**FOR IMMEDIATE RELEASE**

**CAROLINA GROUP REPORTS NET INCOME**  
**FOR THE THIRD QUARTER OF 2006**

NEW YORK, October 31, 2006—Loews Corporation (NYSE:LTR) today reported Carolina Group net income for the 2006 third quarter of \$202.9 million, compared to \$172.0 million in the 2005 third quarter. Net income attributable to Carolina Group stock (NYSE:CG) for the third quarter of 2006 was \$117.9 million, or \$1.17 per share of Carolina Group stock, compared to \$67.5 million, or \$0.99 per share in the comparable period of the prior year.

The increase in net income attributable to Carolina Group stock for the third quarter of 2006, as compared to the corresponding period of the prior year, is primarily due to increased unit sales and reflects an increase in the amount of Carolina Group shares outstanding. Carolina Group stock represents a 58.12% and 39.26% economic interest in the Carolina Group for the three months ended September 30, 2006 and 2005, respectively.

Loews Corporation sold 15 million shares of Carolina Group stock in each of August and May of 2006 and 10 million shares in November of 2005. Net income per share of Carolina Group stock was not impacted by the sale of Carolina Group shares.

Net sales for the Carolina Group were \$986.0 million in the third quarter of 2006, compared to \$928.4 million in the 2005 third quarter.

Carolina Group net income for the first nine months of 2006 was \$540.2 million, compared to \$432.6 million in the first nine months of 2005. Net income attributable to Carolina Group stock for the first nine months of 2006 was \$279.3 million, or \$3.16 per share of Carolina Group stock, compared to \$169.7 million, or \$2.49 per share in the comparable period of the prior year. The increase in net income attributable to Carolina Group stock is primarily due to higher effective unit prices reflecting lower sales promotion expenses (accounted for as a reduction to net sales) and reflects the August and May of 2006 and November of 2005 sales by Loews Corporation of Carolina Group stock discussed above.

Net sales for the Carolina Group were \$2.818 billion in the first nine months of 2006, compared to \$2.652 billion in the comparable period of the prior year.

Results of operations of the Carolina Group include interest expense of \$17.5, \$22.0, \$54.9 and \$65.4 million, net of taxes, for the three and nine months ended September 30, 2006 and 2005, respectively, on notional intergroup debt. At September 30, 2006, \$1.35 billion principal amount of notional intergroup debt was outstanding.

The Carolina Group stock, commonly called a tracking stock, is intended to reflect the economic performance of a defined group of the Company's assets and liabilities, referred to as the Carolina Group, principally consisting of the Company's subsidiary Lorillard, Inc. The Carolina Group, a notional group, is not a separate legal entity. The purpose of this financial information is to provide investors with additional information to use in analyzing the results of operations and financial condition of the Carolina Group, and this financial information should be read in conjunction with the consolidated financial information of Loews Corporation.

As of September 30, 2006 there were 108,309,871 shares of Carolina Group stock outstanding representing a 62.3% economic interest. Depending on market conditions, the Company, for the account of the Carolina Group, from time to time may purchase shares of Carolina Group stock in the open market or otherwise.
