## Comcast Movies

statistics

### Customers are watching more movies ON DEMAND

- Comcast customers watched more than 61 million free movies in 2007.

online

### Comcast.net's Movie Channel

Comcast's High-Speed Internet service features a dedicated movie page offering customers the ability to:

- Keep up-to-date on the latest news from Hollywood.
- Watch clips, previews, interviews and news on The Fan™, Comcast's streaming broadband media player.
- Look up theater show times in their area.

future applications in development

- The ability to program a Comcast Digital Video Recorder through Comcast High-Speed Internet service, so customers can be sure to catch a movie they want to see, even when they're not home to set a recording.
