[For Immediate Release]

Kingsoft Named "Top 10 China Copyright Holders in 2008" by Copyright Protection Center of China

(Feb 19, 2009 – Hong Kong) Kingsoft Corporation Limited ("Kingsoft" or the "Company"; SEHK stock code: 3888), a leading entertainment and applications software developer, distributor and service provider in China by market share, was named as one of "Top 10 China Copyright Holders in 2008" by Copyright Protection Center of China (CPCC). The award is the latest recognition of the Company's commitment to promote copyright protection of independent R&D products.

Kingsoft has always been a promoter of the protection of intellectual property. The Company's flagship products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security and the JX series have all completed copyright registration with CPCC. WPS Office, for instance, is one of the most popular office softwares in China and was winner of Second Prize of National Science & Technology Progress Awards in 2001 and 2007. The software is popular in overseas markets as well, including Japan.

Mr. Kau Pak Kwan, Chairman and Chief Executive Officer of Kingsoft, said: "We are honored to have been recognized by CPCC for our work in copyright protection. By protecting intellectual property, we are protecting our own existence. Without copyright protection, Kingsoft will not make such great achievements as today."

"2008 Top 10 China Copyright Holders Annual Award" was organized by CPCC. The top 10 performers are selected from over 300 companies by a panel of judges on the election committee.

CPCC was established in Beijing in 1998 and is authorized by the National Copyright Administration of the PRC to provide various copyright registration services in China.

About Kingsoft

Following the commercial launch of its first office applications software WPS 1.0 in 1989, Kingsoft Corporation Limited has now become a leading entertainment and applications software developer, distributor and service provider in China, based on market share. The Company leverages its comprehensive software development platform to offer a wide range of innovative entertainment and applications software.

Kingsoft has several well-known products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security, and online games such as the JX Series and The First Myth. In addition, the Company sells various products such as Kingsoft Internet Security and Kingsoft PowerWord to retail consumers, corporate organizations and government agencies in China using online and offline distribution channels.

With its headquarters in Beijing, Kingsoft has multiple research and development centers based in Zhuhai, Beijing, Chengdu, Dalian and Shenzhen. The Company's vision is to create world-class software products that run on every computer and our strategy is to enhance our position as a leading entertainment and application software developer, operator and distributor in China and to expand its presence in certain oversea markets.
