Note 1: Under the terms of the Company's expired Dividend Reinvestment Plan and the special 1:50 dividend, fractional entitlements to shares in respect to the above dividends were rounded upwards.

Note 2: Where ordinary and preference dividends were paid on the same date, a single certificate incorporating the DRP entitlement of both dividends was issued.

Note 3: As a result of restrictions imposed by the Company's selective capital reduction, the DRP allotment relating to both dividends paid on the 9/6/95 was deferred until 13/7/95.
