The Board of Directors of Wilmar International Limited (~~%Wilmar+~~) wishes to announce that it has on 17 July 2007 entered into two joint venture agreements (each a ~~%JVA+~~) with subsidiaries of each of Kerry Group Limited, Kerry Properties Limited and Shangri-La Asia Limited (collectively with Wilmar, the ~~%JV Parties+~~) to establish two separate joint venture companies to be incorporated in Samoa (the ~~%JV Companies+~~). The maximum aggregate commitment of the JV Parties to the JV Companies will be USD 40.2 million. All contributions from the JV Parties shall be made pro-rata to their equity interests in the JV Companies. It is intended that Wilmar's share of USD10.05 million to the initial investment in the JV Company will be funded by internal resources.

The establishment of the JV Companies is not expected to have any material impact on the net tangible assets or earnings per share of Wilmar for the financial year ending 31 December 2007.
