Response to SGX's Query Regarding Trading Activity

Question 1: Are you aware of any information not previously announced concerning you (the issuer), your subsidiaries or associated companies which, if known, might explain the trading?

The Company is not aware of any information not previously announced concerning the Company, its subsidiaries or associated companies which, if known, might explain the trading.

With reference to the Reuters report today, quoting our CEO stating that the Company "will not go ahead with its plan to list its China operation in Hong Kong unless the market recovers", the Company wishes to state that there are no new developments further to the announcements made by the Company on the proposed listing of Wilmar China Limited ("Wilmar China") on the Stock Exchange of Hong Kong ("HKEX"). As stated in the earlier announcements, the Company and Wilmar China are monitoring market conditions and no decision has been made on the timing of the proposed listing of Wilmar China.

Shareholders are reminded that the listing of Wilmar China is subject to, inter alia, the formal approval of the HKEX and the decision whether or not to proceed with the listing will be made by the Company and Wilmar China, taking into account, amongst other things, prevailing market conditions. Accordingly shareholders and potential investors are once again advised to exercise caution when dealing in securities of the Company.

Question 2: Are you aware of any other possible explanation for the trading?

We have announced our 3rd Quarter results for the period ended 30 September 2009 today. The Company is not aware of any other possible explanation for the trading.

Question 3: Can you confirm your compliance with the listing rule and, in particular, listing rule 703?

To the best of our knowledge and belief, the Company confirms its compliance with the listing rules, and in particular, Rule 703 of the Listing

Manual.
