Forward-Looking Statements

Wal-Mart includes the following cautionary statement to take advantage of the “safe harbor” provisions of the PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995 for any forward-looking statements made by, or on behalf of, Wal-Mart. You are referred to Wal-Mart’s SEC filings for additional information regarding the safe harbor. Actual results may differ materially from predicted results as a result of factors including, among others, general economic conditions, cost of goods, consumer credit availability, competitive pressures, geopolitical conditions, labor and healthcare costs, inflation, consumer spending patterns and debt levels, currency exchange fluctuations, trade restrictions, changes in tariff and freight rates, fluctuations in the costs of gasoline, diesel fuel and other energy, accident and insurance costs, interest rate fluctuations and other capital market conditions, weather conditions, storm related damage to our facilities and customer traffic, regulatory matters and other risks set forth with the company’s filings with the SEC.
