

Forward-Looking Statement Disclaimer/Risks and Uncertainties

The statements contained in this website and the various presentations included in this website that are not historical facts are “forward looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements are made subject to certain risks and uncertainties, which could cause actual results to differ materially from those presented in these forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only to the date such data was posted to the website. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the posting of this data to the website. Such risks and uncertainties with respect to each subsidiary’s operations include, without limitation:

NACCO Materials Handling Group (“NMHG”): (1) reduction in demand for lift trucks and related aftermarket parts and service on a worldwide basis, including the ability of NMHG’s dealers and end-users to obtain financing at reasonable rates as a result of current economic conditions, (2) changes in sales prices, (3) delays in delivery or increases in costs, including transportation costs, of raw materials or sourced products and labor, (4) exchange rate fluctuations, changes in foreign import tariffs and monetary policies and other changes in the regulatory climate in the foreign countries in which NMHG operates and/or sells products, (5) delays in, increased costs from or reduced benefits from restructuring programs, (6) customer acceptance of, changes in the prices of, or delays in the development of new products, (7) introduction of new products by, or more favorable product pricing offered by, NMHG’s competitors, (8) delays in manufacturing and delivery schedules, (9) changes in or unavailability of suppliers, (10) bankruptcy of or loss of major dealers, retail customers or suppliers, (11) product liability or other litigation, warranty claims or returns of products, (12) the effectiveness of the cost reduction programs implemented globally, including the successful implementation of procurement and sourcing initiatives, (13) acquisitions and/or dispositions of dealerships by NMHG, (14) changes mandated by federal and state regulation including health, safety or environmental legislation, (15) the ability of NMHG and its dealers and suppliers to access credit in the current economic environment and (16) the ability of NMHG to obtain future financing on reasonable terms or at all.

Hamilton Beach: (1) changes in the sales prices, product mix or levels of consumer purchases of small electric appliances, (2) changes in consumer retail and credit markets, (3) bankruptcy of or loss of major retail customers or suppliers, (4) changes in costs, including transportation costs, of sourced products, (5) delays in delivery of sourced products, (6) changes in, or unavailability of quality or cost effective, suppliers, (7) exchange rate fluctuations, changes in the foreign import tariffs and monetary policies and other changes in the regulatory climate in the foreign countries in which Hamilton Beach buys, operates and/or sells products, (8) product liability, regulatory actions or other litigation, warranty claims or returns of products, (9) customer acceptance of, changes in costs of, or delays in the development of new products, (10) increased competition, including consolidation within the industry, (11) the ability of Hamilton Beach and its customers and suppliers to access credit in the current economic environment and (12) the ability of Hamilton Beach to obtain future financing on reasonable terms or at all.

Kitchen Collection: (1) changes in gasoline prices, weather conditions, the level of consumer confidence and disposable income as a result of the current financial crisis or other events or other conditions that may adversely affect the number of customers visiting Kitchen Collection® and Le Gourmet Chef® stores, (2) changes in the sales prices, product mix or levels of consumer purchases of kitchenware, small electric appliances and gourmet foods, (3) changes in costs, including transportation costs, of inventory, (4) delays in delivery or the unavailability of inventory, (5) customer acceptance of new products, (6) increased competition and (7) the ability to obtain future financing on reasonable terms or at all.

North American Coal: (1) weather conditions, extended power plant outages or other events that would change the level of customers’ lignite coal or limerock requirements, (2) weather or equipment problems that could affect lignite coal or limerock deliveries to customers, (3) changes in mining permit requirements that could affect deliveries to customers, including the resumption of Florida limerock mining, (4) changes in costs related to geological conditions, repairs and maintenance, new equipment and replacement parts, fuel or other similar items, (5) costs to pursue and develop new mining opportunities, including costs in connection with North American Coal’s joint ventures, (6) changes in U.S. regulatory requirements, including changes in power plant emission regulations, (7) changes in the power industry that would affect demand for North American Coal’s reserves, (8) the ability of North American Coal’s utility customers to access credit markets to maintain current liquidity and (9) the ability of North American Coal to obtain future financing on reasonable terms or at all.
