HEARTWARE LIMITED

ABN 34 111 970 257

21 June 2007

Dear HeartWare Shareholder

HeartWare Limited – Share Purchase Plan

I am pleased to offer you the opportunity to participate in the HeartWare Limited Share Purchase Plan, dated 21 June 2007 (**Plan**). The Plan allows you to purchase up to A\$5,000 worth of ordinary shares in HeartWare Limited (**Heartware** or the **Company**) at A\$0.60 per share free of any brokerage or transaction costs.

HeartWare has recently received commitments to raise in excess of A\$30 million through a private placement to sophisticated and institutional investors in Australia, the United States and Europe at an issue price of A\$0.60 (the **Private Placement**). Completion of the Private Placement is subject to the approval of shareholders at the Extraordinary General Meeting, which is presently scheduled to be held on 26 July 2007. By making this offer to HeartWare's Australian and New Zealand shareholders under the Plan, HeartWare is providing those shareholders with the opportunity to acquire shares at the same price that was made available under the Private Placement.

Funds raised by the issue of shares under the Plan (and the Private Placement) will be used primarily to fund the clinical development and commercialization of HeartWare's HVAD™ Left Ventricular Assist Device, the completion of the EU and Australian clinical trials and commencement of the US trials, and general working capital.

Participation in the Plan is open to all shareholders registered as holders of ordinary shares in HeartWare as at 5pm (Sydney time) on 13 June 2007 and whose address in HeartWare's share register is in Australia or New Zealand. Due to the high regulatory and legal costs of preparing and lodging the required documents in overseas jurisdictions, HeartWare will not be making an offer under the Plan to any other overseas shareholders (including in the United States of America, where securities laws restrictions apply).

As announced on 14 June 2007, the issue price of shares being offered under the Plan is A\$0.60 and this price is a 17.8% discount to the weighted average market price of HeartWare shares traded on the Australian Securities Exchange during the five trading days prior to the announcement of the offer under the Plan on 14 June 2007.

Shareholders should note that the market price of HeartWare shares may rise or fall between the date of this offer and the date on which the shares are issued to you under the Plan. This means that the issue price you pay for shares offered under the Plan may exceed the market price of those shares at the date of allotment of the shares under this offer. The Board of HeartWare recommends that you obtain advice from your financial, legal or other advisors in relation to this offer and consider, without limitation, price movements of shares in HeartWare before accepting this offer. An investment in HeartWare should be considered to be speculative in nature.

If you would like to participate, your application for shares under the Plan must, at your choice, be for either 5,000 shares (with a total issue price of A\$3,000.00), 6,667 shares (with a total issue price of \$4,000.20) or 8,333 shares (with a total issue price of A\$4,999.80).

Participation in the Plan is entirely at the option of shareholders, however, your entitlement to participate in the Plan is non-renounceable. This means that your right to participate in the Plan cannot be transferred to anyone else.

The full Terms and Conditions of the Plan are enclosed and you should carefully review them. If you wish to participate in the Plan, you should:

1. Complete the attached Application Form, indicating how many shares you wish to apply for under the Plan; and
2. Enclose your cheque payable to **"Heartware Limited – Share Purchase Plan"** and submit it to the Company's share registry, (in the enclosed reply paid addressed envelope if mailed within Australia) at:

Registries Limited
PO Box R67
Royal Exchange NSW 1223

To be received no later than 5.30pm (Sydney time) on 17 July 2007

Shares to be issued under the Plan will be issued within 15 business days after the closing date for applications and HeartWare will, promptly after issue of shares under the Plan, apply for the shares to be listed for quotation on the official list of ASX.

As set out in the Explanatory Memorandum to the Notice of Extraordinary General Meeting scheduled for 26 July 2007 (Explanatory Memorandum), the Company is now treated as a domestic filer for US securities law purposes and is therefore subject to the same registration and reporting requirements as other US domestic companies, with the result that all HeartWare shares issued under the Plan cannot be resold into the United States following issue except in certain limited circumstances as permitted under US securities law. In order to comply with the requirements of US securities law and so as to facilitate electronic trading of HeartWare shares on the ASX, the Company is required to institute the FORUS designation on all shares issued under the Plan, which will prohibit the purchase of those shares by US persons. At the same time, the Company will also apply the FORUS designation to all of the HeartWare shares issued under the Private Placement and all existing ordinary shares in the Company. Please refer to the Explanatory Memorandum for further detail.

US Securities Law Disclosure

The offer and sale to you of the shares under the Plan have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or the laws of any state or other jurisdiction in the United States but rather the shares will be issued in reliance on an exemption from registration contained in Regulation S under the Securities Act for offers and sales made outside of the US. As a result, the shares constitute "restricted securities" as such term is defined under Rule 144 of the Securities Act.

By participating in the Plan, you acknowledge that you may not and will not offer, sell, pledge, transfer or otherwise dispose of any shares in the United States or for the account or benefit of a U.S. person (as defined in Regulation S of the Securities Act) ("US Person") unless and until the shares are registered under the Securities Act (which you acknowledge HeartWare has no obligation to do) or offered, sold, pledged, transferred or otherwise disposed of in a transaction exempt from, or not subject to, the registration requirements of the Securities Act or the laws of any state or other jurisdiction in the United States.

In addition, by participating in the Plan you agree to abide by the restrictions of Regulation S and are deemed to have made the following representations:

- (a) You are not a US Person and are not acting for the account or benefit of a US Person.
- (b) You will not engage in hedging transactions with regard to the shares offered under the Plan unless in compliance with the Securities Act.
- (c) You acknowledge and agree that, in order to ensure that US Persons do not purchase any shares issued to you, a number of procedures governing the trading and clearing of the Placement Shares will be implemented, including the application to the shares of the status of Foreign Ownership Restriction (FOR) securities under the ASTC Settlement Rules and the addition of the notation "FORUS" to the shares' description on ASX trading screens and elsewhere, which will inform the market of the prohibition on US Persons owning the shares.

If you have any questions in relation to the Plan or any of the enclosed documents, please contact Howard Leibman on (02) 8215 7604.

I welcome your participation in the Plan and thank you for your continued support of HeartWare.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Rob Thomas".
