## News Release

PHUNG NGO-BURNS  
Vice President, Chief Financial Officer

Prior to becoming Chief Financial Officer in 2008, Phung managed ExpressJet's corporate accounting and division controller functions.

She began her career with Ernst & Young, gaining diverse auditing and accounting experience before joining the airline industry with American Airlines in 1993. Shortly thereafter, she joined Continental's corporate and revenue accounting departments and remained there for seven years before transitioning to ExpressJet.

Phung was instrumental in building ExpressJet's corporate accounting organization to support the company's status as a public company.

Phung earned her master's degree in business from the University of Houston and bachelor's degree in accounting from Oklahoma State University.
