

Fact Sheet

Sprint Nextel
6200 Sprint Parkway
Overland Park, Kan. 66251

Motorola Renegade™ V950

BASICS:

- **Design:** Clamshell
- **Dimensions:** 4.1" x 2.1" x .66"
- **Weight** 4.16 ounces
- **Network:** Digital Dual-Band 1900 MHz and 800 MHz
- **Display:** Main: 2.2", 262K main display; 240 x 320 pixels
- **Battery Specifications:** Standard rechargeable Li-Ion (1100 mAh)
- **External Memory:** Micro SD
- **Color:** Black

FEATURES:

- **Ultra-Rugged Design:** Meets military standards for dust, shock, vibration and blowing rain.
- **Nextel Direct Connect Features:**
 - **Direct Connect®** – Instant, one-to-one push-to-talk communication nationwide with any other Nextel Direct Connect subscriber.¹ Ideal for quick, to the point conversations with families, friends, and co-workers.
 - **Group Connect®** – Communicate or coordinate activities with up to 20 other Nextel Direct Connect subscribers all at once – nationwide, quickly and easily.¹ Create and manage groups dynamically on your phone or online using the new Sprint Mobile Sync tool. Group Connect participants must also have a Nextel Direct Connect capable Sprint phone with the Group Connect feature.
 - **Call Alert (with Text feature)** – Send a repeating alert to let another Nextel Direct Connect capable Sprint subscriber know you are trying to reach them.¹ With the new Text feature you can send pre-set text messages with a Call Alert to a subscriber with a Nextel Direct Connect capable Sprint phone.
 - **TeamDCSM** – Communicate or coordinate activities with up to 34 other Nextel Direct Connect subscribers at the same time – nationwide, quickly and easily. Create and manage groups online only.¹ TeamDC group lists are sent to all members of the group, as are updates, so anyone can start or join a TeamDC call with their group. All TeamDC participants must also have a Nextel Direct Connect capable Sprint phone.
 - **Single Number option** – Simplicity of using one number for both cellular and Direct Connect calls^{1, 2}. All subscribers can opt to maintain a unique number for Direct Connect if preferred.
 - **DC Permissions** – Ability to block/allow incoming PTT calls and Call Alerts from select users.¹
- **Bluetooth® Wireless Technology (with stereo support):** Built-in radio technology for short-range wireless communication with compatible devices.³

- **2.0 Megapixel Camera and Camcorder:** Capture high-resolution images with the digital camera and a 4X digital zoom with embedded flash. Create your own video clips and easily share with friends and family.
- **MP3 player with external controls:** Transfer music files from a PC or download from the Sprint® Music Store¹ and listen to your songs via the speakerphone or a stereo headset accessory.⁴
- **MicroSD Card:** A removable memory card for storing pictures, videos, voice memos and music.
- **Sprint Music Store:** Download stereo-quality tracks instantly over the air. Choose songs from thousands of artists in virtually every genre.^{1, 4}
- **Sprint TV:** Sprint Power Vision allows you to watch live TV – from channels you know - on the go with full-motion video and vivid sound at broadband-like speeds.¹
- **Sprint PCS Picture Mail:** Take, save, share and publish quality digital photos.¹
- **Sprint Navigation:** Delivers voice-guided and on-screen turn-by-turn GPS-enabled driving directions, 3-D moving maps similar to an in-car navigation system or personal navigation device, as well as local search and real-time intelligent traffic alerts and one-click rerouting, anywhere on the Sprint Mobile Broadband Network.¹
- **NFL Mobile Live:** provides live audio broadcasts of all NFL regular season games, live audio/video stream of 8 NFL Network games (starting in November 2008,) live 24/7 stream of the NFL Network, exclusive team content, exclusive video highlights from all games and fantasy tools.¹
- **Mobile Email:** Easy, one-touch access to all your personal email including AOL/AIM, Yahoo!, Windows Live (Hotmail and MSN) and more.¹
- **Instant Messaging:** Send and receive IM and email from your phone.¹
- **Sprint® Mobile Sync** – Easy to use online tool for contact and group management, address book synchronization between online and phone, secure contact backup, and automatic contact transfer when you change to a new capable phone.¹
- **Speakerphone:** Hands-free mobile conversations are always available with the built-in speakerphone.
- **SMS Text Messaging:** Quickly send and receive SMS text messages across the room or around the country.¹

¹ Network and/or SIM card dependent feature, not available in all areas. Airtime, data charges, and/or additional charges may apply. PTT and Send via PTT connectivity requires compatible phones.

² Check with Network Provider as certain restrictions may apply.

³ This device supports Bluetooth A2DP and AVRCP profiles. In order for Bluetooth devices to communicate with one another, they must utilize the same Bluetooth profile. To determine the profiles supported by other Motorola devices, visit www.motorola.com/bluetooth. For other devices, contact their respective manufacturer.

Certain Bluetooth features including those listed may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality.

⁴ The unauthorized copying of copyrighted materials is contrary to the provisions of the Copyright Laws of the United States and other countries. This device is intended solely for copying non-copyrighted materials, materials in which you own the copyright, or materials which you are authorized or legally permitted to copy. If you are uncertain about your right to copy any material, please contact your legal advisor.

Certain features may not be activated by your service provider, and/or their network settings may limit the feature's functionality. Additionally, certain features may require a subscription. Contact your service provider for details.
