LG® Rumor²™

Manage Messaging, Voice and Data on Any Budget

LG Rumor², exclusively from Sprint, is an easy to use and stylish device that features a full sliding QWERTY keyboard for enhanced messaging, email and social networking as well as stereo Bluetooth®, a 1.3 megapixel camera and a large QVGA display. Included in the box is an additional removable backplate, allowing users to personalize their phone. Music-lovers will value LG Rumor²'s MP3 player with microSD memory card slot with 16GB card capability. Preloaded with Sprint Navigation, it provides full-feature GPS navigation including voice and on screen turn-by-turn driving directions and more than 10 million business listings. Also, easy access to Microsoft Exchange Server and IBM Lotus Notes accounts will be available through Sprint Mobile Email Work, as an extension of Sprint Mobile Email's existing access to personal email accounts from popular Web-based providers such as AOL®, Gmail, Windows Live™, Hotmail® and Yahoo! Mail.

ENTERTAINMENT/MUSIC

- NFL Mobile Live providing live audio broadcasts of every regular season game and watch the live broadcasts of all NFL Network games. Get real-time red zone alerts, scores, stats, live NFL Network 24/7 and more. Manage your fantasy football team like a pro with up-to-the-minute insights, analysis, stats and alerts.
- MP3 player with microSD memory card slot with 16GB card capability
- Stereo Headset Jack allowing users to listen to music in stereo when using a 2.5mm stereo headset

PRODUCTIVITY

- Sprint Navigation with GPS-enabled audio and visual turn-by-turn driving directions, one-click traffic rerouting and more than 10 million local listings
- Mobile email with easy, one touch access to all your personal and work email including AOL, Gmail, Windows Live™, Hotmail® and Yahoo! Mail.
- Full QWERTY keyboard flip phone for enhanced messaging and social networking
- Increased screen resolution to QVGA clarity
- 1.3 megapixel camera with 2x digital zoom
- Sprint PCS® Picture Mail to shoot, share and print high-resolution digital photos instantly
- Built-in productivity tools such as planner and scheduler, task list, world clock, alarm clock, calculator and more

SPECIFICATIONS

- Dimensions: 4.41 x 2.05x 0.7 inches; 4.2 ounces
- Display: 1.2 x1.61 inches TFT (240 x 320 pixels QVGA and 262K vibrant colors)
- Standard Lithium (LiIon) battery: up to 5.5 hours continuous talk time*

*Talk times will vary depending on phone usage patterns and conditions. Battery power consumption depends on factors such as network configuration, signal strength, operating temperature, features selected, vibrate mode, backlight settings, browser use, frequency of calls and voice, data and other application usage patterns.
