ANNOUNCEMENTS

The Board of Directors of Wilmar International Limited (the "Company") is pleased to announce the following:

1. WILMAR EXCEL PTE. LTD.

The Company has incorporated a wholly-owned subsidiary, Wilmar Excel Pte. Ltd. ("Excel"), the subsidiary has an issued & paid-up capital of US\$5,000. Excel will be the holding company for the Group's IT operations in China. Excel will deliver management information solutions in support of the Company's business operations and provide IT support to enhance the operational efficiency of the Group.

None of the directors or substantial shareholders has any direct or indirect interest in the above transactions.

2. RENEWABLE ENERGY JOINT VENTURE

On the 8th of May 2007 the Company entered into a Joint Venture Agreement ("JV Agreement") with Electrawinds S.A. ("Electrawinds") on a 50:50 basis to incorporate a Singapore joint venture company "E W Green Power Pte. Ltd.". Wilmar's investment through the JV Agreement will be for various combined heat and electricity generating plants in Europe either directly or in collaboration with local partners. The various plants will use renewable feedstock, of which palm oil is one of them.

The first project to be implemented under this Joint Venture, is in Belgium and will commence construction in the second half of 2007, with project costs not exceeding US\$50 million. It is also not expected to have any significant financial effect for the year ending 2007.

The Company's foray in renewable energy is the result of its firm belief that the business offers huge and long term potential, particularly in Europe with its tighter mandatory requirements for green energy.

Created in 1998, Electrawinds S.A. operates in Belgium and Italy and has invested a total of €100 million in renewable energy projects. It currently has some 50MW of installed capacity in wind and biomass energy, with plans to add a further 400MW of energy generation.

None of the directors or substantial shareholders has any direct or indirect interest in the above transaction.
