “162(m) Covered Shares”) approved in 2005 specifically for the 2005 Plan, plus (any authorized but unissued shares from the 1999 Plan which is defined under the 2005 Plan as) (ii) 13,875,000 shares of Stock (the number of shares of Stock approved for issuance under the 1999 Plan), less (iii) the number of shares of Stock issued under the 1999 Plan prior to the Effective Date and the number of shares issuable pursuant to awards under the 1999 Plan outstanding as of the Effective Date, plus (iv) the number of shares that become available for delivery under the 1999 Plan after the Effective Date with respect to awards that lapse or are terminated and with respect to which shares are not issued (the “Plan Shares”).

As of March 31, 2006 there are 5,618,344 total shares authorized for issuance under the 2005 Plan, of which (i) 17,048 shares had been issued upon the exercise of SARs, (ii) 2,687,823 shares were subject to SAR awards that had been granted and were outstanding and (iii) 2,913,471 shares were available for future awards. As of March 31, 2006, the 1999 Plan had stock option awards outstanding of 5,763,548, of which 3,594,383 stock options were vested. The average exercise price of the outstanding stock option awards under the 1999 Plan was \$7.75 per share, ranging from \$1.29 to \$15.52 per share. Therefore, as of March 31, 2006, without giving effect to the Third Amendment, the total number of shares available for issuance of awards under the 2005 Plan was 2,913,471, subject to increase by the number of shares subject to the stock options outstanding under the 1999 Plan that lapse or are terminated prior to exercise. If the Third Amendment is approved, the 2005 Plan will be amended to increase the 162(m) Covered Shares by 950,000, to an aggregate of 2,075,000 shares.

If Stock subject to any Award is not issued or transferred, or ceases to be issuable or transferable for any reason, including (but not exclusively) because an Award is forfeited, terminated, expires unexercised, is settled in cash in lieu of Stock or is otherwise terminated without a delivery of shares to a Participant, the shares of Stock that were subject to that Award will again be available for issue, transfer or exercise pursuant to Awards under the 2005 Plan to the extent allowable by law. The Stock sold pursuant to the 2005 Plan may be authorized but unissued shares, shares held by the Company in treasury, or shares which have been reacquired by the Company including shares which have been bought in the market for the purposes of the 2005 Plan. The fair market value of the Stock on a given date will be the last reported sales price so reported by the New York Stock Exchange (the "NYSE") for the Stock on such date or, if no such sale takes place on such day, the average of the closing bid and asked prices for that day, or, if no such closing prices are available, the last reported sales price so reported on the last business day before the date in question. There are no fees, commissions or other charges applicable to a purchase of Stock under the 2005 Plan.

## **Awards**

*Stock Options.* The Company may grant Options to Eligible Persons including (i) Incentive Options (only to employees of the Company or its subsidiaries) which comply with Section 422 of the Code and (ii) Nonstatutory Options. The exercise price of each Option granted under the 2005 Plan will be stated in the Option agreement and may vary; however, the exercise price for an Incentive Option must not be less than the greater of (a) the par value per share of Stock or (b) the fair market value per share as of the date of grant. The exercise price per share of Stock subject to an Option other than an Incentive Stock Option will not be less than the par value per share of the Stock (but may be less than the fair market value of a share of the Stock on the date of grant). Options may be exercised as the Compensation Committee determines, but not later than ten years from the date of grant. Any Incentive Option which fails to comply with Section 422 of the Code for any reason will result in the reclassification of the Option to a Nonstatutory Option which will be exercisable as such. The Compensation Committee will determine the methods and form of payment for the exercise price of an Option (including, in the discretion of the Compensation Committee, payment in Stock, other Awards or other property) and the methods and forms in which Stock will be delivered to a Participant.

*SARs.* SARs may be awarded in connection with or separate from an Option. An SAR is the right to receive an amount equal to the excess of the fair market value of one share of the Stock on the date of exercise or settlement over the grant price of the SAR as determined by the Compensation Committee. SARs awarded in connection with an Option will entitle the holder, upon exercise or settlement, to surrender the related Option or portion thereof relating to the number of shares for which the SAR is exercised or settled. The surrendered Option or portion thereof will then cease to be exercisable. Such SAR is exercisable or transferable only to the extent that the related Option is exercisable or transferable. SARs granted independently of an Option will be exercisable or settled as the Compensation Committee determines. The term of an SAR will be for a period determined by the Compensation Committee but will not exceed ten years. SARs may be paid in cash, stock or a combination of cash and stock, as the Compensation Committee provides in the Award agreement governing the SAR.

*Restricted Stock Awards.* A Restricted Stock Award is a grant of shares of Stock subject to a risk of forfeiture, restrictions on transferability, and any other restrictions imposed by the Compensation Committee in its discretion. Restrictions may lapse at such times and under such circumstances as determined by the Compensation Committee. Except as otherwise provided under the terms of the 2005 Plan or an Award agreement, the holder of a Restricted Stock Award may have rights as a stockholder, including the right to vote the Stock subject to the Restricted Stock Award or to receive dividends on the Stock subject to the Restricted Stock Award (subject to any mandatory reinvestment or other requirements imposed by the Compensation Committee) during the restriction period. Unless otherwise waived by the Compensation Committee, a Restricted Stock Award which is subject to forfeiture restrictions will be forfeited and reacquired by the Company upon termination of employment. As a condition of a Restricted Stock Award grant, the Compensation Committee

may require or permit a Participant to elect that any cash dividends paid on a share of Stock subject to a Restricted Stock Award be automatically reinvested in additional Restricted Stock Awards or applied to the purchase of additional Awards under the 2005 Plan, if such arrangements are in place. Unless otherwise determined by the Compensation Committee, Stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, will be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock Award with respect to which such Stock or other property has been distributed.

*Phantom Stock Rights.* Phantom Stock Rights are rights to receive Stock, cash, or a combination of both at the end of a specified period. The Compensation Committee may subject Phantom Stock Rights to restrictions (which may include a risk of forfeiture) to be specified in the Award agreement which may lapse at such times determined by the Compensation Committee. Phantom Stock Rights may be satisfied by delivery of Stock, cash equal to the fair market value of the specified number of shares of Stock covered by the Phantom Stock Rights, or any combination thereof determined by the Compensation Committee at the date of grant or thereafter. Except as otherwise provided by the Compensation Committee in the Award agreement or otherwise, Phantom Stock Rights subject to forfeiture restrictions may be forfeited upon termination of a Participant's employment prior to the end of the specified period. Dividend equivalents on the specified number of shares of Stock covered by Phantom Stock Rights will be either (i) paid with respect to such Phantom Stock Rights on the dividend payment date in cash or in shares of unrestricted Stock having a fair market value equal to the amount of such dividends, or (ii) automatically deemed reinvested in additional Phantom Stock Rights, other Awards, or other investment vehicles permitted by the Compensation Committee and elected by the Participant, unless otherwise determined by the Compensation Committee on the date of grant.

*Bonus Stock and Awards in Lieu of Company Obligations.* The Compensation Committee is authorized to grant Stock as a bonus, or to grant Stock or other Awards in lieu of obligations to pay cash or deliver other property under the 2005 Plan or under other plans or compensatory arrangements, subject to any applicable provision under Section 16 of the Exchange Act. The Compensation Committee will determine any terms and conditions applicable to grants of Stock or other Awards, including performance criteria associated with an Award. Any grant of Stock to an officer of the Company or a subsidiary in lieu of salary or other cash compensation will be reasonable, as determined by the Compensation Committee.

*Dividend Equivalent.* Dividend equivalents may be granted entitling a Participant to receive cash, Stock, other Awards, or other property equal in value to dividends paid with respect to a specified number of shares of Stock, or other periodic payments at the discretion of the Compensation Committee. Dividend equivalents may be awarded on a free-standing basis or in connection with another Award. The Compensation Committee may provide that dividend equivalents will be payable or distributed when accrued or that they will be deemed reinvested in additional Stock, Awards, or other investment vehicles. The Compensation Committee will specify any restrictions on transferability and risks of forfeiture that are imposed upon dividend equivalents.

*Other Stock-Based Awards.* Participants may be granted, subject to applicable legal limitations and the terms of the 2005 Plan and its purposes, other Awards related to Stock (in terms of being valued, denominated, paid or otherwise defined by reference to Stock). Such Awards may include, but are not limited to, convertible or exchangeable debt securities, other rights convertible or exchangeable into Stock, purchase rights for Stock, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Compensation Committee, or the value of securities of or the performance of specified subsidiaries. The Compensation Committee will determine terms and conditions of all such Awards, including without limitation, method of delivery, consideration to be paid, the timing and methods of payment, and any performance criteria associated with an Award. Cash awards may be granted as an element of or a supplement to any Awards permitted under the 2005 Plan.

*Performance Awards.* The Compensation Committee may designate that certain Awards granted under the 2005 Plan constitute "performance" Awards or grant separate cash bonus Annual Incentive Awards as performance Awards. A performance Award is any Award the grant, exercise or settlement of which is subject to one or more performance standards. Additionally, performance Award also means an Annual Incentive Award granted to the chief executive officer or any other person designated by the Compensation Committee, at the time of grant of the performance Award, as likely to be one of the next four highest paid officers of the Company (a "Covered Employee"). One or more of the following Business Criteria for the Company on a consolidated basis and/or for specified subsidiaries or business or geographical units of the Company (except with respect to the total shareholder return and earnings per share criteria) shall be used by the Compensation Committee: (i) earnings per share; (ii) increase in revenues; (iii) increase in cash flow; (iv) increase in cash flow return; (v) return on net assets, return on assets, return on investment, return on capital, or return on equity; (vi) economic value added; (vii) operating margin or contribution margin; (viii) net income; net income per share; pretax earnings; pretax earnings

before interest, depreciation and amortization and exploration expense; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; or operating income; (ix) total stockholder return; (x) debt reduction; (xi) finding and development costs; (xii) production growth; or production growth per share; (xiii) cash flow; or cash flow per share; (xiv) reserve replacement; (xv) reserves per share growth if the Second Amendment to the 2005 Plan is approved, and (xvi) any of the above goals determined on an absolute or relative basis or as compared to the performance of a published or special index deemed applicable by the Compensation Committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of comparable companies.

## **Other Provisions**

*Tax Withholding.* At the discretion of the Compensation Committee and subject to conditions that the Compensation Committee may impose, a Participant's tax withholding with respect to an Award may be satisfied by withholding from any payment related to an Award or by the withholding of shares of Stock issuable pursuant to the Award based on the fair market value of the shares.

*Merger or Recapitalization.* If any change is made to the Company's capitalization, such as a stock split, stock combination, stock dividend, exchange of shares or other recapitalization, merger or otherwise, which results in an increase or decrease in the number of outstanding shares of Stock, appropriate adjustments will be made by the Compensation Committee in the shares subject to an Award under the 2005 Plan.

*Change in Control.* Upon a change in control (as such term is defined in the 2005 Plan) the Compensation Committee may, in its discretion, effect one or more of the following alternatives with respect to Options (which may vary both among different holders and different Options held by the same holder): (i) accelerate the exercisability of the Options to be exercised before a specified date, after which unexercised Options will terminate; (ii) require the mandatory surrender to and repurchase by the Company of all outstanding Options; (iii) provide that the number and class of shares of Stock covered by an Award theretofore granted be adjusted so that such Award will thereafter cover the number and class of shares of Stock or other securities or property (including, without limitation, cash) to which the holder would have been entitled pursuant to the terms of the transaction if the holder had held the shares of Stock subject to the Award; or (iv) make such adjustments to the Options deemed appropriate by the Compensation Committee (including no adjustment). The Compensation Committee will make such changes as it deems appropriate in the number and price of shares of Stock or other consideration subject to other Awards. Also, the Compensation Committee may, in its discretion, fully vest and cause all restrictions to lapse applicable to any Restricted Stock Award. Any such action may vary both among different Restricted Stock Award holders and different Restricted Stock Awards held by the same holder. The Company's change in control plans provide for the accelerated vesting of Awards upon a change in control.

*Amendment.* Without stockholder approval, the Board may at any time and from time to time with respect to any shares which, at the time, are not subject to Awards, suspend, discontinue, revise, or amend the 2005 Plan in any respect whatsoever, and may amend any provision of the 2005 Plan or any Award agreement to make the 2005 Plan or the Award agreement, or both, comply with Section 16(b) of the Exchange Act and the exemptions therefrom, the Code, ERISA, or any other law, rule or regulation that may affect the 2005 Plan. Such amendments are subject to stockholder approval to the extent such approval is required by any state or federal law and regulation or the rules of the NYSE. The Board may also amend, modify, suspend or terminate the 2005 Plan for the purpose of meeting or addressing any changes in other legal requirements applicable to the Company or the 2005 Plan or for any other purpose permitted by law. The 2005 Plan may not be amended without stockholder approval to increase the aggregate number of shares of Stock that may be issued under the 2005 Plan. Except as provided above, no amendment, modification, suspension or termination of the 2005 Plan may alter or impair Awards previously granted under the 2005 Plan without the consent of the affected Participant. Further, no Award may be altered or amended, and no exchange of Awards may be effected that, in either case, would constitute the repricing of Options for the purposes of the rules of the NYSE. The 2005 Plan also provides that no Options may be granted with reload features.

*Transferability of Awards.* In accordance with rules prescribed by the Compensation Committee, the Compensation Committee may permit a person to transfer in the form of a gift, Nonstatutory Options, SARs, Phantom Stock Rights, or Restricted Stock Awards (if such Restricted Stock Award does not require the transfer of consideration by the Participant or the holder other than usual and customary service) (i) to a child (including a step or in-law relationship), grandchild, parent (including a step or in-law relationship), grandparent, spouse, former spouse, sibling (including an in-law), niece, or nephew, including adoptive relationships in any case, and any person sharing the household of a holder of such Award ("Immediate Family Members"), (ii) to a trust established for the exclusive benefit of one or more Immediate Family Members, (iii) to a

partnership in which Immediate Family Members are the only partners or (iv) pursuant to a qualified domestic relations order. An SAR granted in tandem with a Nonstatutory Option will not be transferable other than in connection with the transfer of the Nonstatutory Option to which the SAR relates. Other than as described above, Awards will not be transferable other than by will or the laws of descent and distribution.

Following the transfer of any Award described above, such Awards will remain subject to the same terms and conditions as were applicable to such Awards immediately prior to transfer, provided that the transferee will be substituted for the transferor to the extent appropriate to enable the transferee to exercise the transferred Awards. When transferred Awards are exercised by a transferee, the Stock received as a result of the exercise may be subject to the one year holding period and other limitations on resale prescribed by Rule 144 promulgated under the Securities Act of 1933. In addition, Awards transferred by a Participant subject to the reporting requirements of Section 16(a) of the Exchange Act to Immediate Family Members in the same household as the transferor will continue to be reportable by the transferor as indirectly owned by the transferor.

Any holder of an Award desiring to transfer such Award to an Immediate Family Member must make an application for transfer and comply with such other requirements the Compensation Committee may require. To the extent regulations promulgated under the Exchange Act permit Awards to be transferred in circumstances other than as described above, the Compensation Committee may, but will not be obligated to, amend the 2005 Plan to permit transfers as permitted by such regulations.

### **Federal Tax Consequences**

The following discussion is for general information only and is intended to summarize briefly the U.S. federal tax consequences to Participants arising from participation in the 2005 Plan. This description is based on current law, which is subject to change (possibly retroactively). The tax treatment of a Participant in the 2005 Plan may vary depending on his particular situation and may, therefore, be subject to special rules not discussed below. No attempt has been made to discuss any potential foreign, state, or local tax consequences.

*Nonstatutory Options; SARs; Incentive Options.* Participants will not realize taxable income upon the grant of a Nonstatutory Option or SAR. Upon the exercise of a Nonstatutory Option or SAR, a Participant will recognize ordinary compensation income (subject to withholding by the Company) in an amount equal to the excess of (i) the amount of cash and the fair market value of the Stock received, over (ii) the exercise price (if any) paid. A Participant will generally have a tax basis in any shares of Stock received pursuant to the exercise of SAR, or pursuant to the cash exercise of a Nonstatutory Option, that equals the fair market value of such shares on the date of exercise. Subject to the discussion under “—*Tax Code Limitations on Deductibility*” below, the Company (or a subsidiary) will be entitled to a deduction for federal income tax purposes that corresponds as to timing and amount with the compensation income recognized by a Participant under the foregoing rules.

Participants eligible to receive an Incentive Option will not recognize taxable income on the grant of an Incentive Option. Upon the exercise of an Incentive Option, a Participant will not recognize taxable income, although the excess of the fair market value of the shares of Stock received upon exercise of the Incentive Option (“ISO Stock”) over the exercise price will increase the alternative minimum taxable income of the Participant, which may cause such Participant to incur alternative minimum tax. The payment of any alternative minimum tax attributable to the exercise of an Incentive Option would be allowed as a credit against the Participant’s regular tax liability in a later year to the extent the Participant’s regular tax liability is in excess of the alternative minimum tax for that year.

Upon the disposition of ISO Stock that has been held for the requisite holding period (at least two years from the date of grant and one year from the date of exercise of the Incentive Option), a Participant will recognize capital gain (or loss) equal to the excess (or shortfall) of the amount received in the disposition over the exercise price paid by the Participant for the ISO Stock. However, if a Participant disposes of ISO Stock that has not been held for the requisite holding period (a “Disqualifying Disposition”), the Participant will recognize ordinary compensation income in the year of the Disqualifying Disposition in an amount equal to the amount by which the fair market value of the ISO Stock at the time of exercise of the Incentive Option (or, if less, the amount realized in the case of an arm’s length disposition to an unrelated party) exceeds the exercise price paid by the Participant for such ISO Stock. A Participant would also recognize capital gain to the extent the amount realized in the Disqualifying Disposition exceeds the fair market value of the ISO Stock on the exercise date. If the exercise price paid for the ISO Stock exceeds the amount realized (in the case of an arm’s-length disposition to an unrelated party), such excess would ordinarily constitute a capital loss.

The Company and its subsidiaries will not be entitled to any federal income tax deduction upon the grant or exercise of an Incentive Option, unless a Participant makes a Disqualifying Disposition of the ISO Stock. If a Participant makes a Disqualifying Disposition, the Company (or a subsidiary) will then, subject to the discussion below under “—*Tax Code Limitations on Deductibility*,” be entitled to a tax deduction that corresponds as to timing and amount with the compensation income recognized by a Participant under the rules described in the preceding paragraph.

Under current rulings, if a Participant transfers previously held shares of Stock (other than ISO Stock that has not been held for the requisite holding period) in satisfaction of part or all of the exercise price of a Nonstatutory Option or Incentive Option, no additional gain will be recognized on the transfer of such previously held shares in satisfaction of the Nonstatutory Option or Incentive Option exercise price (although a Participant would still recognize ordinary compensation income upon exercise of a Nonstatutory Option in the manner described above). Moreover, that number of shares of Stock received upon exercise which equals the number of shares of previously held Stock surrendered in satisfaction of the Nonstatutory Option or Incentive Option exercise price will have a tax basis that equals, and a capital gains holding period that includes, the tax basis and capital gains holding period of the previously held shares of Stock surrendered in satisfaction of the Nonstatutory Option or Incentive Option exercise price. Any additional shares of Stock received upon exercise will have a tax basis that equals the amount of cash (if any) paid by the Participant, plus the amount of compensation income recognized by the Participant under the rules described above.

The 2005 Plan allows the Compensation Committee to permit the transfer of Awards in limited circumstances. See “— *Other Provisions — Transferability of Awards*.” For income and gift tax purposes, certain transfers of Nonstatutory Options and SARs generally should be treated as completed gifts, subject to gift taxation.

The Internal Revenue Service (the “IRS”) has not provided formal guidance on the income tax consequences of a transfer of Nonstatutory Options or SARs. However, the IRS informally has indicated that after a transfer of stock options, the transferor will recognize income, which will be subject to withholding, and FICA/FUTA taxes will be collectible at the time the transferee exercises the stock options.

In addition, if the Participant transfers a vested Nonstatutory Option to another person and retains no interest in or power over it, the transfer is treated as a completed gift. The amount of the transferor’s gift (or generation-skipping transfer, if the gift is to a grandchild or later generation) equals the value of the Nonstatutory Option at the time of the gift. The value of the Nonstatutory Option may be affected by several factors, including the difference between the exercise price and the fair market value of the stock, the potential for future appreciation or depreciation of the stock, the time period of the Nonstatutory Option and the illiquidity of the Nonstatutory Option. The transferor will be subject to a federal gift tax, which will be limited by (i) the annual exclusion of \$11,000 per donee, (ii) the transferor’s lifetime unified credit, or (iii) the marital or charitable deductions. The gifted Nonstatutory Option will not be included in the Participant’s gross estate for purposes of the federal estate tax or the generation-skipping transfer tax.

This favorable tax treatment for vested Nonstatutory Options has not been extended to unvested Nonstatutory Options. Whether such consequences apply to unvested Nonstatutory Options is uncertain and the gift tax implications of such a transfer are a risk the transferor will bear upon such a disposition. The IRS has not specifically addressed the tax consequences of a transfer of SARs.

*Phantom Stock Rights; Restricted Stock Awards; Cash Awards.* A Participant will recognize ordinary compensation income upon receipt of cash pursuant to a cash award or, if earlier, at the time the cash is otherwise made available for the Participant to draw upon. A Participant will not have taxable income at the time of grant of a stock Award in the form of Phantom Stock Rights denominated in Stock, but rather, will generally recognize ordinary compensation income at the time he receives Stock in satisfaction of the Phantom Stock Rights in an amount equal to the fair market value of the Stock received. In general, a Participant will recognize ordinary compensation income as a result of the receipt of Stock pursuant to a Restricted Stock Award or bonus stock Award in an amount equal to the fair market value of the Stock when such stock is received; provided, however, that if the stock is not transferable and is subject to a substantial risk of forfeiture when received, a Participant will recognize ordinary compensation income in an amount equal to the fair market value of the Stock (i) when the Stock first becomes transferable or is no longer subject to a substantial risk of forfeiture in cases where a Participant does not make a valid election under Section 83(b) of the Code or (ii) when the Stock is received in cases where a Participant makes a valid election under Section 83(b) of the Code.

A Participant will be subject to withholding for federal, and generally for state and local, income taxes at the time he recognizes income under the rules described above with respect to Stock or cash received. Dividends that are received by a

Participant prior to the time that the Stock is taxed to the Participant under the rules described in the preceding paragraph are taxed as additional compensation, not as dividend income. The tax basis in the Stock received by a Participant will equal the amount recognized by him as compensation income under the rules described in the preceding paragraph, and the Participant's capital gains holding period in those shares will commence on the later of the date the shares are received or the restrictions with respect to the shares lapse.

Subject to the discussion immediately below, the Company (or a subsidiary) will be entitled to a deduction for federal income tax purposes that corresponds as to timing and amount with the compensation income recognized by a Participant under the foregoing rules.

*Tax Code Limitations on Deductibility.* In order for the amounts described above to be deductible by the Company (or a subsidiary), such amounts must constitute reasonable compensation for services rendered or to be rendered and must be ordinary and necessary business expenses.

The ability of the Company (or a subsidiary) to obtain a deduction for future payments under the 2005 Plan could also be limited by the golden parachute payment rules of Section 280G of the Code, which prevent the deductibility of certain excess parachute payments made in connection with a change in control of an employer-corporation.

Finally, the ability of the Company (or a subsidiary) to obtain a deduction for amounts paid under the 2005 Plan could be limited by Section 162(m) of the Code, which limits the deductibility, for federal income tax purposes, of compensation paid to certain executive officers of a publicly traded corporation to \$1,000,000 with respect to any such officer during any taxable year of the corporation. However, an exception applies to this limitation in the case of certain performance-based compensation. In order to exempt performance-based compensation from the \$1,000,000 deductibility limitation, the grant or vesting of the Award relating to the compensation must be based on the satisfaction of one or more performance goals as selected by the Compensation Committee. Performance-based Awards intended to comply with Section 162(m) of the Code may not be granted in a given period if such performance-based Awards will result in compensation, for a Participant, in a given period which exceeds a specified limitation. A Participant who receives an Award or Awards intended to satisfy the performance-based exception to the \$1,000,000 deductibility limitation may not receive performance-based Awards, the value of which are not based on the value of shares of Stock, equal to more than \$2,500,000 in any fiscal year of the Company. Although the 2005 Plan has been drafted to satisfy the requirements for the performance-based compensation exception, the Company may determine that it is in its best interests not to satisfy the requirements for the exception. The 2005 Plan as approved does not provide for the grant of Stock-based Awards to Covered Employees that constitute performance-based compensation for purposes of Section 162(m) of the Code except as to the 750,000 shares specifically approved by the stockholders in 2005 for such purpose. The additional 950,000 shares proposed to be authorized under this Proposal 3 would also be added to such remaining amount of shares that could be awarded to Covered Employees that would constitute performance-based compensation for purposes of Section 162(m) of the Code. See "*— Awards – Performance Awards.*"

### **Benefits Under the 2005 Plan**

The Awards, if any, that will be granted to eligible persons under the 2005 Plan are subject to the discretion of the Compensation Committee and, therefore, are not determinable at this time.

### **Required Vote and Recommendation**

**The affirmative vote of a majority of the shares of the Company's common stock represented at the meeting in person or by proxy and entitled to vote on the proposal at the meeting is required to approve the Third Amendment to the 2005 Plan. If the Third Amendment to the 2005 Plan is not approved by the stockholders at the Annual Meeting, the number of shares authorized under the 2005 Plan will remain the same and no increase in the number will be provided. ## **PROPOSAL 4 – RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has appointed Ernst & Young LLP as the independent registered public accounting firm to audit the Company's consolidated financial statements as of and for the fiscal year ending December 31, 2006 and the Company's internal controls over financial reporting. During fiscal years 2005 and 2004, Ernst & Young LLP served as the Company's independent registered public accounting firm and also provided certain tax and other audit-related services.

### **Required Vote and Recommendation**

**The affirmative vote of a majority of the shares of the Company's common stock represented at the meeting in person or by proxy and entitled to vote on the proposal at the meeting is required for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2006. If the appointment is not ratified, the Audit Committee will consider whether it should select another independent registered public accounting firm.**

**The Board recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2006 fiscal year.**

## **GOVERNANCE OF THE COMPANY**

Range is committed to having sound corporate governance principles. Having and using such principles is essential to running Range's business efficiently and to maintaining Range's integrity in the marketplace. Range's Corporate Governance Guidelines and Code of Business Conduct and Ethics are available under the Corporate Governance section of Range's website at <http://www.rangeresources.com>, and are available in print upon request by any stockholder.

### **Code of Business Conduct and Ethics**

The Company has developed a Code of Business Conduct and Ethics, which is applicable to all directors, employees and consultants of the Company, including the principal executive officers and the principal financial officer. The Company intends to post amendments to and waivers, if any, from its code of ethics (to the extent applicable to the Company's chief executive officers and directors) on its website at <http://www.rangeresources.com> under the section titled "Corporate Governance." In February 2005, the Company posted its latest amendment to its Code of Ethics which conformed the Company's ethics program to the provisions for effective compliance and ethics programs under the Federal Sentencing Guidelines. The Code of Business Conduct and Ethics has been reviewed by the Board and the Governance and Nominating Committee in 2006 and no changes were made. All directors sign a statement each year acknowledging that they have reviewed and are in compliance with the Code of Business Conduct and Ethics.

### **Board Independence**

The Board has determined that, except for Mr. John Pinkerton, the Company's President and CEO, and Mr. Jeffrey L. Ventura, the Company's Executive Vice President and Chief Operating Officer, none of the current directors standing for re-election, Messrs. Charles L. Blackburn, Anthony V. Dub, V. Richard Eales, Allen Finkelson, Jonathan S. Linker and Kevin S. McCarthy, have a material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and each is independent within the meaning of the Company's director independence standards, which reflect the New York Stock Exchange independence standards, as currently in effect. Furthermore, the Board has determined that each of the current members of each of the committees, except Messrs. Pinkerton and Ventura, both officers of the Company, has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and are "independent" within the meaning of the Company's director independence standards. The Company has made no contributions to any charitable organization in which a director serves as an officer or director.

## Board Structure and Committee Composition

As of the date of this proxy statement, the Board has eight directors and the following four committees: (1) Audit, (2) Compensation, (3) Dividend, and (4) Governance and Nominating. The Executive Committee was not reconstituted at the annual meeting of the Board in May 2005. The membership during the last fiscal year and the function of each of the committees are described below. Each of the committees operates under a written charter adopted and approved by the Board. All of the committee charters are available under the Corporate Governance section of the Company's website at <http://www.rangeresources.com>. During 2005, the Board held seven meetings and acted two times by unanimous written consents. The independent directors met four times during 2005 without the employee directors. Each director attended at least 75% of the seven Board meetings except for Messrs. Dub, Finkelson and Linker who each missed two meetings. Messrs. Dub and Finkelson each missed one regularly scheduled quarterly meeting and one special telephone meeting. Mr. Linker missed two special telephone meetings. Special meetings of the Board can be called upon 24 hours notice under the Company's Bylaws. Each director attended at least 75% of all Committee meetings. Directors are encouraged to attend annual meetings of Range stockholders. All directors attended the last annual meeting of stockholders except one director. In November, 2005, Mr. Robert Aikman, a director of the Company since 1990 and Chair of the Compensation Committee, was killed in an automobile accident where he was a passenger. Mr. McCarthy was appointed to the Compensation Committee to fill Mr. Aikman's vacancy on December 22, 2005 but the Committee has functioned without a Chair since Mr. Aikman's death. It is expected that a new Chair will be appointed in May 2006 at the Board's annual meeting when new committee assignments are approved.

No director of Range sits on another public company's board of directors outside of their normal business activities. Currently, only two directors serve on other boards. Mr. Linker serves on the boards of two small private companies as part of his consulting services. Mr. McCarthy serves as chairman on the board of the two companies that he serves as President and CEO plus one other private company in which his firm owns an interest. The Governance and Nominating Committee reviews any requests from directors to serve on other public boards of directors to determine that any time commitments would not interfere with the Range's Board activities. During 2005, one director completed an accredited director education program.

### Audit Committee

Range has a separately-designated standing Audit Committee established in accordance with Section 10A-3(b) of the Securities Exchange Act of 1934, as amended. The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of Range's financial statements, Range's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, the performance of the internal audit function, risk assessment and risk management, and serves as the primary point of interaction with Range's independent registered public accounting firm. Among other things, the Audit Committee prepares the Audit Committee report for inclusion in the annual proxy statement; annually reviews the Audit Committee charter and the committee's performance; appoints, evaluates and determines the compensation of the Company's independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; reviews the Company's disclosure controls and procedures, internal audit function, and corporate policies with respect to financial information and earnings guidance; oversees any investigations into complaints concerning

financial matters; and reviews other risks that may have a significant impact on the Company's financial statements. The Audit Committee works closely with management as well as the Company's independent registered public accounting firm. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties.

All of the members of the Audit Committee are independent within the meaning of SEC regulations, the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines. The Board has determined that each member of the committee has accounting and related financial management expertise within the meaning of the listing standards of the New York Stock Exchange. The Board has determined and designated Mr. V. Richard Eales as the audit committee financial expert as described in item 401(h) of Regulation S-K. No member of the Company's Audit Committee serves on the audit committee of any other public company. The report of the Audit Committee is included herein. The Audit Committee charter is available under Corporate Governance/Committees and Charters at the Company's website at <http://www.rangeresources.com> and is available in print upon request by any stockholder.

### **Compensation Committee**

The Compensation Committee discharges the Board's responsibilities relating to compensation of the Company's executives and directors; produces an annual report on executive compensation for inclusion in the Company's proxy statement; provides general oversight of the Company's compensation structure, including the Company's equity compensation plans and benefits programs; reviews and provides guidance on the Company's human resource programs; and retains and approves the terms of the retention of any compensation consultants and other compensation experts. Other specific duties and responsibilities of the Compensation Committee include: evaluating human resources and compensation strategies and overseeing the Company's total incentive compensation program; reviewing and approving objectives relevant to executive officer compensation and evaluating performance and determining the compensation of executive officers in accordance with those objectives; approving and amending the Company's incentive compensation and stock option programs (subject to stockholder approval, if required); recommending director compensation to the Board; monitoring director and executive stock ownership; and annually evaluating its performance and its charter.

All of the members of the Compensation Committee are independent within the meaning of the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

The report of the Compensation Committee is included in the proxy. The Compensation Committee charter is available under Corporate Governance/Committees and Charters at the Company's website at <http://www.rangeresources.com> and is available in print upon request by any stockholder.

### **Dividend Committee**

The Dividend Committee is directed to declare and set the record and payment dates of dividends in accordance with Board directives. The Dividend Committee charter is available under Corporate Governance/Committees and Charters at the Company's website at <http://www.rangeresources.com> and is available in print upon request by any stockholder.

### **Governance and Nominating Committee**

The Governance and Nominating Committee identifies individuals qualified to become Board members, consistent with criteria approved by the Board; oversees the organization of the Board to discharge the Board's duties and responsibilities properly and efficiently; and identifies best practices and recommends corporate governance principles to the Board, including giving proper attention and making effective responses to stockholder concerns regarding corporate governance. Other specific duties and responsibilities of the Governance and Nominating Committee include: annually assessing the size and composition of the Board; developing membership qualifications for Board committees; defining specific criteria for director independence; monitoring compliance with Board and Board committee membership criteria; annually reviewing and recommending directors for continued service; reviewing governance-related stockholder proposals and recommending Board responses; and overseeing the evaluation of the Board and management.

All of the members of the Committee are independent within the meaning of the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

The Governance and Nominating Committee charter is available under Corporate Governance/Committees and Charters at the Company's website at <http://www.rangeresources.com> and are available in print upon request by any stockholder.

### **Consideration of Director Nominees**

The policy of the Governance and Nominating Committee is to consider properly submitted stockholder nominations for candidates for Board membership as described below under "Identifying and Evaluating Nominees for Directors." In evaluating such nominations, the Governance and Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth under "Director Qualifications." Any stockholder nominations proposed for consideration by the Governance and Nominating Committee should include the nominee's name and qualifications for Board membership and should be addressed to: Corporate Secretary, Range Resources Corporation, 777 Main Street, Suite 800, Fort Worth, Texas 76102.

### **Director Qualifications**

Range's Corporate Governance Guidelines contain Board membership criteria that apply to Governance and Nominating Committee-recommended nominees for a position on Range's Board. Under these criteria, members of the Board should have high professional and personal ethics and values. They should have broad experience in management, policy-making and/or finance. They should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all stockholders. The Board prefers to have a sufficient number of directors who have specific experience within the oil and gas industry.

### **Identifying and Evaluating Nominees for Directors**

The Governance and Nominating Committee utilizes a variety of avenues to identify and evaluate nominees for director. The Governance and Nominating Committee regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Governance and Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Governance and Nominating Committee through current Board members, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Governance and Nominating Committee, and may be considered at any point during the year. As described above, the Governance and Nominating Committee considers properly submitted stockholder nominations for candidates for the Board. Following verification of the stockholder status of persons proposing candidates, recommendations are aggregated and considered by the Governance and Nominating Committee at a regularly scheduled meeting, which is generally the first or second meeting prior to the issuance of the proxy statement for Range's annual meeting. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Governance and Nominating Committee. The Governance and Nominating Committee also reviews materials provided by other parties in connection with a nominee who is not proposed by a stockholder. In evaluating such nominations, the Governance and Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board. The Governance and Nominating Committee does not expect to use a paid third party in identifying potential directors.

### **Executive Sessions**

Executive sessions of non-management directors are generally held at each regularly scheduled quarterly meeting. The sessions are scheduled and chaired by Mr. Blackburn, the non-executive Chairman of the Board. Any non-management director can request that an executive session be scheduled. During 2005, four executive sessions were held of non-management directors.

### **Communications with the Board**

Interested parties may communicate with the non-executive Chairman of the Board by submitting correspondence to the Corporate Secretary at Range Resources Corporation, 777 Main Street, Suite 800, Fort Worth, Texas 76102, Attention: Chairman of the Board. Any confidential matters may be submitted in a separately enclosed envelope marked "confidential."

Similarly, any correspondence to Board members can be submitted as noted and such correspondence will be forwarded to the individual Board members as designated.

### DIRECTOR COMPENSATION

Director compensation is set by the Compensation Committee after working with its independent compensation consultants and a review of peer companies. Compensation for directors generally is approved by the Compensation Committee just prior to the Board meeting following the election of directors at the Annual Meeting of Stockholders. Compensation arrangements for directors are effective with each election to the Board at the annual meeting. Stock options or SARs are granted under the stockholder approved plan, the 2004 Non-Employee Director Stock Option Plan, which specifies that 12,000 options/SARs are granted to each director upon their election to the Board. In the past several years, the Compensation Committee has also authorized the payment of restricted common stock to the directors as a long-term award for a portion of their overall director compensation.

The following table reflects the compensation arrangements for the last two fiscal years. Director compensation will be reviewed by the Compensation Committee just prior to the Annual Meeting and establish the compensation arrangements for the 2006 – 2007 director terms.

<b>Non-Employee Form of Compensation</b>	<b>Rates in Effect</b>	
	<b>2004 - 2005</b>	<b>2005 - 2006</b>

† SARs

- (a) The stock options/SARs are granted at 100% of the common stock's closing price as reported by the NYSE on the date of the grant with a term of five years and vest 30% on the first anniversary of the date of grant, 30% on the second anniversary of the date of grant and 40% on the third anniversary of the date of grant. Stock options were issued on February 15, 2005, and SARs were awarded on July 1, 2005.

- (b) The Securities and Exchange Commission prescribes the annual rates of stock price appreciation used in showing the potential realizable value of stock option grants. Actual realized value of the options may be significantly greater or less than that assumed. The actual value of the awards will depend on the future performance of the company's common stock, the overall market conditions and the executive officer's continued service with the Company. The value ultimately realized by the executive officer will depend on the amount by which the market price of the Company's common stock on the date of exercise exceeds the exercise or grant price.

The following table reflects the stock options and SARs exercised during 2005 and the stock options and SARs held by the Named Executive Officers as of December 31, 2005. The value of "in-the-money" options represents the spread

between the exercise/grant price of the stock options/SARs and the common stock's closing price as reported by the NYSE on December 31, 2005 of \$26.34.

### Employment and Change in Control Agreements

There are no employment agreements currently in effect between the Company and any Named Executive Officer. The Company has agreed to pay the Named Executive Officers the following salaries effective March 1, 2006: John H. Pinkerton - \$480,000; Jeffrey L. Ventura - \$360,000; Roger S. Manny - \$270,000; Rodney L. Waller - \$225,000 and Chad L. Stephens - \$225,000.

Effective March 2005, the Board adopted the Range Resources Corporation Executive Change in Control Severance Benefit Plan (the "Management Plan") pursuant to which officers and certain key employees (the "Management Group") may be entitled to receive certain payments and benefits if there is a change in control and a member of the Management Group is terminated other than for cause or resigns for good reason. All other employees (the "Employee Group") may be entitled to receive more limited payments under the Range Resources Corporation Employee Change in Control Severance Benefit Plan (the "Employee Plan") upon an involuntary termination of employment by the Company for other than cause. Upon a Change in Control (as defined in the plans), all nonvested equity-based compensation awards automatically vest under both plans. If any person in the Management Group is (i) terminated, other than for Cause (as defined in the plans), (A) within twelve full calendar months following a Change in Control, (B) prior to a Change in Control in anticipation of the change in control, (C) during the period beginning on the date stockholder approval is obtained for a Business Combination (as defined in the plans) which constitutes a Change in Control and ending as of the last day of the twelfth full calendar month following the consummation of the Business Combination, or (D) during the period beginning with the earlier of the public announcement or commencement of a tender or exchange offer constituting a Change in Control and ending on the last day of the twelfth full calendar month following the consummation of such transaction, unless such transaction is a Business Combination, in which case the period will end in the twelfth full calendar month following stockholder approval of the Business Combination (each such period of at least twelve months, the "Protection Period"), or (ii) terminates employment within the Protection Period due to a material diminution of the position or responsibility of the employee, or reduction in the employee's compensation or benefits, or a substantial change in the location of the principal place of the employee's employment, the employee will receive a lump sum payment (the "Management Payment") equal to (i) the employee's "Benefit Multiple" multiplied by (ii) the sum of (a) the average of the bonuses paid or awarded to the employee for the three prior fiscal years plus (b) the employee's base salary. The Benefit Multiple for the Named Executive Officers is: Mr. Pinkerton – three; Mr. Ventura – three; Mr. Manny – two and one-half; Mr. Waller – two; and Mr. Stephens – two.

The Benefit Multiple for other members of the Management Group is two for officers and one for other key employees eligible to participate in the Management Plan. In addition, upon such a termination, persons in the Management Group will receive, for a period of years equal to their Benefit Multiple, continued participation in any medical, dental, life and disability insurance and any other insurance arrangement for the continued benefit of the employee (and, if applicable, the employee's spouse and minor children) in which such persons were participating immediately prior to the earlier of the termination of employment or the date of the event constituting good reason. If any person in the Employee Group is terminated by the Company, other than for Cause, within the Protection Period, the employee will receive a lump sum payment (the "Employee Payment") equal to (i) six months of their total annual base salary, plus (ii) one-half of the average of the past two annual bonuses paid or awarded to the employee.

## **REPORT OF THE COMPENSATION COMMITTEE**

The Compensation Committee of the Board of Directors has responsibility for overseeing all compensation arrangements affecting executive officers. The Committee's duties include reviewing and approving officers' salaries, setting incentive compensation and bonus targets and administering the bonus, incentive compensation and stock option plans. The Committee advises and consults with management regarding benefits and significant compensation policies and practices. This Committee also considers nominations of candidates for officer positions.

### **General Compensation Philosophy**

The Compensation Committee believes that executive officers' salaries and overall compensation should be competitive with similar oil and gas companies after taking into account an executive's performance. The Committee uses stock options/SARs and other equity-based incentives to help retain and motivate employees with the goal of improving long-term performance and aligning employee's interests with those of the stockholders. During 2004, the Compensation Committee engaged its own independent executive compensation consultant to advise and consult with the Committee as to compensation practices and long-term strategies. The Committee has established a group of peer companies for comparison purposes in evaluating performance results, performance targets and competitive compensation arrangements. The peer group of companies generally ranges from one-half to twice the size of the Company's equity market capitalization.

### **Components of Compensation**

The key elements of executive compensation are salary, bonus and equity compensation awards. In determining each component of compensation, the Compensation Committee considers an executive's total compensation package, recommendations of the Company's President, and other objective and subjective criteria that the Committee deems appropriate.

### **Salaries**

The Compensation Committee reviews the salary of each executive at least annually and makes adjustments when the Committee thinks adjustments are appropriate. Certain salary adjustments based upon peer data reviews are made at the time bonuses are awarded for prior year's performance, generally in February. A review is also conducted in May of each year after proxy data from peer companies have been reviewed. The Committee considers each executive's responsibilities, specific experience and performance, compensation practices of similarly situated companies and the executive's overall contribution to the Company. Salaries are generally set at the 50<sup>th</sup> to 60<sup>th</sup> percentile of peer companies. In general, executive officers with the highest level and amount of responsibility have the lowest percentage of their total compensation fixed as base salary and the highest percentage of their total compensation depends on Range's performance.

### **Bonuses**

Executive bonuses are discretionary and based on each executive's specific performance during the year taken in context of the Company's overall performance. The Company's performance for any given year is based upon specific criteria and expected levels of performance. In 2005, the criteria used were net income, cash flow, production growth, reserve replacement and finding and development costs.

### **Equity Awards**

The Board of Directors adopted the 2005 Equity-Based Compensation Plan, which was approved by the stockholders at the 2005 Annual Meeting. Employees and directors may receive awards under the 2005 Plan. The Compensation Committee uses the 2005 Plan to help attract, motivate and retain personnel and to reward them for contributions to the Company. The Compensation Committee administers the all the Company's equity plans in full compliance with Rule 16b-(3) under the Securities Exchange Act of 1934. The Compensation Committee determines the incentive awards granted to each participant and the terms, conditions and limitations applicable to each award. With the approval of the 2005 Plan, the Compensation Committee had the power to use other forms of equity awards other than traditional stock options. The Compensation Committee approved one-half the normally targeted number of stock options for officers and employees in February 2005 to allow for the adoption and approval of the 2005 Plan by stockholders at the 2005 Annual Meeting. With the adoption of the 2005 Plan, the Compensation Committee granted in July 2005 the remaining one-half of the targeted number of stock options but in the form of stock-settled stock appreciation rights ("SARs"). The move to SARs was done to reduce the potential dilution to stockholders since with the use of SARs, participants are paid for the appreciation in the award over the grant price based upon the current fair market of the common stock on the date of the exercise rather than the issuance of the full amount of shares exercised as in traditional stock options. The Committee expects that potential dilution to the stockholders will be significantly reduced with the use of SARs over traditional stock options. SARs, similar to stock options, are granted based upon the fair market value of the common stock on the date of grant, vest over a three year period and expire five years after grant.

Beginning in 2003, the Compensation Committee has award a small number of restricted stock grants to officers and key employees which vest over a three year period. In 2006, the Committee began to grant more restricted common shares to officers and key employees and reduced the number of SARs granted. The Committee designates that all the restricted shares be placed in the Company's deferred compensation plan until the shares vest. The Committee believes that the restricted common shares not only reduces the potential dilution to stockholders by reducing the absolute number of shares issued but also provides for a retention measure for officers and key employees by such shares being placed in the Company's deferred compensation plan. This also allows the officers and key employees to build a retirement portfolio since the Company does not provide retirement benefits other than its 401(k) plan.

### **Section 162 of the Internal Revenue Code**

The Company attempts to take all proper tax deductions while maintaining the ability to pay compensation which is deemed to be in the Company's interest, but which may not be deductible. Section 162 of the Internal Revenue Code generally imposes a \$1 million per person annual limit on the amount of compensation paid to its officers unless the compensation is performance based. Certain performance-based compensation elements approved by stockholders, such as SARs and performance stock awards, are not subject to the deduction limit. The 2005 Plan provides for performance based criteria which is intended to comply with Section 162. The Compensation Committee expects that 2006 will be the first year in which the Company can utilize these features of the plan.

### **Compensation of the President and CEO**

The Compensation Committee considered the Company's overall performance as well as the individual contributions of the President and CEO in determining his 2005 bonus and reviewing his salary. The Committee noted a number of achievements in 2005. The Company's proved reserves grew 20% reaching 1.4 Tcfe. Drilling replaced 249% of production. Total reserve replacement reached 365% and reserves were added at an all-in cost of \$1.46 per mcfe. Production increased year-over-year by 22%. Reported net income more than tripled to \$111 million, the highest in the Company's history. Cash flow from operations, a non-GAAP measure, increased 74% to \$363 million which was also a record for the Company. (See the Company's website for the calculation of these measures.) The Company's stock price increased 93% during 2005.

In light of these and other factors, Mr. Pinkerton was awarded a \$576,000 bonus of which 75% was paid in cash and 25% was in the form of 5,737 shares of restricted common stock. Mr. Pinkerton's bonus was awarded in recognition of his role in the numerous improvements made in the Company's performance during the year in production growth, reserve replacement, improved capital structure, low finding and development cost and increases in cash flow and earnings. Mr. Pinkerton's salary was maintained at \$480,000 per annum. Mr. Pinkerton's salary, along with other officers, will be reviewed later in 2006 to determine if any adjustments are appropriate after reviewing up to date information from the data supplied by peer companies in their proxies or 8-K filings. Mr. Pinkerton was granted 100,800 SARs with a \$24.32 grant price under the 2005 Plan on February 27, 2006 along with 42,000 restricted shares of common stock placed in his deferred compensation account. The SARs and restricted shares vest over a three-year period.

Decisions on the bonuses and salary increases for other executives were influenced by the Company's overall performance as well as the performance of the individual executive and his or her success in attaining performance goals.

Each of the members of the Compensation Committee is independent within the meaning of the Company's Corporate Governance Guidelines and the listing standards of the New York Stock Exchange.

This report has been furnished by the members of the Compensation Committee.

### **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee of the Board of Directors is responsible for the engagement of the Company's independent registered public accountants, monitoring the integrity of the Company's consolidated financial statements, its system of internal controls and the independence and performance of its independent registered public accountants. This Committee also reviews the scope of the audit coverage, the annual financial statements and such other matters with respect to the accounting, auditing and financial reporting practices and procedures as it may find appropriate or as have been brought to its attention. The Committee is composed of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. The Board, in its business judgment, has determined that all members of the Committee are "independent" as required by the NYSE. Mr. V. Richard Eales was designated as the "audit committee financial expert" primarily, but not solely, due to his prior experience with public reporting companies.

Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent registered public accounting firm for 2005, Ernst & Young LLP, are responsible for performing an audit of the consolidated financial statements in accordance with generally accepted auditing standards.

The Committee held five meetings during 2005. The meetings involved the discussion of the audited consolidated financial statements of the year ended December 31, 2004, discussion of the 2005 quarterly consolidated financial statements of the Company and various aspects of the Company's internal controls and financial reporting. The meetings were also designed to facilitate and encourage communication and gain a better understanding of the issues involved in the preparation of the financial statements between the Committee, management and Ernst & Young. We discussed with the auditors the overall scope and plans for their audit. We met with the auditors, with and without management present, to discuss the results of their examinations and their evaluations of the Company's internal controls. We have reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2005 with management and Ernst & Young. We also discussed with the auditors matters required to be discussed with audit committees under generally accepted auditing standards, including, among other things, matters related to the conduct of the audit of the Company's consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. The auditors provided to us the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and we discussed with them their independence from the Company. When considering Ernst & Young's independence, we considered whether their provision of services to the Company beyond those rendered in connection with their audit and review of the consolidated financial statements was compatible with maintaining their independence. We also reviewed, among other things, the amount of fees paid to Ernst & Young for audit, tax and non-audit services.

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities discussed in this report and in the Audit Committee Charter, we recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2005 be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of auditing or accounting, including in respect to auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of Range Resources Corporation's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Ernst & Young LLP is in fact "independent."

This report has been furnished by the members of the Audit Committee.

### Audit Fees

The Company's independent registered public accounting firm for 2005 and 2004 was Ernst & Young LLP. The fees billed to the Company by Ernst & Young LLP are shown in the table below. Such fees include Range's pro rata part of fees charged to Great Lakes Energy Partners LLC when Range only owned 50% of the joint venture prior to the acquisition of the full interest in June 2004.

	Year Ended December 31,	
	2005	2004

Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under "Audit Fees." These services include accounting consultations in connection with acquisitions, attest services that are not required by statute or regulation, and consultations concerning financial accounting and reporting standards.

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include tax assistance regarding federal and state compliance, tax audit defense, mergers and acquisitions.

All other fees consist of fees for products and services other than services reported above.

### Pre-Approval Policy and Procedures

The Audit Committee must give prior approval to any management request for any amount or type of service (audit, audit-related and tax services or to the extent permitted by law, non-audit services) the Company's independent auditor provides. All audit, audit-related and tax services rendered by Ernst & Young in 2005 were approved by the Audit Committee before Ernst & Young was engaged for such services. No services of any kind were approved pursuant to a waiver permitted pursuant to 17 CFR 210.2-01(c)(7)(i)(C). Consultation and approval of such services for 2005 occurred during the regularly scheduled meetings of the Audit Committee.

Pursuant to Rule 14a-4(c) of the Securities Exchange Act, the Board may exercise discretionary voting authority under proxies solicited by it with respect to any matter properly presented by a stockholder at the 2007 annual meeting that the stockholder does not seek to have included in the Company's proxy statement if (except as described in the following sentence) the proxy statement discloses the nature of the matter and how the Board intends to exercise its discretion to vote on such matter, unless the Company is notified of the proposal on or prior to December 21, 2006, and the stockholder satisfies the other requirements of Rule 14a-4(c)(2). If the Company first receives notice of such matter after December 21, 2006, and the matter nonetheless is permitted to be presented at the 2007 annual meeting, the Board may exercise discretionary voting authority with respect to any such matter without including any discussion of the matter in the proxy statement for the 2007 annual meeting. ### 3. **Administration.**

(a) Authority of the Committee. This Plan shall be administered by the Committee except to the extent the Board elects, in order to comply with Rule 16b-3 or for any other reason, to administer this Plan, in which case references herein to the “Committee” shall be deemed to include references to the “Board.” Subject to the express provisions of the Plan and Rule 16b-3, the Committee shall have the authority, in its sole and absolute discretion, to (i) adopt, amend, and rescind administrative and interpretive rules and regulations relating to the Plan; (ii) determine the Eligible Persons to whom, and the time or times at which, Awards shall be granted; (iii) determine the amount of cash and the number of shares of Stock, Stock Appreciation Rights, Phantom Stock Rights, or Restricted Stock Awards, or any combination thereof, that

shall be the subject of each Award; (iv) determine the terms and provisions of each Award agreement (which need not be identical), including provisions defining or otherwise relating to (A) the term and the period or periods and extent of exercisability of the Options, (B) the extent to which the transferability of shares of Stock issued or transferred pursuant to any Award is restricted, (C) the effect of termination of employment of a Participant on the Award, and (D) the effect of approved leaves of absence (consistent with any applicable regulations of the Internal Revenue Service); (v) accelerate the time of exercisability of any Option that has been granted; (vi) construe the respective Award agreements and the Plan; (vii) make determinations of the Fair Market Value of the Stock pursuant to the Plan; (viii) delegate its duties under the Plan to such agents as it may appoint from time to time, provided that the Committee may not delegate its duties with respect to making Awards to, or otherwise with respect to Awards granted to, Eligible Persons who are subject to section 16(b) of the Exchange Act or section 162(m) of the Code; (ix) subject to ratification by the Board, terminate, modify, or amend the Plan; and (x) make all other determinations, perform all other acts, and exercise all other powers and authority necessary or advisable for administering the Plan, including the delegation of those ministerial acts and responsibilities as the Committee deems appropriate. Subject to Rule 16b-3 and section 162(m) of the Code, the Committee may correct any defect, supply any omission, or reconcile any inconsistency in the Plan, in any Award, or in any Award agreement in the manner and to the extent it deems necessary or desirable to carry the Plan into effect, and the Committee shall be the sole and final judge of that necessity or desirability. The determinations of the Committee on the matters referred to in this Section 3(a) shall be final and conclusive.

(b) Manner of Exercise of Committee Authority. At any time that a member of the Committee is not a Qualified Member, any action of the Committee relating to an Award granted or to be granted to a Participant who is then subject to section 16 of the Exchange Act in respect of the Company, or relating to an Award intended by the Committee to qualify as “performance-based compensation” within the meaning of section 162(m) of the Code and regulations thereunder, may be taken either (i) by a subcommittee, designated by the Committee, composed solely of two or more Qualified Members, or (ii) by the Committee but with each such member who is not a Qualified Member abstaining or recusing himself or herself from such action; provided, however, that, upon such abstention or recusal, the Committee remains composed solely of two or more Qualified Members. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Qualified Member(s), shall be the action of the Committee for purposes of this Plan. Any action of the Committee shall be final, conclusive and binding on all persons, including the Company, its subsidiaries, stockholders, Participants, Beneficiaries, and transferees under Section 10(a) hereof or other persons claiming rights from or through a Participant. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers or managers of the Company or any Subsidiary, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions, including administrative functions, as the Committee may determine, to the extent that such delegation will not result in the loss of an exemption under Rule 16b-3(d)(1) for Awards granted to Participants subject to section 16 of the Exchange Act in respect of the Company and will not cause Awards intended to qualify as “performance-based compensation” under section 162(m) of the Code to fail to so qualify. The Committee may appoint agents to assist it in administering this Plan.

(c) Limitation of Liability. The Committee and each member thereof shall be entitled to, in good faith, rely or act upon any report or other information furnished to him or her by any officer or employee of the Company or a Subsidiary, the Company’s legal counsel, independent auditors, consultants or any other agents assisting in the administration of this Plan. Members of the Committee and any officer or employee of the Company or a Subsidiary acting at the direction or on behalf of the Committee shall not be personally liable for any action or determination taken or made in good faith with respect to this Plan, and shall, to the fullest extent permitted by law, be indemnified and held harmless by the Company with respect to any such action or determination.

#### 4. **Stock Subject to Plan.**

(a) Overall Number of Shares Available for Delivery. Subject to adjustment in a manner consistent with any adjustment made pursuant to Section 9, the total number of shares of Stock reserved and available for delivery in connection with Awards under this Plan shall not exceed the sum of (i) 1,125,000 shares (the “162(m) Covered Shares”), plus (ii) 13,875,000 shares of Stock, less (iii) the number of shares of Stock issued under the Range Resources Corporation 1999 Stock Option Plan (the “1999 Plan”) prior to the Effective Date and less the number of shares of Stock issuable pursuant to awards outstanding under the 1999 Plan as of the Effective Date, plus (iv) the number of shares that become available for delivery under the 1999 Plan after the Effective Date with respect to awards that lapse or are terminated and with respect to which shares are not issued.

(b) Application of Limitation to Grants of Awards. No Award may be granted if (i)(A) the number of shares of Stock to be delivered in connection with such Award or, (B) in the case of an Award relating to shares of Stock but settleable only in cash (such as cash-only SARs), the number of shares to which such Award relates exceeds (ii) the number of shares of Stock remaining available under this Plan minus the number of shares of Stock issuable in settlement of or relating to then-outstanding Awards. The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of shares of Stock actually delivered differs from the number of shares previously counted in connection with an Award.

(c) Availability of Shares Not Delivered under Awards. Shares of Stock subject to an Award under this Plan that expire or are canceled, forfeited, settled in cash or otherwise terminated without a delivery of shares to the Participant, including (i) the number of shares withheld in payment of any exercise or purchase price of an Award or taxes relating to Awards, and (ii) the number of shares surrendered in payment of any exercise or purchase price of an Award or taxes relating to any Award, will again be available for Awards under this Plan, except that if any such shares could not again be available for Awards to a particular Participant under any applicable law or regulation, such shares shall be available exclusively for Awards to Participants who are not subject to such limitation.

(d) Stock Offered. The shares to be delivered under the Plan shall be made available from (i) authorized but unissued shares of Stock, (ii) Stock held in the treasury of the Company, or (iii) previously issued shares of Stock reacquired by the Company, including shares purchased on the open market, in each situation as the Board or the Committee may determine from time to time at its sole option.

5. **Eligibility; Per Person Award Limitations.** Awards may be granted under this Plan only to Eligible Persons. In any 12-month period established by the Committee, during any part of which this Plan is in effect, a Covered Employee may not be granted Awards, with respect to the 162(m) Covered Shares, relating to more than 450,000 shares of Stock with respect to Stock-based Awards, subject to adjustment in a manner consistent with any adjustment made pursuant to Section 9, or \$2,500,000 with respect to Awards the value of which is not based on Stock.

## 6. **Specific Terms of Awards.**

(a) General. Awards may be granted on the terms and conditions set forth in this Section 6. In addition, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter (subject to Section 10(c)), such additional terms and conditions, not inconsistent with the provisions of this Plan, as the Committee shall determine, including terms requiring forfeiture of Awards in the event of termination of employment by the Participant and terms permitting a Participant to make elections relating to his or her Award. The Committee shall retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of an Award that is not mandatory under this Plan; provided, however, that the Committee shall not have any discretion to accelerate, waive or modify any term or condition of an Award that is intended to qualify as “performance-based compensation” for purposes of section 162(m) of the Code if such discretion would cause the Award to not so qualify. Except in cases in which the Committee is authorized to require other forms of consideration under this Plan, or to the extent other forms of consideration must be paid to satisfy the requirements of the Delaware General Corporation Law, no consideration other than services may be required for the grant (but not the exercise) of any Award.

(b) Options. The Committee is authorized to grant Options to Participants on the following terms and conditions:

(i) Exercise Price. Each Option agreement shall state the exercise price per share of Stock (the “Exercise Price”); provided, however, that the Exercise Price per share of Stock subject to an Incentive Stock Option shall not be less than the greater of (A) the par value per share of the Stock or (B) 100% of the Fair Market Value per share of the Stock on the date of grant of the Option or in the case of an individual who owns stock possessing more than 10 percent of the total combined voting power of all classes of stock of the Corporation or its parent or any Subsidiary 110% of the Fair Market Value per share of the Stock on the date of grant, and the exercise price per share of Stock subject to an Option other than an Incentive Stock Option shall not be less than the par value per share of the Stock (but may be less than the Fair Market Value of a share of the Stock on the date of grant).

(ii) Time and Method of Exercise. The Committee shall determine the time or times at which or the circumstances under which an Option may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the methods by which such exercise price may be paid or deemed to be paid, the form of such payment, including without limitation cash, Stock, other Awards or awards granted under other plans of the Company or any Subsidiary, or other property (including notes or other contractual obligations of Participants to make payment on a deferred basis), and the methods by or forms in which Stock will be delivered or deemed to be delivered to Participants, including, but not limited to, the delivery of Restricted Stock subject to Section 6(d). In the case of an exercise whereby the Exercise Price is paid with Stock, such Stock shall be valued as of the date of exercise.

(iii) ISOs. The terms of any ISO granted under this Plan shall comply in all respects with the provisions of section 422 of the Code. Anything in this Plan to the contrary notwithstanding, no term of this Plan relating to ISOs (including any SAR in tandem therewith) shall be interpreted, amended or altered, nor shall any discretion or authority granted under this Plan be exercised, so as to disqualify either this Plan or any ISO under section 422 of the Code, unless the Participant has first requested the change that will result in such disqualification. ISOs shall not be granted more than ten years after the earlier of the adoption of this Plan or the approval of this Plan by the Company's stockholders. Notwithstanding the foregoing, the Fair Market Value of shares of Stock subject to an ISO and the aggregate Fair Market Value of shares of stock of any parent or Subsidiary corporation (within the meaning of sections 424(e) and (f) of the Code) subject to any other incentive stock option (within the meaning of section 422 of the Code) of the Company or a parent or Subsidiary corporation (within the meaning of sections 424(e) and (f) of the Code) that first becomes purchasable by a Participant in any calendar year may not (with respect to that Participant) exceed \$100,000, or such other amount as may be prescribed under section 422 of the Code or applicable regulations or rulings from time to time. As used in the previous sentence, Fair Market Value shall be determined as of the date the incentive stock options is granted. Failure to comply with this provision shall not impair the enforceability or exercisability of any Option, but shall cause the excess amount of shares to be reclassified in accordance with the Code.

(c) Stock Appreciation Rights. The Committee is authorized to grant SARs to Participants on the following terms and conditions:

(i) Right to Payment. An SAR shall confer on the Participant to whom it is granted a right to receive, upon exercise or settlement thereof, the excess of (A) the Fair Market Value of one share of Stock on the date of exercise or settlement (or, in the case of a "Limited SAR," the Fair Market Value determined by reference to the Change in Control Price, as defined under Section 2(h) hereof) over (B) the grant price of the SAR as determined by the Committee.

(ii) Rights Related to Options. A Stock Appreciation Right granted pursuant to an Option shall entitle a Participant, upon exercise or settlement, to surrender that Option or any portion thereof, to the extent unexercised, and to receive payment of an amount computed pursuant to Subsection 6(c)(ii)(B). That Option shall then cease to be exercisable or settleable to the extent surrendered. Stock Appreciation Rights granted in connection with an Option shall be subject to the terms of the Award agreement governing the Option, which shall comply with the following provisions in addition to those applicable to Options:

(A) A Stock Appreciation Right granted in connection with an Option shall be exercisable or settleable only at such time or times and only to the extent that the related Option is exercisable and shall not be transferable except to the extent that the related Option is transferable.

(B) Upon the exercise or settlement of a Stock Appreciation Right related to an Option, a Participant shall be entitled to receive payment from the Company of an amount determined by multiplying:

(1) the difference obtained by subtracting the exercise price of a share of Stock specified in the related Option from the Fair Market Value of a share of Stock on the date of exercise or settlement of the Stock Appreciation Right, by

(2) the number of shares as to which that Stock Appreciation Right has been exercised or settled.

(iii) Right Without Option. A Stock Appreciation Right granted independent of an Option shall be exercisable or settleable as determined by the Committee and set forth in the Award agreement governing the Stock Appreciation Right, which Award agreement shall comply with the following provisions:

(A) Each Award agreement shall state the total number of shares of Stock to which the Stock Appreciation Right relates.

(B) Each Award agreement shall state the time the Stock Appreciation Right will be settled or the time or periods in which the right to exercise the Stock Appreciation Right or a portion thereof shall vest and the number of shares of Stock for which the right to exercise the Stock Appreciation Right shall vest at each such time or period.

(C) Each Award agreement shall state the date at which the Stock Appreciation Rights shall expire if not previously exercised or settled.

(D) Each Stock Appreciation Right shall entitle a participant, upon exercise or settlement thereof, to receive payment of an amount determined by multiplying:

(1) the difference obtained by subtracting the Fair Market Value of a share of Stock on the date of grant of the Stock Appreciation Right from the Fair Market Value of a share of Stock on the date of exercise or settlement of that Stock Appreciation Right, by

(2) the number of shares as to which the Stock Appreciation Right has been exercised or settled.

(iv) Terms. The Committee shall determine at the date of grant or thereafter, the time or times at which and the circumstances under which an SAR may be exercised or settled in whole or in part (including based on achievement of performance goals and/or future service requirements), the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which Stock will be delivered or deemed to be delivered to Participants, whether or not an SAR shall be in tandem or in combination with any other Award, and any other terms and conditions of any SAR. Limited SARs that may only be exercised or settled in connection with a Change in Control or other event as specified by the Committee may be granted on such terms, not inconsistent with this Section 6(c), as the Committee may determine. SARs and Limited SARs may be either freestanding or in tandem with other Awards.

(d) Restricted Stock. The Committee is authorized to grant Restricted Stock to Participants on the following terms and conditions:

(i) Grant and Restrictions. Restricted Stock shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, which restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise, as the Committee may determine at the date of grant or thereafter. Except to the extent restricted under the terms of this Plan and any Award agreement relating to the Restricted Stock, a Participant granted Restricted Stock shall have all of the rights of a stockholder, including the right to vote the Restricted Stock and the right to receive dividends thereon (subject to any mandatory reinvestment or other requirement imposed by the Committee). During the restricted period applicable to the Restricted Stock, the Restricted Stock may not be sold, transferred, pledged, hypothecated, margined or otherwise encumbered by the Participant.

(ii) Forfeiture. Except as otherwise determined by the Committee, upon termination of employment during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited and reacquired by the Company; provided that the Committee may provide, by rule or regulation or in any Award agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock.

(iii) Certificates for Stock. Restricted Stock granted under this Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, the Committee may require that such certificates bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock, that the Company retain physical possession of the certificates, and that the Participant deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock.

(iv) Dividends and Splits. As a condition to the grant of an Award of Restricted Stock, the Committee may require or permit a Participant to elect that any cash dividends paid on a share of Restricted Stock be automatically reinvested in additional shares of Restricted Stock or applied to the purchase of additional Awards under this Plan. Unless otherwise determined by the Committee, Stock distributed in connection with a Stock split or Stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.

(e) Phantom Stock. The Committee is authorized to grant Phantom Stock to Participants, which are rights to receive Stock, cash, or a combination thereof at the end of a specified deferral period, subject to the following terms and conditions:

(i) Award and Restrictions. Satisfaction of an Award of Phantom Stock shall occur upon expiration of the deferral period specified for such Phantom Stock by the Committee (or, if permitted by the Committee, as elected by the Participant). In addition, Phantom Stock shall be subject to such restrictions (which may include a risk of forfeiture) as the Committee may impose, if any, which restrictions may lapse at the expiration of the deferral period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, as the Committee may determine. Phantom Stock may be satisfied by delivery of Stock, cash equal to the Fair Market Value of the specified number of shares of Stock covered by the Phantom Stock, or a combination thereof, as determined by the Committee at the date of grant or thereafter.

(ii) Forfeiture. Except as otherwise determined by the Committee, upon termination of employment during the applicable deferral period or portion thereof to which forfeiture conditions apply (as provided in the Award agreement evidencing the Phantom Stock), all Phantom Stock that is at that time subject to deferral (other than a deferral at the election of the Participant) shall be forfeited; provided that the Committee may provide, by rule or regulation or in any Award agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Phantom Stock shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Phantom Stock.

(iii) Dividend Equivalents. Unless otherwise determined by the Committee at date of grant, Dividend Equivalents on the specified number of shares of Stock covered by an Award of Phantom Stock shall be either (A) paid with respect to such Phantom Stock on the dividend payment date in cash or in shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends, or (B) deferred with respect to such Phantom Stock and the amount or value thereof automatically deemed reinvested in additional Phantom Stock, other Awards or other investment vehicles, as the Committee shall determine or permit the Participant to elect.

(f) Bonus Stock and Awards in Lieu of Obligations. The Committee is authorized to grant Stock as a bonus, or to grant Stock or other Awards in lieu of obligations to pay cash or deliver other property under this Plan or under other plans or compensatory arrangements, provided that, in the case of Participants subject to section 16 of the Exchange Act, the amount of such grants remains within the discretion of the Committee to the extent necessary to ensure that acquisitions of Stock or other Awards are exempt from liability under section 16(b) of the Exchange Act. Stock or Awards granted hereunder shall be subject to such other terms as shall be determined by the Committee. In the case of any grant of Stock to an officer of the Company or a Subsidiary in lieu of salary or other cash compensation, the number of shares granted in place of such compensation shall be reasonable, as determined by the Committee.

(g) Dividend Equivalents. The Committee is authorized to grant Dividend Equivalents to a Participant, entitling the Participant to receive cash, Stock, other Awards, or other property equal in value to dividends paid with respect to a specified number of shares of Stock, or other periodic payments. Dividend Equivalents may be awarded on

a free-standing basis or in connection with another Award. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Stock, Awards, or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may specify.

(h) Other Awards. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Stock, as deemed by the Committee to be consistent with the purposes of this Plan, including without limitation convertible or exchangeable debt securities, other rights convertible or exchangeable into Stock, purchase rights for Stock, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee, and Awards valued by reference to the book value of Stock or the value of securities or the performance of specified subsidiaries. The Committee shall determine the terms and conditions of such Awards. Stock delivered pursuant to an Award in the nature of a purchase right granted under this Section 6(h) shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash, Stock, other Awards, or other property, as the Committee shall determine. Cash awards, as an element of or supplement to any other Award under this Plan, may also be granted pursuant to this Section 6(h). In addition, the Committee may grant Performance Awards and Annual Incentive Awards pursuant to Section 8 hereof that are not necessarily denominated, payable, or valued in or otherwise related to Stock.

## 7. **Certain Provisions Applicable to Awards.**

(a) Stand-Alone, Additional, Tandem, and Substitute Awards. Awards granted under this Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Subsidiary, or any business entity to be acquired by the Company or a Subsidiary, or any other right of a Participant to receive payment from the Company or any Subsidiary; provided, however, the Committee shall not grant Options with reload features. Such additional, tandem and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award, the Committee shall require the surrender of such other Award in consideration for the grant of the new Award. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Subsidiary, in which the value of Stock subject to the Award is equivalent in value to the cash compensation (for example, Phantom Stock or Restricted Stock), or in which the exercise price, grant price or purchase price of the Award in the nature of a right that may be exercised is equal to the Fair Market Value of the underlying Stock minus the value of the cash compensation surrendered (for example, Options granted with an exercise price “discounted” by the amount of the cash compensation surrendered).

(b) Term of Awards. The term of each Award shall be for such period as may be determined by the Committee; provided that in no event shall the term of any Option or SAR exceed a period of ten years (or such shorter term as may be required in respect of an ISO under section 422 of the Code).

(c) Form and Timing of Payment under Awards; Deferrals. Subject to the terms of this Plan and any applicable Award agreement, payments to be made by the Company or a Subsidiary upon the exercise of an Option or other Award or settlement of an Award may be made in such forms as the Committee shall determine, including without limitation cash, Stock, other Awards or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. The settlement of any Award may be accelerated, and cash paid in lieu of Stock in connection with such settlement, in the discretion of the Committee or upon occurrence of one or more specified events (in addition to a Change in Control). Installment or deferred payments may be required by the Committee (subject to Section 10(c) of this Plan, including the consent provisions thereof in the case of any deferral of an outstanding Award not provided for in the original Award agreement) or permitted at the election of the Participant on terms and conditions established by the Committee. Payments may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents or other amounts in respect of installment or deferred payments denominated in Stock. Any such deferral shall only be allowed as is provided in a separate deferred compensation plan adopted by the Company. This Plan shall not constitute an “employee benefit plan” for purposes of section 3(3) of the Employee Retirement Income Security Act of 1974, as amended.

(d) Exemptions from Section 16(b) Liability. It is the intent of the Company that the grant of any Awards to or other transaction by a Participant who is subject to section 16 of the Exchange Act shall be exempt from section 16 pursuant to an applicable exemption (except for transactions acknowledged in writing to be non-exempt by such Participant). Accordingly, if any provision of this Plan or any Award agreement does not comply with the requirements of

Rule 16b-3 as then applicable to any such transaction, such provision shall be construed or deemed amended to the extent necessary to conform to the applicable requirements of Rule 16b-3 so that such Participant shall avoid liability under section 16(b).

(e) Non-Competition Agreement. Each Participant to whom an Award is granted under this Plan may be required to agree in writing as a condition to the granting of such Award not to engage in conduct in competition with the Company or any of its subsidiaries for a period after the termination of such Participant's employment with the Company and its subsidiaries as determined by the Committee.

## 8. **Performance and Annual Incentive Awards.**

(a) Performance Conditions. The right of a Participant to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may exercise its discretion to reduce or increase the amounts payable under any Award subject to performance conditions, except as limited under Sections 8(b) and 8(c) hereof in the case of a Performance Award or Annual Incentive Award intended to qualify under section 162(m) of the Code.

(b) Performance Awards Granted to Designated Covered Employees. If the Committee determines that a Performance Award to be granted to an Eligible Person who is designated by the Committee as likely to be a Covered Employee should qualify as "performance-based compensation" for purposes of section 162(m) of the Code, the grant, exercise and/or settlement of such Performance Award may be contingent upon achievement of preestablished performance goals and other terms set forth in this Section 8(b).

(i) Performance Goals Generally. The performance goals for such Performance Awards shall consist of one or more business criteria or individual performance criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 8(b). Performance goals shall be objective and shall otherwise meet the requirements of section 162(m) of the Code and regulations thereunder (including Treasury Regulation §1.162-27 and successor regulations thereto), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being "substantially uncertain." The Committee may determine that such Performance Awards shall be granted, exercised, and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

### (ii) Business and Individual Performance Criteria.

(A) Business Criteria. One or more of the following business criteria for the Company, on a consolidated basis, and/or for specified subsidiaries or business or geographical units of the Company (except with respect to the total stockholder return and earnings per share criteria), shall be used by the Committee in establishing performance goals for such Performance Awards: (1) earnings per share; (2) increase in revenues; (3) increase in cash flow; (4) increase in cash flow return; (5) return on net assets, return on assets, return on investment, return on capital, or return on equity; (6) economic value added; (7) operating margin or contribution margin; (8) net income; net income per share; pretax earnings; pretax earnings before interest, depreciation and amortization and exploration expense; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; or operating income; (9) total stockholder return; (10) debt reduction; (11) finding and development costs; (12) production growth; or production growth per share; (13) cash flow; or cash flow per share; (14) reserve replacement; and (15) any of the above goals determined on an absolute or relative basis or as compared to the performance of a published or special index deemed applicable by the Committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of comparable companies. One or more of the foregoing business criteria shall also be exclusively used in establishing performance goals for Annual Incentive Awards granted to a Covered Employee under Section 8(c) hereof.

(B) Individual Performance Criteria. The grant, exercise and/or settlement of Performance Awards may also be contingent upon individual performance goals established by the Committee. If

required for compliance with section 162(m) of the Code, such criteria shall be approved by the stockholders of the Company.

(iii) Performance Period; Timing for Establishing Performance Goals. Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period of up to ten years, as specified by the Committee. Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance Awards, or at such other date as may be required or permitted for “performance-based compensation” under section 162(m) of the Code.

(iv) Performance Award Pool. The Committee may establish a Performance Award pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Performance Awards. The amount of such Performance Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the criteria set forth in Section 8(b)(ii) hereof during the given performance period, as specified by the Committee in accordance with Section 8(b)(iii) hereof. The Committee may specify the amount of the Performance Award pool as a percentage of any of such criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such criteria.

(v) Settlement of Performance Awards; Other Terms. After the end of each performance period, the Committee shall determine the amount, if any, of (A) the Performance Award pool, and the maximum amount of potential Performance Award payable to each Participant in the Performance Award pool, or (B) the amount of potential Performance Award otherwise payable to each Participant. Settlement of such Performance Awards shall be in cash, Stock, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Performance Award subject to this Section 8(b). The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of employment by the Participant prior to the end of a performance period or settlement of Performance Awards.

(c) Annual Incentive Awards Granted to Designated Covered Employees. If the Committee determines that an Annual Incentive Award to be granted to an Eligible Person who is designated by the Committee as likely to be a Covered Employee should qualify as “performance-based compensation” for purposes of section 162(m) of the Code, the grant, exercise and/or settlement of such Annual Incentive Award shall be contingent upon achievement of preestablished performance goals and other terms set forth in this Section 8(c).

(i) Annual Incentive Award Pool. The Committee may establish an Annual Incentive Award pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Annual Incentive Awards. The amount of such Annual Incentive Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 8(b)(ii) hereof during the given performance period, as specified by the Committee in accordance with Section 8(b)(iii) hereof. The Committee may specify the amount of the Annual Incentive Award pool as a percentage of any of such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria.

(ii) Potential Annual Incentive Awards. Not later than the end of the 90th day of each fiscal year, or at such other date as may be required or permitted in the case of Awards intended to be “performance-based compensation” under section 162(m) of the Code, the Committee shall determine the Eligible Persons who will potentially receive Annual Incentive Awards, and the amounts potentially payable thereunder, for that fiscal year, either out of an Annual Incentive Award pool established by such date under Section 8(c)(i) hereof or as individual Annual Incentive Awards. In the case of individual Annual Incentive Awards intended to qualify under section 162(m) of the Code, the amount potentially payable shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 8(b)(ii) hereof in the given performance year, as specified by the Committee; in other cases, such amount shall be based on such criteria as shall be established by the Committee. In all cases, the maximum Annual Incentive Award of any Participant shall be subject to the limitation set forth in Section 5 hereof.

(iii) Payout of Annual Incentive Awards. After the end of each fiscal year, the Committee shall determine the amount, if any, of (A) the Annual Incentive Award pool, and the maximum amount of potential Annual Incentive Award payable to each Participant in the Annual Incentive Award pool, or (B) the amount of potential Annual Incentive Award otherwise payable to each Participant. The Committee may, in its discretion, determine that the amount payable to any Participant as a final Annual Incentive Award shall be increased or reduced from the amount of his or her potential Annual Incentive Award, including a determination to make no final Award whatsoever, but may not exercise discretion to increase any such amount in the case of an Annual Incentive Award intended to qualify under section 162(m) of the Code. The Committee shall specify the circumstances in which an Annual Incentive Award shall be paid or forfeited in the event of termination of employment by the Participant prior to the end of a fiscal year or settlement of such Annual Incentive Award.

(d) Written Determinations. All determinations by the Committee as to the establishment of performance goals, the amount of any Performance Award pool or potential individual Performance Awards and as to the achievement of performance goals relating to Performance Awards under Section 8(b), and the amount of any Annual Incentive Award pool or potential individual Annual Incentive Awards and the amount of final Annual Incentive Awards under Section 8(c), shall be made in writing in the case of any Award intended to qualify under section 162(m) of the Code. The Committee may not delegate any responsibility relating to such Performance Awards or Annual Incentive Awards.

(e) Status of Section 8(b) and Section 8(c) Awards under Section 162(m) of the Code. It is the intent of the Company that Performance Awards and Annual Incentive Awards under Sections 8(b) and 8(c) hereof granted to persons who are designated by the Committee as likely to be Covered Employees within the meaning of section 162(m) of the Code and regulations thereunder (including Treasury Regulation §1.162-27 and successor regulations thereto) shall, if so designated by the Committee, constitute “performance-based compensation” within the meaning of section 162(m) of the Code and regulations thereunder. Accordingly, the terms of Sections 8(b), (c), (d) and (e), including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with section 162(m) of the Code and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards or an Annual Incentive Award, who is likely to be a Covered Employee with respect to that fiscal year. If any provision of this Plan as in effect on the date of adoption or any agreements relating to Performance Awards or Annual Incentive Awards that are designated as intended to comply with section 162(m) of the Code does not comply or is inconsistent with the requirements of section 162(m) of the Code or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

## 9. **Recapitalization or Reorganization.**

(a) Existence of Plans and Awards. The existence of this Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, any merger or consolidation of the Company, any issue of debt or equity securities ahead of or affecting Stock or the rights thereof, the dissolution or liquidation of the Company or any sale, lease, exchange or other disposition of all or any part of its assets or business or any other corporate act or proceeding.

(b) Subdivision or Consolidation of Shares. The terms of an Award and the number of shares of Stock authorized pursuant to Section 4 for issuance under the Plan shall be subject to adjustment from time to time, in accordance with the following provisions:

(i) If at any time, or from time to time, the Company shall subdivide as a whole (by reclassification, by a Stock split, by the issuance of a distribution on Stock payable in Stock, or otherwise) the number of shares of Stock then outstanding into a greater number of shares of Stock, then (A) the maximum number of shares of Stock available for the Plan as provided in Section 4 shall be increased proportionately, and the kind of shares or other securities available for the Plan shall be appropriately adjusted, (B) the number of shares of Stock (or other kind of shares or securities) that may be acquired under any Award shall be increased proportionately, and (C) the price (including the exercise price) for each share of Stock (or other kind of shares or securities) subject to then outstanding Awards shall be reduced proportionately, without changing the aggregate purchase price or value as to which outstanding Awards remain exercisable or subject to restrictions.

(ii) If at any time, or from time to time, the Company shall consolidate as a whole (by reclassification, reverse Stock split, or otherwise) the number of shares of Stock then outstanding into a lesser number of shares of Stock, (A) the maximum number of shares of Stock available for the Plan as provided in Section 4 shall be decreased proportionately, and the kind of shares or other securities available for the Plan shall be appropriately adjusted, (B) the number of shares of Stock (or other kind of shares or securities) that may be acquired under any Award shall be decreased proportionately, and (C) the price (including the exercise price) for each share of Stock (or other kind of shares or securities) subject to then outstanding Awards shall be increased proportionately, without changing the aggregate purchase price or value as to which outstanding Awards remain exercisable or subject to restrictions.

(iii) Whenever the number of shares of Stock subject to outstanding Awards and the price for each share of Stock subject to outstanding Awards are required to be adjusted as provided in this Section 9(b), the Committee shall promptly prepare a notice setting forth, in reasonable detail, the event requiring adjustment, the amount of the adjustment, the method by which such adjustment was calculated, and the change in price and the number of shares of Stock, other securities, cash, or property purchasable subject to each Award after giving effect to the adjustments. The Committee shall promptly give each Participant such a notice.

(iv) Adjustments under Subsections 9(b)(i) and (ii) shall be made by the Committee, and its determination as to what adjustments shall be made and the extent thereof shall be final, binding, and conclusive. No fractional interest shall be issued under the Plan on account of any such adjustments.

(c) Corporate Restructuring. If the Company recapitalizes, reclassifies its capital stock, or otherwise changes its capital structure (a “recapitalization”), the number and class of shares of Stock covered by an Option theretofore granted shall be adjusted so that such Option shall thereafter cover the number and class of shares of stock and securities to which the holder would have been entitled pursuant to the terms of the recapitalization if, immediately prior to the recapitalization, the holder had been the holder of record of the number of shares of Stock then covered by such Option and the share limitations provided in Sections 4 and 5 shall be adjusted in a manner consistent with the recapitalization. Upon a Change in Control the Committee, acting in its sole discretion without the consent or approval of any holder, shall effect one or more of the following alternatives, which may vary among individual holders and which may vary among Options held by any individual holder: (1) accelerate the time at which Options then outstanding may be exercised so that such Options may be exercised in full for a limited period of time on or before a specified date (before or after such Change in Control) fixed by the Committee, after which specified date all unexercised Options and all rights of holders thereunder shall terminate, (2) require the mandatory surrender to the Company by selected holders of some or all of the outstanding Options held by such holders (irrespective of whether such Options are then exercisable under the provisions of this Plan) as of a date, before or after such Change in Control, specified by the Committee, in which event the Committee shall thereupon cancel such Options and pay to each holder an amount of cash per share equal to the excess, if any, of the amount calculated in Section 9(d) (the “Change in Control Price”) of the shares subject to such Option over the exercise price(s) under such Options for such shares, (3) provide that the number and class of shares of Stock covered by an Award theretofore granted shall be adjusted so that such Award shall thereafter cover the number and class of shares of Stock or other securities or property (including, without limitation, cash) to which the holder would have been entitled pursuant to the terms of the agreement of merger, consolidation, sale of assets, or dissolution, if the holder had been the holder of record of the number of shares of Stock covered by the Award, or (4) make such adjustments to Options then outstanding as the Committee deems appropriate to reflect such Change in Control (provided, however, that the Committee may determine in its sole discretion that no adjustment is necessary to Options then outstanding).

(d) Change in Control Price. The “Change in Control Price” shall equal the amount determined in clause (i), (ii), (iii), (iv) or (v), whichever is applicable, as follows: (i) the per share price offered to holders of the same class of Stock of the Company in any merger or consolidation, (ii) the per share value of the Stock immediately before the Change in Control (without regard to assets sold in the Change in Control and assuming the Company has received the consideration paid for the assets) in the case of a sale of the assets, (iii) the amount distributed per share of Stock in a dissolution transaction, (iv) the price per share offered to holders of the same class of Stock of the Company in any tender offer or exchange offer whereby a Change in Control takes place, or (v) if such Change in Control occurs other than pursuant to a tender or exchange offer, the fair market value per share of the shares into which such Options being surrendered are exercisable, as determined by the Committee as of the date determined by the Committee to be the date of cancellation and surrender of such Options. In the event that the consideration offered to stockholders of the Company in any transaction described in this Section 9(d) or Section 9(c) above consists of anything other than cash, the Committee shall determine the fair cash equivalent of the portion of the consideration offered which is other than cash.

(e) Non-Option Awards. In the event of changes in the outstanding Stock by reason of recapitalization, reorganizations, mergers, consolidations, combinations, exchanges or other relevant changes in capitalization occurring after the date of the grant of any Award and not otherwise provided for by this Section 9, any outstanding Awards and any agreements evidencing such Awards shall be subject to adjustment by the Committee at its discretion as to the number and price of shares of Stock or other consideration subject to such Awards. In the event of any such change in the outstanding Stock, the aggregate number of shares available under this Plan may be appropriately adjusted by the Committee, whose determination shall be conclusive.

(f) Additional Issuances. Except as hereinbefore expressly provided, the issuance by the Company of shares of stock of any class or securities convertible into shares of stock of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to Awards theretofore granted or the purchase price per share, if applicable.

(g) Restricted Stock Awards. Plan provisions to the contrary notwithstanding, with respect to any Restricted Stock Awards outstanding at the time a Change in Control as described in Section 2(g) occurs, the Committee may, in its discretion and as of a date determined by the Committee, fully vest any or all Stock awarded to the holder pursuant to such Restricted Stock Award and then outstanding and, upon such vesting, all restrictions applicable to such Restricted Stock Award shall terminate as of such date. Any action by the Committee pursuant to this Section 9(g) may vary among individual holders and may vary among the Restricted Stock Awards held by any individual holder.

## 10. **General Provisions.**

### (a) Transferability.

(i) Permitted Transferees. The Committee may, in its discretion, permit a Participant to transfer all or any portion of an Option, Stock Appreciation Right, Phantom Stock Award or Restricted Stock Award (if such Restricted Stock Award does not require the transfer of consideration by the Participant or the holder other than usual and customary service) after the Company's initial registration of the Stock under section 12(b) or 12(g) of the Exchange Act, or authorize all or a portion of such Awards to be granted to an Eligible Person to be on terms which permit transfer by such Participant; provided that, in either case the transferee or transferees must be any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, in each case with respect to the Participant, any person sharing the Participant's household (other than a tenant or employee of the Company), a trust in which these persons have more than fifty percent of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty percent of the voting interests (collectively, "Permitted Transferees"); provided further that, (X) there may be no consideration for any such transfer and (Y) subsequent transfers of Awards transferred as provided above shall be prohibited except subsequent transfers back to the original holder of the Award and transfers to other Permitted Transferees of the original holder. Agreements evidencing Awards with respect to which such transferability is authorized at the time of grant must be approved by the Committee, and must expressly provide for transferability in a manner consistent with this Subsection 10(a)(i).

(ii) Qualified Domestic Relations Orders. An Option, Stock Appreciation Right, Phantom Stock Award or Restricted Stock Award (if such Restricted Stock Award does not require the transfer of consideration by the Participant or the holder other than usual and customary service) after the Company's initial registration of the Stock under section 12(b) or 12(g) of the Exchange Act, may be transferred, to a Permitted Transferee, pursuant to a domestic relations order entered or approved by a court of competent jurisdiction upon delivery to the Company of written notice of such transfer and a certified copy of such order.

(iii) Other Transfers. Except as expressly permitted by Subsections 10(a)(i) and 10(a)(ii), Awards shall not be transferable other than by will or the laws of descent and distribution except that in the Committee's discretion a Stock Appreciation Right, Phantom Stock Award (if such Stock Appreciation Right or Phantom Stock Award is not exercisable for Stock and not subject to the Participant's or holder's discretion as to the timing or method of payment) or Restricted Stock Award (if such Restricted Stock Award does not require the

transfer of consideration by the Participant or the holder other than usual and customary service) may be transferable, however, not for consideration. Notwithstanding anything to the contrary in this Section 10, an Incentive Stock Option shall not be transferable other than by will or the laws of descent and distribution.

(iv) Effect of Transfer. Following the transfer of any Award as contemplated by Subsections 10(a)(i), 10(a)(ii) and 10(a)(iii), (A) such Award shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, provided that the term “Participant” shall be deemed to refer to the Permitted Transferee, the recipient under a qualified domestic relations order, the estate or heirs of a deceased Participant, or other transferee, as applicable, to the extent appropriate to enable the Participant to exercise the transferred Award in accordance with the terms of this Plan and applicable law and (B) the provisions of the Award relating to exercisability hereof shall continue to be applied with respect to the original Participant and, following the occurrence of any such events described therein the Awards shall be exercisable by the Permitted Transferee, the recipient under a qualified domestic relations order, the estate or heirs of a deceased Participant, or other transferee, as applicable, only to the extent and for the periods that would have been applicable in the absence of the transfer.

(v) Procedures and Restrictions. Any Participant desiring to transfer an Award as permitted under Subsections 10(a)(i), 10(a)(ii) or 10(a)(iii) shall make application therefor in the manner and time specified by the Committee and shall comply with such other requirements as the Committee may require to assure compliance with all applicable securities laws. The Committee shall not give permission for such a transfer if (A) it would give rise to short-swing liability under section 16(b) of the Exchange Act or (B) it may not be made in compliance with all applicable federal, state and foreign securities laws.

(vi) Registration. To the extent the issuance to any Permitted Transferee of any shares of Stock issuable pursuant to Awards transferred as permitted in this Section 10(a) is not registered pursuant to the effective registration statement of the Company generally covering the shares to be issued pursuant to this Plan to initial holders of Awards, the Company shall not have any obligation to register the issuance of any such shares of Stock to any such transferee.

(b) Taxes. The Company and any Subsidiary is authorized to withhold from any Award granted, or any payment relating to an Award under this Plan, including from a distribution of Stock, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Stock or other property and to make cash payments in respect thereof in satisfaction of a Participant’s tax obligations, either on a mandatory or elective basis in the discretion of the Committee.

(c) Changes to this Plan and Awards. The Board may amend, alter, suspend, discontinue or terminate this Plan or the Committee’s authority to grant Awards under this Plan without the consent of stockholders or Participants, except that any amendment or alteration to this Plan, including any increase in any share limitation, shall be subject to the approval of the Company’s stockholders not later than the annual meeting next following such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Stock may then be listed or quoted, and the Board may otherwise, in its discretion, determine to submit other such changes to this Plan to stockholders for approval; provided that, without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under any previously granted and outstanding Award. The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate any Award theretofore granted and any Award agreement relating thereto, except as otherwise provided in this Plan; provided that, without the consent of an affected Participant, no such Committee action may materially and adversely affect the rights of such Participant under such Award. In no event may the Board or the Committee make any alteration to or amendment of an Award or provide for the exchange of any Awards that, in either case, would constitute the repricing of Options for purposes of the rules of the New York Stock Exchange.

(d) Limitation on Rights Conferred Under Plan. Neither this Plan nor any action taken hereunder shall be construed as (i) giving any Eligible Person or Participant the right to continue as an Eligible Person or Participant or in the employ or service of the Company or a Subsidiary, (ii) interfering in any way with the right of the Company or a Subsidiary to terminate any Eligible Person’s or Participant’s employment or service at any time, (iii) giving an Eligible Person or Participant any claim to be granted any Award under this Plan or to be treated uniformly with other Participants

and employees, or (iv) conferring on a Participant any of the rights of a stockholder of the Company unless and until the Participant is duly issued or transferred shares of Stock in accordance with the terms of an Award.

(e) Unfunded Status of Awards. This Plan is intended to constitute an “unfunded” plan for certain incentive awards.

(f) Nonexclusivity of this Plan. Neither the adoption of this Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive arrangements as it may deem desirable, including incentive arrangements and awards which do not qualify under section 162(m) of the Code. Nothing contained in this Plan shall be construed to prevent the Company or any Subsidiary from taking any corporate action which is deemed by the Company or such Subsidiary to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award made under this Plan. No employee, beneficiary or other person shall have any claim against the Company or any Subsidiary as a result of any such action.

(g) Payments in the Event of Forfeitures; Fractional Shares. Unless otherwise determined by the Committee, in the event of a forfeiture of an Award with respect to which a Participant paid cash or other consideration to the Company in exchange for such Award, the Participant shall be repaid the amount of such cash or other consideration. No fractional shares of Stock shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(h) Severability. If any provision of this Plan is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions hereof, but such provision shall be fully severable and the Plan shall be construed and enforced as if the illegal or invalid provision had never been included herein. If any of the terms or provisions of this Plan or any Award agreement conflict with the requirements of Rule 16b-3 (as those terms or provisions are applied to Eligible Persons who are subject to section 16(b) of the Exchange Act) or section 422 of the Code (with respect to Incentive Stock Options), then those conflicting terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of Rule 16b-3 (unless the Board or the Committee, as appropriate, has expressly determined that the Plan or such Award should not comply with Rule 16b-3) or section 422 of the Code. With respect to Incentive Stock Options, if this Plan does not contain any provision required to be included herein under section 422 of the Code, that provision shall be deemed to be incorporated herein with the same force and effect as if that provision had been set out at length herein; provided, further, that, to the extent any Option that is intended to qualify as an Incentive Stock Option cannot so qualify, that Option (to that extent) shall be deemed an Option not subject to section 422 of the Code for all purposes of the Plan.

(i) Governing Law. All questions arising with respect to the provisions of the Plan and Awards shall be determined by application of the laws of the State of Texas, without giving effect to any conflict of law provisions thereof, except to the extent Texas law is preempted by federal law. The obligation of the Company to sell and deliver Stock hereunder is subject to applicable federal and state laws and to the approval of any governmental authority required in connection with the authorization, issuance, sale, or delivery of such Stock.

(j) Conditions to Delivery of Stock. Nothing herein or in any Award granted hereunder or any Award agreement shall require the Company to issue any shares with respect to any Award if that issuance would, in the opinion of counsel for the Company, constitute a violation of the Securities Act or any similar or superseding statute or statutes, any other applicable statute or regulation, or the rules of any applicable securities exchange or securities association, as then in effect. At the time of any exercise of an Option or Stock Appreciation Right, or at the time of any grant of a Restricted Stock Award, the Company may, as a condition precedent to the exercise of such Option or Stock Appreciation Right or vesting of any Restricted Stock Award, require from the Participant (or in the event of his death, his legal representatives, heirs, legatees, or distributees) such written representations, if any, concerning the holder’s intentions with regard to the retention or disposition of the shares of Stock being acquired pursuant to the Award and such written covenants and agreements, if any, as to the manner of disposal of such shares as, in the opinion of counsel to the Company, may be necessary to ensure that any disposition by that holder (or in the event of the holder’s death, his legal representatives, heirs, legatees, or distributees) will not involve a violation of the Securities Act or any similar or superseding statute or statutes, any other applicable state or federal statute or regulation, or any rule of any applicable securities exchange or securities association, as then in effect. No Option or Stock Appreciation Right shall be exercisable and no restriction on any Restricted Stock Award shall lapse with respect to a Participant unless and until the holder thereof shall have paid cash or

property to, or performed services for, the Company or any of its Subsidiaries that the Committee believes is equal to or greater in value than the par value of the Stock subject to such Award.

(k) Plan Effective Date and Stockholder Approval. This Plan was adopted by the Board on March 28, 2005 and became effective upon approval by the stockholders of the Company at the annual meeting occurring May 18, 2005.
