

Graphic Packaging International, Inc. Worldwide Policy for Health, Safety & Environmental

Graphic Packaging International, Inc. is dedicated to protecting the health and safety of employees and the public and the quality of our environment...

- ...by minimizing or eliminating health, safety and environmental risks to our employees and the communities in which we operate.
- ...by providing leadership at the business unit level to assure effective standards exist to protect our environment.
- ...by building a team so that each employee shares the responsibility for protection of health and safety and our environment.
- ...by developing and using innovative technologies and processes while maintaining an ongoing dialogue with our customers and the public to strive to minimize the amount of materials required to fabricate packaging, the creation of wastes and the release of pollutants as well as, to minimize or to eliminate adverse impacts from company operations on health and safety.
- ...by assuring full compliance with all applicable laws and regulations.

David W. Scheible
President and Chief Executive Officer
