About Kingsoft

Since having commercially launched the first office applications software, WPS 1.0 in 1989, Kingsoft Corporation Limited has now become a leading entertainment and applications software developer, distributor and service provider in China, based on market share. The Company leverages its comprehensive software development platform to offer a wide range of innovative entertainment and applications software.

Kingsoft has several well-known products such as WPS Office, Kingsoft PowerWord, Kingsoft Internet Security, and online games such as the JX Series and The First Myth. In addition, the Company sells various products such as Kingsoft Internet Security and Kingsoft PowerWord to retail consumers, corporate organizations and government agencies in China using online and offline distribution channels.

With its headquarters in Beijing, Kingsoft has multiple research and development centers based in Zhuhai, Beijing, Chengdu and Dalian. The Company's vision is to create world-class software products that run on every computer and our strategy is to enhance our position as a leading entertainment and application software developer, operator and distributor in China(based on market share), and to expand its presence in certain oversea markets.
