(1) Includes the sales from U.S. stores and clubs open for the previous twelve months, including remodels, relocations and expansions. Changes in format are excluded from comparable store sales when the conversion is accompanied by a relocation or expansion that results in a change in square footage of more than five percent.

(2) Wal-Mart's retail calendar begins on the Saturday before the first Friday in February, with each successive week of the calendar beginning on Saturday. The first and third months of each retail fiscal quarter contain four weeks with the second month containing five. Year-to-date comparable store sales amounts in any given month are indicated as "YTD."

(3) The impact of fuel sales on our Wal-Mart Stores segment is de minimis.

(4) Includes comparable store sales from all units in the United States, including supercenters, discount stores, Neighborhood Markets, Walmart.com, Sam's Clubs and samsclub.com.
