**WESFARMERS TO RAISE \$2.5 BILLION IN EQUITY
VIA AN ACCELERATED PRO-RATA ENTITLEMENT OFFER TO COMPLETE
REFINANCING PROGRAMME**

Wesfarmers today announced that it has funding commitments in place to refinance all of the outstanding Coles acquisition bridge facility.

The \$4.0 billion refinancing will be completed through a combination of:

- A \$2.5 billion equity issue to be conducted as a 1 for 8 accelerated pro-rata entitlement offer to shareholders at an Offer Price of \$29.00 (“Entitlement Offer”). The Entitlement Offer has been fully underwritten;
- New commitments on customary terms to refinance the remaining \$0.8 billion of the Coles acquisition bridge loan until December 2009, which has been secured at average margins of approximately 100 bps including fees; and
- The US\$650 million (A\$0.7 billion) 5-year bond issue announced on 4 April 2008.

In addition, Wesfarmers has taken the opportunity to secure commitments to renew its \$1.0 billion working capital facility. The average margin on all one to three year debt financing is less than 100bps including fees.

Wesfarmers Managing Director Richard Goyder said the company had taken an important step in finalising its refinancing programme, providing assurance regarding the repayment of the acquisition bridge facilities.

“Following a review of the range of options available to complete the refinancing programme and the funding cost of those options, the Wesfarmers Board believes that an equity issue is in the best interests of shareholders given a backdrop of ongoing volatility in global debt capital markets,” he said.

“The equity raising will strengthen the Wesfarmers balance sheet and provide us with financial flexibility going forward.

“One of the principal advantages of the Entitlement Offer is that all eligible Wesfarmers shareholders will have an equal opportunity to participate in, and benefit from, the future growth of the Wesfarmers businesses.”

Mr Goyder said Wesfarmers has a high quality portfolio of businesses with a broad range of growth opportunities.

“The integration of Coles is largely complete. We continue to have a high level of confidence regarding the opportunity to generate shareholder value by substantially enhancing Coles’ earnings. Earnings from the Resources division are expected to increase substantially in FY09 due to the increase in market prices for export coal currently being negotiated and the remainder of our businesses are performing in line with our expectations.”

Further information on Wesfarmers’ businesses and performance is available in Wesfarmers’ detailed Investor Briefing presentation lodged with the ASX today ahead of Wesfarmers’ Investor Briefing Day on Tuesday, 22 April 2008. A webcast of the Investor Briefing presentation will be available to eligible shareholders at www.wesfarmers.com.au.

Entitlement Offer

The gross proceeds of approximately \$2.57 billion will be raised through a 1 for 8 accelerated pro-rata entitlement offer.

Under the Entitlement Offer, eligible shareholders (including eligible holders of Wesfarmers Partially Protected Shares (“WPPS”)) will be invited to subscribe for New Wesfarmers Ordinary Shares at an Offer Price of \$29.00 per share representing a 21.6 per cent discount to the closing price of Wesfarmers Ordinary Shares on 16 April 2008 and a 19.6 per cent discount to the theoretical ex-entitlements price.

New Wesfarmers Ordinary Shares equal in number to those not taken up by Eligible Shareholders and those which would otherwise have been offered to Ineligible Shareholders will be placed into an underwritten institutional or retail bookbuild as applicable. Any premium above the Offer Price achieved in these bookbuilds will be remitted to those relevant shareholders on a pro-rata basis. The Entitlements will not be tradeable on the ASX nor otherwise transferable.

ABN AMRO, Deutsche Bank, Goldman Sachs JBWere, JPMorgan, Macquarie Capital Advisers and UBS have been appointed joint lead managers and have fully underwritten the Entitlement Offer. Wesfarmers is being advised by Gresham Advisory Partners and Allens Arthur Robinson.

Further details of the Entitlement Offer are included as an Appendix to this announcement.

Dividend Guidance

Wesfarmers confirms its previous guidance that it expects to be able to pay fully franked dividends of at least \$2.00 per Wesfarmers share for the 2008 and 2009 financial years, subject to the availability of retained earnings and franking credits.

“The Wesfarmers Board’s decision to maintain its current dividend guidance reaffirms our confidence in the operating and financial strength of the company” said Mr Goyder.

New shares issued under the Entitlement Offer will be entitled to receive Wesfarmers’ FY08 final dividend, expected to be at least \$1.35 per share and payable in September 2008. All Wesfarmers shareholders may participate in the Dividend Investment Plan (“DIP”). The DIP in respect of the FY08 final dividend will not be underwritten.

Wesfarmers Partially Protected Shares

Eligible holders of WPPS will be entitled to participate in the Entitlement Offer on the same terms as eligible Wesfarmers ordinary shareholders. Consequently, eligible WPPS holders will be entitled to subscribe for 1 New Wesfarmers Ordinary Share for every 8 WPPS held.

Under the terms of the WPPS, the Wesfarmers Board may exercise its discretion to determine whether the WPPS terms, including the cap and floor price, should be adjusted to maintain the relative values of the WPPS and Wesfarmers Ordinary Shares. In exercising that discretion, the Board has had regard to the interests of all Shareholders and determined that:

- The WPPS cap price of \$45.00 per share should be reduced to \$43.92; and
- The WPPS floor price of \$36.00 per share should be reduced to \$35.14.

The changes to the cap and floor prices are equivalent to the percentage difference between the theoretical ex-entitlements price and the closing price of Wesfarmers Ordinary Shares on 16 April 2008.

In exercising its discretion, the Wesfarmers Board has had regard to the benefit to WPPS holders through their participation in the Entitlement Offer and the effect of the Entitlement Offer on the relative values of the WPPS and Wesfarmers Ordinary Shares.

Grant Samuel has advised Wesfarmers that, in its view, the adjustment is fair, reasonable and appropriate in the context of the entitlements being offered to holders of WPPS.

Trading Halt/Voluntary Suspension

Wesfarmers' securities will be in a trading halt on Monday 21 and Tuesday 22 April 2008, in addition to the halt granted by the Australian Securities Exchange ("ASX") for 17 and 18 April. At its request, Wesfarmers' securities will be suspended from the ASX on Wednesday 23 and Thursday 24 April 2008. This will enable the company to complete the Institutional Entitlement Offer as detailed below. The voluntary suspension mechanism has been used because ASX policy is not to grant more than four days trading halt. Wesfarmers expects trading in its securities to re-commence on Monday 28 April 2008.
